DATE: 30 January 2023

BOARD REPORT TO COMMON CROSS-BORDER MERGER PLAN DRAWN UP BY THE BOARD OF DIRECTORS OF:

MFE-MEDIAFOREUROPE N.V., a public company (*naamloze vennootschap*) existing under the laws of the Netherlands, with its corporate seat in Amsterdam (the Netherlands) and its registered office and principal place of business at Viale Europa 46, 20093 Cologno Monzese (Italy), registered with the Dutch Commercial Register (*Kamer van Koophandel*) under number 83956859 ("**MFE**"),

CONSIDERING THAT:

(A) This board report has been prepared by the board of directors of MFE (the "**MFE Board of Directors**") in order to describe the cross-border merger by absorption of Mediaset España Comunicación, S.A. ("**MES**" and together with MFE referred to as the "**Merging Companies**") with and into MFE (the "**Merger**").

(B) The Merging Companies belong to the Mediaset group. In particular, (i) MFE is the holding company of the group, and (ii) MES is a direct subsidiary of MFE, which currently owns shares representing approximately 82.917% of MES' share capital (and 82.917% of its voting rights, taking into account the treasury shares currently held by MES).

(C) The MFE Board of Directors and the board of directors of MES (the "**MES Board of Directors**") have drawn up a common cross-border merger plan (the "**Common Cross-Border Merger Plan**") in order to execute a cross-border merger by absorption of MES (as absorbed company) with and into MFE (as absorbing company) within the meaning of the provisions of the (a) Directive (EU) 2017/1132 of the European Parliament and of the Council of 14 June 2017 relating to certain aspects of company law (the "**2017 Directive**"), which regulations on cross-border mergers of companies are in force (i) for Dutch law purposes under Title 2.7 of the Dutch Civil Code (the "**DCC**"), and (ii) for Spanish law purposes under Chapter II of Title II of Law 3/2009 of 3 April on structural modifications of companies (the "**LME**"); and (b) Directive (EU) 2019/2121 of the European Parliament and of the Council of 27 November 2019 amending Directive (EU) 2017/1132 as regards cross-border conversions, mergers and divisions.

(D) The Merger is part of a single and broader transaction (the "**Transaction**") which also envisages the following reorganization, aimed at maintaining all the operations and business activities of MES in Spain, to be completed prior to the effectiveness of the Merger: the segregation (*segregación*) by MES, in accordance with Title III of the LME, of its assets and liabilities, including its shareholdings in other companies, except for part of MES' cash and all its shareholding in ProSiebenSat.1 Media SE –as further detailed in the Segregation Plan (as described below)–, to Grupo Audiovisual Mediaset España Comunicación, S.A. ("**GA Mediaset**") –a Spanish wholly-owned direct subsidiary of MES– in exchange for the allotment to MES of all the new shares in GA Mediaset that will be issued as a consequence of its share capital increase triggered by the segregation (the "**Segregation**" or the "**Preliminary Reorganisation**")

(E) The Segregation, that will be carried out in parallel to the Merger and will be completed prior to the effectiveness of the Merger, is described in greater detail in the MES segregation plan (the "**Segregation Plan**"). Therefore, at the time of completion of the Merger, MES will not have any business activities of its own other than those of a holding company.

(F) Subject to the completion of the pre-merger formalities and the satisfaction (or the waiver, as the case may be) of the conditions precedent, as described in the Common Cross-Border Merger Plan, the Merger shall be implemented in accordance with Section 2:318 of the DCC and, as such, will become effective at 00:00 a.m. CET (Central European Time) on the day following the day on which the deed of merger is executed before a civil law notary officiating in the Netherlands (the "**Merger Effective Date**").

(G) This board report was prepared by the MFE Board of Directors having examined and reviewed the Merger and taking into consideration the overall impact on the Merging Companies (the "**Report**").

1. PURPOSE OF THE TRANSACTION

From a strategic, operational and industrial perspective, the Transaction is aimed at strategically and operationally integrating the Merging Companies, which, until now, have been operating autonomously in their respective territorial areas, resulting in the creation of a pan-European media and entertainment group which, while maintaining its leading position in its domestic markets, will acquire a superior competitive dimension and the potential to expand into certain countries throughout Europe. Combined sustainable capital structure and strong cash flow generation profile would provide MFE with the required firepower to play a pivotal role in the context of a possible future consolidation scenario in the European video media industry.

In the context of the current constantly developing competitive landscape, internationalization, economies of scale and ability to offer tech enabled products and quality content are becoming the key critical factors in the profitable execution of modern media company strategies.

As previously explained, the Merger will take place only once the Preliminary Reorganisation is completed. The Preliminary Reorganisation is aimed at, among other reasons, allowing GA Mediaset to continue operating the business of MES, once the Transaction is completed, within the same legal and business framework as the one regulated by the laws currently applicable to the activities of MES, without prejudice to any potential cost efficiencies and savings that may be achieved within the framework of the Transaction. For a description of the Preliminary Reorganisation see Recital (D) and (E).

2. EXPECTED CONSEQUENCES FOR THE ACTIVITIES

The Merger will not lead to the termination of any business activities currently carried out by MES or MFE and, apart from the Preliminary Reorganisation, will not affect the continuation of MES' or MFE's business following the Merger.

3. COMMENTS ON THE LEGAL, ECONOMIC AND SOCIAL ASPECTS

3.1 *Legal aspects*

At the Merger Effective Date, (i) MES will (a) merge with and into MFE, and (b) cease to exist as a standalone entity, and (ii) MFE will acquire all assets and assume all liabilities and other legal relationships of MES. Any legal relationships (including but not limited to receivables and debts) that may exist between the Merging Companies are cancelled upon the Merger. The Merger does not change the legal relationships between the Merging Companies and third parties, which after the Merger will be considered to be legal relationships between MFE and those third parties. Further, the Merger does not result in a change to the class or number of shares in the capital of MFE held by existing shareholders of MFE and will not trigger any withdrawal rights for the shareholders of MFE.

On the Merger Effective Date, each share of MES will be cancelled by operation of law and will thereafter represent only the right to receive such number of ordinary shares A in the capital of MFE ("**MFE Shares A**") as results from the Exchange Ratio (as defined in the Common Cross-Border Merger Plan). By operation of law, MFE will also increase its share capital and allot the MFE Shares A to the shareholders of MES.

As an exception to the above, (i) MES treasury shares held by MES at the Merger Effective Date and immediately prior to the effectiveness of the Merger; and (ii) MES shares held by MFE at the Merger Effective Date and immediately prior to the effectiveness of the Merger will be cancelled by operation of law pursuant to Section 2:325(4) of the DCC and Article 26 of the LME, and shall not give any right to receive MFE Shares A.

According to the agreed Exchange Ratio, all MES shareholders will be entitled to receive a whole number of MFE Shares A. Therefore, no fractions will be generated and no fractional MFE Shares A shall be allotted to any holder of shares of MES.

The MES shares are currently listed on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia, which are organised and managed by their respective managing companies of the stock exchanges (*sociedades rectoras de las bolsas de valores*) (the "**Spanish Stock Exchanges**") and are traded through the automated quotation system of the Spanish Stock Exchanges (*Sistema de Interconexión Bursátil Español* – the "**SIBE**"), organised and managed by Sociedad de Bolsas, S.A.U.

Effectiveness of the Merger is subject to, *inter alia*, the completion of all formalities (including the publication of the Exemption Document (as defined in the Common Cross-Border Merger Plan)) required for the start of trading of the MFE Shares A, which are to be allotted to MES shareholders upon the effectiveness of the Merger, on the Italian regulated market Euronext Milan, managed by Borsa Italiana S.p.A. ("**Euronext Milan**"). Listing and trading of the MFE Shares A on Euronext Milan is envisaged to occur on or about the Merger Effective Date.

Upon the completion of the required formalities and the publication of the Exemption Document, the new MFE Shares A will be tradable on Euronext Milan following their issuance pursuant to the Merger.

Additionally, MFE will apply for admission to listing of all the MFE Shares A on the Spanish Stock Exchanges for trading through the SIBE, as soon as possible within a period of three months from the completion of the Merger.

In order for all MFE Shares A to be admitted to listing on the Spanish Stock Exchanges for trading on the SIBE, MFE shall submit the relevant applications for admission to listing and trading to the managing companies of the Spanish Stock Exchanges, to the *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U.* (Iberclear), and to the National Securities Market Commission (*Comisión Nacional del Mercado de Valores*), respectively.

3.2 *Economic aspects*

As explained above, from a strategic, operational and industrial perspective, the Transaction is aimed at creating a pan-European media and entertainment group, with a leading position in its local markets and greater scale to compete and potential to expand further in specific countries across Europe. Combined sustainable capital structure and strong cash flow generation profile would provide MFE with the required firepower to play a pivotal role in the context of a possible future consolidation scenario in the European video media industry.

3.3 *Social aspects*

As of the date of this Common Cross-Border Merger Plan, by virtue of the Preliminary Reorganisation, GA Mediaset will substantially assume the same organisation and business structure as MES in terms of labour conditions, human resources, policies and procedures that have been in force as regards personnel management.

As of the date of this Common Cross-Border Merger Plan, the Merger is not expected to have any material impact on the employees of MES nor on the labour conditions and rights that they had prior to the Preliminary Reorganisation (as such employees are currently envisaged to continue being employees of GA Mediaset upon completion of the Preliminary Reorganisation).

The Merging Companies will comply with their respective information obligations and, should this be the case, of consultation with the employees' representatives -or, in the absence of the latter, with the affected employees-, in accordance with the applicable labour legislation.

The Merger, together with the Segregation, will be notified by MES to the relevant labour authorities and the General Treasury of the Social Security (*Tesorería General de la Seguridad Social*).

The information referred to in Article 39 of the LME and Article 44.6 of the Spanish Law of the Workers' Statute as regards the Merger and the Segregation, will be made available to MES' workers' representatives before convening the general shareholders' meeting of MES (the "**MES General Shareholders' Meeting**") and at least one (1) month prior to the celebration of the MES General Shareholders' Meeting.

The Merger is not expected to have any material impact on the Companies' corporate social responsibility.

As regards gender distribution in its board of directors upon completion of the Merger, it is envisaged that MFE will act in compliance with the quota as referred to in Section 2:142b of the DCC (i.e., a balanced composition whereby at least one third of the non-executive directors self-identifies as male and at least one third of the non-executive

directors self-identifies as female). The Merger is not expected to have a significant impact on gender distribution if compared with the current management body of MES.

MFE may approve new share incentive plans for directors and/or employees of MFE. Newly issued MFE Shares A, MFE Shares B and/or treasury shares of MFE may be used to serve these plans.

Title IV of Spanish Law 31/2006 of 18 October on the involvement of workers in European joint-stock companies and cooperatives does not apply to the Merger, since MFE, as the resulting company in the Merger, is a Dutch company (and not a Spanish company) and neither MES nor MFE apply an employee participation system within the meaning of the 2017 Directive.

Currently, no employee participation as defined in Section 1:1, paragraph 1, of the Act on involvement of employees for European legal entities (*Wet rol werknemers bij Europese rechtspersonen*) applies to any of the Merging Companies and none of the Merging Companies had such number of employees in the six month period before the date of filing this Common Cross-Border Merger Plan with the Dutch Commercial Registry that meets four-fifth of the applicable threshold regarding employee participation as laid down in local legalisation applicable to each Merging Company.

In light of the above, no special negotiation body will have to be set up and no other action whatsoever will have to be taken with regard to employee participation in the context of the Merger.

4. METHODOLOGIES FOR DETERMINING THE SHARE EXCHANGE RATIOS, APPLICABILITY OF THIS METHOD AS WELL AS THE RESULT OF THE VALUATION

4.1 *Valuation approach and methodologies*

In order to determine the Exchange Ratio, the MFE Board of Directors MFE has taken into consideration the following timeline:

- **15 March 2022** – Initial announcement of the voluntary tender offer launched by MFE to acquire all the shares of MES (the "**VTO**"), with a minimum acceptance condition to achieve a minimum stake of 95.6% of the share capital of MES, that is that the VTO had to be accepted by shareholders holding shares in MES representing, in aggregate, more than 90% of the voting rights to which the VTO was effectively addressed (this was 39.88% of the total voting rights of MES), corresponding to the minority squeeze-out threshold.
- **13 April 2022** – Request for authorization of the VTO - MFE agreed to lower the minimum acceptance condition to a stake of 85% of the share capital of MES, instead of 95.6% of the condition included in the initial announcement, while stating the possibility to pursue the Merger and, in such case, taking into account that MFE would request the admission to listing of all the outstanding MFE Shares A on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges.
- **26 May 2022** – Authorization of the VTO - the offer document (*folleto explicativo*) dated 24 May 2022 (the "**Offer Document**"), includes a specific statement under, among others, paragraph 4.6, that envisages MFE's possibility to pursue the Merger.

- **7 June 2022** – MFE improved the cash portion of the VTO consideration, through a request for authorization to modify the VTO.
- **13 June 2022** – The MES Board of Directors recommended the VTO by issuing a report with a favorable opinion on the VTO. Such report was also based on the fairness opinions issued by Citi and Deutsche Bank on 8 June 2022. The MES Board of Directors' report and the fairness opinions included references to the Merger.
- **7 July 2022** – The VTO was accepted by 61.45% of the shares to which the VTO was addressed, giving MFE a stake of 82.9% of the share capital of MES. MFE waived the minimum acceptance threshold condition to which it had conditioned the validity of the VTO.
- **14 July 2022** – The settlement of the VTO is completed.

As disclosed in the Offer Document, MFE may promote the Merger since 15 January 2023, as a 6 month-period since settlement of the VTO has elapsed on that date.

In particular, the Offer Document includes the following disclosure to the market:

- Introduction section of the Offer Document:

"The Bidder, for at least six months from the settlement of the Offer, shall not carry out a merger transaction with the Target Company or any other similar corporate transaction whereby the shareholders of MES become shareholders of MFE. Once such period has elapsed, the Bidder does not rule out to carry out an intra-community cross-border merger by virtue of which MES would be absorbed by MFE, in which MES shareholders would receive MFE Shares A listed on Euronext Milan and that, if approved by the corresponding general shareholders' meetings, would entail the extinction of MES and its delisting from the Spanish Stock Exchanges".

- Paragraph 4.6 of the Offer Document:

"Whether or not MFE acquires 100% of the share capital of MES as a result of the Offer or its final shareholding in MES is lower, MFE will not promote any merger transaction before at least six months have elapsed from the settlement of the Offer and in the event that MFE finally decides, not earlier than after such period has elapsed, to promote any merger transaction or equivalent transaction, it will request the admission to listing and trading of all the issued Shares A of MFE on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges and their incorporation in the Spanish Automated Quotation System (Sistema de Interconexión Bursátil - Mercado Continuo) as soon as possible within a period of three months from the completion of such transaction […]".

In relation to the above and given the proximity in time of both transactions (i.e., the VTO and the Merger), the MFE Board of Directors has considered that the Exchange Ratio had to be set in order to avoid any asymmetry between the two transactions (i.e., between the VTO and the Merger).

In order to determine the Exchange Ratio, the MFE Board of Directors and the MES Board of Directors have taken into consideration all the main valuation methodologies commonly used in this type of transaction. In light of the specific limitations which will be thoroughly illustrated below, the MFE Board of Directors and the MES Board of

Directors focused the analysis on fundamental valuation and, therefore, the key valuation methodology used is the Discounted Free Cash Flow.

The objective of this approach is to anchor the valuation on the fundamental performance of the two companies in order to exclude: i) any impact of market expectations around the Merger: given that in the VTO documentation it was disclosed that a hypothetical merger (after a 6 month-period has elapsed since the settlement of the VTO) was considered by MFE, market driven valuation methodologies could be affected by market expectations around the Merger; ii) any implication in relation to the very low liquidity of the MES shares after the VTO; and iii) any prices and trading pressure on the MFE shares post VTO.

Other generally used valuation methodologies, including historical stock prices and research analyst target prices, were applied as control references with various limitations in the use in the context of the Merger.

Best practice requires that companies operating in a similar business and involved in a merger are valued on the basis of consistent criteria, in order for the results of the relative valuation analysis to be fully comparable.

The definition of any exchange ratio is the quantification of the relative value (rather than absolute value) of the individual companies taking part in the transaction, considering that the ultimate objective is not to calculate an economic value in absolute terms for each company involved in a transaction, but rather to determine homogeneous and comparable values in relative terms. As such, it has been deemed appropriate to solely express ranges for the possible exchange ratios for the Merger (the "**Possible Exchange Ratios**"), derived from the homogeneous application of each valuation methodology adopted. Therefore, the estimated relative values should not be taken as a reference in contexts different from the Merger.

The valuation has been carried out considering the Merging Companies as separate entities on a stand-alone basis and also taking into account that MFE currently owns shares representing approximately 82.92% of the share capital of MES, reflecting financial and economic assumptions based upon the information available as of 24 January 2023, which may change or be affected by market conditions as well as exogenous and/or endogenous events affecting the current and future performance and/or the economic and financial prospects of MFE and MES.

In addition, the valuations of the Merging Companies have been carried out not taking into account any potential economic and financial impacts of the Merger, including cost efficiencies and savings, as well as any tax implications arising from the Merger.

In the light of the above and for the purpose of this analysis, the MFE Board of Directors is not presenting absolute values attributed to MFE and MES but only the Possible Exchange Ratios resulting from the estimate of relative values.

4.2 *Documentation used for the purposes of the valuation*

For the purposes of the valuation and determination of the Possible Exchange Ratios, the MFE Board of Directors, with the assistance of its financial advisor, has reviewed the following documentation:

- the 2021 individual and consolidated financial statements of MFE and MES;
- the consolidated interim financial report of MFE and MES as at 30 September 2022;
- projections derived from an extensive number of equity research reports for the period 2022-2024, with the addition of extrapolations for the three-year period 2025-2027 validated by the respective management of MFE and MES based on information available as of 24 January 2023, which may vary or be affected by market conditions, as well as by exogenous and/or endogenous events affecting the current and future performance and/or economic and financial prospects of MFE and MES. The projections and extrapolations are broadly in line with their current visibility and medium, long-term expectations about the respective businesses and on the basis of the value of the corporate assets and liability of MFE and MES as of today. However, these forecasts are by their very nature subject to substantial uncertainty;
- net debt data and other balance sheet items as at 30 September 2022 used to calculate the equity value from the enterprise value (referred to as "bridge-to-equity");
- target prices contained in an extensive number of equity research reports;
- information on the number of MFE and MES shares as of 24 January 2023;
- evolution of MFE and MES share prices on their respective stock exchanges (i.e., MTA and Spanish Stock Exchanges).

4.3 *Description of the valuation methodologies*

The valuation methodology used to determine the Possible Exchange Ratios is detailed below.

(a) *Key valuation methodology: Discounted Free Cash Flow ("DCF")*

The Discounted Free Cash Flow (DCF) valuation methodology was adopted to take into account the specific features of MFE and MES. It estimates the value of the economic capital of a company on the basis of the expected cash flows generated by that company. In addition, this method reflects, inter alia, the business potential in the medium and long term, in terms of profitability, growth, risk level, capital structure and expected level of investments.

The DCF has been the key valuation methodology used by both the MFE Board of Directors and the MES Board of Directors to determine the Possible Exchange Ratios for the following reasons:

- Given that the valuation analysis is carried out in order to determine an exchange ratio, the key objective is the quantification of the relative value (rather than absolute value) of the individual companies taking part in the transaction. Indeed, the DCF methodology applied by the MFE Board of Directors and the MES Board of Directors, are based on broadly homogeneous and consistent assumptions underpinning the determination of the value for both companies, thus ensuring that both MFE Shares A and MES shares valuations are in line with the "relative" approach explained above;

- DCF inherently isolates the valuation from specific equity market dynamics, especially in the context of the Merger: the option to pursue such a transaction was disclosed in May 2022, therefore public investors may have taken investment/trading decision vis-à-vis the Merger hence impacting share price performance of both MFE and MES.

This method has been based on the following estimates:

- unlevered free cash flow estimates for each business. Unlevered free cash flows are a proxy to the business cash flow generation before financial income and expenses, after having applied the corporate tax and having considered capital expenditures (capex) and working capital swings;
- net present value of the forecasted free cash flow estimates applying a discount rate ("**WACC**"). The discount rate takes into consideration the implicit business risk as well as the time value of money;
- businesses terminal value, assuming a perpetuity growth at the end of the free cash flow annual projection period. The previously mentioned discount rate is applied to the terminal value to obtain the net present value.

For additional information on the approach and the relevant forecasts used for the purposes of this valuation methodology, see paragraph 4.8 below.

The enterprise value can be estimated adding the net present value of the projected free cash flows and terminal value.

In particular, with reference to MFE only, the DCF valuation has been performed on a "sum of the parts basis", by performing two discounted cash valuations for MES and the Italian business (i.e., MFE business net of consolidated business of MES, line-by-line).

The DCF method leads to an enterprise value. Hence, to compute the value of shareholders' equity in order to determine the Possible Exchange Ratios, customary adjustments (including, but not limited to, net financial debt, minority interests, pensions liabilities and investments in associates and other companies) have been made to the enterprise value.

The implied per share equity value was calculated by dividing such equity values by the number of MFE and MES shares outstanding (i.e., net of the respective number of treasury shares held as of 24 January 2023).

MFE Shares A per share equity value has been calculated assuming a discount of 15.7% to the implied blended per share equity value, in line with the average discount detected in the market for the last six months (i.e. period from 25 July 2022 to 24 January 2023.

(b) *Control Valuation methodology*

Historical stock prices

This method is based on the market capitalization of MFE and MES. Historical stock prices reflect the economic value that a stock market attributes to a company.

The timeframe on which to calculate the price must balance any short-term volatility driven by events of exceptional nature, short-term fluctuations and speculative tension

(therefore, a longer time horizon is preferable) and the need to reflect the most recent market and company conditions, where recent prices should be taken into consideration. Thus, the volume weighted average prices ("**VWAP**") for MFE and MES have been considered for 1 month and 3 months prior to 24 January 2023 (included) and compared on a like for like basis.

The MFE Board of Directors and the MES Board of Directors have identified two significant limitations for the application of this methodology in the context of the Merger:

- On 26 May 2022, the National Securities Market Commission (*Comisión Nacional del Mercado de Valores*) (the "**CNMV**") authorized the VTO. The Offer Document includes a specific statement under, among others, paragraph 4.6 that envisages the possibility for MFE to pursue the Merger. As a consequence, current trading is influenced by market expectations on the Merger;
- Limited liquidity of MES shares following the completion of the VTO, given reduced free float (from ~€550m free-float and ~€3.6m average daily traded volume, on a L1M VWAP basis before VTO announcement, to ~€157m free-float and €1.4m average daily traded volume on a L1M VWAP basis as of 24 January 2023.)

Research analyst target prices

Research analysts summarize their recommendations on listed companies identifying a "target price" of the stocks, offering an indication of an implicit value of the company.

For each of MFE and MES, only research reports published by research analysts after the publication of the nine-month 2022 results and prior to 24 January 2023 were considered.

The MFE Board of Directors and the MES Board of Directors have identified three significant limitations for the application of this methodology in the context of the Merger:

- Reduced brokers coverage of MES following the completion of the VTO given limited size of free float (~€150m at current market price).
- This limited coverage of MES, together with the inconsistency of the panels of research analysts covering MFE and MES, undermines the relevance of this valuation methodology in respect of the "relative" approach explained above.
- The majority of brokers covering MFE, whilst providing an estimate of the equity value of the Group, does not specify if their target price represent MFE Shares A, MFE Shares B or a "blended" target price. Therefore, the use of target prices as methodology to calculate the exchange ratio would require a subjective assumption on the brokers' Class-A target price.

4.4 *Determination of the Exchange Ratio*

Introduction

The Merger will entail the allotment of MFE Shares A to MES shareholders in exchange for MES shares, which will be cancelled by operation of law.

In accordance with the Exchange Ratio, MES shareholders will receive seven (7) MFE Shares A for each MES share (i.e., one (1) MES share) owned.

No additional consideration, either in cash or otherwise, will be paid by MFE to the MES shareholders in connection with the Merger.

As an exception to the above, (i) MES treasury shares held by MES at the Merger Effective Date and immediately prior to the effectiveness of the Merger; and (ii) MES shares held by MFE at the Merger Effective Date and immediately prior to the effectiveness of the Merger will be cancelled by operation of law pursuant to Section 2:325(4) of the DCC and Article 26 of the LME, and shall not give any right to receive MFE Shares A.

4.5 *Application of the selected methodologies*

Without prejudice to the considerations, assumptions and limitations described in the previous paragraphs, the following table sets forth a summary of the results achieved through the application of the various valuation methodologies described above for the purpose of determining the Possible Exchange Ratios, that is the number of MFE Shares A to be issued for each MES share.

Methodology	**Range of Possible Exchange Ratios**
Reference methodology: DCF	5.84 – 7.90
Control methods	
Research analyst target prices	4.07 – 12.67
1-month VWAP	7.53 – 10.19
3-month VWAP	7.38 – 9.98

The range of the Possible Exchange Ratios is driven by the key valuation methodology (i.e., DCF), that is overlapping with all control methodologies, although on the lower end of such control methodologies ranges.

The range of the Possible Exchange Ratios has been determined:

- As far as discounted cash flow, applying the sensitivity of +/- 1% on perpetual growth rate and WACC for both company DCF.
- As far as research analyst target price, selecting common broker reports and reporting lowest and highest exchange ratio.
- As far as historical stock prices, applying a +/- 10% to the exchange ratio between the VWAP for each period of analysis.

4.6 *Possible Exchange Ratios established*

Considering the results of the valuation methodologies applied, the MFE Board of Directors and the MES Board of Directors, after having examined the valuations set out in the opinions issued by their respective financial advisors (i.e., Bank of America in case of MFE and Deutsche Bank and Banco Santander in case of MES), have resolved to

propose the exchange ratio of seven (7) MFE Shares A (having a nominal value of EUR 0.06 each) for each MES share (having a nominal value of EUR 0.50 each) as the Exchange Ratio.

The Exchange Ratio falls within the range provided for by primary valuation methodology being the DCF.

The Exchange Ratio is also aligned to the implied exchange ratio of the VTO at the time of the VTO announcement, which, notwithstanding the premium recognized to MES' shareholders in the VTO, will provide for a broadly equal treatment of MES' shareholders, i.e., between the shareholders that tendered their holdings in the context of the VTO and the ones involved in the Merger.

Below is the determination of the exchange ratio implied by the VTO transaction at its announcement:

- VTO consideration: €2.16 cash and 4.50 new MFE Shares A for each MES share tendered.
- 3-month MFE Shares A VWAP undisturbed as of 4 March 2022: EUR 0.84.
- The VTO implied an exchange ratio based on MFE Shares A undisturbed 3-month VWAP of 7x.

The Exchange Ratio shall avoid the fractioning procedure at MES.

Based upon the current number of shares in the capital of MES and the Exchange Ratio, as indicated above, provided that (i) the number of treasury shares held by MES (2 shares), (ii) the number of shares in the capital of MES held by MFE (259,666,591 shares) at the date of this report are both maintained, and therefore such shares are cancelled upon the effectiveness of the Merger, (iii) no shareholders of MES exercise their withdrawal rights, and (iv) there is no other increase or decrease of the share capital of MES, MFE would issue 374,496,857 MFE Shares A, with a nominal value of EUR 0.06 per share, resulting in a total nominal value of EUR 22,469,811.42.

In any case, the exact amount of the share capital increase to be carried out by MFE will depend on (i) the number of treasury shares of MES; (ii) the number of shares in the capital of MES held by MFE at the time of the implementation of the Merger; (iii) the withdrawal rights of MES' shareholders; and (iv) other increases or decreases of the share capital of MES.

The exact amount of the MFE Shares A allotted as a result of the Merger will be available upon the Merger becoming effective.

4.7 *Difficulties and limitations faced in evaluating the Exchange Ratio*

In accordance with Section 2:327 of the DCC, the challenges arising from the application of the valuation methodologies adopted to determine the Exchange Ratio have been taken into account.

In particular:

- The key valuation methodology, i.e. the DCF, is based on projections resulting from the application of the following approach as agreed by MFE and MES respective managements:
    - for the period 2022-2024: projections derived from an extensive number of equity research reports, representing all the research reports about MFE and MES published by research analysts after the publication of the nine-month 2022 results and prior to 20 January 2023.
    - for the period 2025-2027: extrapolations in line with the current long-term expectations that the Italian and Spanish managements have on the respective businesses. In particular, the two managements have indicated a top-line growth of 0.0% over the period.
    - the approach described above was the same for both MFE and MES and has been agreed and validated by the respective managements of MFE and MES, who confirmed that the projections and extrapolations are broadly in line with their current long-term expectations, respectively, on the respective businesses. However, such forecasts are subject by nature to substantial uncertainty.
- In consideration of the mechanics and timetable envisaged for the exercise of the right of withdrawal and creditor opposition, and since it is not possible to quantify their future impact in terms of cash outlay, the effects of the (potential) exercise of such rights by (i) MES shareholders who vote against the Merger in the MES General Shareholders' Meeting and (ii) MFE and/or MES creditors, have not been taken into account also considering that its impact has been estimated not material in the context of the overall evaluations leading to the determination of the Exchange Ratio.
- The market prices of MFE and MES shares have been and are subject to volatility and fluctuations also as a result of the general trend in the capital markets. Moreover, it assumes that the market is sufficiently liquid and efficient. Therefore, it cannot be ruled out that, while the Exchange Ratio remains congruous based upon the methodologies used for their determination, the market value of the MFE Shares A to be assigned in exchange at the merger effective date may result in a lower or higher market value as of the date on which the Exchange Ratio was set.
- In relation to the share buyback program announced by MFE on MFE Shares A, although the trading of MFE Shares A might have been affected by the execution of such share buyback program, it is not possible to quantify the related impact and isolate it from other events that might have influenced the trading.
- Different methodologies have been applied, both analytical and market-based, which have required the use of different data, parameters and assumptions. In applying such methodologies, the MFE Board of Directors considered the characteristics and limitations inherent in each of them, in accordance with professional valuation practice followed at national and international level.
- The comparable companies trading multiples methodology was considered not relevant given that both MFE and MES are listed on an EU regulated market. In particular, the utilization of the trading multiples of comparable companies, although

a commonly used valuation methodology, has the limit of being based on sector average ranges rather than on the peculiarities of MFE and MES, which are known to the market and theoretically reflected in their own trading multiples and share prices.

- Also, the transaction multiples methodology was considered not relevant given the limit of being based on sector average ranges rather than on the peculiarities of MFE and MES. Precedent transactions and historical takeover premia have been considered but not deemed relevant on the grounds that MES shareholders would get MFE Shares A, hence they would participate in the value potentially created by the Merger via the shares they would get as consideration. Moreover, MFE is already the controlling shareholder of MES, hence no control premium would apply for a change of ownership.
- MFE and MES tax losses carryforward and fiscal credits have been taken into consideration in the DCF valuation methodology, according to the data publicly available in their respective financial reporting.

4.8 *Applicability of the method applied*

MFE considers the valuation methodologies used appropriate to determine the Exchange Ratio.

4.9 *No relative importance attributed to the different valuation methodologies*

MFE Board of Directors did not attribute any relative importance to the described valuation methodologies, but instead considered the outcomes of the valuation methodologies as a whole.

REPORT OF THE BOARD OF DIRECTORS OF MEDIASET ESPAÑA COMUNICACIÓN, S.A. ON THE JOINT CROSS-BORDER MERGER PLAN FOR THE MERGER BETWEEN MFE-MEDIAFOREUROPE N.V. (AS ABSORBING COMPANY) AND MEDIASET ESPAÑA COMUNICACIÓN, S.A. (AS ABSORBED COMPANY)

January 30, 2023

The Board of Directors of Mediaset España Comunicación, S.A. ("**Mediaset España**") issues this report to explain and provide detailed reasons concerning the joint cross-border merger plan for the merger between MFE-MEDIAFOREUROPE N.V. ("**MFE**", as absorbing company) and Mediaset España (as absorbed company; jointly with MFE, the "**Merged Companies**") as regards their legal and economic aspects, and with particular reference to the exchange ratio for the shares and any particular valuation difficulties that might exist, as well as the implications of the merger for shareholders, creditors and workers, all of the above pursuant to article 33 (read in conjunction with article 60) of Law 3/2009 of April 3, 2009 on structural modifications to commercial companies ("**Law 3/2009**").

1. Introduction

1.1 General description

On the date hereof, the Boards of Directors of the Netherlands company MFE and of the Spanish company Mediaset España (82.917% of its share capital is owned by the former) have formalized a joint cross-border merger plan for the merger by absorption of Mediaset España by MFE (the "**Cross-Border Merger Plan**").

As a result of the cross-border merger under the Cross-Border Merger Plan, Mediaset España will cease to exist as an independent company and MFE (as the company resulting from the merger) will acquire all the assets and assume all the liabilities and other legal relationships of Mediaset España (the "**Cross-Border Merger**").

The Cross-Border Merger and the Cross-Border Merger Plan will be submitted for approval by the Shareholder's Meetings of MFE and of Mediaset España pursuant to the applicable legislation.

In view of the cross-border nature of the Cross-Border Merger, the Cross-Border Merger Plan has been prepared and drawn up in conformity with the applicable provisions in Directive (EU) 2017/1132 of the European Parliament and of the Council of 14 June 2017 relating to certain aspects of company law, amended by Directive (EU) 2019/2121 of the European Parliament and of the Council of 27 November 2019 amending Directive (EU) 2017/1132 as regards cross-border conversions, mergers and divisions, (the "**EU**

Directive"), and with the relevant applicable provisions of Netherlands law (as set out, among others, in the Netherlands Civil Code) and Spanish law. In particular, with regard to Spanish law, the Cross-Border Merger Plan has been prepared pursuant to title II of Law 3/2009 to the extent it is applicable to intra-Community cross-border mergers.

1.2 Prior carve-out

As a preliminary transaction to the Cross-Border Merger, it is envisaged that Mediaset España will carry out a reorganization aimed at keeping in Spain all the transactions and business activities of Mediaset España. This reorganization consists of a carve-out pursuant to article 71 of Law 3/2009 according to which Mediaset España, as carved-out company, will carve out en bloc, to be transferred to its directly and wholly owned subsidiary Grupo Audiovisual Mediaset España Comunicación, S.A. ("**GA Mediaset**") currently with no activity, all of its assets and liabilities, with the sole exception of the following assets and legal relationships owned by Mediaset España which are excluded from the carve-out (the "**Excluded Items**"):

- 60,000 shares of GA Mediaset of a par value of €1 each, representing 100% of its share capital;

- 30,717,500 shares in ProSiebenSat.1 Media SE representing 13.18% of its share capital, as well as (i) the debt to Crédit Suisse associated with the acquisition of these shares pursuant to a loan granted by Crédit Suisse to Mediset España under a collar agreement (*Confirmation of a Share Option Transaction*) signed with Crédit Suisse on 23 March 2020, and (ii) as the outstanding put and call options arising therefrom (corresponding to the second tranche of the collar agreement on 4.951,250 shares of ProSiebenSat.1 Media SE). Mediaset España will thus retain (and will not transfer to GA Mediaset) its rights and obligations under the aforementioned loan and collar agreement. As at 31 October 2022, such loan represented a liability in Mediaset España's balance sheet of EUR 24,375,000, the put option an asset in the amount of EUR 4,093,000 and the call option a liability in the amount of EUR 7,706,000.

- A cash amount of EUR 249,872,000 (representing the cash of Mediaset España that is not necessary for the development of the business that is the object of the carve-out in the ordinary course of its activities).

Mediaset España will receive, in exchange. all of the new GA Mediaset shares that will be issued as a result of a capital increase arising from the Carve-Out (the "**Carve-Out**" or the "**Prior Reorganization**").

Accordingly, as a result of the Carve-Out, Mediaset España will only own the Excluded Items and all of the shares in GA Mediaset (both the 60,000 shares with a par value of €1 each that currently represent 100% of its share capital and the new shares issued as a result of the Carve-Out), whereas GA Mediaset will acquire all of the carved-out assets and liabilities and will assume and be subrogated to all of the assets, liabilities, rights,

obligations and other legal relationships of Mediaset España that integrate the Carve-out Assets by way of universal succession.

The Carve-Out, which will be performed simultaneously with the Cross-Border Merger, will have to be completed before the Cross-Border Merger takes effect, and therefore, before the consummation of the Cross-Border Merger, Mediaset España will not have its own business activities other than those of a holding company, nor will it have any employees.

The Prior Reorganization, the consummation of which is a condition precedent for the Cross-Border Merger, will not have any impact on the exchange rate for the Cross-Border Merger.

The plan for the carve-out from Mediaset España for the purposes of the Prior Reorganization will be available on its corporate website (www.telecinco.es or also www.mediaset.es/inversores/es/).

1.3 Merger negotiations

On January 16, 2023, the Board of Directors of MFE sent a letter to the Board of Directors of Mediaset España proposing a merger between MFE and Mediaset España, on the understanding that the transaction is in the best interests of both companies, their respective shareholders, employees and other stakeholders, and the commencement of negotiations for this purpose.

With this aim, an *ad-hoc* committee (the "**Merger Committee**") had been set up by the Board of Directors of Mediaset España, composed of the Company's three independent directors (Consuelo Crespo Bofill, Javier Díez de Polanco and Cristina Garmendia Mendizábal) and its meetings were attended by the Chairman and Secretary of the Board of Directors, to facilitate the work of that Committee. This Committee was tasked by the Board of Directors with monitoring the potential merger process, from the standpoint of keeping that process free from conflicts of interest, with powers to inform, advise and steer the process and, in particular, with the essential function of conducting continued monitoring and oversight of the potential merger process, in its preliminary studies and analysis phase and, where applicable, with respect to fulfillment of the legal requirements laid down in the legislation, informing the Board of Directors of the progress of those studies and analysis and of the fulfillment of those legal requirements, with particular emphasis on overseeing the following elements and ensuring autonomy and independence throughout the merger process in both its preliminary phase, and, where appropriate, in the course of decision-making:

(i) Safeguarding the interests of both the Company and its minority shareholders in the merger process, with the assistance of any external advisors appointed for this purpose.

(ii) Giving consideration to the implications of the merger for the company's interest and the interests of the company's stakeholders.

(iii) And overseeing the performance by the Company and by its Board of Directors and management of the obligations laid down in the corporate and securities market legislation applicable to a company involved in a merger process.

The Merger Committee validated the hiring of Deutsche Bank, S.A.E. as financial advisor to Mediaset España in relation to the Cross-Border Merger and for it to issue, in due course, a fairness opinion on the Cross-Border Merger Plan, and particularly, on the proposed exchange ratio. Furthermore, the Merger Committee also validated the appointment of J&A Garrigues, S.L.P. as legal advisor to Mediaset España and to its Board of Directors in relation to the Cross-Border Merger.

Accordingly, with financial advice from Deutsche Bank, S.A.E. and legal advice from J&A Garrigues, S.L.P., Mediaset España, under the oversight of the Merger Committee, commenced the necessary negotiations with MFE to reach an agreement on the terms of the Cross-Border Merger which are included in the Cross-Border Merger Plan to which this report relates.

Subsequently, at its meeting held on 23 January 2023, the Merger Committee agreed to hire a second well known investment bank, Banco Santander, S.A., to prepare and issue a second fairness opinion, from a financial point of view, on the Merger Plan and, in particular, on the proposed exchange ratio.

Lastly, the Merger Committee revised the final version of this report, according to the received advice, and the report was submitted to the Board of Directors for approval, as proposed and accepted by the Merger Committee.

In this regard, and under the best corporate governance practices pursuant to articles 228 and 229 of the Capital Companies Law, the proprietary directors (Mr. Fedele Confalonieri, Mr. Marco Gioardani, Mr. Niccolò Querci, Ms. Gina Nieri and Mr. Paolo Vasile) and the executive directors (Mr. Borja Prado Eulate, Mr. Alessandro Salem and Mr. Massimo Musolino) refrained from participating in the debate and in the vote on the drawing up of the Cross-Border Merger Plan although they agreed with its content and they supported the favorable vote expressed by the independent directors (Mr. Javier Díez de Polanco, Ms. Cristina Garmendia Mendizábal and Ms. Consuelo Crespo Bofill) and, consequently, they signed it for the appropriate purposes.

2. Purpose and reasons for the Cross-Border Merger

As mentioned in the Cross-Border Merger Plan, from a strategic, operational and business standpoint, the Cross-Border Merger is aimed at combining the Merged Companies strategically and operationally, which, to date, have been operating separately in their respective geographic areas, giving rise to the creation of a pan-European media and

entertainment group which will both remain a leader in its domestic markets and acquire a larger size to compete, as well as the potential to expand to certain countries throughout Europe.

The combination of a sustainable capital structure and a solid cash flow generation profile will provide MFE with the necessary capacity to fulfill a primary role in the context of a potential future scenario of mergers and acquisitions in the European audiovisual and media industry.

In the current context, highly competitive and continuously developing, international expansion, economies of scale and the capacity to supply tech enabled products as well as high quality content, are becoming critical factors in the strategies of modern media companies.

In particular, the Board of Directors of Mediaset España considers that the Cross-Border Merger provides the strategic and operational benefits explained below, by becoming part of a single joint entity (MFE) managed by a single management team who have their strategic priorities and value levers clearly defined:

(i) **Size to compete**: creating a larger and more diversified media group, with access to a combined audience of over 100 million viewers, to be able to better compete with global operators, while generating economies of scale in such crucial areas as: (a) audience, by accessing a larger combined audience compared to standalone operators in national markets; (b) greater reach, through joint technology development; (c) access to audience data, thanks to technology integration, staff development and joint databases across countries; (d) development and implementation of AdTech and streaming platforms; (e) local content production and resale; (f) OTT service (AVODs); and (g) attraction of professional talent.

This is an essential strategic objective in the medium to long term, as scale is increasingly becoming a determining factor to be able to compete in the increasingly internationalised media environment. Growing in scale is the only way to strategically mitigate the progressive maturity of national TV operators.

(ii) **New business opportunities**: the main players operating in the media space (US content producers, independent audiovisual content producers, pay-TV broadcasters, OTT operators, media and marketing agencies, TV manufacturers and technology providers) are betting heavily on, and benefiting from, their global or pan-European scope. This competitive advantage is reinforced by recent significant technological developments in terms of connectivity, smart TV and TV penetration and broadband infrastructure. Against them, the only notable exceptions in the media sector have been the free-to-air TV operators, which have traditionally been exclusively active in national markets. Therefore, the only way for these national operators to react is to embark on operational integration processes in order to achieve an international presence, thus gaining access to the same business opportunities enjoyed by the current global operators.

(iii) **Protection of identity and pluralism**: it is crucial to maintain national cultural identity in all countries where MFE will operate. In addition, it is considered that by improving the viability of both MFE and Mediaset España as free-to-air television operators, news pluralism, transparency and accountability will be guaranteed.

(iv) **More resources to invest in local content and technology**: the full alignment of interests between the shareholders of MFE and Mediaset España will allow a coordinated and consequently a more efficient approach to investments in local content and technology, reducing duplication of investments and enabling a more efficient use of financial resources. This will result in a greater financial capacity to increase investments in more and better content, a better viewing experience on all platforms (linear and non-linear) in both Italy and Spain, a greater ability to supply content to third parties, in particular OTT operators, and also higher savings margins.

(v) **Operational synergies**: The merger between MFE and Mediaset España will achieve significant incremental revenue and cost synergies in which all MFE shareholders will participate considering a full alignment of their interests. These important value opportunities are the main strategic reasons for the creation of a pan-European media group in the entertainment and content sector.

In pursuit of all these advantages or objectives, the tax residence of MFE as parent company of the MFE Group will remain in Italy, while the registered office will remain in Amsterdam (The Netherlands). Production facilities and activities will remain local, in the countries where MFE and Mediaset España currently operate. The MFE Group will continue to focus on job preservation and talent development in both Spain and Italy.

3. Legal aspects of the Cross-Border Merger

3.1 General characteristics

According to the terms set out in the Cross-Border Merger Plan, which terms are deemed to be reproduced herein to the necessary extent, the planned Cross-Border Merger consists of the absorption of Mediaset España (following completion of the Carve-Out) by MFE with the cessation of existence of Mediaset España, through its winding up without liquidation, and the transfer en bloc of all of its assets and liabilities to MFE, which will acquire, by way of universal succession, the rights and obligations of the absorbed company, all of this subject to the terms and conditions set out in the Cross-Border Merger Plan.

That universal succession implies the acquisition in a single transaction of all the rights assets and liabilities and the legal relationships of Mediaset España: there will be transferred, therefore, all the assets, rights and obligations and, generally, all the legal relationships of the absorbed company which remain in force even if their owner changes,

and it must be taken into account that a Carve-Out will have previously been performed, therefore, at that point, Mediaset España will only own the Excluded Items and all the shares in GA Mediaset, and will not have any business activities of its own other than those of a holding company, nor will it have any employees.

Simultaneously and as a result of the Cross-Border Merger, the shareholders of Mediaset España (other than MFE) will receive newly issued common class A shares, with a par value of €0.06 each and granting one voting right per MFE share (the "**Class A MFE Shares**"), in proportion to their respective ownership interests in the share capital of the absorbed company, by reference to the exchange ratio determined in the Cross-Border Merger Plan and referred to below.

The identifying particulars of the Merged Companies are set out in section 1 of the Cross-Border Merger Plan.

3.2 Conditions precedent

Consummation of the Cross-Border Merger is subject to fulfillment (or the waiver) of the following conditions precedent:

(i) Consummation of the Prior Reorganization, for which Mediaset España will need to obtain the express clearance of the competent audiovisual authority in relation to the transfer to GA Mediaset of the following audiovisual media licenses pursuant to article 32 of Law 13/2022 of July 7, 2022, the General Audiovisual Media Law:

a) License to provide the audiovisual media service awarded by a Council of Ministers decision on June 11, 2011, which converted into a license the concession originally awarded in a Council of Ministers decision on August 25, 1989.

b) Multiple digital license with nationwide coverage allocated by a Council of Ministers decision on July 16, 2010.

c) Multiplex licenses relating to Cuatro (the Cuatro channel and three additional channels) transferred to Mediaset España as a result of the acquisition of Sociedad General de Televisión Cuatro, S.A.U. in 2010.

d) License for the free-to-air broadcasting rights to operate the television audiovisual media service over hertzian waves with nationwide coverage, for a high definition (HD) television channel, awarded by a Council of Ministers decision on October 16, 2015, for a term of 15 years, with the right to an extension.

(ii) Fulfillment of all the formalities (including the publication of the Exemption Document, as defined below) necessary for the start of trading on Euronext Milán

of the A Shares that will be allocated to the shareholders of Mediaset España after the Cross-Border Merger has been brought into effect.

(iii) No governmental entity in a competent jurisdiction must have decreed, issued, published, implemented or delivered an order prohibiting the performance of the Cross-Border Merger or rendering the Cross-Border Merger null and void or extremely onerous.

(iv) There shall not have been nor occurred at any time before the date of execution of the merger deed, at a national or international level, any extraordinary external event or circumstance involving material and significant changes in the legal, political, economic, financial, currency exchange or in the capital markets conditions.

MFE and Mediaset España will notify the market of the fulfillment (or waiver, if applicable) or non-fulfillment of the foregoing conditions precedent.

3.3 Main milestones in the Cross-Border Merger process

3.3.1 Merger Plan and exchange ratio

For the performance of a cross-border merger such as that planned, the applicable legislation (the EU Directive, the Netherlands Civil Code and Law 3/2009) requires the managing bodies of the merging companies to prepare a joint cross-border merger plan.

For these purposes, on date hereof (January 30, 2023), the Boards of Directors of MFE and Mediaset España have drawn up the necessary Cross-Border Merger Plan to which this report relates and which is deemed to be reproduced herein to necessary extent.

In particular, the Cross-Border Merger Plan includes the proposed exchange ratio equal to seven (7) class A common shares, with a par value of €0.06 each and which grant one voting right per share, in MFE, for each (1) common share in Mediaset España, with a par value of €0.5 each.

On the date hereof, the managing bodies of Mediaset España and GA Mediaset also approved the relevant plan for the Carve-Out, pursuant to title III of Law 3/2009. That transaction is a special carve-out on account of the recipient company (GA Mediaset) being wholly owned, directly, by the carved-out company (Mediaset España), for which reason the simplified procedure envisaged in article 49.1 of Law 3/2009, read in conjunction with article 52.1 and article 73.1 of the same law will be applicable (in a way that, in particular, that it will not be necessary to prepare reports by the directors on the Carve-Out Plan and the independent expert's report will only have the subject-matter and effects determined in article 67 of the Capital Companies Law).

3.3.2 Public disclosure of the Cross-Border Merger Plan

The Cross-Border Merger Plan will be made publicly available pursuant to the applicable legislation. In particular, it will be placed on the corporate websites of Mediaset España (www.telecinco.es or also www.mediaset.es/inversores/es/) and of MFE (www.mfemediaforeurope.com) and made available at the registered office of Mediaset España and at the head office of MFE.

Pursuant to Spanish legislation, the fact that the Cross-Border Merger Plan has been placed on the corporate website of Mediaset España will be published in the Official Commercial Registry Gazette. Moreover, the Cross-Border Merger Plan will be filed for registration at the Netherlands Commercial Registry.

3.3.3 Independent expert's report

As set out in the Cross-Border Merger Plan and pursuant to the applicable legislation, the Merged Companies have requested the appointment of, or each of them has appointed directly, a separate independent expert to issue the required expert report on the Cross-Border Merger Plan.

Namely, pursuant to article 34.1 of Law 3/2009, Mediaset España submitted a request to Madrid Commercial Registry for it to appoint an independent expert to prepare a report on the Cross-Border Merger Plan, in the terms and for the purposes set out in the law.

In this respect, Grant Thornton, S.L.P., an independent expert appointed by Madrid Commercial Registry, has issued on the date hereof the mandatory report on the Cross-Border Merger Plan. In that report, Grant Thornton, S.L.P. concludes as follows:

> *"In accordance with the work carried out, described in section 4 above, for the sole purpose of complying with the provisions of articles 34, 54 et seq. of the LME and in accordance with the provisions of articles 340 and 349.1 of the Commercial Registry Regulations and other applicable legislation, and taking into account the characteristics of the proposed Cross-Border Merger transaction as well as that described in sections 2, 3 and 4 above, and subject to the relevant aspects described in section 5 above, we consider that:*
>
> - *The Exchange Ratio set out in the Cross-Border Merger Plan is adequately justified.*
> - *We have set out the methods followed by the directors to establish the share exchange ratio. The methods followed to establish the Share Exchange Ratio are considered adequate.*
> - *The real value of the assets contributed by Mediaset España Comunicación, S.A., which is being extinguished, is at least equal to the amount of the share capital increase that the absorbing company, MFE-MediaforEurope NV,*

intends to carry out, which amounts to 22,469,811.42 euros, under the conditions detailed in section 2 of this Report (Capital Increase of MFE-MediaforEurope NV) and provided that (i) MFE-MediaforEurope NV's stake in Mediaset España Comunicación, S.A. remains unchanged, and the number of shares held in treasury by Mediaset España Comunicación, S.A. as at the date of the Joint Cross-Border Merger Plan remain in treasury and, therefore, such shares are cancelled with the effectiveness of the Merger; (ii) no MES shareholder exercises its right of withdrawal; and (iii) no other increase or decrease in the share capital of Mediaset España occurs.

This report has been prepared solely for the purpose of complying with Articles 34, 54 et seq. of the LME and Articles 340 and 349.1 of the Commercial Registry Regulations and does not serve and should not be used for any other purpose. Our conclusion should be interpreted in the context of the scope of our verifications, in the sense that it does not include any responsibilities other than those referring to the description and reasonableness of the methods used and the fairness and homogeneity with which they have been applied, since the responsibilities for the projections and elements used in the assumptions and the conclusions drawn from them are assumed by the Directors of the companies participating in the Merger."

This report will be made publicly available pursuant to the applicable legislation.

In turn, pursuant to the Netherlands legislation, MFE made a request to Endymion Audit & Assurance B.V. for it to prepare a report pursuant to section 2:328, paragraph 1, of the Netherlands Civil Code. Additionally, Endymion Audit & Assurance B.V. will issue a second report pursuant to section 2:328, paragraph 2, of the Netherlands Civil Code. These reports will also be made publicly available pursuant to the applicable legislation.

3.3.4 Report by the Board of Directors

The Board of Directors of Mediaset España following a proposal by the Merger Committee and a prior favorable report by the Audit and Compliance Committee, has drawn up as of the stated date this report explaining and giving detailed reasons for the Cross-Border Merger Plan with respect to its legal and economic aspects, with particular reference to the share exchange ratio, and to any particular valuation difficulties which may exist, as well as the implications of the merger for the shareholders, creditors and workers, all of this, to comply with article 33 of Law 3/2009.

Pursuant to article 60.1 of Law 3/2009, if the directors of Mediaset España receive an opinion from the workers' representatives in time, that report will be attached to the report.

It is also envisaged that the Board of Directors of MFE will also issue a report explaining and giving detailed reasons for the Cross-Border Merger Plan with respect to its legal and economic aspects, all of this in compliance with sections 2:313 and 2:327 of the Netherlands Civil Code.

3.3.5 Calling of shareholders' meetings to deliberate on and, if appropriate, approve the Cross-Border Merger

The Cross-Border Merger will be submitted for approval by the Shareholders' Meetings of Mediaset España and MFE pursuant to the applicable legislation.

For these purposes, the Board of Directors of Mediaset España, on the date hereof, has resolved to call an extraordinary shareholders' meeting of Mediaset España to be held during March, to deliberate on and, if appropriate, approve the planned Cross-Border Merger.

The call notice for the Extraordinary Shareholders' Meeting of Mediaset España will be published in due course, in the manner set out in the law, in the bylaws and in the regulations, after it has been published in the Official Commercial Registry Gazette that the Cross-Border Merger Plan and the Carve-Out plan have been published on the corporate website of Mediaset España.

In turn, it is envisaged that the Board of Directors of MFE will also call a Shareholders' Meeting to be held on the same date of the Extraordinary Shareholders Meeting of Mediaset España.

Pursuant to article 39 of Law 3/2009, before publication of the call notice, the following documents related to the Cross-Border Merger will be placed on the corporate website of Mediaset España, and will be able to be downloaded and printed:

(i) The Cross-Border Merger Plan.

(ii) This report of the Board of Directors of Mediaset España on the Cross-Border Merger Plan.

(iii) The report of the Board of Directors of MFE on the Cross-Border Merger Plan.

(iv) The reports prepared by Grant Thornton, S.L.P. and Endymion Audit & Assurance B.V. on the Cross-Border Merger Plan.

(v) The audited separate merger balance sheet of Mediaset España as of October 31, 2022.

(vi) The interim company-only financial statements of MFE as of September 30, 2022 which were used to determine the terms and conditions of the Cross-Border Merger.

(vii) The financial statements and directors' report for the last three years, as well as the relevant auditors' reports for each of the Merged Companies.

(viii) The bylaws in force of Mediaset España and MFE.

(ix) The proposed bylaws of MFE after the Cross-Border Merger has been brought into effect.

(x) The names and other particulars of the directors of Mediaset España and of MFE (no changes are envisaged to the Board of Directors of MFE as a result of the Cross-Border Merger).

It is moreover is placed on record that the mandatory documents relating to the Carve-Out will also be published pursuant to Law 3/2009.

3.3.6 Submission of the application for clearance for transfer of the audiovisual media licenses as a result of the Carve-Out

Mediaset España will immediately submit the necessary applications to obtain express or implied clearance from the competent audiovisual authority in relation to the transfer to GA Mediaset of the relevant audiovisual media licenses pursuant to article 32 of General Audiovisual Media Law 13/2022 of July 7, 2022.

3.3.7 Resolutions of the Shareholders' Meetings and publication of notices

Once the Cross-Border Merger and the Cross-Border Merger Plan have been approved, as the case may be, by the Extraordinary Shareholders' Meeting of Mediaset España and the Shareholders' Meeting of MFE, pursuant to article 43 of Law 3/2009, the adopted merger resolution by the Extraordinary Shareholders' Meeting of Mediaset España will be published in the Commercial Registry Official Gazette and in one of the large-circulation newspapers in the province of Madrid, the place where Mediaset España has its registered office.

The notice will state the rights of the shareholders and creditors to obtain the full wording of the adopted resolutions and the merger balance sheet, as well as the right to object held by the authorized creditors, all in accordance with article 43 of Law 3/2009. The notice will also make reference to the Right of Withdrawal of any of the shareholders of Mediaset España that voted against the Cross-Border Merger (see section 3.5 below).

The planned Cross-Border Merger cannot not be carried out until one month has passed from the publication date of the last notice relating to the approved resolutions, during which period the creditors are authorized to object to the Cross-Border Merger pursuant to article 44.3 of Law 3/2009, as described in greater detail in section 4.2 below.

3.3.8 Pre-Merger formalities

In addition to fulfillment of the conditions precedent mentioned in section 3.2 of this report, prior to the performance of the Cross-Border Merger, the following formalities must be fulfilled:

(i) The local district court in Amsterdam (The Netherlands) must have issued the necessary court ruling (and MFE must have received it) specifying that no creditor

has objected to the Cross-Border Merger pursuant to section 2:316 of the Netherlands Civil Code or, if an objection has been made pursuant to section 2:316 of the Netherlands Civil Code, that objection must have been withdrawn or its removal must have become enforceable.

(ii) The one month period from publication of the resolution of the Shareholders' Meeting of Mediaset España approving the Cross-Border Merger must have run and no creditor of Mediaset España (whose unsecured claims arose prior to the publication of the Cross-Border Merger Plan on the Mediaset España website and were not due and payable before that date) must have objected to the Cross-Border Merger pursuant to article 44 of Law 3/2009 or, if they have objected to the Cross-Border Merger, that objection must have been waived, resolved or denied, and/or Mediaset España must have secured the claims sufficiently (directly or through a strict suretyship (*fianza solidaria*) from a credit institution).

(iii) All pre-Merger formalities must have been fulfilled, including the delivery by the Madrid Commercial Registry to the Netherlands notary public of the necessary certificate pursuant to article 127 of the 2019 Directive that conclusively attests to the correct completion of the pre-Merger procedures and formalities.

3.3.9 Date of legal effects of the Merger

Subject to fulfillment of the pre-Merger formalities indicated above and to the fulfillment (or waiver, if applicable) of the conditions precedent described in section 3.2 above, the Cross-Border Merger will be consummated pursuant to section 2:318 of the Netherlands Civil Code and, as such, will be effective at 00:00 hours Central European Time (CET) on the day following that on which the deed of Cross-Border Merger is executed before a notary public practicing in The Netherlands (the "**Effective Date**").

3.3.10 Performance of the Cross-Border Merger exchange

Once the Cross-Border Merger has been consummated as described above, the shares in Mediaset España (owned by shareholders that have not exercised the Right of Withdrawal) will be exchanged for newly issued Class A MFE Shares, on the terms established in the Cross-Border Merger Plan, as explained in section 3.6.2 below.

3.4 Impact of the Cross-Border Merger on the incentive plans of Mediaset España

Mediaset España has the following incentive plan in force for the award of Mediaset España shares to certain executive directors and managers of the Mediaset España group:

2021-2023 Mediaset España Share Plan: the 2021 Ordinary Shareholders' Meeting of Mediaset España, held on April 14, 2021, authorized the Board of Directors to approve an incentive plan consisting of the award of Mediaset España shares to certain executive directors and managers of the Mediaset España group subject to certain terms and conditions (the "**2021-2023 Share Plan**").

MFE intends to terminate the 2021-2023 Share Plan (which will vest and be settled, as the case may be, by way of the award of Mediaset España shares) after the Cross-Border Merger and, in its place, to award the relevant beneficiaries the same rights as were established in the existing MFE incentive plan, that is, the 2021-2023 medium/long term incentive and loyalty plan (the "**2021-2023 MFE Plan**").

Accordingly, the executive directors and managers of the Mediaset España group who are beneficiaries of the 2021-2023 Share Plan would alternatively benefit from the 2021-2023 MFE Plan or other instruments in order to retain the same level of compensation as that to which they are entitled under the 2021-2023 Share Plan.

3.5 Right of withdrawal of the shareholders of Mediaset España

Given the cross-border nature of the Cross-Border Merger, any shareholders of Mediaset España that vote against the Merger will have a right of withdrawal pursuant to article 62 of Law 3/2009 (the "**Right of Withdrawal**"). The main characteristics of the Right of Withdrawal, as well as the procedure for exercising it, are set out in section 16.A of the Cross-Border Merger Plan, in the following terms.

Pursuant to article 348 of the Capital Companies Law, the shareholders of Mediaset España may exercise a Right of Withdrawal in relation to some or all of their shares, within one month running from the publication in the Official Commercial Registry Gazette of the resolution for approval of the Cross-Border Merger by the Shareholders' Meeting of Mediaset España, by means of a written notification sent to the custodians with which the shareholders have deposited their shares.

Given the exceptional nature of the Right of Withdrawal, the Mediaset España shares with respect to which the right is exercised will be blocked by the custodians from the exercise date until the redemption price is paid and the transaction is settled (or until it has been verified that the conditions precedent for the Cross-Border Merger have not been fulfilled and have not been waived). The document under which each shareholder exercises their Right of Withdrawal must contain an instruction to the relevant custodian to block the shares so that the Right of Withdrawal is deemed validly exercised.

Pursuant to article 353.2 of the Capital Companies Law, in relation to the applicable securities market legislation, the redemption price payable to shareholders who exercise their Right of Withdrawal will be €3.2687 per Mediaset España share, which relates to the average listed price of the Mediaset España shares in the three months prior to (and not including) the signature date of the Cross-Border Merger Plan and the Cross-Border Merger notice. Mediaset España will pay such redemption price to the shareholders exercising the Right of Withdrawal.

Mediaset España has designated Banco Santander, S.A. as the agent for management of the withdrawal procedure (the "**Agent**"). The Agent will:

(i) receive applications to exercise the Right of Withdrawal submitted through the relevant custodians;

(ii) check each application against the minutes of the Extraordinary Shareholders' Meeting of Mediaset España approving the Cross-Border Merger in order to verify the authority of the shareholder to exercise their Right of Withdrawal and whether it is being exercised with regard to a number of shares that does not exceed the total with respect to which they are entitled to exercise the Right of Withdrawal;

(iii) notify Mediaset España of the total number of shares with respect to which the Right of Withdrawal has been duly exercised.

Any shareholders who have exercised the Right of Withdrawal will receive the redemption price through the relevant custodians, following the fulfillment (or waiver) of all of the conditions precedent for the Cross-Border Merger and the fulfillment of all the pre-Merger formalities (section 3.3.8 above).

If it is verified that the conditions precedent for the Cross-Border Merger have not been fulfilled or waived, and provided that the redemption price has not yet been paid, the shares of Mediaset España with respect to which the Right of Withdrawal has been exercised will continue to be owned by the relevant shareholders, will cease to be blocked and will continue to be admitted to trading on the Spanish stock exchanges. Consequently, in this case, the redemption price will not be paid.

The Cross-Border Merger will not give rise to any Right of Withdrawal for the shareholders of MFE.

3.6 Issuance of new Class A MFE Shares and the Cross-Border Merger exchange

3.6.1 Issuance of new Class A MFE Shares

On the Effective Date of the Cross-Border Merger, MFE will issue the number of Class A MFE Shares that is necessary to cover the Cross-Border Merger exchange.

Having regard to the exchange ratio for the Cross-Border Merger, if MFE's ownership interest in Mediaset España and Mediaset España's treasury stock remain unchanged, no Mediaset España shareholder exercises its Right of Withdrawal, and no capital increase or reduction is carried out at Mediaset España, MFE will have to issue 374,496,857 A Shares, with a par value of €0.06 each, to cover the Cross-Border Merger exchange.

In any case, the exact amount of the capital increase at MFE through the issuance of new Class A MFE Shares to cover the Cross-Border Merger exchange will depend on MFE's ownership interest in Mediaset España and the treasury stock of Mediaset España, the Rights of Withdrawal that have been exercised and the potential performance of other capital increases or reductions at Mediaset España.

As a result of the Cross-Border Merger, unrestricted reserves (*vrij uitkeerbare reserves*) at MFE will be increased by an amount equal to the difference between

(i) the value of Mediaset España's assets, liabilities and other legal relationships acquired and assumed by MFE as a result of the Cross-Border Merger (as reflected in MFE's company-only financial statements); and

(ii) the sum of the aggregate par value of the Class A MFE Shares issued to cover the Cross-Border Merger exchange and the reserves that MFE must hold pursuant to Netherlands law following the Cross-Border Merger.

As a result of the merger, all the Mediaset España shares will be redeemed and cancelled.

As stated in section 10 of the Cross-Border Merger Plan, the A Shares that are allotted to the Mediaset España shareholders to cover the Cross-Border Merger exchange will, as from the Effective Date, entitle those shareholders to a share in MFE's corporate income subject to the same terms and conditions as those of the existing Class A MFE Shares.

No particular right to dividends will be granted in relation to the Cross-Border Merger.

The Mediaset España shareholders who exercise their Right of Withdrawal in relation to the Cross-Border Merger will not be entitled to any MFE dividends that may be distributed after the Effective Date.

3.6.2 Procedure for exchanging Mediaset España shares for Class A MFE Shares

The procedure for exchanging Mediaset España shares for Class A MFE Shares is described in section 4 of the Cross-Border Merger Plan.

In this respect, on the Effective Date of the Cross-Border Merger, each Mediaset España share will be canceled by operation of law and thereafter will only represent the right to receive the number of Class A MFE Shares resulting from the exchange ratio. Also by operation of law, MFE will increase its share capital and will allot the Class A MFE Shares to the Mediaset España shareholders.

As an exception to the foregoing, the Mediaset España shares held as treasury stock and the Mediaset España shares held by MFE on the Effective Date will be redeemed by operation of law pursuant to section 2:325(4) of the Netherlands Civil Code and article 26 of Law 3/2009, and will not give entitlement to receive Class A MFE Shares in the Cross-Border Merger exchange.

Pursuant to the exchange ratio set out in the Cross-Border Merger Plan, no odd lots will be generated and, therefore, no Mediaset España shareholder will be allocated odd lots of MFE A Shares.

The procedure for exchanging the Mediaset España shares for Class A MFE Shares will be as follows:

(i) Upon consummation of the Cross-Border Merger, the Mediaset España shares will be exchanged for Class A MFE Shares.

(ii) The Class A MFE Shares to be allotted as a result of the consummation of the Cross-Border Merger will be allotted with effect from the Effective Date in electronic format and will be delivered to the recipients through the relevant centralized clearing and settlement systems organized by Euronext Securities Milan (Monte Titoli S.p.A.) and the relevant custodians with whom the MFE shares and the Mediaset España shares are deposited.

(iii) MFE and Mediaset España will provide additional information on the procedure for allotting the Class A MFE Shares in a statement that will be published on the corporate websites of MFE (www.mfemediaforeurope.com) and Mediaset España (www.telecinco.es or also www.mediaset.es/inversores/es/).

(iv) MFE will bear all costs relating to the exchange of the Mediaset España shares for Class A MFE Shares, except for any expenses that are charged to the holders of Mediaset España shares by their respective custodians.

(v) Mediaset España has no outstanding shares that are non-voting shares or shares without economic rights. Therefore, section 2:326 subsection (d) to (f) of the Netherlands Civil Code and the special settlement agreement (*bijzondere schadeloosstellingsregeling*) referred to in section 2:330a of that Code do not apply in the context of the Cross-Border Merger.

3.7 Listing of the Class A MFE Shares

3.7.1 Admission to trading of the new Class A MFE Shares on Euronext Milan

The effectiveness of the Cross-Border Merger is subject, among other conditions, to the fulfillment of all the formalities (including the publication of the Exemption Document, as defined below) required for the start of trading of the new Class A MFE Shares to be allotted to the Mediaset España shareholders once the Cross-Border Merger is effective, on the Italian regulated market Euronext Milan, managed by Borsa Italiana S.p.A. ("**Euronext Milan**"). It is envisaged that the Class A MFE Shares will be listed and admitted for trading on Euronext Milan on the Effective Date or a date close to it.

Following the fulfillment of the formalities required by Borsa Italiana S.p.A. and the publication of the Exemption Document, the new Class A MFE Shares will be listed and tradable on Euronext Milan following their issuance as a result of the Cross-Border Merger.

MFE will not issue any prospectus for the purposes of Regulation 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC (the "**Prospectus Regulation**") in respect of the new

MFE Shares A to be issued as part of the Merger, nor for their admission to trading (nor for the start of trading of the new MFE Shares A) on Euronext Milan, as MFE has opted to make use of the exemptions for the mergers or divisions set out in Article 1, Sections 4.g) and 5.f) of the Prospectus Regulation. To this end, MFE will publish separately on its website (www.mfemediaforeurope.com) an exemption document (the "**Exemption Document**") in accordance with the requirements of Delegated Regulation 2021/528 of 16 December 2020 supplementing Regulation 2017/1129 of the European Parliament and of the Council as regards the minimum information content of the document to be published for a prospectus exemption in connection with a takeover by means of an exchange offer, a merger or a division ("**Delegated Regulation 2021/528**"). Specifically, the Exemption Document will be drawn up by MFE in accordance with the provisions of annex 1 to Delegated Regulation 2021/528.

In accordance with the provisions of section 1(5) of annex I to Delegated Regulation 2021/528, this Exemption Document does not constitute a prospectus for the purposes of the Prospectus Regulation. The Exemption Document need not be reviewed or approved by any authority and, specifically, it will not be approved or registered by the authority of the Netherlands securities market (*Autoriteit Financiële Markten*, the AFM), the Italian authority (*Commissione Nazionale per le Società e la Borsa*, the CONSOB) or the CNMV (*Comisión Nacional del Mercado de Valores*).

MFE will advertise the date of publication of the Exemption Document by (i) a disclosure of other relevant information addressed to the CNMV, for publication on its website (www.cnmv.es), and (ii) a press release to be submitted to the AFM, which will be published on the AFM website (www.afm.nl) and on MFE's corporate website (www.mfemediaforeurope.com), and will be disseminated by E-Market SDIR & STORAGE, the regulated information storage and disclosure system authorized by CONSOB and designated by MFE (www.emarketstorage.it). The press release will also be distributed simultaneously to media outlets that can reasonably be trusted to effectively disseminate the information. The above-mentioned disclosure of other relevant information and the press release will contain a link to the MFE website containing the Exemption Document and which will indicate that the Exemption document has not been analyzed or authorized by the AFM, CONSOB or the CNMV.

3.7.2 Admission to trading of all the Class A MFE Shares on the Spanish stock exchanges through the SIBE

MFE will apply for the admission to trading of all the Class A MFE Shares on the Spanish stock exchanges for trading through the SIBE (i.e. the Spanish electronic trading system), as soon as possible within a period of three months from the consummation of the Merger.

To ensure that all the Class A MFE Shares are admitted to trading on the Spanish stock exchanges for trading on the SIBE, MFE will submit the relevant applications for admission to listing and trading to the companies governing the Spanish stock exchanges, to the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de

Valores, S.A.U. (Iberclear) and to the Spanish National Securities Market Commission, respectively.

3.8 Corporate governance

Following the Merger, it is envisaged that the Board of Directors of MFE (company resulting from the Merger) will continue to be composed of executive and non-executive directors and that its current composition does not change on the Effective Date. Accordingly, it will continue to be the following:

(i) Mr. Fedele Confalonieri (Chairman);
(ii) Mr. Pier Silvio Berlusconi (Chief Executive Officer);
(iii) Mr. Marco Giordani (member and Chief Financial Officer);
(iv) Ms. Gina Nieri (member);
(v) Mr. Niccoló Querci (member);
(vi) Mr. Stefano Sala (member);
(vii) Ms. Marina Berlusconi (member);
(viii) Mr. Danilo Pellegrino (member);
(ix) Ms. Marina Brogi (member);
(x) Ms. Alessandra Piccinino (member);
(xi) Mr. Carlo Secchi (member);
(xii) Ms. Stefania Bariatti (member);
(xiii) Ms. Costanza Esclapon de Villeneuve (member);
(xiv) Mr. Giulio Gallazzi (member); and
(xv) Mr. Raffaele Cappiello (member).

3.9 Tax regime

The planned Cross-Border Merger will be subject to the tax regime established in chapter VII of title VII and in additional provision two of Corporate Income Tax Law 27/2014, of November 27, 2014, as well as in article 45, paragraph I.B.10 of the revised Transfer and Stamp Tax Law, approved by Legislative Royal Decree 1/1993, of September 24, 1993.

This regime allows corporate restructuring transactions to be carried out on a tax neutral basis, provided that they are performed on valid economic grounds, such as those set out in the Cross-Border Merger Plan.

For these purposes, simultaneously with the Cross-Border Merger, a portion of Mediaset España's assets and liabilities transferred to MFE under the merger (that is, the GA Mediaset shares and the Mediaset España ownership interest in ProSiebenSat.1 Media SE) – will remain assigned to an MFE branch located in Spain and registered at the Madrid Commercial Registry (the "**Branch in Spain**"). The Branch in Spain is necessary

to apply the tax neutrality regime established and permitted under Spanish law to the Cross-Border Merger as described above.

Within the three-month period following the registration of the merger deed, the transaction will be notified to the State Tax Agency on the terms set out in articles 48 and 49 of the Corporate Income Tax Regulations approved by Royal Decree 634/2015, of July 10, 2015.

4. Implications of the Cross-Border Merger for shareholders, creditors and workers

4.1 Implications for shareholders

As a result of the absorption of Mediaset España by MFE, the shareholders at that time of the absorbed company (other than MFE itself) will become MFE shareholders, a public limited company (*naamloze vennootschap*) existing under Dutch law, with registered office in Amsterdam (the Netherlands) and tax domicile in Cologno Monzese, Milan (Italy). The principal place of business of MFE is at Viale Europa 46, 20093 Cologno Monzese, Milan, (Italy).

This will be implemented through the allotment of Class A MFE Shares to the Mediaset España shareholders in proportion to their respective ownership interests in the capital of the absorbed company, according to the exchange ratio established in section 3.1 of the Cross-Border Merger Plan.

Accordingly, as a result of the Cross-Border Merger the shareholders of Mediaset España will be allotted the rights and duties that, on an equal footing with the current holders of Class A MFE Shares, belong to them, by law and the bylaws, as a result of their status as shareholders upon receiving the Class A MFE Shares as a result of the Cross-Border Merger exchange.

On the Effective Date, Mediaset España will cease to exist and the bylaws governing the company resulting from the transaction (i.e., MFE) will be those attached to the Cross-Border Merger Plan in Schedule 2.

The new Class A MFE Shares to be issued by MFE as a result of the Cross-Border Merger will give entitlement to a share in the company's income starting on the Effective Date.

4.2 Implications for creditors

The merger will entail the transfer en bloc to MFE, on a universal basis and in one and the same act, of the assets and liabilities of Mediaset España, with all of its property, rights and obligations.

4.2.1 Right of Mediaset España's creditors to object.

In accordance with article 44 of Law 3/2009, the creditors of Mediaset España with unsecured claims that have arisen and not fallen due before the publication of the Cross-Border Merger Plan on the Mediaset España website may object to the Cross-Border Merger within a period of one month from the date of the publication of the resolution of the Extraordinary Shareholders' Meeting of Mediaset España in which the Cross-Border Merger is approved. Creditors whose claims are sufficiently secured will not be entitled to object to the Cross-Border Merger.

If creditors whose claims meet the above criteria object to the Cross-Border Merger, Mediaset España must, before consummating the Merger, submit a guarantee to the satisfaction of the creditor or, otherwise, notify the creditor of the posting of a strict suretyship (*fianza solidaria*) in favor of the company by a credit institution duly authorized to post such a suretyship, for the amount of the creditor's claim and until such time as the statute of limitations period for the action to enforce the claim has expired.

4.2.2 MFE's creditors' right to object

Under Netherlands law, the creditors of the Merging Companies, including holders of a pledge, have the rights to object set out in article 2:316 of the Netherlands Civil Code. If the act implementing the 2019 Directive enters into force in the Netherlands between the date of registration of this Cross-Border Merger Plan and the Effective Date of the Cross-Border Merger, the period referred to in section 2:316 of the Netherlands Civil Code may be extended and in such a case may also apply with respect to the Cross-Border Merger. If an objection is lodged in a timely and proper manner, the merger deed may only be executed once that objection has been withdrawn or removal of the objection is enforceable. Once the objection period has concluded, a declaration will be requested from Amsterdam Local District Court (Netherlands) indicating whether a creditor has objected to the Cross-Border Merger.

4.2.3 Offer of security

On the date of this Cross-Border Merger Plan, neither of the Merging Companies has offered security, such as guarantees or pledges, in anticipation of the performance of the Cross-Border Merger.

4.3 Implications for workers; gender-related impact on the managing bodies and impact, if applicable, on corporate social responsibility

As explained above, the Cross-Border Merger will only be executed following the consummation of the Prior Reorganization, which is aimed, among other things, at enabling GA Mediaset to continue managing Mediaset España's business once the Cross-Border Merger has been consummated within the same legal and business framework as that regulated by the laws currently applicable to Mediaset España's activities, without prejudice to the efficiencies in costs and savings that may be achieved within the context

of the Cross-Border Merger. Accordingly, the Cross-Border Merger will not give rise to the cessation of any of the business activities currently conducted by Mediaset España (which will continue to be conducted on the same terms by GA Mediaset pursuant to the Carve-Out) or MFE. As a result of the Carve-Out, before the consummation of the Cross-Border Merger, Mediaset España will not have its own business activities other than those of a holding company, nor will it have employees.

Following the mandate in article 31.11 of Law 3/2009, section 12 of the Cross-Border Merger Plan includes a description of the effects that the Cross-Border Merger is expected to have on employment, the gender-related impact on the managing bodies and the impact, if applicable, on corporate social responsibility at the company.

In essence, the Cross-Border Merger is not expected to have any significant impact on Mediaset España's employees given that, pursuant to the Carve-Out, GA Mediaset will assume, by operation of law, the organization and structure of the business at Mediaset España in terms of working conditions, human resources, policies and procedures that have been in force in the area of personnel management. In other words, at the time of execution of the Cross-Border Merger deed, Mediaset España will not have any employees since all of them will have been transferred to GA Mediaset pursuant to the Carve-Out.

Accordingly, at present the Cross-Border Merger is not expected to have any significant impact on Mediaset España's employees or on the working conditions and rights that they have before the Prior Reorganization (since it is currently envisaged that those employees will continue to be employees of GA Mediaset after the Carve-Out is consummated).

In any event, the Merging Companies will perform their respective obligations to inform and, as the case may be, consult with the workers' representatives – or, in the absence thereof, with the affected workers – in accordance with the applicable labor legislation.

The Cross-Border Merger, together with the Carve-Out, will be notified by Mediaset España to the necessary labor authorities and to the Social Security General Treasury.

The information referred to in article 39 of Law 3/2009 and article 44.6 of the Workers' Statute in relation to the Cross-Border Merger and the Carve-Out, will be made available to the representatives of Mediaset España's workers before the call notice for the Extraordinary Shareholders' Meeting of Mediaset España is published and, at least, one month before that Shareholders' Meeting is held.

Nor is the Cross-Border Merger expected to have any significant impact on corporate social responsibility at the Merging Companies.

As regards the distribution of directors by gender at the company resulting from the Cross-Border Merger (MFE), when the Cross-Border Merger is consummated it is envisaged that MFE will act in accordance with the quotas referred to in section 2:142b of the Netherlands Civil Code (that is, a balanced membership in which at least a third of

the non-executive directors are men and at least a third are women). The Cross-Border Merger is not expected to have a significant impact on the distribution of directors by gender as compared with the current managing body of Mediaset España.

Lastly, it is placed on record that MFE may approve new share-based incentive plans for MFE's directors and/or employees. Class A MFE Shares, newly issued Class B MFE Shares and/or MFE treasury stock may be used to implement the provisions of those plans.

5. Economic aspects of the Cross-Border Merger

5.1 Merger balance sheet

In the case of Mediaset España, the Cross-Border Merger balance sheet will, for the purposes of article 36.1 of Law 3/2009, be deemed to be the audited separate balance sheet as of October 31, 2022, which has also been used for the purposes of establishing the Cross-Border Merger conditions in accordance with article 31.10 of Law 3/2009 and section 2:333d, subsection (e) of the Netherlands Civil Code.

As regards MFE, since it is a Netherlands entity that complies with the half-yearly financial reporting requirements set out in article 5:25d of the Netherlands Financial Supervision Law (*Wft*), MFE is exempt from the obligation to prepare interim financial statements (*tussentijdse vermogensopstelling*) within the context of the Cross-Border Merger process according to the Netherlands legislation. The MFE company-only interim financial statements for the period ended September 30, 2022 have been used for the purposes of establishing the Cross-Border Merger conditions in accordance with article 31.10 of the LME and section 2:333d, subsection (e) of the Netherlands Civil Code, and shall be considered for these purposes as a merger balance sheet.

5.2 Exchange ratio

As indicated in section 3.1 of the Cross-Border Merger Plan, the exchange ratio of Mediaset España shares for Class A MFE Shares that is proposed, without any supplementary cash consideration whatsoever, is as follows:

> Seven (7) class A common shares, with a par value of €0.06 each and which grant one voting right per share, in MFE, for each one (1) common share in Mediaset España, with a par value of €0.5 each.

In accordance with the provisions of article 25 of Law 3/2009, this exchange ratio has been determined on the basis of the actual value of the corporate assets and liabilities of MFE and Mediaset España.

5.3 Reasons for the exchange ratio. Valuation methods used

As noted above, the proposed exchange ratio has been determined on the basis of the actual value of the corporate assets and liabilities of MFE and Mediaset España.

In order to determine the economic value of the ordinary shares of MFE and Mediaset España for the purposes of calculating the exchange ratio, generally accepted valuation methodologies have been followed, with special attention to those most widely used at national and international level in similar transactions, giving priority to the principle of consistency and comparability of the valuation criteria, applied in a manner compatible with the distinctive elements of each of the two Merged Companies.

In particular, best practice requires that companies operating in a similar business and involved in a merger be valued on the basis of consistent criteria, so that the results of the relative valuation analysis are fully comparable. The definition of any exchange ratio is the quantification of the relative value (and not the absolute value) of each of the companies involved in the transaction, bearing in mind that the ultimate objective is not to calculate an economic value in absolute terms for each of the companies involved in the transaction, but to determine homogeneous and comparable values in relative terms.

The valuation has been carried out considering MFE and Mediaset España as independent entities (but taking into account, due to its relevance, that MFE currently holds 82.917% of the share capital of Mediaset España), reflecting financial and economic assumptions based on the information available at September 30, 2022, which may vary or be affected by market conditions, as well as by exogenous and/or endogenous events affecting the current and future performance and/or economic and financial prospects of MFE and Mediaset España.

In addition, for the determination of the exchange ratio, a 30% discount in the value of the MFE A Shares with respect to the MFE B Shares has been considered, which is the average market discount evidenced between these two classes of shares since the MFE shares were split into A Shares and B Shares in December 2021. While MFE A Shares have the same economic rights as B Shares, the discount assigned by the market, which has been relatively stable since the share split, derives from the reduced political rights of the A Shares, which are one tenth of those of the B Shares. In addition, the valuations of the Merging Companies have been carried out without taking into account the potential economic and financial impacts of the Cross-border Merger, including cost efficiencies and savings.

In view of the above, and for the purposes of the analysis, the Board of Directors of Mediaset España does not present absolute values attributed to MFE and Mediaset España, but only the exchange ratio resulting from the estimation of the relative values with respect to both companies.

(A) Discounted Cash Flow ("DCF")

DCF has been considered as the main valuation methodology for estimating the intrinsic value of both businesses ("**Enterprise Value**"). The DCF methodology takes into account the specific characteristics of the merging companies, reflects a dynamic conception of the company's activity, is based on the idea that the value of the business is determined by its ability to generate cash flows in the future and assumes that the companies being valued do not have a finite life, but are permanent going concerns. Furthermore, this method reflects, among other things, the medium and long-term business potential in terms of profitability, growth, level of risk, capital structure and expected level of investments. Finally, the DCF valuation is a methodology unaffected by distortions that may exist in the share price at specific moments in time for exceptional reasons unrelated to the fundamental values of the merging companies.

The basis of the DCF has been the set of projections validated by the management teams of both companies and combining the market (financial analysts covering the two companies that published results after Q3 2022 until January 20, 2023) and the long-term internal perspective of their respective businesses (the "**Projection Set**"). The Projection Set for both Merging Companies has followed a consistent approach:

- Period 2023 to 2024: the spectrum of financial analysts covering both companies has been considered to build the base case (base case).

- Period 2025 to 2027: starting from the base year 2024, the extrapolations for both Projection Sets adopt the same approach with regard to the forecasting methodology.

To obtain the equity value of each Merged Company, the Enterprise Value ranges obtained through the DCF method have been adjusted considering the unaudited consolidated balance sheet as at September 30, 2022 (financial liabilities and derivatives, cash and cash equivalents, associates and minority interests). In addition, the shares of ProSiebenSat.1 Media SE held by each of the companies, i.e. 24.26% of the share capital of ProSiebenSat.1 Media SE in the case of MFE and 13.18% of the share capital of ProSiebenSat.1 Media SE in the case of Mediaset España, have been considered as financial assets. In addition, the two treasury shares held by MFE at September 30, 2022 have been considered, which have been adjusted in the total number of shares considered for the establishment of the exchange ratios of the Cross-border Merger.

The DCF methodology has been carried out on the basis of the following estimates:

(i) Estimation of the free cash flows of the business of both Merging Companies based on the Projection Set.

The free cash flows are an estimate of the cash generation of the business before financial income and expenses, but after applying the corporate tax rate and taking into account capital expenditure (capex) and changes in working capital.

(ii) Estimation of the present value of projected free cash flows

This estimate is made using a discount rate that takes into account the implicit risk of both businesses and the countries where both companies operate as well as the time value of money.

(iii) Estimating the terminal value of both businesses

The terminal value of both businesses is determined under a perpetual growth assumption at a certain growth rate at the end of the annual projection period for the free cash flows.

The Enterprise Value has been calculated on the basis of the estimates of the present value of the projected free cash flows (i.e. point (ii) above) and the terminal value (i.e. point (iii) above). The stand-alone equity benchmark has been calculated using the adjustments mentioned earlier in this section (including, but not limited to, net debt, minority interests, investments in associates and other companies and pension liabilities). The implied value per share has been calculated by dividing such value by the number of outstanding ordinary shares of MFE and Mediaset España (i.e. net of the respective number of treasury shares as at September 30, 2022 in the case of MFE).

For more information on the approach and relevant projections used for the purposes of this valuation methodology, see section (C) below (*Specific features of the valuation exercise*).

(B) Other valuation references

Notwithstanding the foregoing, three other valuation benchmarks have been considered, although, not as key factors to effectively determine the Enterprise Value of Mediaset España in the context of establishing the exchange ratio, but rather as additional valuation benchmarks to ensure that the results obtained using method (A) (Discounted Cash Flow (DCF)) above are reasonable and fair. In particular, the Enterprise Value of MFE and Mediaset España (and, by extension, the exchange ratio) has been compared with the following methods:

(i) Market benchmarks / historical trading prices

Under normal conditions, these market references would be relevant for the determination of the exchange ratio. However, in this case, the low liquidity of Mediaset España's shares as a result of the voluntary tender offer for its shares carried out by MFE in 2022 and settled on July 15 of that year, means that the values of these market references may be distorted with respect to the intrinsic value of Mediaset España.

This being the case, these market benchmarks have been considered as a contrast, but taking into consideration the limitations they offer for the purposes of determining the exchange ratio.

The time frame for the calculation of the price must balance any short-term volatility caused by exceptional events, short-term fluctuations (i.e., the voluntary tender offer) and speculative tensions (expectations on a possible merger or other transactions). Therefore, a longer time horizon is preferable, as well as the need to reflect the most recent market and company conditions. Thus, share prices/volume-weighted average share prices (the "**VWAP**") of the Merging Companies' shares for the one-month, three-month and six-month periods up to and including January 27, 2023 have been taken into account and compared on a comparable basis.

Precisely in order to eliminate special market conditions or situations that may distort the quoted prices, distancing them from their fundamental values or increasing the relative volatilities of the securities involved in the transaction, it is considered relevant to show the weighted average prices for those same periods taken from the close of the day prior to the announcement by MFE of its voluntary tender offer for Mediaset España (March 14, 2022) since, from that moment, the Mediaset España share price became inextricably linked to the voluntary tender offer by the majority shareholder and, once the bid was concluded, to the eventuality that the majority shareholder would promote a merger with Mediaset España as mentioned in the prospectus for the 2022 voluntary tender offer.

The exchange values of these VWAPs (which are not affected by special corporate operations and are therefore much more in line with the fundamentals of both companies) show ratios that are not only fully in line with the exchange ratio now proposed, but are even lower for all the time horizons considered, as shown in the table below:

			Mediaset	MFE Class A	MFE Class B	Exchange Rate

12 meses	11-Mar-21	365	4.79	0.73	1.24	6,56

(ii) Analysts' target price

The target price derived from financial analysts' reports covering both Merged Companies has also been considered as an additional valuation benchmark. This

method provides a useful indication to determine the value of companies whose shares are listed on the stock exchange, completing the framework of valuation benchmarks. These market benchmarks can be considered as the view of the investment community on both companies.

For both MFE and Mediaset España, only analysts' reports published after the publication of the third quarter 2022 results have been considered.

As in the case of the valuation by market references/historical share price, it is important to note that for the analysts' target price methodology there has been a progressive decrease in the monitoring of Mediaset España by financial analysts after the settlement of MFE's voluntary tender offer for Mediaset España in 2022, given the aforementioned low liquidity of Mediaset España's shares, as well as the already announced possibility that MFE would promote a possible merger with Mediaset España once the 6-month period from the settlement of the aforementioned voluntary tender offer had expired.

(iii) Market multiples of comparable companies

This valuation methodology is based on the implied multiples at which other relevant companies in this sector are currently trading. The main valuation multiple considered is enterprise value/ebitda (EV/EBITDA).

(C) Specific features of the valuation

The main characteristics of the valuation references considered in the determination of the exchange ratio were as follows:

Given that there is no updated business plan for MFE and Mediaset España available for the purposes of determining the exchange ratio and the respective managements of the Merged Companies agreed that such valuation analysis would be based on the Set of Projections resulting from the application of the following approach under the Discounted Cash Flow (DCF) methodology:

- For the period 2022-2024: projections derived from a high number of financial analyst reports representing all analyst reports on MFE and Mediaset España published by analysts after the publication of the third quarter 2022 results and before January 20, 2023.

- For the period 2025-2027: extrapolations in line with the long-term expectations that the management of MFE and Mediaset España have for their respective businesses.

- The approach described above is the same for both MFE and Mediaset España and has been agreed and validated by the respective management teams of both Merged Companies, which have confirmed, respectively, that the Projections Set and

extrapolations are broadly in line with their current long-term expectations and visibility about the respective businesses. However, these forecasts are by their very nature subject to substantial uncertainty.

Taking into account the expected mechanics and timing of the exercise of the separation rights and creditor opposition rights, and given that it is not possible to quantify their future impact in terms of cash outflows, the effects of the (potential) exercise of such rights by Mediaset España shareholders voting against the Cross-border Merger have not been taken into account, considering also that their impact has been estimated as not material in the context of the overall valuations leading to the determination of the exchange ratio.

The market prices of the shares of MFE and Mediaset España have been and are subject to volatility and fluctuations as a consequence, also, of the general trend of the capital markets and, in the case of Mediaset España, due to the illiquidity of its shares. Therefore, it cannot be ruled out that, even if the exchange ratio remains consistent with the methodologies used for its determination, the market value of the MFE A-Shares to be attributed in the exchange on the Effective Date of the Cross-Border Merger may be lower or higher than that expected on the date on which the exchange ratio was set.

Different methodologies, both analytical and market-based, have been applied, requiring the use of different data, parameters and assumptions. In applying these methodologies, the Boards of Directors of MFE and Mediaset España have taken into account not only the characteristics and limitations inherent to each of them, but also their applicability to the transaction, taking into account the characteristics of the securities affected by the transaction, in accordance with the professional valuation practice followed at national and international level.

Previous transactions and historical control acquisition premiums in Spain have not been taken into account on the basis that the shareholders of Mediaset España would receive shares in MFE, and would therefore participate in the value potentially created by the Cross-border Merger through the shares they would receive as consideration. Moreover, MFE is already the controlling shareholder of Mediaset España, so no control premium would apply to the change of ownership.

The DCF valuation methodology takes into account the tax loss carryforwards and tax credits of MFE and Mediaset España.

5.4 Fairness opinions

Deutsche Bank, S.A.E., financial adviser to Mediaset España on the Cross-Border Merger, has issued on the date hereof (January 30, 2023) its fairness opinion for the Board of Directors of Mediaset España concluding that, on the date of the opinion and based on the assumptions, limitations and breakdowns contained in the opinion, and that they should be entirely read, the proposed exchange ratio is fair from a financial standpoint for the Mediaset España shareholders other than MFE.

A copy of the above-mentioned fairness opinion of Deutsche Bank, S.A.E. is attached as a **Schedule 1** to this report. This opinion should be read entirety, taking into account its scope, assumptions and limitations, the information and experience on which it is based, the procedures applied and the matters considered, in order to properly assess the conclusions expressed therein.

On the other hand, Banco Santander, S.A. has issued a second fairness opinion for the Board of Directors of Mediaset España, also dated 30 January 2023, concluding that, at the date of issue of the opinion and based on, and subject to, the assumptions, limitations and disclosures set out therein, which should be read in full, the proposed exchange ratio is fair, from a financial point of view, to the shareholders of Mediaset España.

A copy of the fairness opinion of Banco Santander, S.A. is attached as **Schedule 2** to this report. This opinion should be read entirety, taking into account its scope, assumptions and limitations, the information and experience on which it is based, the procedures applied and the matters considered, in order to properly assess the conclusions expressed therein.

5.5 Date of financial effects and accounting aspects

As established in section 8 of the Cross-Border Merger Plan, according to the applicable accounting standards and policies, the assets, liabilities and other legal relationships of Mediaset España will be reflected in the company-only accounts and other financial reports of MFE as of the first day of MFE's financial year in which the Effective Date of the Cross-Border Merger has occurred, and, therefore, the accounting effects of the Cross-Border Merger will be recorded in MFE's financial statements from that date

Furthermore, according to the applicable Spanish accounting legislation (National Chart of Accounts), the accounting effects of the Cross-Border Merger in Spain as regards Mediaset España will be backdated to the first day of MFE's fiscal year in which the shareholders' meeting of Mediaset España approved the Cross-Border Merger.

Therefore, the accounting effects of the Cross-Border Merger in the Netherlands and Spain will be backdated to January 1, 2023.

Given that the Cross-Border Merger accounted measuring the transferred assets and liabilities within the limits of the related carrying amounts included in the consolidated financial statements of MFE, no further goodwill will arise as a result of the Cross-Border Merger.

* * *

In accordance with the provisions of article 33 (read in conjunction with article 60) of Law 3/2009, this report on the joint Cross-Border Merger Plan between MFE (as absorbing company) and Mediaset España (as absorbed company) is signed on the above-mentioned date by all the directors of Mediaset España, it being placed on record that the

Mediaset España Comunicación, S.A.

Dear Sir or Madam,

Deutsche Bank S.A.E. Unipersonal ("**Deutsche Bank**") has been engaged by Mediaset España Comunicación, S.A. (the "**Client**") to act as its financial adviser in connection with the proposed cross-border merger (the "**Transaction**") of the Client with MFE-MEDIAFOREUROPE N.V. (the "**Counterparty**") upon the terms and subject to the conditions of the cross-border common merger plan (*Proyecto Común de Fusión*) to be entered into between the Client and the Counterparty (the "**Common Merger Plan**"), a draft of which dated 23 January 2023 has been provided to Deutsche Bank.

Pursuant to the Common Merger Plan, the Counterparty will assume all of the assets and liabilities of the Client, and each holder of one or more ordinary shares in the share capital of the Client from time to time, with a nominal value of EUR 0.50 (each, a "**Client Shareholder**" and each such share, a "**Client Share**"), will, upon the completion of the Transaction, exchange each such Client Share for 7.00 ordinary A class shares in the share capital of the Counterparty, with a nominal value of EUR 0.06 (each, a "**Counterparty Share**" and such exchange ratio, the "**Exchange Ratio**").

The Client Shares are currently listed on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia, and are traded through the Spanish stock market interconnection system, SIBE (Mercado Continuo).

As of the date of this letter, the Counterparty directly owns 259,666,591 Client Shares (representing, in aggregate, 82.917% of the share capital of the Client), and the Client does not own any Counterparty Shares.

The Client has requested that Deutsche Bank provides an opinion addressed to the board of directors of the Client (the "**Board**") as to whether the proposed Exchange Ratio is fair, from a financial point of view, to the Client Shareholders (other than the Counterparty).

For the purposes of this letter: "**Client Group**" means the Client and any entity which belongs, from time to time, to the Client's group (as defined in article 42 of the Spanish Commercial Code); "**DB Group**" means Deutsche Bank AG and any entity which belongs, from time to time, to Deutsche Bank AG's group (as defined in article 42 of the Spanish Commercial Code); and "**person**" shall include a reference to an individual, body corporate, association or any form of partnership (including a limited partnership). Whenever the words "include" or "including" are used, they are deemed to be followed by the words "without limitation".

In connection with Deutsche Bank's role as financial adviser to the Client, and in arriving at the opinion contained in this letter, Deutsche Bank has:

(i) reviewed the draft Common Merger Plan;

(ii) reviewed certain publicly available financial and other information concerning the Client and the Counterparty, certain internal analyses, financial forecasts based on broker consensus, and other information furnished to it by the Client, or as the case may be, the Counterparty, or which the Client has agreed to be used by Deutsche Bank in conducting its analyses and arriving at the opinion contained in this letter;

(iii) held discussions with members of the senior management of the Client and the Counterparty regarding the businesses and prospects of the Client and the Counterparty, respectively, after giving effect to the Transaction;

(iv) reviewed the audited individual and consolidated financial statements of the Client and the Counterparty for the fiscal years ended December 31, 2021 and 2020, as well as the unaudited consolidated interim financial statements of the Client and the Counterparty as of September 30, 2022;

(v) reviewed the reported prices and trading activity for the Client Shares and for the Counterparty Shares;

(vi) to the extent publicly available, compared certain financial information for the Client and the Counterparty with similar financial and stock market information for certain selected companies which Deutsche Bank has considered comparable to the Client or, as the case may be, the Counterparty and whose securities are publicly traded;

(vii) reviewed the financial aspects of certain selected merger and acquisition transactions which Deutsche Bank has considered comparable to the Transaction; and

(viii) performed such other studies and analyses, and considered such other factors as it deemed appropriate.

In conducting its analyses and arriving at the opinion contained in this letter, Deutsche Bank utilized a variety of generally accepted valuation methods commonly used for these types of analyses. The analyses conducted by Deutsche Bank were prepared solely for the purpose of enabling Deutsche Bank to provide the opinion contained in this letter to the Board as to the fairness, from a financial point of view, to the Client Shareholders (other than the Counterparty) of the Exchange Ratio and do not purport to be appraisals or necessarily reflect the prices at which businesses or securities may actually be sold, which are inherently subject to uncertainty.

In fact, as of the date of this letter, the aggregate market value of the Counterparty Shares which a Client Shareholder would receive pursuant to the Exchange Ratio is lower than (i) the aggregate market value of the Client Shares calculated on the basis of the trading price per Client Share as at close of business on the business day immediately preceding the date of this letter and (ii) the aggregate market value of the Client Shares calculated on the basis of the redemption price, which, in accordance with the provisions of the Common Merger Plan, will be payable in cash to any Client Shareholder which exercises its withdrawal rights, in respect of which aggregate market values (for the avoidance of doubt, in the case of both (i) and (ii)) Deutsche Bank does not express or provide any opinion.

Deutsche Bank has not assumed responsibility for, and has not independently verified, any

information, whether publicly available or furnished to it, concerning the Client or the Counterparty, including any financial information, forecasts or projections considered in connection with the rendering of the opinion contained in this letter. Accordingly, for the purposes of rendering the opinion contained in this letter, Deutsche Bank has, with the Client's permission, assumed and relied upon the accuracy and completeness of all such information. Deutsche Bank has not conducted a physical inspection of any of the properties or assets, and has not prepared or obtained any independent valuation or appraisal of any of the assets or liabilities (including any contingent, derivative, or off-balance sheet assets and liabilities), of the Client or the Counterparty or any of their respective affiliates, nor has Deutsche Bank evaluated the solvency or fair value of the Client or the Counterparty under any applicable law relating to bankruptcy, insolvency or similar matters.

With respect to the financial forecasts and projections in relation to the Client and the Counterparty made available to Deutsche Bank and used in its analyses, Deutsche Bank has, with the Client's permission, relied upon the consensus estimates in the reports prepared by the equity research analysts which follow both the Client and the Counterparty (the "**Analyst Estimates**" and such reports, the "**Analyst Reports**"), as well as the assumptions and estimates furnished by the management of the Client and the Counterparty to Deutsche Bank in relation to the years referred to in such financial forecasts and projections which are not covered by such equity research analysts in their respective Analyst Reports (the "**Management Estimates**"). Deutsche Bank does not assume any responsibility for the independent verification of any such Analyst Estimates or Management Estimates. Deutsche Bank assumes that the aforementioned forecasts and projections provided by the Client and the Counterparty have been reasonably prepared on bases reflecting the best currently available estimates of the management of the Client and the Counterparty as to the matters covered thereby. In rendering the opinion contained in this letter, Deutsche Bank expresses no view as to the reasonableness of any such financial information, forecasts and projections in relation to the Client or the Counterparty, or the assumptions on which they are based.

For the purposes of rendering the opinion contained in this letter, Deutsche Bank has assumed, with the Client's permission, that the Transaction will, in all respects material to its analysis, be consummated in accordance with its terms, without any material waiver, modification or amendment of any term, condition or agreement. Deutsche Bank has also assumed, with the Client's permission, that all material governmental, regulatory or other approvals and consents required in connection with the completion of Transaction will be obtained and that, in connection with obtaining any necessary governmental, regulatory or other approvals and consents, no material restrictions will be imposed. Representatives of the Client have informed Deutsche Bank, and Deutsche Bank has further assumed, with the Client's permission, that all the material terms of the Transaction are set out in the draft Common Merger Plan which Deutsche Bank has reviewed.

Deutsche Bank is not a legal, regulatory, accounting, actuarial or taxation expert, and it has relied on the assessments made by the Client and its professional advisers with respect to such issues.

The opinion contained in this letter is: (i) limited to the fairness, from a financial point of view, of the Exchange Ratio to the Client Shareholders (other than the Counterparty); (ii) subject to the assumptions, limitations, qualifications and other conditions contained in this letter; and (iii) necessarily based on financial, economic, market and other conditions, and the

information made available to Deutsche Bank, as of the date of this letter.

The Client has not asked Deutsche Bank to, and the opinion contained in this letter does not, address the fairness of the Exchange Ratio, or any consideration received in connection with the Transaction, to the holders of any class of securities, creditors or other constituencies of the Client (save for the Client Shareholders other than the Counterparty), nor does it address the fairness of the contemplated benefits of the Transaction (other than the Exchange Ratio). Deutsche Bank expressly disclaims any undertaking or obligation to advise any person of any change in any fact or matter affecting this letter or the opinion contained in this letter of which it or any other member of the DB Group becomes aware after the date of this letter. Deutsche Bank expresses no opinion as to the merits of the underlying decision of the Client to engage in the Transaction. In addition, Deutsche Bank does not express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to, or to be received as a result of the Transaction by, any of the officers, directors, or employees of any of the Client Shareholders, or any class of such persons. The opinion contained in this letter does not address the prices at which the Client Shares or, as the case may be, any other securities will trade following announcement or completion of the Transaction.

It has not been requested that Deutsche Bank considers or will consider, and the opinion contained in this letter does not address, the relative merits of the Transaction as compared to any alternative business strategies.

In consideration for the performance by Deutsche Bank of its services as a financial adviser to the Client in connection with the Transaction, Deutsche Bank will be paid a fee, a portion of which is contingent upon the delivery of this letter and a portion of which is contingent upon the completion of the Transaction. The Client has also agreed to indemnify Deutsche Bank and, *inter alia*, each other member of the DB Group against, and, at all times, hold Deutsche Bank and, *inter alia*, each other member of the DB Group harmless from and against, certain liabilities in connection with the engagement of Deutsche Bank as a financial adviser to the Client in connection with the Transaction.

One or more members of the DB Group may have, from time to time, provided investment banking, commercial banking (including extension of credit) and other financial services to the Client, the Counterparty or its or their respective affiliates for which it may have received compensation. In the ordinary course of its business, one or more members of the DB Group may actively trade in the ordinary shares in the share capital of, or in any other securities of, and other instruments and obligations of, the Client or the Counterparty for its own account and/or for the account of its respective customers. Accordingly, one or more members of the DB Group may, at any time, hold a long or short position in any such ordinary shares, securities, instruments and obligations (including the Client Shares and the Counterparty Shares). For the purposes of rendering the opinion contained in this letter, Deutsche Bank has not considered any information that may have been provided to it in any such capacity, or in any capacity other than fairness opinion provider.

Based upon, and subject to, the foregoing, it is Deutsche Bank's opinion as investment bankers that, as of the date of this letter, the Exchange Ratio is fair, from a financial point of view, to the Client Shareholders (other than the Counterparty).

This letter has been approved and authorized for issuance by a fairness opinion review panel, is addressed to, and is for the use and benefit of, the Board, and is not a recommendation to any of the Client Shareholders to approve the Transaction. This letter, and the opinion

contained in this letter, is intended solely for the use of the Board in considering the Exchange Ratio. This letter and its contents, including the opinion contained in this letter, shall not be used or relied upon by any other person or for any other purpose.

Without the prior written consent of Deutsche Bank, this letter shall not, in whole or in part, be disclosed, reproduced, disseminated, summarised, quoted or referred to at any time, in any manner or for any purpose to any other person or in any public report, public document, press release, public statement or other public communication (each, a "**Public Disclosure**"), *provided, however, that,* the Client shall be entitled to disclose this letter and its contents, including the opinion contained in this letter: (i) as expressly required by applicable law or regulation (including in any disclosure document expressly required by applicable law or regulation to be filed by the Client with any applicable securities regulatory authorities with respect to the Transaction); or (ii) on a non-reliance basis in the report issued by the Board in relation to the Transaction (including, without limitation, as an appendix to such report), which is to be made available to the Client Shareholders and any other person on the Client's corporate website; or (iii) on a confidential and non-reliance basis to the professional advisers of the Client in relation to the Transaction, *provided, further, that* this letter is disclosed in full, and that any description of, or reference to, Deutsche Bank or any other member of the DB Group in such Public Disclosure is in a form acceptable to Deutsche Bank and its professional advisers.

This letter is issued in the English and Spanish languages. In the event of any discrepancy between the English and the Spanish versions of this letter, the English version shall prevail.

Yours faithfully,

Members of the Board of Directors:

You have engaged Banco Santander, S.A. ("Santander", "we", "us" or "our") pursuant to and subject to the conditions set forth in the Santander Engagement Letter dated 23th January 2023 ("Santander Engagement Letter"), to serve as an independent financial advisor to the board of directors (the "Board") of Mediaset España Comunicación S.A. (the "Company" or "Mediaset España") in relation to the Transaction (as defined herein) with MFE- Media For Europe N.V. ("MFE"). Mediaset España and MFE together the "Parties"

The parties intend to carry out a transaction ("The Transaction") defined as the merger between the Parties, in which the shareholders of Mediaset España (equivalent to 53,499,551 shares) will be able to receive newly issued MFE A shares, based on the Exchange ratio of seven MFE A shares per each Mediaset España share (rounded) (the "Exchange Ratio").

In this sense, Santander has been engaged to issue an opinion as to the fairness, from a financial point of view, of the Exchange ratio to be used in the Transaction (the "Opinion").

As a way background of the Transaction, a Voluntary tender offer over the shares of Mediaset España Comunicación, S.A. was launched by MFE and authorized by the CNMV on 26th May 2022 ("the Offer"). In this regard, in the Offer document for the voluntary tender offer, it was announced that:

i. Once, the period of six months from the settlement of the Offer (12th July 2022), has elapsed, MFE do not rule out to carry out an intra-community cross-border merger by virtue of which MES would be absorbed by MFE, in which MES shareholders would receive MFE Shares A listed on Euronext Milan.

ii. And that, if approved by the corresponding general shareholders' meetings, would entail the extinction of MES and its delisting from the Spanish Stock Exchanges.

The Fairness Opinion will not address any related transaction other than the Transaction described above. The consideration that the minority shareholders could be entitled to receive because of the cross border nature of the Transaction (the *withdrawal right*), has not been subject to analysis in this Opinion.

In connection with preparing this Opinion, we have, among other things:

i. reviewed certain publicly available historical financial information relating to the parties, including audited financial statements available as of this date;
ii. compared the financial and operating performance of the Parties with publicly available information concerning certain other companies we deemed relevant;
iii. reviewed the current and historical market prices of certain publicly traded securities of such other companies;
iv. reviewed the financial analyses and forecasts provided by the management of the Companies ("Management") relating to the Parties (the "Management Projections"), the aforementioned projections have been prepared based on research analysts' consensus.
v. participated in discussions with, and relied on statements by, senior officers, directors of the parties with respect to the business and financial prospects of the parties provided,

vi. reviewed the publicly available information with regards of the Voluntary tender offer over the shares of Mediaset España Comunicación, S.A. launched by MFE on 2022

vii. reviewed public information with respect to certain other companies Santander believes to be relevant and comparable to the parties, analyzing among other issues the multiples implied in their current share prices.

viii. reviewed the current and historical analysis by equity research analysts regarding the parties;

ix. reviewed current and historical trading prices and trading volume for the shares of the Parties; and

x. performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this Opinion

In addition, we have held discussions with certain members of Management with respect to certain aspects of the Transaction, and the past and current business operations of the Parties, the financial condition and future prospects and operations of the Parties, and certain other matters we believed necessary or appropriate to our inquiry.

In arriving at our Opinion, we have relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with us by the Company or otherwise reviewed by or for us. We have not independently verified any such information or its accuracy or completeness and, pursuant to our engagement letter with the Company, we did not assume any obligation to undertake any such independent verification. In particular, no audit or due diligence was performed by us. In relying on financial analyses and forecasts provided to us or derived therefrom, including the Management Projections, we have been advised by the Company, and have assumed, at the direction of the Board, that they have been reasonably prepared on bases reflecting the best currently available estimates of the future financial performance of the Parties. We express no view as to such analyses or forecasts or the assumptions on which they were based. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities (contingent or otherwise) of the Parties, nor have we made any physical inspection of the properties or assets of the Parties. We have not evaluated the solvency or fair value of the Parties under any applicable laws relating to bankruptcy, insolvency or similar matters. In providing this Opinion, we have assumed, at the direction of the Board, that the Transaction will be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Transaction, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on the Parties or the contemplated benefits of the Transaction. In addition, we have assumed, at the direction of the Board that the final executed agreement will not differ in any material respect from the Draft Agreement reviewed by us.

In our opinion the Exchange ratio in the Transaction is fair from a financial point of view. We do not express any view on, and this Opinion does not address, any other term or aspect of the Transaction or the transactions contemplated thereby or any term or aspect of any agreement or instrument contemplated by the Transaction or entered into or amended in connection therewith, including, without limitation, the form or structure of the Transaction. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might be available to the Company or in which the Company might engage or as to the underlying business decision of the Company to proceed with or effect the Transaction.

We are not legal, tax or regulatory advisors. We are financial advisors only and have relied upon, without independent verification, the assessment of the Company and its legal, tax, and regulatory advisors with respect to legal, tax, and regulatory matters. The assessment of this Opinion does not consider tax, legal and other issues which are specific to each shareholder of the Company and/or Mediaset España. Our Opinion is necessarily based on economic, market, tax and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this Opinion and the assumptions used in preparing it, and we do not have any

Our Opinion is limited to the fairness, from a financial point of view, of the Exchange ratio and we express no opinion or view as to the underlying decision by the Company to engage in the Transaction. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons, relative to the Exchange ratio in the Transaction or with respect to the fairness of any such compensation.

We will receive a fee for rendering this Opinion which is not contingent upon the successful consummation of the Transaction or the conclusion contained in this Opinion. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. We and our affiliates have had commercial and/or investment banking relationships with the Parties, for which Santander and its affiliates have received customary compensation. We may also be mandated in other roles in relation to the Transaction, including around debt or equity financings. In the ordinary course of our businesses, we and our affiliates may actively trade the debt and equity securities or financial instruments (including derivatives, bank loans or other obligations) of Mediaset España or MFE for our own account or for the accounts of customers and, accordingly, we may at any time hold long or short positions in such securities or other financial instruments.

The issuance of this Opinion has been approved by an opinion committee of Santander. This letter is provided to the Board in connection with and solely for the purposes of its financial evaluation of the Transaction and consequently may be used only for the financial assessment of the Exchange ratio by the Board. The use for any purpose other than assessing the financial fairness of the Exchange ratio by the Board is excluded. In particular, this Opinion does not constitute a recommendation to any shareholder of the Company as to how such shareholder should vote with respect to the Transaction or any other matter and to the shareholders of Mediaset España to accept or reject the offer. This Opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our explicit prior written approval and no such third party may in any way rely upon our Opinion unless explicitly approved by us in writing.

This Opinion and any other documents provided to you shall be governed and construed according to Spanish Law. It is our understanding that any dispute or controversy arising in connection with the a of this letter will be submitted to the jurisdiction of the courts of the city of Madrid.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the Exchange Ratio in the Transaction is fair to the shareholders of Mediaset España, from a financial point of view.

A. El presente proyecto común de fusión transfronteriza (el "**Proyecto Común de Fusión Transfronteriza**") ha sido elaborado por los consejos de administración de las Sociedades Fusionadas (es decir, por el consejo de administración de MFE (el "**Consejo de Administración de MFE**") y el consejo de

jointly, the "**Boards of Directors**")) in order to execute a cross-border merger by absorption of MES (as absorbed company) with and into MFE (as absorbing company) within the meaning of the provisions of the (a) Directive (EU) 2017/1132 of the European Parliament and of the Council of 14 June 2017 relating to certain aspects of company law (the "**2017 Directive**"), which regulations on cross-border mergers of companies are in force (i) for Dutch law purposes under Title 2.7 of the Dutch Civil Code (the "**DCC**"), and (ii) for Spanish law purposes under Chapter II of Title II of Law 3/2009 of 3 April on structural modifications of companies (the "**LME**"); and (b) Directive (EU) 2019/2121 of the European Parliament and of the Council of 27 November 2019 amending Directive (EU) 2017/1132 as regards cross-border conversions, mergers and divisions (the "**2019 Directive**").

administración de MES (el "**Consejo de Administración de MES**" y, conjuntamente, los "**Consejos de Administración**")) con el fin de llevar a cabo una fusión transfronteriza por absorción de MES (como sociedad absorbida) por parte de MFE (como sociedad absorbente), en el sentido previsto en (a) la Directiva (UE) 2017/1132 del Parlamento Europeo y del Consejo, de 14 de junio de 2017, sobre determinados aspectos del Derecho de sociedades (la "**Directiva 2017**"), cuyas disposiciones en materia de fusiones transfronterizas de sociedades de capital resultan de aplicación (i) a efectos de Derecho neerlandés en virtud del título 2.7 del código civil neerlandés (el "**DCC**"), y (ii) a efectos de Derecho español en virtud del capítulo II del título II de la Ley 3/2009, de 3 de abril, sobre modificaciones estructurales de las sociedades mercantiles (la "**LME**"); y (b) la Directiva (UE) 2019/2121 del Parlamento Europeo y del Consejo de 27 de noviembre de 2019 por la que se modifica la Directiva (UE) 2017/1132 en lo que atañe a las transformaciones, fusiones y escisiones transfronterizas (la "**Directiva 2019**").

By virtue of the cross-border merger described herein, MES will be merged with and into MFE and will cease to exist as a standalone entity, and MFE will acquire under universal title by operation of law all assets and assume all liabilities and other legal relationships of MES (the "**Merger**").

En virtud de la fusión transfronteriza aquí descrita, MES será absorbida por MFE y dejará de existir como sociedad independiente, y MFE adquirirá por sucesión universal todos los activos y asumirá todos los pasivos y demás relaciones jurídicas de MES (la "**Fusión**").

The Merging Companies belong to the Mediaset group. In particular, (i) MFE is the holding company of the group, and (ii) MES is a direct subsidiary of MFE, which currently owns shares representing approximately 82.917% of MES' share capital (and 82.917% of its voting rights, taking into account the treasury shares currently held by MES).

Las Sociedades Fusionadas pertenecen al grupo Mediaset. En particular, (i) MFE es la sociedad cabecera del grupo, y (ii) MES es una filial directa de MFE, siendo MFE actualmente titular de acciones representativas de aproximadamente el 82,917% del capital social de MES (y el 82,917% de los derechos de voto teniendo en cuenta las acciones de MES actualmente en

B. As a transaction prior to the Merger, the following reorganization is envisaged, aimed at maintaining all the operations and business activities of MES in Spain, to be completed prior to the effectiveness of the Merger: the segregation (*segregación*) by MES, in accordance with Title III of the LME, of all its assets and liabilities, including its shareholdings in other companies, except for part of MES' cash and all its shareholding in ProSiebenSat.1 Media SE and the financial transactions relating to such shareholding –as further detailed in the Segregation Plan (as described below)–, to Grupo Audiovisual Mediaset España Comunicación, S.A. ("**GA Mediaset**") –a Spanish wholly-owned direct subsidiary of MES– in exchange for the allotment to MES of all the new shares in GA Mediaset that will be issued as a consequence of its share capital increase triggered by the segregation (the "**Segregation**" or the "**Preliminary Reorganisation**").

The Segregation, that will be carried out in parallel to the Merger and will be completed prior to the effectiveness of the Merger, is described in greater detail in the MES segregation plan (the "**Segregation Plan**") which will be made publicly available on the corporate website of MES (www.telecinco.es or also www.mediaset.es/inversores/es/).

Therefore, before completion of the Merger, MES will not have any business activities of its own other than those of a holding company, nor shall it have any employees.

The Preliminary Reorganisation —the completion of which is a condition precedent to the Merger, as described in Section 20—

autocartera).

B. Como operación previa a la Fusión, se prevé la siguiente reorganización, dirigida a mantener todas las operaciones y actividades de negocio de MES en España, y que deberá consumarse con anterioridad a la efectividad de la Fusión: la segregación por parte de MES de conformidad con el título III de la LME, de todo su patrimonio, activos y pasivos, incluyendo sus participaciones en otras entidades, excepto parte de la tesorería de MES y toda su participación en el capital social de ProSiebenSat.1 Media SE y las operaciones financieras relacionadas con dicha participación –según se detalla en el Proyecto de Segregación (como se describe a continuación)–, a Grupo Audiovisual Mediaset España Comunicación, S.A. ("**GA Mediaset**") —una filial española directa e íntegramente participada por MES—, recibiendo a cambio MES la totalidad de las nuevas acciones de GA Mediaset que se emitirán con ocasión de su aumento de capital social derivado de la segregación (la "**Segregación**" o la "**Reorganización Previa**").

La Segregación, que se realizará de forma paralela a la Fusión y se completará antes de la efectividad de la Fusión, está descrita con mayor detalle en el proyecto de segregación de MES (el "**Proyecto de Segregación**") que estará disponible en la página web corporativa de MES (www.telecinco.es o también www.mediaset.es/inversores/es/).

Por consiguiente, antes de la consumación de la Fusión, MES no tendrá actividades empresariales propias distintas de las de una sociedad holding, ni tampoco tendrá empleados.

La Reorganización Previa —cuya consumación es una condición suspensiva de la Fusión, tal y como se describe en la Sección

will not have any impact on the Exchange Ratio indicated in Section 3.

In addition, simultaneously with the Merger, some of MES' assets and liabilities transferred to MFE by virtue of the Merger —namely the GA Mediaset shares and MES' shareholding in ProSiebenSat.1 Media SE— will be allocated to a branch of MFE located in Spain and registered with the Commercial Registry of Madrid (the "**Spanish Branch**"). The Spanish Branch is required in order to apply to the Merger the tax neutrality regime foreseen and allowed under Spanish law.

C. Subject to the completion of the pre-merger formalities and the satisfaction (or the waiver, as the case may be) of the conditions precedent, as described in Section 20, the Merger shall be implemented in accordance with Section 2:318 of the DCC and, as such, will become effective at 00:00 a.m. CET (Central European Time) on the day following the day on which the deed of merger (the "**Merger Deed**") is executed before a civil law notary officiating in the Netherlands (the "**Merger Effective Date**").

D. Upon completion of the Merger, on the basis of the Exchange Ratio (as defined in Section 3.1), each MES shareholder will receive such number of MFE Shares A (as defined below) as results from the Exchange Ratio.

Pursuant to the Exchange Ratio set out in Section 3, no fraction will be generated and therefore no fractional MFE Shares A shall be allotted to any holder of shares of the Absorbed Company.

20— no tendrá impacto alguno en la Ecuación de Canje indicada en la Sección 3.

Además, con carácter simultáneo a la Fusión, parte de los activos y pasivos de MES transmitidos a MFE en virtud de aquella —es decir, las acciones de GA Mediaset y la participación de MES en ProSiebenSat.1 Media SE— quedarán afectos a una sucursal de MFE situada en España e inscrita en el Registro Mercantil de Madrid (la "**Sucursal en España**"). La Sucursal en España es necesaria para aplicar a la Fusión el régimen de neutralidad fiscal previsto y permitido bajo Derecho español.

C. Con sujeción al cumplimiento de las formalidades previas a la Fusión, y a la satisfacción (o renuncia, en su caso) de las condiciones suspensivas descritas en la Sección 20, la Fusión se llevará a cabo de conformidad con la sección 2:318 del DCC y, como tal, se hará efectiva a las 00:00 a.m. CET (Central European Time) del día siguiente a aquel en el que se otorgue la escritura de fusión (la "**Escritura de Fusión**") ante un notario público ejerciente en los Países Bajos (la "**Fecha de Efectividad de la Fusión**").

D. Al consumarse la Fusión, y sobre la base de la Ecuación de Canje (según se define en la Sección 3.1), cada accionista de MES recibirá tantas Acciones A de MFE (según se definen más abajo) como resulte de la Ecuación de Canje.

Conforme a la Ecuación de Canje establecida en la Sección 3, no se generará ningún pico y, por lo tanto, a ningún accionista de la Sociedad Absorbida se le asignarán picos de Acciones A de MFE.

Without prejudice to the withdrawal rights described in Section 16 —and aside from the MFE Shares A to be delivered in exchange for the MES shares— no additional consideration, either in cash or otherwise, will be paid by MFE or MES to the MES shareholders in connection with the Merger.

Sin perjuicio de los derechos de separación descritos en la Sección 16 —y aparte de las Acciones A de MFE que se entreguen en canje de las acciones de MES—, MFE y MES no abonarán ninguna contraprestación adicional, ni en efectivo ni de otro modo, a los accionistas de MES en relación con la Fusión.

E. As further explained in the reports prepared by the Boards of Directors with respect to the Merger, from a strategic, operational and industrial perspective, the Merger is aimed at strategically and operationally integrating the Merging Companies, which, until now, have been operating autonomously in their respective territorial areas, resulting in the creation of a pan-European media and entertainment group which, while maintaining its leading position in its domestic markets, will acquire a superior competitive dimension and the potential to expand into certain countries throughout Europe. Combined sustainable capital structure and strong cash flow generation profile would provide MFE with the required firepower to play a pivotal role in the context of a possible future consolidation scenario in the European video media industry.

E. Como se explica con más detalle en los informes preparados por los Consejos de Administración en relación con la Fusión, desde una perspectiva estratégica, operativa e industrial, la Fusión está dirigida a integrar estratégica y operacionalmente las Sociedades Fusionadas, que, hasta el momento, han venido operando de forma autónoma en sus respectivos ámbitos territoriales, dando lugar a la creación de un grupo de medios y entretenimiento paneuropeo que, manteniendo su posición de liderazgo en sus mercados domésticos, adquiera una dimensión superior para competir, así como potencial para expandirse a determinados países de toda Europa. La combinación de una estructura de capital sostenible y un sólido perfil de generación de flujos de caja proporcionaría a MFE la capacidad necesaria para desempeñar un papel fundamental en el contexto de un posible escenario futuro de consolidación en la industria audiovisual y de medios europea.

In the context of the current constantly developing competitive landscape, internationalization, economies of scale and ability to offer tech enabled products and quality content are becoming the key critical factors in the profitable execution of modern media company strategies.

En el contexto del panorama actual, competitivo y en constante desarrollo, la internacionalización, las economías de escala y la capacidad de ofrecer productos adaptados a la tecnología (*tech enabled products*) y contenido de calidad se están convirtiendo en factores críticos para la ejecución rentable de estrategias de compañías de medios modernas.

Additionally, MFE will apply for admission to listing of all the MFE Shares A on the Spanish Stock Exchanges for trading through the SIBE, as soon as possible within a period of three months from the completion of the Merger.

Asimismo, MFE solicitará la admisión a negociación de todas las Acciones A de MFE en las Bolsas Españolas para su negociación a través del SIBE, tan pronto como sea posible dentro del periodo de tres meses desde la consumación de la Fusión.

In order for all MFE Shares A to be admitted to listing on the Spanish Stock Exchanges for trading on the SIBE, MFE shall submit the relevant applications for admission to listing and trading to the managing companies of the Spanish Stock Exchanges, to the *Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U.* (Iberclear), and to the National Securities Market Commission (*Comisión Nacional del Mercado de Valores* – the "**CNMV**"), respectively.

In this regard, MFE will separately publish the Exemption Document in accordance with the requirements of Commission Delegated Regulation (EU) 2021/528 of 16 December 2020 supplementing Regulation (EU) 2017/1129 of the European Parliament and of the Council as regards the minimum information content of the document to be published for a prospectus exemption in connection with a takeover by means of an exchange offer, a merger or a division (the "**Delegated Regulation 2021/528**"). In particular, the

A fin de que todas las Acciones A de MFE sean admitidas a negociación en las Bolsas Españolas para su negociación en el SIBE, MFE presentará las correspondientes solicitudes de admisión a negociación y cotización a las sociedades rectoras de las Bolsas Españolas, a la Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. A tal efecto, MFE publicará de forma separada en su página web (www.mfemediaforeurope.com) un documento de exención (el "**Documento de Exención**") de conformidad con los requisitos del Reglamento Delegado 2021/528, de 16 de diciembre de 2020, por el que se completa el Reglamento 2017/1129 del Parlamento Europeo y del Consejo en lo que respecta al contenido mínimo de información del documento que debe publicarse con objeto de acogerse a una exención de la obligación de publicar un folleto en relación con una adquisición mediante una oferta de canje, una fusión o una escisión (el "**Reglamento Delegado 2021/528**"). As described in the proposed articles of association of MFE, attached as Schedule 2, following the Merger the MFE Board of Directors will continue to consist of executive directors and non-executive directors. Composition of the MFE Board of Directors is not expected to change as of the Merger Effective Date.

8.2. According to the applicable accounting standards and policies, the assets, liabilities and other legal relationships of MES will be reflected in the company-only accounts and other financial reports of MFE as of the first day of MFE's financial year in which the Merger Effective Date has occurred, and, therefore, the accounting effects of the Merger will be recorded in MFE's financial statements from that date.

8.2. Conforme a la normativa y políticas contables aplicables, los activos, pasivos y otras relaciones jurídicas de MES se reflejarán en las cuentas individuales y demás informes financieros de MFE a partir del primer día del año en el que tenga lugar la Fecha de Efectividad de la Fusión y, por tanto, los efectos contables de la Fusión se registrarán en los estados financieros de MFE a partir de esa fecha.

9. SPECIAL RIGHTS AND SECURITIES OTHER THAN EQUITY SECURITIES

9. DERECHOS ESPECIALES Y TÍTULOS DISTINTOS DE LOS REPRESENTATIVOS DE CAPITAL

9.1. A los efectos de la mención 4ª del artículo 31 de la LME, se hace constar que ni en MFE ni en MES existen prestaciones accesorias, acciones especiales privilegiadas ni personas que tengan atribuidos derechos especiales distintos de la simple titularidad de las acciones, por lo que no procede el

or options of any kind may be granted.

9.2. MES has the following incentive plan in force for the delivery of MES shares to certain executive directors and managers of the MES group:

2021-2023 MES Shares Plan: the ordinary general shareholders' meeting of MES, held on 14 April 2021, authorised the MES Board of Directors to approve an incentive plan consisting of the delivery of MES shares to certain executive directors and managers of the MES group under certain terms and conditions (the "**2021-2023 MES Shares Plan**").

9.3. MFE intends to cancel the 2021-2023 MES Shares Plan (whose vesting and settlement would occur, if applicable, through the delivery of MES shares) after the Merger and instead grant the relevant beneficiaries the same rights as set forth in the existing MFE incentive plan, i.e., the medium/long-term incentive and loyalty plan for the years 2021-2023 (the "**2021-2023 MFE Plan**"). Therefore, those executive directors and managers of the MES group who are beneficiaries of the referred 2021-2023 MES Shares Plan would alternatively benefit from the 2021-2023 MFE Plan or other instruments to maintain the same level of remuneration to which they would be entitled under the 2021-2023 MES Shares Plan.

9.4. Other than the beneficiaries of the 2021-2023 MES Shares Plan, there are no persons who, in any other capacity than as MES shareholders, have special rights towards MES such as rights to participate in profit distributions or rights to acquire newly

otorgamiento de ningún derecho especial ni el ofrecimiento de ningún tipo de opciones.

9.2. MES cuenta con el siguiente plan de incentivos vigente para la entrega de acciones de MES a determinados consejeros ejecutivos y directivos del grupo MES:

Plan de Acciones de MES 2021-2023: la junta general ordinaria de accionistas de MES, celebrada el 14 de abril de 2021, autorizó al Consejo de Administración de MES para la aprobación de un plan de incentivos consistente en la entrega de acciones de MES a determinados consejeros ejecutivos y directivos del grupo MES en determinados términos y condiciones (el "**Plan de Acciones de MES 2021-2023**").

9.3. MFE tiene la intención de extinguir el Plan de Acciones de MES 2021-2023 (cuyo devengo y liquidación se produciría, en su caso, mediante la entrega de acciones de MES) tras la Fusión y, en su lugar, conceder a los beneficiarios correspondientes los mismos derechos que establece el plan de incentivos de MFE existente, esto es, el plan de incentivos y fidelización a medio/largo plazo para los años 2021-2023 (el "**Plan MFE 2021-2023**"). Por tanto, aquellos consejeros ejecutivos y directivos del grupo MES que sean beneficiarios del Plan de Acciones de MES 2021-2023, se beneficiarían alternativamente del Plan MFE 2021-2023 u otros instrumentos para mantener el mismo nivel de remuneración al que tendrían derecho en virtud del Plan de Acciones de MES 2021-2023.

9.4. A excepción de los beneficiarios del Plan de Acciones de MES 2021-2023, no existen personas que, en cualquier otra condición que no sea la de accionista de MES, sean titulares de derechos especiales frente a MES, tales como derechos a participar en el

issued shares of MES. Therefore, no other special rights are due and no compensation shall be paid to anyone at the expense of MFE.

9.5. Neither MFE nor MES have issued securities or financial instruments other than its shares, which may give the right, directly or indirectly, to subscribe or acquire shares of MFE or MES.

10. DATE AS OF WHICH AND EXTENT TO WHICH THE NEW MFE SHARES A ISSUED AS A RESULT OF THE MERGER WILL BE ENTITLED TO PARTICIPATE IN THE PROFITS OF MFE

10.1. The MFE Shares A allotted to the shareholders of MES pursuant to the Exchange Ratio, under the terms set forth in Section 4, will be entitled, as from the Merger Effective Date, to participate in the profits of MFE under the same terms and conditions as the existing MFE Shares A.

10.2. No particular rights to the dividends will be granted in connection with the Merger.

10.3. Shareholders of MES who exercise their withdrawal rights in connection with the Merger will have no rights to dividends from MFE which will be potentially distributed after the Merger Effective Date.

11. IMPACT OF THE MERGER ON THE ACTIVITIES OF

reparto de beneficios o derechos a adquirir acciones de nueva emisión en el capital de MES. Por consiguiente, no se otorgarán derechos especiales y no se indemnizará a nadie a cargo de MFE.

9.5. Ni MFE ni MES han emitido valores o instrumentos financieros distintos de sus acciones, que puedan dar derecho, directa o indirectamente, a la suscripción o adquisición de acciones de MFE o MES.

10. FECHA A PARTIR DE LA CUAL Y MEDIDA EN LA CUAL LAS NUEVAS ACCIONES A DE MFE EMITIDAS COMO CONSECUENCIA DE LA FUSIÓN TENDRÁN DERECHO A PARTICIPAR EN LAS GANANCIAS SOCIALES DE MFE

10.1. Las Acciones A de MFE que sean asignadas a favor de los accionistas de MES para atender la Ecuación de Canje, conforme a las condiciones establecidas en la Sección 4, darán derecho, desde la Fecha de Efectividad de la Fusión, a participar en las ganancias sociales de MFE en los mismos términos y condiciones que las Acciones A de MFE existentes.

10.2. No se otorgará ningún derecho particular a los dividendos en relación con la Fusión.

10.3. Los accionistas de MES que ejerciten sus derechos de separación en relación con la Fusión no tendrán derecho a los dividendos de MFE que puedan ser eventualmente distribuidos tras la Fecha de Efectividad de la Fusión.

11. IMPACTO DE LA FUSIÓN EN LAS ACTIVIDADES DE

MES

11.1. As previously explained, the Merger will take place only once the Preliminary Reorganisation is completed. The Preliminary Reorganisation is aimed at, among other reasons, allowing GA Mediaset to continue operating the business of MES, once the Merger is completed, within the same legal and business framework as the one regulated by the laws currently applicable to the activities of MES, without prejudice to any potential cost efficiencies and savings that may be achieved within the framework of the Merger. For a description of the Preliminary Reorganisation see Recital B. The Merger will not lead to the termination of any business activities currently carried out by MES or MFE and, apart from the Preliminary Reorganisation, will not affect the continuation of MES' or MFE's business following the Merger.

12. EXPECTED EFFECTS OF THE MERGER ON EMPLOYMENT, GENDER IMPACT ON MANAGEMENT BODIES AND CORPORATE SOCIAL RESPONSIBILITY

12.1. By virtue of the Preliminary Reorganisation, GA Mediaset will substantially assume the same organisation and business structure as MES in terms of labour conditions, human resources, policies and procedures that have been in force as regards personnel management.

12.2. As of the date of this Common Cross-Border Merger Plan, the Merger is not expected to have any material impact on the employees of MES nor on the labour conditions and rights that they had prior to the Preliminary Reorganisation (as such employees are currently envisaged to continue being employees

MES

11.1. Como se ha explicado previamente, la Fusión únicamente tendrá lugar cuando se haya consumado la Reorganización Previa. La Reorganización Previa está dirigida, entre otros motivos, a permitir que GA Mediaset continúe gestionando el negocio de MES una vez se haya consumado la Fusión dentro del mismo marco jurídico y empresarial que el regulado por las leyes actualmente aplicables a las actividades de MES, sin perjuicio de las eficiencias en costes y ahorros que puedan alcanzarse en el marco de la Fusión. Para una descripción de la Reorganización Previa, véase el Expositivo B. La Fusión no supondrá el cese de ninguna de las actividades empresariales actualmente desarrolladas por MES o MFE y, aparte de la Reorganización Previa, no afectará a la continuación de la actividad de MES o MFE tras la Fusión.

12. EFECTOS ESPERADOS DE LA FUSIÓN SOBRE EL EMPLEO, IMPACTO DE GÉNERO EN LOS ÓRGANOS DE ADMINISTRACIÓN E INCIDENCIA EN LA RESPONSABILIDAD SOCIAL CORPORATIVA

12.1. En virtud de la Reorganización Previa, GA Mediaset asumirá sustancialmente la misma organización y estructura empresarial que MES en términos de condiciones laborales, recursos humanos, políticas y procedimientos que han estado en vigor en materia de gestión de personal.

12.2. A fecha del presente Proyecto Común de Fusión Transfronteriza, no se espera que la Fusión tenga impacto material alguno sobre los empleados de MES ni sobre sus condiciones y derechos laborales que tengan con anterioridad a la Reorganización Previa (por cuanto está actualmente previsto

of GA Mediaset upon completion of the Preliminary Reorganisation).

12.3. The Merging Companies will comply with their respective information obligations and, should this be the case, of consultation with the employees' representatives -or, in the absence of the latter, with the affected employees-, in accordance with the applicable labour legislation.

12.4. The Merger, together with the Segregation, will be notified by MES to the relevant labour authorities and the General Treasury of the Social Security (*Tesorería General de la Seguridad Social*).

12.5. The information referred to in Article 39 of the LME and Article 44.6 of the Spanish Law of the Workers' Statute as regards the Merger and the Segregation, will be made available to MES' workers' representatives before convening the general shareholders' meeting of MES (the "**MES General Shareholders' Meeting**") and at least one (1) month prior to the celebration of the MES General Shareholders' Meeting.

12.6. The Merger is not expected to have any material impact on the Companies' corporate social responsibility.

12.7. As regards gender distribution in its board of directors upon completion of the Merger, it is envisaged that MFE will act in compliance with the quota as referred to in Section 2:142b of the DCC (i.e., a balanced composition whereby at least one third of the non-executive directors self-identifies as male and at least one third of the non-executive directors self-identifies as

que tales empleados continúen siendo empleados de GA Mediaset tras consumarse la Reorganización Previa).

12.3. Las Sociedades Fusionadas cumplirán con sus respectivas obligaciones de información y, si fuera el caso, de consulta con los representantes de los trabajadores -o, en ausencia de éstos, con los trabajadores afectados-, de conformidad con la normativa laboral aplicable.

12.4. La Fusión, junto con la Segregación, serán notificadas por MES a las autoridades laborales pertinentes y a la Tesorería General de la Seguridad Social.

12.5. La información a la que se refiere el artículo 39 de la LME y el artículo 44.6 del Estatuto de los Trabajadores en relación con la Fusión y la Segregación, será puesta a disposición de los representantes de los trabajadores de MES con anterioridad a la publicación de la convocatoria de la junta general de accionistas de MES (la "**Junta General de Accionistas de MES**") y, como mínimo, un (1) mes antes de la celebración de la Junta General de Accionistas de MES.

12.6. Tampoco se espera que la Fusión tenga ningún impacto sustancial en la responsabilidad social corporativa de las Sociedades.

12.7. En lo que se refiere a la distribución por género en su consejo de administración cuando se consume la Fusión, se prevé que MFE actuará de acuerdo con las cuotas a que se refiere la sección 2:142b del DCC (es decir, una composición equilibrada en la que al menos un tercio de los consejeros no ejecutivos sean hombres y al menos un tercio de los consejeros no ejecutivos

female). The Merger is not expected to have a significant impact on gender distribution if compared with the current management body of MES.

12.8. MFE may approve new share incentive plans for directors and/or employees of MFE. Newly issued MFE Shares A, MFE Shares B and/or treasury shares of MFE may be used to serve these plans.

13. INFORMATION ON THE PROCEDURES FOR THE INVOLVEMENT OF EMPLOYEES IN DEFINING THEIR CO-DETERMINATION RIGHTS IN MFE

13.1. Title IV of Spanish Law 31/2006 of 18 October on the involvement of workers in European joint-stock companies and cooperatives does not apply to the Merger, since MFE, as the resulting company in the Merger, is a Dutch company (and not a Spanish company) and neither MES nor MFE apply an employee participation system within the meaning of the 2017 Directive.

13.2. Currently, no employee participation as defined in Section 1:1, paragraph 1, of the Act on involvement of employees for European legal entities (*Wet rol werknemers bij Europese rechtspersonen*) applies to any of the Merging Companies and none of the Merging Companies had such number of employees in the six month period before the date of filing this Common Cross-Border Merger Plan with the Dutch Commercial Registry that meets four-fifth of the applicable threshold regarding employee participation as laid down in local legalisation

sean mujeres). No se espera que la Fusión tenga un impacto significativo en la distribución por género si se compara con el actual órgano de administración de MES.

12.8. MFE podrá aprobar nuevos planes de incentivos en acciones para administradores y/o empleados de MFE. Se podrán emplear Acciones A de MFE, Acciones B de MFE de nueva emisión y/o acciones en autocartera de MFE para atender las previsiones de dichos planes.

13. INFORMACIÓN SOBRE LOS PROCEDIMIENTOS PARA LA PARTICIPACIÓN DE LOS TRABAJADORES EN LA DEFINICIÓN DE SUS DERECHOS DE CO-DETERMINACIÓN EN MFE

13.1. El título IV de la Ley 31/2006 de 18 de octubre sobre la implicación de los trabajadores en las sociedades anónimas y cooperativas europeas no resulta de aplicación a la Fusión, dado que MFE, como sociedad resultante en la Fusión, es una sociedad neerlandesa (y no una sociedad española) y ni MES ni MFE aplican un sistema de participación de los trabajadores en el sentido de la Directiva 2017.

13.2. En la actualidad, no se aplica a ninguna de las Sociedades Fusionadas la participación de los trabajadores definida en el artículo 1:1, apartado 1, de la Ley sobre la participación de los trabajadores en las entidades jurídicas europeas (*Wet rol werknemers bij Europese rechtspersonen*) y ninguna de las Sociedades Fusionadas tenía un número de empleados en el periodo de seis meses anterior a la fecha de presentación del presente Proyecto Común de Fusión Transfronteriza ante el Registro Mercantil de los Países Bajos que alcanzara las cuatro quintas partes del umbral aplicable en materia de participación

applicable to each Merging Company.

13.3. In light of the above, no special negotiation body will have to be set up and no other action whatsoever will have to be taken with regard to employee participation in the context of the Merger.

14. INFORMATION ON THE VALUATION OF THE ASSETS AND LIABILITIES TO BE TRANSFERRED TO MFE

14.1. In the case of MES, the audited company-only balance sheet closed by MES as of 31 October 2022 (the "**MES Balance Sheet**") shall be deemed to be the merger balance sheet (*balance de fusión*) for the purposes set forth in Article 36.1 of the LME.

The MES Balance Sheet has also been used for the purposes of establishing the conditions of the Merger pursuant to Article 31.10ª of the LME and Section 2:333d, subsection (e) of the DCC.

14.2. In the case of MFE, as it is a Dutch entity that complies with the requirements with regard to semi-annual financial reporting as referred to in Section 5:25d of the Dutch Financial Supervision Act (*Wft*), MFE is exempt from preparing interim financial statements (*tussentijdse vermogensopstelling*) as part of the Merger process under Dutch law.

The interim company-only financial statements of MFE closed on 30 September 2022 have been used for the purposes of establishing the conditions of the Merger pursuant to Article 31.10ª of the LME and Section 2:333d, subsection (e) of the

de los trabajadores establecido en la legislación local aplicable a cada Sociedad Fusionada.

13.3. En vista de lo anterior, no será necesaria la constitución de un órgano negociador especial ni la adopción de ninguna otra medida en relación con la participación de los trabajadores en el contexto de la Fusión.

14. INFORMACIÓN SOBRE LA VALORACIÓN DE LOS ACTIVOS Y PASIVOS QUE SE TRANSMITIRÁN A MFE

14.1. En el caso de MES, se considerará como balance de fusión, a los efectos previstos en el artículo 36.1 de la LME, el balance individual auditado cerrado por MES a 31 de octubre de 2022 (el "**Balance de MES**").

El Balance de MES también ha sido empleado a efectos de establecer las condiciones de la Fusión conforme al artículo 31.10ª de la LME y la sección 2:333d, subsección (e) del DCC.

14.2. En el caso de MFE, al tratarse de una entidad holandesa que cumple con los requisitos de información financiera semestral contemplados en el artículo 5:25d de la Ley de Supervisión Financiera de los Países Bajos (*Wft*), MFE está exenta de elaborar estados financieros intermedios (*tussentijdse vermogensopstelling*) en el marco del proceso de Fusión según la legislación holandesa.

Los estados financieros intermedios individuales de MFE cerrados a 30 de septiembre de 2022 se han utilizado a efectos de establecer las condiciones de la Fusión conforme al artículo 31.10ª de la LME y la sección 2:333d, subsección (e) del DCC,

DCC, and will be considered for these purposes as the merger balance sheet.

14.3. Notwithstanding the above, any material changes in the assets or liabilities arising between the date of this Common Cross-Border Merger Plan (other than the Segregation) and the date(s) of the shareholders meetings of the Merging Companies that have to decide on the Merger, shall be reported to the relevant shareholders meeting and to the Boards of Directors in accordance with the provisions of Article 39.3 of the LME.

14.4. Furthermore (and as regards MES, for purposes of Article 31.9ª of the LME), the assets and liabilities of MES will be recognised by MFE in its company-only accounts in accordance with applicable accounting standards and policies and will be measured within the limits of the related carrying amounts included in the consolidated financial statements of MFE.

14.5. MFE will prepare its consolidated and company-only financial statements in accordance with International Financial Reporting Standards as adopted by the European Union (EU-IFRS) and with Part 9 of Book 2 of the DCC.

14.6. Notwithstanding the above, the Exchange Ratio has been defined on the basis of several valuation methodologies and valuation references for both MFE and MES shares (particularly, discounted cash flows, along with peers multiple, stock market prices, and analysts' ratings), as detailed in the reports of the Boards of Directors of MFE and MES (as indicated in Section 3.9 above).

y serán considerados a estos efectos como balance de fusión.

14.3. Sin perjuicio de lo anterior, cualesquiera modificaciones importantes del activo o del pasivo acaecidas entre la fecha de este Proyecto Común de Fusión Transfronteriza (aparte de la Segregación) y la(s) fecha(s) de las juntas de accionistas de las Sociedades Fusionadas que hayan de decidir sobre la misma, se comunicarán a las correspondientes juntas de accionistas y a los Consejos de Administración de conformidad con lo dispuesto en el artículo 39.3 de la LME.

14.4. Por otra parte (y en lo que respecta a MES a efectos del artículo 31.9ª de la LME), los activos y pasivos de MES serán reconocidos por MFE en sus cuentas individuales de conformidad con las normas y políticas contables aplicables y se valorarán dentro de los límites de los importes contables correspondientes incluidos en los estados financieros consolidados de MFE.

14.5. MFE elaborará sus estados financieros consolidados e individuales de conformidad con las Normas Internacionales de Información Financiera adoptadas por la Unión Europea (EU-IFRS) y con la parte 9 del Libro 2 del DCC.

14.6. Sin perjuicio de lo anterior, la Ecuación de Canje se ha definido sobre la base de varias metodologías de valoración y referencias de valoración tanto para las acciones de MFE como para las de MES (en particular, flujos de caja descontados, junto con múltiplos de comparables, precios de mercado de las acciones, y calificaciones de analistas), según se detalla en los informes de los Consejos de Administración de MFE y MES (conforme

15. GOODWILL AND DISTRIBUTABLE RESERVES OF MFE

15.1. As the Merger is accounted measuring the transferred assets and liabilities within the limits of the related carrying amounts included in the consolidated financial statements of MFE, no further goodwill will arise as a result of the Merger.

15.2. As a result of the Merger, the freely distributable reserves (*vrij uitkeerbare reservesk*) of MFE shall increase in the amount equal to the difference between the value of: (A) the assets, liabilities and other legal relationships of MES being acquired and assumed by MFE as a result of the Merger (as they will be reflected in MFE's company-only financial statements) and (B) the sum of (i) the nominal value of all MFE Shares A, equal to EUR 0.06 per MFE Share A to be issued pursuant to the Exchange Ratio and the Merger, and (ii) the reserves MFE must maintain pursuant to Dutch law following the Merger.

16. WITHDRAWAL RIGHTS

A. WITHDRAWAL RIGHTS OF MES SHAREHOLDERS

16.1. MES shareholders who vote against the Merger in the MES General Shareholders' Meeting will be entitled to exercise their withdrawal rights pursuant to Article 62 of the LME (MES shareholders who make use of this right shall hereinafter be

se ha indicado en la Sección 3.9 anterior).

15. FONDO DE COMERCIO Y RESERVAS DISTRIBUIBLES DE MFE

15.1. Dado que la Fusión se contabiliza midiendo los activos y pasivos transferidos dentro de los límites de los correspondientes importes en libros incluidos en los estados financieros consolidados de MFE, no surgirá ningún fondo de comercio adicional como resultado de la Fusión.

15.2. Como resultado de la Fusión, las reservas de libre distribución (*vrij uitkeerbare reserves*) de MFE se incrementarán por un importe equivalente a la diferencia entre el valor de: (A) los activos, pasivos y demás relaciones jurídicas de MES adquiridos y asumidos por MFE con motivo de la Fusión (tal como se reflejarán en los estados financieros individuales de MFE), y (B) el sumatorio del (i) valor nominal de todas las Acciones A de MFE, igual a 0,06 euros por cada Acción A de MFE a ser emitidas de conformidad con la Ecuación de Canje y la Fusión, y (ii) las reservas que MFE deba mantener conforme a Derecho neerlandés tras la Fusión.

16. DERECHOS DE SEPARACIÓN

A. DERECHOS DE SEPARACIÓN DE ACCIONISTAS DE MES

16.1. Los accionistas de MES que voten en contra de la Fusión en la Junta General de Accionistas de MES tendrán derecho a ejercitar sus derechos de separación conforme al artículo 62 de la LME (los accionistas de MES que hagan uso de este derecho de separación se denominarán en adelante los "**Accionistas que**

referred to as the "**MES Withdrawing Shareholders**").

16.2. In accordance with Article 348 of the restated text of the Spanish Companies Act approved by Royal Legislative Decree 1/2010, of 2 July (the "**LSC**"), MES shareholders may exercise their withdrawal rights, in relation to some or all of their shares, within one month from the publication in the BORME of the approval of the Merger by the MES General Shareholders' Meeting, by means of a written notice to the relevant depositaries with which the MES Withdrawing Shareholders have their shares deposited.

16.3. Given the exceptional character of the withdrawal rights, MES shares of the MES Withdrawing Shareholders will be locked-up by the depositaries with which the relevant withdrawn shares are deposited, from the date of exercise of the withdrawal right until payment of the redemption price and settlement of the transaction (or until it has been verified that the conditions precedent to the Merger have not been satisfied and, should it be the case, not waived). The document by virtue of which the MES Withdrawing Shareholders exercise the right of withdrawal must contain an instruction to the relevant depositary to lock-up the withdrawn shares in order for the withdrawal right to be deemed validly exercised.

16.4. In accordance with Article 353.2 of the LSC, in connection with the applicable securities market regulations, the redemption price payable to MES Withdrawing Shareholders is EUR 3.2687 per MES share, which comprises the average trading price of

16.2. De conformidad con el artículo 348 del texto refundido de la Ley de Sociedades de Capital aprobado por el Real Decreto Legislativo 1/2010, de 2 de julio (la "**LSC**"), los accionistas de MES podrán ejercitar su derecho de separación, en relación con algunas o todas sus acciones, dentro del plazo de un mes a contar desde la publicación en el BORME del acuerdo de aprobación de la Fusión por la Junta General de Accionistas de MES, por medio de comunicación escrita dirigida a los depositarios con los que los Accionistas que se Separan tengan depositadas sus acciones.

16.3. Dado el carácter excepcional de los derechos de separación, las acciones de MES de los Accionistas que se Separan serán inmovilizadas por los depositarios en los que las respectivas acciones respecto de las que se ejercite el derecho de separación estén depositadas, desde la fecha de ejercicio del referido derecho hasta que se produzca el pago del precio de reembolso y se liquide la operación (o hasta que haya quedado verificado que las condiciones suspensivas de la Fusión no han sido satisfechas y, en su caso, no han sido objeto de renuncia). El documento en virtud del cual los Accionistas que se Separan ejerciten su derecho de separación debe contener una instrucción al depositario correspondiente para que inmovilice las acciones de modo que dicho derecho de separación se entienda válidamente ejercitado.

16.4. De conformidad con el artículo 353.2 de la LSC, en relación con la normativa aplicable del mercado de valores, el precio de reembolso pagadero a los Accionistas que se Separan será de 3,2687 euros por acción de MES, que se corresponde con el

16.5. MES has designated Banco Santander, S.A. as the agent entity for managing the withdrawal procedure (the "**Agent**"). The Agent will (i) receive the requests for the exercise of the withdrawal right processed through the corresponding depositaries, (ii) check each of these requests for exercise of the right with the minutes of the MES General Shareholders' Meeting approving the Merger, in order to verify the entitlement of the MES Withdrawing Shareholders to exercise his or her withdrawal right and whether the withdrawal right is being exercised with respect to a number of shares which does not exceed such number of shares that the MES Withdrawing Shareholder is entitled to withdraw, and (iii) notify MES the total number of duly withdrawn shares.

16.6. The MES Withdrawing Shareholders shall receive the redemption price through the relevant depositaries, following the fulfilment (or the waiver) of all the condition precedents under Section 20.1 and the completion of all the formalities under Section 20.3.

16.7. If it has been verified that the conditions precedent to the Merger will not be satisfied or waived, as applicable, and provided the redemption price has not been paid yet to the MES Withdrawing Shareholders, the MES shares in relation to which the

16.5. MES ha designado a Banco Santander, S.A. como entidad agente para la gestión del procedimiento de separación (el "**Agente**"). El Agente (i) recibirá las solicitudes de ejercicio del derecho de separación tramitadas a través de los correspondientes depositarios, (ii) contrastará cada una de dichas solicitudes de ejercicio del derecho con el acta de la Junta General de Accionistas de MES en que se apruebe la Fusión, a fin de verificar la legitimidad de los Accionistas que se Separan para ejercitar su derecho de separación y si el derecho de separación está siendo ejercitado respecto de un número de acciones que no excede del número de acciones respecto del cual el Accionista que se Separa tiene derecho a ejercitar el derecho de separación, y (iii) notificará a MES el número total de acciones respecto de las cuales se haya ejercitado debidamente el derecho de separación.

16.6. Los Accionistas que se Separan recibirán el precio de reembolso a través de los correspondientes depositarios, tras el cumplimiento (o la renuncia) de todas las condiciones suspensivas establecidas en la Sección 20.1 y el cumplimiento de todas las formalidades establecidas en la Sección 20.3.

16.7. En caso de verificarse que las condiciones suspensivas de la Fusión no serán satisfechas o, en su caso, objeto de renuncia, y siempre que no se haya abonado todavía el precio de reembolso a los Accionistas que se Separan, las acciones de MES respecto

withdrawal rights have been exercised will continue to be held by the corresponding MES Withdrawing Shareholders, will cease to be locked-up and will continue to be listed on the Spanish Stock Exchanges. Consequently, in this case, no payment of redemption price will be made to the MES Withdrawing Shareholders.

B. WITHDRAWAL RIGHTS OF MFE SHAREHOLDERS

16.8. The Merger will not trigger any withdrawal rights for the shareholders of MFE.

17. APPROVAL OF THE RESOLUTIONS TO ENTER INTO THE MERGER

17.1. In accordance with Article 40 of the LME, the Merger, pursuant to this Common Cross-Border Merger Plan, requires the approval of the MES General Shareholders' Meeting. This resolution does not require the approval of any third party.

17.2. Additionally, the MFE General Shareholders' Meeting shall resolve to enter into the Merger on the basis of this Common Cross-Border Merger Plan in order for the MFE Board of Directors to be authorised to execute, or cause the execution of, the Merger Deed, including the amendment to the MFE articles of association contemplated in Section 2.2. This resolution does not require the approval of any third party.

18. SAFEGUARDS OFFERED TO CREDITORS

18.1. Under Dutch law, the creditors of the Merging Companies,

de las cuales se hayan ejercitado los derechos de separación continuarán siendo titularidad de los correspondientes Accionistas que se Separan, dejarán de estar inmovilizadas y continuarán admitidas a negociación en las Bolsas Españolas. En consecuencia, en este caso, no se abonará el precio de reembolso a los Accionistas que se Separan.

B. DERECHOS DE SEPARACIÓN DE ACCIONISTAS DE MFE

16.8. La Fusión no dará lugar a ningún derecho de separación para los accionistas de MFE.

17. APROBACIÓN DE LOS ACUERDOS PARA REALIZAR LA FUSIÓN

17.1. De conformidad con el artículo 40 de la LME, la Fusión en los términos de este Proyecto Común de Fusión Transfronteriza requiere la aprobación de la Junta General de Accionistas de MES. Dicho acuerdo no requiere la aprobación de terceros.

17.2. Asimismo, la Junta General de Accionistas de MFE deberá aprobar la Fusión sobre la base del presente Proyecto Común de Fusión Transfronteriza a fin de que el Consejo de Administración de MFE esté autorizado para otorgar, o provocar la ejecución de, la Escritura de Fusión, incluida la modificación de los estatutos de MFE contemplada en la Sección 2.2. Dicho acuerdo no requiere la aprobación de terceros.

18. SALVAGUARDAS OFRECIDAS A LOS ACREEDORES

18.1. Bajo derecho holandés, los acreedores de las Sociedades

including those holding a right of pledge, have the opposition rights referred to in Section 2:316 of the DCC. In case the implementation act of the 2019 Directive will enter into effect in the Netherlands between the filing of this Common Cross-Border Merger Plan and the Merger Effective Date, the period referred to in Section 2:316 of the DCC may be extended, which may in that case then also be applicable in respect of the Merger. In case an opposition is made timely, the Merger Deed may only be executed once such opposition has been withdrawn or the removal of such opposition has become enforceable. After the end of the opposition period, a declaration shall be requested with the local district Court in Amsterdam (the Netherlands) stating whether a creditor has opposed against the Merger (the "**Court Declaration**").

18.2. Under Spanish law, creditors of MES whose credits arose prior to the date of insertion of the Common Cross-Border Merger Plan on the website of MES and were not due at that time may oppose to the Merger until such credits are secured in accordance with Article 44 of the LME. Creditors whose credits are already sufficiently secured shall have no such opposition right.

18.3. At the time of this Common Cross-Border Merger Plan, none of the Merging Companies has offered any safeguards, such as guarantees or rights of pledge, in anticipation of the implementation of the Merger.

19. INDICATIVE TIMELINE OF THE MERGER

Fusionadas, incluidos los titulares de un derecho de prenda, tienen los derechos de oposición contemplados en el artículo 2:316 del DCC. En caso de que entre en vigor en los Países Bajos el acto de implementación de la Directiva 2019 entre la fecha de registro de este Proyecto Común de Fusión Transfronteriza y la Fecha de Efectividad de la Fusión, podrá ampliarse el plazo a que se refiere la Sección 2:316 del DCC, que en ese caso también podrá ser aplicable con respecto a la Fusión. En caso de que se formule una oposición en tiempo y forma, la Escritura de Fusión sólo podrá ejecutarse una vez que se haya retirado dicha oposición o que el levantamiento de la misma sea exigible. Una vez finalizado el plazo de oposición, se solicitará una declaración ante el Tribunal de Distrito local de Ámsterdam (Países Bajos) en la que se indique si un acreedor se ha opuesto a la Fusión (la "**Declaración Judicial**").

18.2. Bajo derecho español, los acreedores de MES cuyo crédito hubiera nacido antes de la fecha de inserción del Proyecto Común de Fusión Transfronteriza en la página web de MES y no estuviera vencido en ese momento, podrán oponerse a la Fusión hasta que se les garanticen tales créditos, de conformidad con el artículo 44 de la LME. Los acreedores cuyos créditos se encuentren ya suficientemente garantizados no tendrán dicho derecho de oposición.

18.3. En la fecha de este Proyecto Común de Fusión Transfronteriza, ninguna de las Sociedades Fusionadas ha ofrecido garantías, tales como avales o derechos de prenda, en previsión de la realización de la Fusión.

(i) promotie- en *public relations* activiteiten, met inbegrip van de organisatie en het beheer van cursussen, conferenties, congressen, seminars, tentoonstellingen, voorstellingen en alle andere activiteiten die verband houden met onderzoek en cultuur, zoals de publicatie van studies, monografieën, catalogi, boeken, pamfletten en audiovisueel materiaal;

(j) het beheer van onroerende goederen en industriële complexen in verband met de exploitatie van bioscopen en de hierboven in de punten a) tot en met h) genoemde activiteiten;

(k) de uitoefening van commerciële rechten op intellectuele eigendom door alle middelen van verspreiding, met inbegrip van de marketing van handelsmerken, uitvindingen en sierontwerpen, ook in verband met cinematografisch- en televisiewerk, merchandising, sponsoring;

(l) de bouw, aankoop, verkoop en ruil van onroerende goederen;

(m) de installatie en exploitatie van systemen voor de uitvoering en het beheer, in elk geografisch gebied, van telecommunicatiediensten, alsmede het verrichten van alle daarmee samenhangende werkzaamheden, met inbegrip van het ontwerpen voor eigen rekening, het creëren, het beheren en de marketing van telecommunicatie-, computercommunicatie- en elektronische systemen, producten en diensten, met uitsluiting van alle werkzaamheden waarvoor inschrijving in de beroepsregisters is vereist.

Deze activiteiten kunnen zowel rechtstreeks als in samenwerking met derden of namens derden, zowel in Italië als daarbuiten, worden uitgeoefend. De vennootschap mag ook belangen in andere vennootschappen en ondernemingen verwerven, maar zich niet inlaten met de handel in *retail share dealing*; de vennootschap mag de financiële, technische en administratieve verrichtingen van de ondernemingen en entiteiten waarin wordt deelgenomen coördineren en er diensten aan verlenen; de vennootschap mag alle commerciële, industriële, financiële, effecten- en onroerendgoedtransacties uitvoeren die verband houden met de verwezenlijking van het bedrijfsdoel; de vennootschap mag leningen aangaan en een beroep doen op financieringen van welke aard en duur ook, zekerheden en persoonlijke garanties stellen op roerende of onroerende goederen, met inbegrip van borgtochten, pandrechten en hypotheken, om haar eigen verbintenissen of die van de vennootschappen en ondernemingen van haar eigen concern te waarborgen; in het algemeen mag de vennootschap alle andere activiteiten uitoefenen en alle andere verrichtingen doen die inherent zijn aan, verband houden met of nuttig zijn voor de verwezenlijking van haar bedrijfsdoel.

De volgende activiteiten zijn in ieder geval uitgesloten van het doel van de vennootschap: het aantrekken van spaargelden van het publiek overeenkomstig de toepasselijke wetgeving; activiteiten waarvan de uitoefening is voorbehouden aan entiteiten die gemachtigd zijn om diensten met betrekking tot financiële beleggingen en het collectief beheer van activa aan het publiek aan te bieden; het uitoefenen ten aanzien van het publiek van elke activiteit die door de wet als financiële activiteit wordt gekwalificeerd.

HOOFDSTUK 3. AANDELENKAPITAAL EN AANDELEN

Artikel 4. Maatschappelijk kapitaal en aandelen.

4.1 Het maatschappelijk kapitaal van de vennootschap bedraagt achthonderd zeventien miljoen zesenzeventig duizend driehonderd zestien euro en tweeënzeventig eurocent (EUR 817.076.316,72).

4.2 Het maatschappelijk kapitaal is verdeeld in de volgende soorten aandelen:

- één miljard achthonderdvijf miljoen zeshonderd tweeënzestig duizend negenhonderd tweeënzeventig (1.805.662.972) gewone aandelen A, met een nominaal bedrag van zes eurocent (EUR 0.06) elk; en

- een miljard eenhonderd eenentachtig miljoen tweehonderd zevenentwintig duizend vijfhonderd vierenzestig (1.181.227.564) gewone aandelen B, met een nominaal bedrag van zestig eurocent (EUR 0,60) elk.

4.3 Alle aandelen luiden op naam. Aandeelbewijzen worden niet uitgegeven.

4.4 Alle aandelen hebben dezelfde economische gerechtigdheid tot het eigen vermogen van de vennootschap, en elke uitkering op aandelen in welke vorm dan ook zal op basis van gelijkheid plaatsvinden.

Artikel 5. Register van aandeelhouders.

5.1 De vennootschap boudt een register van aandeelhouders. Het register kan uit verschillende delen bestaan, welke op onderscheidene plaatsen kunnen worden gehouden en elk van deze delen kan in meer dan één exemplaar en op meer dan één plaats worden gehouden, een en ander ter bepaling door het bestuur.

5.2 Houders van aandelen dienen hun naam en adres schriftelijk te melden aan de vennootschap indien en wanneer ze daartoe verplicht zijn op grond van (a) een verzoek van het bestuur en/of (b) op de vennootschap toepasselijke wettelijke voorschriften en regelgeving. De namen en adressen, en, voor zover van toepassing, de andere bijzonderheden als bedoeld in artikel 2:85 van het Burgerlijk Wetboek, worden opgenomen in het register van aandeelhouders. Het bestuur stelt eenieder die in het register is opgenomen op verzoek en kosteloos een uittreksel uit het register met betrekking tot zijn recht op aandelen ter beschikking.

5.3 Het register wordt regelmatig bijgehouden. De ondertekening van inschrijvingen en aantekeningen in het register van aandeelhouders worden door een uitvoerend bestuurder of de secretaris van de vennootschap gedaan.

5.4 Het bepaalde in artikel 2:85 van het Burgerlijk Wetboek is op het register van aandeelhouders van toepassing.

Artikel 6. Besluit tot uitgifte van aandelen; voorwaarden van uitgifte.

6.1 Uitgifte van aandelen geschiedt krachtens besluit van de algemene vergadering. Deze bevoegdheid betreft alle niet uitgegeven aandelen in het maatschappelijk kapitaal van de vennootschap zoals deze van tijd tot tijd luidt, behoudens voor zover de bevoegdheid tot uitgifte van aandelen overeenkomstig het bepaalde in artikel 6.2 aan het bestuur toekomt.

6.2 Uitgifte van aandelen geschiedt krachtens besluit van het bestuur, indien en voor zover het bestuur daartoe door de algemene vergadering is aangewezen. Deze aanwijzing kan telkens voor niet langer dan vijf jaren geschieden en telkens voor niet langer dan vijf jaren worden verlengd. Bij de aanwijzing moet worden bepaald hoeveel aandelen krachtens besluit van het bestuur mogen worden uitgegeven.

6.3 Tenzij bij de aanwijzing anders is bepaald kan een besluit van de algemene vergadering tot aanwijzing van het bestuur als tot uitgifte van aandelen bevoegd vennootschapsorgaan niet worden herroepen.

6.4 Het hiervoor in dit artikel 6 bepaalde is van overeenkomstige toepassing op het verlenen van rechten tot het nemen van aandelen maar is niet van toepassing op het

uitgeven van aandelen aan een persoon die een voordien reeds verkregen recht tot het nemen van aandelen uitoefent.

6.5 De vennootschap mag geen eigen aandelen nemen.

6.6 Op een uitgifte van aandelen zijn voorts de artikelen 2:96 en 2:96a van het Burgerlijk Wetboek van toepassing.

Artikel 7. Voorkeursrechten.

7.1 Iedere houder van aandelen heeft bij de uitgifte van aandelen een voorkeursrecht naar evenredigheid van het gezamenlijke nominale bedrag van zijn aandelen.

7.2 In afwijking van artikel 7.1 hebben houders van aandelen geen voorkeursrecht met betrekking tot een uitgifte van:

(a) aandelen tegen inbreng anders dan in geld; of

(b) aandelen aan werknemers van de vennootschap of van een groepsmaatschappij.

7.3 Het voorkeursrecht kan, telkens voor een enkele uitgifte, worden beperkt of uitgesloten bij besluit van de algemene vergadering. Echter, ten aanzien van een uitgifte van aandelen waartoe het bestuur heeft besloten, kan het voorkeursrecht worden beperkt of uitgesloten bij besluit van het bestuur, indien en voor zover het bestuur daartoe door de algemene vergadering is aangewezen.

7.4 Indien aan de algemene vergadering een voorstel tot beperking of uitsluiting van het voorkeursrecht wordt gedaan, moeten in het voorstel de redenen voor het voorstel en de keuze van de voorgenomen uitgifteprijs schriftelijk worden toegelicht.

7.5 Het hiervoor in dit artikel 7 bepaalde is van overeenkomstige toepassing op het verlenen van rechten tot het nemen van aandelen maar is niet van toepassing op het uitgeven van aandelen aan een persoon die een voordien reeds verkregen recht tot het nemen van aandelen uitoefent.

Artikel 8. Storting op aandelen.

8.1 Bij het nemen van elk aandeel moet daarop het gehele nominale bedrag worden gestort, alsmede, indien het aandeel voor een hoger bedrag wordt genomen, het verschil tussen die bedragen, onverminderd het bepaalde in artikel 2:80 lid 2 van het Burgerlijk Wetboek.

8.2 Storting op een aandeel moet in geld geschieden voor zover niet een andere inbreng is overeengekomen.

8.3 Betaling in een valuta die geen eenheid van de euro is, is uitsluitend toegestaan met toestemming van de vennootschap. Voor zover een dergelijke storting plaatsvindt, is aan de stortingsplicht voldaan voor het bedrag in euro's waartegen het gestorte bedrag vrijelijk kan worden gewisseld. Bepalend is de wisselkoers op de dag van de storting.

8.4 Indien het Bestuur daartoe besluit, kunnen aandelen worden uitgegeven ten laste van reserves van de vennootschap.

8.5 Het bestuur is bevoegd tot het aangaan van rechtshandelingen betreffende inbreng op aandelen anders dan in geld, en van de andere rechtshandelingen genoemd in artikel 2:94 van het Burgerlijk Wetboek, zonder voorafgaande goedkeuring van de algemene vergadering.

8.6 Op storting op aandelen en inbreng anders dan in geld zijn voorts de artikelen 2:80, 2:80a, 2:80b en 2:94b van het Burgerlijk Wetboek van toepassing.

Artikel 9. Eigen aandelen.

9.1 Verkrijging door de vennootschap van niet-volgestorte aandelen in haar kapitaal is nietig.

9.2 De vennootschap mag uitsluitend volgestorte aandelen in haar kapitaal verkrijgen om niet of indien en voor zover de algemene vergadering het bestuur heeft gemachtigd en alle overige toepasselijke wettelijke vereisten van artikel 2:98 van het Burgerlijk Wetboek worden nageleefd.

9.3 Een machtiging als bedoeld in artikel 9.2 geldt voor ten hoogste achttien maanden. In de machtiging bepaalt de algemene vergadering hoeveel aandelen mogen worden verkregen, hoe zij mogen worden verkregen en tussen welke grenzen de prijs moet liggen. De machtiging is niet vereist voor zover de vennootschap aandelen verkrijgt om, krachtens een voor hen geldende regeling, over te dragen aan werknemers in dienst van de vennootschap of van een groepsmaatschappij, mits deze aandelen zijn opgenomen in de prijscourant van een beurs.

9.4 De vennootschap mag aandelen in haar kapitaal verkrijgen tegen betaling in geld of tegen een vergoeding in de vorm van activa. In geval van voldoening van een vergoeding in de vorm van activa dient de waarde daarvan, zoals vastgesteld door het bestuur, binnen de bandbreedte te blijven die is vastgesteld door de algemene vergadering zoals bedoeld in artikel 9.3.

9.5 Artikelleden 9.1 tot en met 9.3 zijn niet van toepassing op aandelen die de vennootschap onder algemene titel verkrijgt.

9.6 In dit artikel 9 wordt onder aandelen tevens begrepen certificaten van aandelen.

9.7 Voor een aandeel dat toebehoort aan de vennootschap of aan een dochtermaatschappij kan geen stem worden uitgebracht; evenmin voor een aandeel waarvan één van hen de certificaten houdt. Op aandelen die de vennootschap in haar eigen kapitaal houdt, vindt generlei uitkering plaats.

9.8 De vennootschap is bevoegd door de vennootschap gehouden eigen aandelen of certificaten daarvan te vervreemden.

Artikel 10. Vermindering van het geplaatste kapitaal.

10.1 De algemene vergadering kan besluiten tot vermindering van het geplaatste kapitaal van de vennootschap door intrekking van aandelen, of door het nominale bedrag van aandelen bij statutenwijziging te verminderen. In een dergelijk besluit moeten de aandelen waarop het besluit betrekking heeft worden aangewezen en moet de uitvoering van het besluit zijn geregeld.

10.2 Een besluit tot intrekking kan slechts betreffen aandelen die de vennootschap zelf houdt of waarvan zij de certificaten houdt.

10.3 Voor een besluit tot kapitaalvermindering is een meerderheid van ten minste twee derden van de uitgebrachte stemmen vereist, indien minder dan de helft van het geplaatste kapitaal in de algemene vergadering is vertegenwoordigd.

10.4 Op een vermindering van het geplaatste kapitaal van de vennootschap zijn voorts van toepassing de bepalingen van de artikelen 2:99 en 2:100 van het Burgerlijk Wetboek.

Artikel 11. Levering van aandelen.

11.1 De levering van rechten die een aandeelhouder heeft met betrekking tot aandelen die zijn opgenomen in het giraal systeem, geschiedt overeenkomstig het bepaalde in de regelgeving die van toepassing is op het relevante giraal systeem.

11.2 Voor de levering van aandelen die niet zijn opgenomen in het giraal systeem zijn vereist een daartoe bestemde akte alsmede, behoudens in het geval dat de vennootschap zelf bij die rechtshandeling partij is, schriftelijke erkenning van de levering door de vennootschap. De erkenning geschiedt in de akte of vindt plaats op zodanige andere wijze als voorschreven door de wet.

11.3 Voor een levering waarbij in het giraal systeem opgenomen aandelen buiten dat systeem worden gebracht, gelden beperkingen op grond van de regelgeving die van toepassing op het relevante giraal systeem en is tevens de toestemming van het bestuur vereist.

Artikel 12. Vruchtgebruik, pandrecht en certificaten van aandelen.

12.1 Het bepaalde in de artikelen 12.1 en 12.2 is van overeenkomstige toepassing op de vestiging of levering van een vruchtgebruik op aandelen. Of het stemrecht verbonden aan aandelen waarop een vruchtgebruik rust, toekomt aan de aandeelhouder danwel de vruchtgebruiker, wordt bepaald overeenkomstig het bepaalde in artikel 2:88 van het Burgerlijk Wetboek. Vergaderrechten komen toe aan de aandeelhouder, met of zonder stemrecht, en aan de vruchtgebruiker met stemrecht, maar niet aan de vruchtgebruiker zonder stemrecht.

12.2 Het bepaalde in de artikelen 12.1 en 12.2 is eveneens van overeenkomstige toepassing op de vestiging van een pandrecht op aandelen. Een pandrecht op aandelen kan ook worden gevestigd als een stil pandrecht; alsdan is artikel 3:239 van het Burgerlijk Wetboek van (overeenkomstige) toepassing. Bij de vestiging van een pandrecht op een aandeel kunnen stemrecht en/of vergaderrechten niet aan de pandhouder worden toegekend.

12.3 Aan houders van certificaten van aandelen komen geen vergaderrechten toe, tenzij deze uitdrukkelijk door de vennootschap aan hen zijn toegekend, ingevolge een daartoe strekkend besluit van het bestuur.

HOOFDSTUK 4. HET BESTUUR.

Artikel 13. Bestuurders.

13.1 Het bestuur bestaat uit een of meer uitvoerend bestuurders en een of meer niet-uitvoerend bestuurders. Binnen het bestuur dient de meerderheid van de leden van het bestuur niet-uitvoerend bestuurder te zijn.

13.2 Het precieze aantal bestuurders, alsmede het aantal uitvoerend bestuurders en niet-uitvoerend bestuurders, wordt vastgesteld door het bestuur met inachtneming van artikel 13.1.

13.3 Het bestuur stelt een profielschets voor zijn omvang en samenstelling op, rekening houdend met de aard en de activiteiten van de met de vennootschap verbonden

onderneming. In de profielschets wordt ingegaan op (i) de gewenste deskundigheid en achtergrond van de leden van het bestuur, (ii) de gewenste diversiteit binnen het bestuur, (iii) de omvang van het bestuur en (iv) de onafhankelijkheid van de niet-uitvoerend bestuurders. De profielschets wordt algemeen beschikbaar gesteld en op de website van de vennootschap geplaatst.

13.4 Het bestuur kan één van de uitvoerend bestuurders tot *Chief Executive Officer* benoemen. Daarnaast kan het bestuur andere titels toekennen aan bestuurders.

13.5 Slechts natuurlijke personen kunnen niet-uitvoerend bestuurder zijn.

13.6 De vennootschap heeft een beleid voor de bezoldiging van het bestuur. Dit beleid wordt vastgesteld door de algemene vergadering bij volstrekte meerderheid van de rechtsgeldig uitgebrachte stemmen zonder dat een quorum is vereist; het bestuur doet daartoe een voorstel. De uitvoerend bestuurders nemen niet deel aan de beraadslaging en de besluitvorming van het bestuur omtrent dit voorstel.

13.7 De bevoegdheid tot vaststelling van een bezoldiging en verdere arbeidsvoorwaarden voor uitvoerend bestuurders komt toe aan het bestuur. De uitvoerend bestuurders nemen niet deel aan de beraadslaging en de besluitvorming van het bestuur daaromtrent.

13.8 De bevoegdheid tot vaststelling van de bezoldiging van niet-uitvoerend bestuurders komt toe aan de algemene vergadering.

13.9 Bestuurders hebben recht op een vrijwaring van de vennootschap en een bestuurdersaansprakelijkheidsverzekering, overeenkomstig artikel 23.

Artikel 14. Benoeming, schorsing en ontslag van bestuurders.

14.1 Bestuurders worden benoemd door de algemene vergadering. Een bestuurder wordt benoemd als uitvoerend bestuurder dan wel als niet-uitvoerend bestuurder. Een bestuurder wordt benoemd voor een termijn van maximaal vier (4) jaar. De zittingstermijn eindigt niet later dan na afloop van de jaarlijkse algemene vergadering die wordt gehouden in het vierde kalenderjaar na het jaar van benoeming, tenzij de bestuurder eerder aftreedt of wordt ontslagen.

14.2 Aandeelhouders en/of andere personen met vergaderrechten die alleen of gezamenlijk ten minste drie procent (3%) van het geplaatste aandelenkapitaal vertegenwoordigen, kunnen kandidaten nomineren voor benoeming tot niet-uitvoerend bestuurder ten aanzien van een derde van het totale aantal niet-uitvoerend bestuurders. Het bestuur informeert aandeelhouders en andere personen met vergaderrechten via een bericht op de website van de vennootschap wanneer, en ten gevolge waarvan en overeenkomstig welk profiel in zijn midden een vacature moet worden vervuld. Het bestuur neemt alle kandidaten die door aandeelhouders worden voorgedragen in overweging bij selecteren van een of meer personen die worden voorgedragen voor benoeming door de algemene vergadering. In dit verband kan het bestuur twee personen voor één en dezelfde vacante zetel kiezen en de algemene vergadering laten beslissen welke persoon zal worden benoemd.

14.3 Een voorstel tot benoeming van een bestuurder vermeldt de leeftijd van de kandidaat en de functies die hij bekleedt of heeft bekleed, voor zover die van belang zijn voor de vervulling van de taak van bestuurder. Het voorstel wordt met redenen omkleed.

14.4 In de algemene vergadering van aandeelhouders kan slechts over de benoeming van een bestuurder gestemd worden met betrekking tot kandidaten van wie de namen op de agenda van de vergadering zijn vermeld. Indien een door het bestuur voorgedragen kandidaat niet wordt benoemd, heeft het bestuur het recht in een volgende vergadering een nieuwe kandidaat voor te dragen.

14.5 Iedere bestuurder kan te allen tijde door de algemene vergadering worden ontslagen.

14.6 Iedere bestuurder kan te allen tijde door de algemene vergadering worden geschorst. Een uitvoerend bestuurder kan ook worden geschorst door het bestuur. Een schorsing kan één of meer malen worden verlengd, maar kan in totaal niet langer duren dan drie maanden. Is na verloop van die tijd geen beslissing genomen omtrent de opheffing van de schorsing of ontslag, dan eindigt de schorsing. Een schorsing kan te allen tijde door de algemene vergadering worden opgeheven.

14.7 Op de herbenoeming van een bestuurder is het bepaalde in dit artikel 14 omtrent benoeming van een bestuurder van overeenkomstige toepassing.

Artikel 15. Voorzitter.

15.1 Het bestuur wijst een niet-uitvoerend bestuurder aan als voorzitter van het bestuur voor een door het bestuur te bepalen termijn.

15.2 Het bestuur kan een of meer andere niet-uitvoerend bestuurders tot vice-voorzitter van het bestuur benoemen voor een door het bestuur te bepalen termijn.

Artikel 16. Taken en bevoegdheden; taakverdeling.

16.1 Het bestuur is belast met het besturen van de vennootschap. Bij de vervulling van hun taak richten de bestuurders zich naar het belang van de vennootschap en de met haar verbonden onderneming. Elke bestuurder draagt verantwoordelijkheid voor de algemene gang van zaken.

16.2 De uitvoerend bestuurders zijn belast met de dagelijkse leiding over de met de vennootschap verbonden onderneming.

16.3 Het bestuur zal een bestuursreglement vaststellen omtrent de besluitvorming en werkwijze van het bestuur.

16.4 De niet-uitvoerend bestuurders houden toezicht op de taakuitoefening door de uitvoerend bestuurders en op de algemene gang van zaken in de vennootschap en de met haar verbonden onderneming. Zij vervullen voorts de taken die in deze statuten en door het bestuur aan hen worden opgedragen.

16.5 Het bestuur kan taken en bevoegdheden toedelen aan individuele bestuurders en/of aan commissies bestaande uit twee of meer bestuurders. Dit kan mede inhouden het delegeren van de bevoegdheid van het bestuur tot het nemen van besluiten, mits dit schriftelijk wordt vastgelegd. Een bestuurder of commissie waaraan taken en/of bevoegdheden van het bestuur zijn toegedeeld, is gebonden aan de ter zake door het bestuur te stellen regels.

Artikel 17. Vertegenwoordiging.

17.1 Het bestuur is bevoegd de vennootschap te vertegenwoordigen. Een zelfstandig vertegenwoordigingsbevoegdheid komt mede toe aan de *Chief Executive Officer* en de voorzitter van het bestuur.

17.2 Het bestuur kan functionarissen met algemene of beperkte vertegenwoordigingsbevoegdheid aanstellen. Ieder van hen vertegenwoordigt de vennootschap met inachtneming van de begrenzing aan zijn bevoegdheid gesteld. De titulatuur van deze functionarissen wordt door het bestuur bepaald.

Artikel 18. Vergaderingen; besluitvormingsproces.

18.1 Het bestuur vergadert zo vaak als door de voorzitter van het bestuur, de *Chief Executive Officer* of ten minste twee (2) bestuurders wenselijk wordt geoordeeld, maar in ieder geval ten minste vier (4) keer per kalenderjaar. De voorzitter van het bestuur, of bij diens afwezigheid een vice-voorzitter, zit de vergadering voor. Van het verhandelde worden notulen gehouden.

18.2 Tenzij deze statuten anders bepalen, worden alle besluiten van het bestuur genomen bij volstrekte meerderheid van de ter vergadering uitgebrachte stemmen. Indien de stemmen staken, beslist de voorzitter.

18.3 Het bestuur is bevoegd bepaalde besluiten aan te wijzen waarvoor tevens instemming van de meerderheid van de niet-uitvoerende bestuurders of onafhankelijke bestuurders vereist is. Deze besluiten dienen duidelijk te worden omschreven en in het bestuursreglement te worden opgenomen.

18.4 Besluiten van het bestuur kunnen zowel in een vergadering als daarbuiten worden genomen.

18.5 Het bestuur kan in een vergadering alleen geldige besluiten nemen, indien ten minste de meerderheid van de bestuurders ter vergadering aanwezig of vertegenwoordigd is. Echter, het bestuur is bevoegd typen besluiten aan te wijzen waarvoor een afwijkende regeling geldt. Deze typen besluiten en de aard van de afwijking dienen duidelijk te worden omschreven en in het bestuursreglement te worden opgenomen.

18.6 Vergaderingen van het bestuur kunnen worden gehouden door het bijeenkomen van bestuurders of door middel van telefoongesprekken, "video conference" of via andere communicatiemiddelen, waarbij alle deelnemende bestuurders in staat zijn gelijktijdig met elkaar te communiceren. Deelname aan een op deze wijze gehouden vergadering geldt als het ter vergadering aanwezig zijn.

18.7 Voor besluitvorming buiten vergadering is vereist dat het voorstel aan alle bestuurders is voorgelegd, geen van de bestuurders zich tegen deze wijze van besluitvorming heeft verzet en een overeenkomstig artikel 18.5 of het bestuursreglement bepaalde meerderheid van de bestuurders uitdrukkelijk heeft verklaard in te stemmen met de aldus schriftelijk aanvaarde besluiten. In de eerstvolgende vergadering van het bestuur gehouden nadat de bestuurders op deze wijze zijn geraadpleegd, deelt de voorzitter van die vergadering het resultaat van die raadpleging mede.

18.8 Derden mogen afgaan op een schriftelijke verklaring van de voorzitter van het bestuur of vice-voorzitter, of van de secretaris van de vennootschap omtrent besluiten die door

het bestuur of een commissie zijn genomen. Betreft het een door een commissie genomen besluit, dan mogen derden tevens afgaan op een schriftelijke verklaring van de voorzitter van de desbetreffende commissie.

18.9 Het bestuur kan nadere regels vaststellen omtrent de werkwijze en besluitvorming in het bestuur.

Artikel 19. Tegenstrijdige belangen.

19.1 Een bestuurder met een tegenstrijdig belang als bedoeld in artikel 19.2 of met een belang dat de schijn van een dergelijk tegenstrijdig belang kan hebben (beide een **(potentieel) tegenstrijdig belang**) stelt zijn medebestuurders hiervan in kennis.

19.2 Een bestuurder neemt niet deel aan de beraadslaging en besluitvorming binnen het bestuur, indien hij daarbij een direct of indirect persoonlijk belang heeft dat tegenstrijdig is met het belang van de vennootschap en de met haar verbonden onderneming. Dit verbod geldt niet indien het tegenstrijdig belang zich voordoet ten aanzien van alle bestuurders.

19.3 Van een tegenstrijdig belang als bedoeld in artikel 19.2 is slechts sprake, indien de bestuurder in de gegeven situatie niet in staat moet worden geacht het belang van de vennootschap en de met haar verbonden onderneming met de vereiste integriteit en objectiviteit te behartigen. Wordt een transactie voorgesteld waarbij naast de vennootschap ook een groepsmaatschappij van de vennootschap een belang heeft, dan betekent het enkele feit dat een bestuurder enige functie bekleedt bij de betrokken of een andere groepsmaatschappij, en daarvoor al dan niet een vergoeding ontvangt, nog niet dat sprake is van een tegenstrijdig belang als bedoeld in artikel 19.2.

19.4 De bestuurder die in verband met een (potentieel) tegenstrijdig belang niet de taken en bevoegdheden uitoefent die hem anders als bestuurder zouden toekomen, wordt in zoverre aangemerkt als een bestuurder die belet heeft.

19.5 Een (potentieel) tegenstrijdig belang tast de vertegenwoordigingsbevoegdheid als bedoeld in artikel 17.1 niet aan.

Artikel 20. Ontstentenis of belet.

20.1 In geval van ontstentenis of belet van een bestuurder, zijn de overblijvende bestuurders of is de overblijvende bestuurder tijdelijk met het besturen van de vennootschap belast.

20.2 In geval van ontstentenis of belet van een of meer uitvoerend bestuurders, kan het bestuur tijdelijk taken en bevoegdheden van een uitvoerend bestuurder toedelen aan een andere uitvoerend bestuurder (indien er nog een uitvoerend bestuurder over is), een niet-uitvoerend bestuurder, voormalige bestuurders of een andere persoon.

20.3 Indien binnen een tijdsbestek van een week de meerderheid van de bestuurders ophoudt zijn functie uit te oefenen, dan houden alle bestuurders van rechtswege op hun functie uit te oefenen en worden alle bestuurszetels als vacant beschouwd, met dien verstande dat ieder lid van het bestuur (ter voorkoming van enige misverstand, met inbegrip van de meerderheid van bestuurders die binnen een tijdsbestek van een week opgehouden zijn hun functie te vervullen) zal blijven optreden als tijdelijk waarnemer van zijn of haar vacante zetel totdat een nieuw bestuur is benoemd. De

bestuurders handelend als tijdelijk waarnemers worden belast met het zo spoedig als praktisch mogelijk bijeenroepen van een algemene vergadering van aandeelhouders met als doel de benoeming van een nieuw bestuur. De zittingsduur van de bestuurders als plaatsvervanger eindigt aan het einde van de desbetreffende vergadering.

20.4 Bij de vaststelling in hoeverre bestuurders aanwezig of vertegenwoordigd zijn, instemmen met een wijze van besluitvorming, of stemmen, worden tijdelijk waarnemers meegerekend en wordt geen rekening gehouden met vacante bestuurszetels waarvoor geen tijdelijke waarnemer is benoemd en bestuurders die belet hebben.

Artikel 21. Secretaris van de vennootschap.

21.1 Het bestuur benoemt een secretaris van de vennootschap benoemen en is te allen tijde bevoegd deze te vervangen.

21.2 De secretaris van de vennootschap heeft de taken en bevoegdheden die bij deze statuten en bij besluit van het bestuur aan hem zijn opgedragen.

21.3 Bij afwezigheid van de secretaris van de vennootschap worden diens taken en bevoegdheden waargenomen door zijn plaatsvervanger, indien aangewezen door het bestuur.

Artikel 22. Goedkeuring van besluiten van het bestuur.

22.1 Het bestuur behoeft de goedkeuring van de algemene vergadering voor besluiten omtrent een belangrijke verandering van de identiteit of het karakter van de vennootschap of de onderneming, waaronder in ieder geval:

(a) overdracht van de onderneming of vrijwel de gehele onderneming aan een derde;

(b) het aangaan of verbreken van duurzame samenwerking van de vennootschap of een dochtermaatschappij met een andere rechtspersoon of vennootschap dan wel als volledig aansprakelijke vennote in een commanditaire vennootschap of vennootschap onder firma, indien deze samenwerking of verbreking van ingrijpende betekenis is voor de vennootschap;

(c) het nemen of afstoten van een deelneming in het kapitaal van een vennootschap ter waarde van ten minste één derde van het bedrag van de activa volgens de balans met toelichting of, indien de vennootschap een geconsolideerde balans opstelt, volgens de geconsolideerde balans met toelichting volgens de laatst vastgestelde jaarrekening van de vennootschap, door haar of een dochtermaatschappij.

22.2 Het ontbreken van een goedkeuring met betrekking tot een besluit als bedoeld in artikel 22 tast de vertegenwoordigingsbevoegdheid van het bestuur of de leden van het bestuur niet aan.

Artikel 23. Vrijwaring en verzekering.

23.1 Voor zover rechtens toelaatbaar vrijwaart de vennootschap iedere zittende en voormalige bestuurder (ieder van hen, alleen voor de toepassing van dit artikel 23, een **Gevrijwaarde Persoon**), en stelt deze schadeloos, voor elke aansprakelijkheid en alle claims, uitspraken, boetes en schade (**Claims**) die de Gevrijwaarde Persoon heeft

moeten dragen in verband met een te verwachten, lopende of beëindigde actie, onderzoek of andere procedure van civielrechtelijke, strafrechtelijke of administratiefrechtelijke aard (elk, een **Juridische Actie**), van of geïnitieerd door enige partij, niet zijnde de vennootschap of een groepsmaatschappij daarvan, als gevolg van enig doen of nalaten in zijn hoedanigheid van Gevrijwaarde Persoon of een daaraan gerelateerde hoedanigheid. Onder Claims worden mede verstaan afgeleide acties tegen de Gevrijwaarde Persoon van of geïnitieerd door de vennootschap of een groepsmaatschappij daarvan alsmede (regres)vorderingen van de vennootschap of een groepsmaatschappij daarvan ter zake van betalingen op grond van claims van derden, indien de Gevrijwaarde Persoon daarvoor persoonlijk aansprakelijk wordt gehouden.

23.2 De Gevrijwaarde Persoon wordt niet gevrijwaard voor Claims voor zover deze betrekking hebben op het behalen van persoonlijke winst, voordeel of beloning waartoe hij juridisch niet was gerechtigd, of als de aansprakelijkheid van de Gevrijwaarde Persoon wegens opzet of bewuste roekeloosheid bij in kracht van gewijsde gegaan vonnis is vastgesteld.

23.3 De vennootschap zorgt voorts voor een adequate verzekering tegen Claims tegen zittende en voormalige bestuurders (**bca-verzekering**) en draagt daarvan de kosten, tenzij zodanige verzekering niet op redelijke voorwaarden kan worden verkregen.

23.4 Alle kosten (redelijke advocatenhonoraria en proceskosten inbegrepen) (tezamen **Kosten**) die de Gevrijwaarde Persoon heeft moeten dragen in verband met een Juridische Actie zullen door de vennootschap worden voldaan of vergoed, maar slechts na ontvangst van een schriftelijke toezegging van de Gevrijwaarde Persoon dat hij zodanige Kosten zal terugbetalen als een bevoegde rechter bij in kracht van gewijsde gegaan vonnis heeft vastgesteld dat hij niet gerechtigd is om aldus schadeloos gesteld te worden. Onder Kosten wordt mede verstaan de door de Gevrijwaarde Persoon eventueel verschuldigde belasting op grond van de aan hem gegeven vrijwaring.

23.5 Ook ingeval van een Juridische Actie tegen de Gevrijwaarde Persoon die aanhangig is gemaakt door de vennootschap of een groepsmaatschappij zal de vennootschap redelijke advocatenhonoraria en proceskosten voldoen of aan de Gevrijwaarde Persoon vergoeden, maar slechts na ontvangst van een schriftelijke toezegging van de Gevrijwaarde Persoon dat hij zodanige honoraria en kosten zal terugbetalen als een bevoegde rechter bij in kracht van gewijsde gegaan vonnis de Juridische Actie heeft beslist in het voordeel van de vennootschap of de desbetreffende groepsmaatschappij.

23.6 De Gevrijwaarde Persoon zal geen persoonlijke financiële aansprakelijkheid jegens derden aanvaarden en geen vaststellingsovereenkomst in dat opzicht aangaan, zonder voorafgaande schriftelijke toestemming van de vennootschap. De vennootschap en de Gevrijwaarde Persoon zullen zich in redelijkheid inspannen om samen te werken teneinde overeenstemming te bereiken over de wijze van verdediging ter zake van enige Claim. Indien echter de vennootschap en de Gevrijwaarde Persoon geen overeenstemming bereiken zal de Gevrijwaarde Persoon, om aanspraak te kunnen

maken op de vrijwaring als bedoeld in dit artikel 23, alle door de vennootschap naar eigen inzicht gegeven instructies opvolgen.

23.7 De vrijwaring als bedoeld in dit artikel 23 geldt niet voor Claims en Kosten voor zover deze door verzekeraars worden vergoed.

24.8 Dit artikel 23 kan worden gewijzigd zonder instemming van de Gevrijwaarde Personen als zodanig. Echter, de hierin gegeven vrijwaring zal niettemin haar gelding behouden ten aanzien van Claims en/of Kosten die zijn ontstaan uit handelingen of nalatigheid van de Gevrijwaarde Persoon in de periode waarin deze bepaling van kracht was.

HOOFDSTUK 5. JAARREKENING; WINST EN UITKERINGEN.

Artikel 24. Boekjaar en jaarrekening.

24.1 Het boekjaar van de vennootschap valt samen met het kalenderjaar.

24.2 Jaarlijks binnen vier maanden na afloop van het boekjaar maakt het bestuur een jaarrekening op en legt deze voor de aandeelhouders en andere personen met vergaderrechten ter inzage ten kantore van de vennootschap. Binnen deze termijn dient het bestuur ook het bestuursverslag ter inzage voor de aandeelhouders en andere personen met vergaderrechten te leggen.

24.3 De jaarrekening wordt ondertekend door de bestuurders. Ontbreekt de ondertekening van één of meer van hen, dan wordt daarvan onder opgave van reden melding gemaakt.

24.4 De vennootschap zorgt dat de opgemaakte jaarrekening, het bestuursverslag en de krachtens de wet toe te voegen gegevens vanaf de datum van oproeping voor de jaarlijkse algemene vergadering van aandeelhouders te haren kantore aanwezig zijn. Aandeelhouders en andere personen met vergaderrechten kunnen de stukken aldaar inzien en er kosteloos een afschrift van verkrijgen.

24.5 Op de jaarrekening, het bestuursverslag en de krachtens de wet toe te voegen gegevens zijn voorts van toepassing de bepalingen van Boek 2, Titel 9, van het Burgerlijk Wetboek.

24.6 De taal van de jaarrekening is Engels.

Artikel 25. Externe accountant.

25.1 De algemene vergadering van aandeelhouders verleent aan een organisatie, waarin registeraccountants samenwerken als bedoeld in artikel 2:393 lid 1 van het Burgerlijk Wetboek (een **externe accountant**) opdracht om de door het bestuur opgemaakte jaarrekening te onderzoeken overeenkomstig het bepaalde in artikel 2:393 lid 3 van het Burgerlijk Wetboek.

25.2 De externe accountant is gerechtigd tot inzage van alle boeken en bescheiden van de vennootschap en het is hem verboden hetgeen hem over de zaken van de vennootschap blijkt of medegedeeld wordt verder bekend te maken dan zijn opdracht met zich brengt. Zijn bezoldiging komt ten laste van de vennootschap.

25.3 De externe accountant brengt omtrent zijn onderzoek verslag uit aan het bestuur. Hij maakt daarbij ten minste melding van zijn bevindingen met betrekking tot de betrouwbaarheid en continuïteit van de geautomatiseerde gegevensverwerking.

25.4 De externe accountant geeft de uitslag van zijn onderzoek weer in een verklaring omtrent de getrouwheid van de jaarrekening.

25.5 De jaarrekening kan niet worden vastgesteld, indien de algemene vergadering geen kennis heeft kunnen nemen van de verklaring van de externe accountant, die aan de jaarrekening moest zijn toegevoegd, tenzij onder de overige gegevens bij de jaarrekening een wettige grond wordt medegedeeld waarom de verklaring ontbreekt.

Artikel 26. Vaststelling van de jaarrekening en kwijting.

26.1 De algemene vergadering stelt de jaarrekening vast.

26.2 In de algemene vergadering van aandeelhouders waarin tot vaststelling van de jaarrekening wordt besloten, worden afzonderlijk aan de orde gesteld voorstellen tot het verlenen van kwijting aan de bestuurders voor de uitoefening van hun taak, voor zover van die taakuitoefening blijkt uit de jaarrekening en/of uit informatie die anderszins voorafgaand aan de vaststelling van de jaarrekening aan de algemene vergadering is verstrekt.

Artikel 27. Reserves, winst en uitkeringen.

27.1 Het bestuur kan besluiten de in een boekjaar behaalde winst geheel of ten dele te bestemmen voor versterking of vorming van reserves.

27.2 De winst die overblijft na toepassing van artikel 27.1 staat ter beschikking van de algemene vergadering. Het bestuur doet daartoe een voorstel. Het voorstel tot uitkering van dividend wordt als apart agendapunt op de algemene vergadering van aandeelhouders behandeld.

27.3 Uitkeringen ten laste van de vrij uitkeerbare reserves van de vennootschap worden gedaan door een besluit van de algemene vergadering zulks op voorstel van het bestuur.

27.4 Mits uit een door het bestuur ondertekende tussentijdse vermogensopstelling blijkt dat aan het in artikel 27.8 bedoelde vereiste betreffende de vermogenstoestand van de vennootschap is voldaan, kan het bestuur aan de houders van aandelen één of meer tussentijdse uitkeringen doen. De tussentijdse vermogensopstelling behoeft niet te worden onderzocht door de externe accountant.

27.5 Het bestuur is bevoegd om te bepalen dat een uitkering op aandelen niet in geld maar in de vorm van aandelen zal worden gedaan of te bepalen dat houders van aandelen de keuze wordt gelaten om de uitkering in geld en/of in de vorm van aandelen te nemen, een en ander uit de winst en/of uit een reserve en een en ander voor zover het bestuur is aangewezen als bevoegde orgaan tot uitgifte van aandelen.

27.6 Het reserverings- en dividendbeleid van de vennootschap wordt vastgesteld en kan worden gewijzigd door het bestuur. De vaststelling en nadien elke wijziging van het reserverings- en dividendbeleid wordt als apart agendapunt op de algemene vergadering van aandeelhouders behandeld en verantwoord.

27.7 De vennootschap kan tevens een beleid hebben voor deelneming in de winst van haar werknemers, welk beleid wordt vastgesteld door het bestuur.

27.8 Uitkeringen kunnen slechts worden gedaan voor zover het eigen vermogen groter is dan het bedrag van het gestorte en opgevraagde deel van het kapitaal vermeerderd met de reserves die krachtens de wet of deze statuten moeten worden aangehouden.

27.9 Elke uitkering op aandelen zal zodanig worden gedaan dat op ieder aandeel een gelijk bedrag of waarde wordt uitgekeerd.

Artikel 28. Betaalbaarstelling van en gerechtigdheid tot uitkeringen.

28.1 Dividenden en andere uitkeringen worden betaalbaar gesteld ingevolge een besluit van het bestuur binnen vier weken na vaststelling, tenzij het bestuur een andere datum bepaalt.

28.2 De vordering tot uitkering van dividend van een aandeelhouder verjaart door een tijdsverloop van vijf jaren na de dag van betaalbaarstelling.

HOOFDSTUK 6. DE ALGEMENE VERGADERING.

Artikel 29. Jaarlijkse en buitengewone algemene vergaderingen van aandeelhouders.

29.1 Jaarlijks wordt uiterlijk in de maand juni een Algemene Vergadering van Aandeelhouders gehouden.

29.2 De agenda van die vergadering wordt opgemaakt met inachtneming van de relevante bepalingen van het Burgerlijk Wetboek en van de Nederlandse Corporate Governance Code.

29.3 Andere algemene vergaderingen van aandeelhouders worden voorts gehouden zo dikwijls het bestuur zulks noodzakelijk acht, onverminderd het bepaalde in de artikelen 2:108a, 2:110, 2:111 en 2:112 van het Burgerlijk Wetboek.

29.4 Indien de vennootschap krachtens wettelijke bepalingen een Nederlandse ondernemingsraad heeft ingesteld, wordt

(a) een voorstel tot benoeming, schorsing of ontslag van een bestuurder of een commissaris;

(b) een voorstel tot vaststelling of wijziging van het beloningsbeleid als bedoeld in artikel 13.6; of

(c) een voorstel tot goedkeuring van een besluit als bedoeld in artikel 22.1,

niet aan de algemene vergadering aangeboden dan nadat de ondernemingsraad tijdig voor de datum van oproeping van de desbetreffende algemene vergadering in de gelegenheid is gesteld hierover een standpunt te bepalen. De voorzitter of een door hem aangewezen lid van de ondernemingsraad kan het standpunt van de ondernemingsraad in de algemene vergadering toelichten. Het ontbreken van zodanig standpunt tast de besluitvorming over het voorstel niet aan.

29.5 Voor de toepassing van artikel 29.4 wordt onder **ondernemingsraad** mede verstaan de ondernemingsraad van de onderneming van een dochtermaatschappij, mits de werknemers in dienst van de vennootschap en de dochtermaatschappijen in meerderheid binnen Nederland werkzaam zijn. Is er meer dan één ondernemingsraad dan wordt de bevoegdheid van deze raden gezamenlijk uitgeoefend. Is voor de betrokken onderneming of ondernemingen een centrale ondernemingsraad ingesteld, dan komt de bevoegdheid toe aan de centrale ondernemingsraad. De in artikel 29.4

vermelde bevoegdheden van de ondernemingsraad gelden slechts indien en voor zover voorgeschreven door het Burgerlijk Wetboek.

Artikel 30. Oproeping en agenda van vergaderingen.

30.1 Algemene vergaderingen van aandeelhouders worden bijeengeroepen door het bestuur of de voorzitter van het bestuur.

30.2 De oproeping geschiedt met inachtneming van de wettelijke oproepingstermijn.

30.3 Bij de oproeping worden de door de wet voorgeschreven informatie vermeld.

30.4 Mededelingen welke krachtens de wet of deze statuten aan de algemene vergadering moeten worden gericht, kunnen geschieden door opneming hetzij in de oproeping hetzij in een stuk dat ter kennisneming ten kantore van de vennootschap is neergelegd, mits daarvan in de oproeping melding wordt gemaakt.

30.5 Aandeelhouders en/of andere personen met vergaderrechten die alleen of gezamenlijk voldoen aan de vereisten uiteengezet in artikel 2:114a lid 1 van het Burgerlijk Wetboek, hebben het recht om aan het bestuur het verzoek te doen om onderwerpen op de agenda van de algemene vergadering van aandeelhouders te plaatsen, mits de redenen voor het verzoek daarin zijn vermeld en het verzoek ten minste zestig (60) kalenderdagen voor de datum van de algemene vergadering van aandeelhouders bij de voorzitter van het bestuur schriftelijk is ingediend.

30.6 De oproeping geschiedt op de wijze vermeld in artikel 36.

Artikel 31. Plaats van vergaderingen.

Algemene vergaderingen van aandeelhouders worden gehouden te Amsterdam of Haarlemmermeer (daaronder begrepen luchthaven Schiphol), ter keuze van degene die de vergadering bijeenroept.

Artikel 32. Voorzitter van de vergadering.

32.1 De algemene vergaderingen van aandeelhouders worden voorgezeten door de voorzitter van het bestuur of diens vervanger. Het bestuur mag echter een andere persoon aanwijzen als voorzitter van de vergadering. Aan de voorzitter van de vergadering komen alle bevoegdheden toe die nodig zijn om de algemene vergadering van aandeelhouders goed en ordelijk te laten functioneren.

32.2 Indien niet volgens artikel 32.1 in het voorzitterschap van een vergadering is voorzien, voorziet de vergadering zelf in het voorzitterschap, met dien verstande dat, zolang die voorziening niet heeft plaatsgehad, het voorzitterschap wordt waargenomen door een bestuurder, daartoe door de aanwezige bestuurders aangewezen.

Artikel 33. Notulen.

33.1 Van het verhandelde in de algemene vergadering van aandeelhouders worden door of onder de zorg van de secretaris van de vennootschap notulen gehouden, welke door de voorzitter van de vergadering en de secretaris van de vennootschap worden vastgesteld en ten blijke daarvan door hen ondertekend.

33.2 De voorzitter van de vergadering kan echter bepalen dat van het verhandelde een notarieel proces-verbaal van vergadering wordt opgemaakt. Alsdan is de medeondertekening daarvan door de voorzitter voldoende.

Artikel 34. Vergaderrechten en toegang.

34.1 Iedere aandeelhouder en iedere andere persoon met vergaderrechten is bevoegd de algemene vergaderingen van aandeelhouders bij te wonen, daarin het woord te voeren en, voor zover het hem toekomt, het stemrecht uit te oefenen. Zij kunnen zich ter vergadering doen vertegenwoordigen door een schriftelijk gevolmachtigde.

34.2 Voor iedere algemene vergadering van aandeelhouders geldt een volgens de wet vast te stellen registratiedatum teneinde vast te stellen aan wie de aan aandelen verbonden stem- en vergaderrechten toekomen. De registratiedatum en de wijze waarop personen met vergaderrechten zich kunnen laten registreren en de wijze waarop zij hun rechten kunnen uitoefenen wordt bij de oproeping vermeld.

34.3 Een persoon met vergaderrechten, of diens gevolmachtigde, wordt alleen tot de vergadering toegelaten indien hij de vennootschap schriftelijk van zijn voornemen om de vergadering bij te wonen heeft kennis gegeven, zulks op de plaats die en uiterlijk op het tijdstip dat in de oproeping is vermeld. De gevolmachtigde dient tevens zijn schriftelijke volmacht te tonen.

34.4 Het bestuur kan bepalen dat de stemrechten en het vergaderrecht kunnen worden uitgeoefend door middel van een elektronisch communicatiemiddel. Hiervoor is in ieder geval vereist dat iedere persoon met vergaderrechten, of zijn vertegenwoordiger, via het elektronisch communicatiemiddel kan worden geïdentificeerd, rechtstreeks kan kennisnemen van de verhandelingen ter vergadering en, voor zover dat hem toekomt, het stemrecht kan uitoefenen. Het bestuur kan daarbij bepalen dat bovendien is vereist dat iedere persoon met vergaderrechten, of zijn vertegenwoordiger, via het elektronisch communicatiemiddel kan deelnemen aan de beraadslaging.

34.5 Het bestuur kan nadere voorwaarden stellen aan het gebruik van het elektronische communicatiemiddel als bedoeld in artikel 34.4, mits deze voorwaarden redelijk en noodzakelijk zijn voor de identificatie van personen met vergaderrechten en de betrouwbaarheid en veiligheid van de communicatie. Deze voorwaarden worden bij de oproeping bekend gemaakt. Het voorgaande laat onverlet de bevoegdheid van de voorzitter om in het belang van een goede vergaderorde die maatregelen te treffen die hem goeddunken. Een eventueel niet of gebrekkig functioneren van de gebruikte elektronische communicatiemiddelen komt voor risico van de personen met vergaderrechten die ervan gebruikmaken.

34.6 Onder de zorg van de secretaris van de vennootschap wordt met betrekking tot elke algemene vergadering van aandeelhouders een presentielijst opgemaakt. In de presentielijst worden van elke aanwezige of vertegenwoordigde stemgerechtigde opgenomen: diens naam en het aantal stemmen dat door hem kan worden uitgebracht alsmede, indien van toepassing, de naam van diens vertegenwoordiger. Tevens worden in de presentielijst opgenomen de hiervoor bedoelde gegevens van stemgerechtigde personen die ingevolge artikel 34.4 deelnemen aan de vergadering of hun stem hebben uitgebracht op de wijze zoals bedoeld in artikel 35.3. De voorzitter van de vergadering kan bepalen dat ook de naam en andere gegevens van andere aanwezigen in de presentielijst worden opgenomen. De vennootschap is bevoegd zodanige verificatieprocedures in te stellen als zij redelijkerwijs nodig zal oordelen

om de identiteit van personen met vergaderrechten en, waar van toepassing, de identiteit en bevoegdheid van vertegenwoordigers te kunnen vaststellen.

34.7 De bestuurders zijn bevoegd in persoon de algemene vergadering van aandeelhouders bij te wonen en daarin het woord te voeren. Zij hebben als zodanig in de vergadering een raadgevende stem. Voorts is de externe accountant van de vennootschap bevoegd de algemene vergaderingen van aandeelhouders bij te wonen en daarin het woord te voeren.

34.8 Over de toelating tot de vergadering van anderen dan de hiervoor in dit artikel 34 bedoelde personen beslist de voorzitter van de vergadering, onverminderd het bepaalde in artikel 29.4.

Artikel 35. Stemmingen en besluitvorming.

35.1 Alle besluiten in de algemene vergadering van aandeelhouders worden, behalve in de gevallen waarin de wet of deze statuten een grotere meerderheid of een quorum voorschrijven, genomen bij volstrekte meerderheid van de ter vergadering uitgebrachte stemmen ongeacht het ter vergadering aanwezige of vertegenwoordigde aandelenkapitaal. Staken de stemmen, dan is het voorstel verworpen.

35.2 Elk gewoon aandeel A geeft recht op het uitbrengen van één (1) stem. Elk gewoon aandeel B geeft recht op het uitbrengen van tien (10) stemmen.

35.3 Het bestuur kan bepalen dat stemmen voorafgaand aan de algemene vergadering van aandeelhouders via een elektronisch communicatiemiddel of bij brief kunnen worden uitgebracht. Deze stemmen worden alsdan gelijk gesteld met stemmen die ten tijde van de vergadering worden uitgebracht. Deze stemmen kunnen echter niet eerder worden uitgebracht dan na de bij de oproeping te bepalen registratiedatum als bedoeld in artikel 34.2. Onverminderd het overigens in artikel 34 bepaalde wordt bij de oproeping vermeld op welke wijze en onder welke voorwaarden de stemgerechtigden hun rechten voorafgaand aan de vergadering kunnen uitoefenen.

35.4 Blanco en ongeldige stemmen worden als niet uitgebracht beschouwd.

35.5 De voorzitter van de vergadering bepaalt of en in hoeverre de stemming mondeling, schriftelijk, elektronisch of bij acclamatie geschiedt.

35.6 Bij de vaststelling in hoeverre aandeelhouders stemmen, aanwezig of vertegenwoordigd zijn, of in hoeverre het geplaatste kapitaal van de vennootschap vertegenwoordigd is, wordt geen rekening gehouden met aandelen waarvan op grond van de wet is bepaald dat daarvoor geen stemrecht kan worden uitgebracht.

Artikel 36. Oproepingen en kennisgevingen.

36.1 Alle oproepingen en mededelingen voor de algemene vergaderingen van aandeelhouders, alle bekendmakingen omtrent dividend en andere uitkeringen en alle andere kennisgevingen aan aandeelhouders en andere personen met vergaderrecht geschieden overeenkomstig de voorschriften van de wet en de regelgeving die op de vennootschap van toepassing zijn uit hoofde van de notering van aandelen aan de relevante effectenbeurzen.

36.2 De vennootschap kan bepalen dat aandeelhouders en andere personen met vergaderrechten uitsluitend worden opgeroepen via de website van de Vennootschap

en/of via een langs andere elektronische weg openbaar gemaakte aankondiging, zoals de vennootschap goeddunkt.

HOOFDSTUK 7. STATUTENWIJZIGING EN ONTBINDING. BESLECHTING VAN GESCHILLEN.

Artikel 37. Statutenwijziging en ontbinding.

37.1 De algemene vergadering kan een besluit tot wijziging van de statuten of ontbinding nemen met een meerderheid van de uitgebrachte stemmen vereist zonder dat een quorum vereist is.

37.2 Wanneer aan de algemene vergadering een voorstel tot statutenwijziging of tot ontbinding der vennootschap wordt gedaan, moet zulks steeds bij de oproeping tot de algemene vergadering van aandeelhouders worden vermeld, en moet, indien het een statutenwijziging betreft, tegelijkertijd een afschrift van het voorstel, waarin de voorgedragen wijziging woordelijk is opgenomen, ten kantore van de vennootschap ter inzage worden neergelegd en gratis verkrijgbaar worden gesteld voor aandeelhouders en andere personen met vergaderrechten tot de afloop der vergadering.

Artikel 38. Vereffening.

38.1 In geval van ontbinding van de vennootschap krachtens besluit van de algemene vergadering zijn de bestuurders belast met de vereffening van de zaken van de vennootschap.

38.2 Gedurende de vereffening blijven de bepalingen van deze statuten zoveel mogelijk van kracht.

38.3 Hetgeen na voldoening van de schulden van de ontbonden vennootschap is overgebleven, wordt overgedragen aan de aandeelhouders, naar evenredigheid van ieders aantal aandelen.

38.4 Op de vereffening zijn overigens de bepalingen van Titel 1, Boek 2 van het Burgerlijk Wetboek van toepassing.

Artikel 39. Beslechting van geschillen.

39.1 Voor zover de wet dat toestaat, is de Nederlandse rechter bevoegd kennis te nemen van alle geschillen met betrekking tot de interne organisatie van de vennootschap, waaronder geschillen tussen de vennootschap en haar aandeelhouders en bestuurders als zodanig.

39.2 Het bepaalde in dit artikel 39 ten aanzien van aandeelhouders en bestuurders geldt ook ten aanzien van personen die rechten hebben of hadden ten aanzien van de vennootschap voor het verkrijgen van aandelen, voormalige aandeelhouders, personen die vergaderrechten hebben of hadden anders dan als aandeelhouder, voormalige bestuurders en andere personen die een functie bekleden of bekleedden ingevolge een benoeming of aanwijzing in overeenstemming met deze statuten.

Artikel 40. Openbare biedingen.

40.1 Elk persoon die, individueel of handelend met andere personen een openbaar bod wenst uit te brengen op aandelen is verplicht om alle soorten aandelen in zijn bod te

betrekken. Daarnaast verplicht de vennootschap zich geen openbaar bod te accepteren dat betrekking heeft op één soort aandelen.

40.2 Indien en gedurende de periode dat een persoon handelt in strijd met de verplichting in artikel 40.1., kan het bestuur het aan de door die persoon gehouden aandelen verbonden stemrecht en vergaderrecht opschorten.

4.2 The authorised capital is divided into the following classes of shares as follows:

- one billion eight hundred five million six hundred sixty-two thousand nine hundred seventy-two (1,805,662,972) Ordinary Shares A, having a nominal value of six eurocents (EUR 0.06) each; and
- one billion one hundred and eighty-one million two hundred and twenty-seven thousand five hundred and sixty-four (1,181,227,564) Ordinary Shares B, having a nominal value of sixty eurocents (EUR 0.60) each.

4.3 All Shares will be registered Shares. No share certificates will be issued.

4.4 All Shares have the same economic entitlement to the Company's equity and any kind of distributions made on the Shares will be made on an equal basis.

Article 5. Shareholders' register.

5.1 The Company must keep a Register of Shareholders. The register may consist of various parts which may be kept in different places and each may be kept in more than one copy and in more than one place as determined by the Board.

5.2 Holders of Shares are obliged to furnish their names and addresses to the Company in writing if and when so required pursuant to (a) a request of the Board and/or (b) the requirements of law and of regulation applicable to the Company. The names and addresses, and, in so far as applicable, the other particulars as referred to in Section 2:85 of the Dutch Civil Code, will be recorded in the Register of Shareholders. The Board will supply anyone recorded in the register on request and free of charge with an extract from the register relating to his right to Shares.

5.3 The shareholders' register will be kept up to date. The signing of registrations and entries in the shareholders' register will be done by an Executive Director or the Company Secretary of the Company.

5.4 Article 2:85 of the Dutch Civil Code applies to the register of Shareholders.

Article 6. Resolution to Issue; Conditions of Issuance.

6.1 Shares may be issued pursuant to a resolution of the General Meeting. This competence concerns all non-issued Shares of the Company's authorised capital from time to time, except insofar as the competence to issue Shares is vested in the Board in accordance with this Article 6.2.

6.2 Shares may be issued pursuant to a resolution of the Board, if and insofar as the Board is designated to do so by the General Meeting. Such designation can be made each time for a maximum period of five years and can be extended each time for a maximum period of five years. A designation must determine the number of Shares which may be issued pursuant to a resolution of the Board.

6.3 Unless stipulated differently when granting the authorisation, a resolution of the General Meeting to designate the Board as a body of the Company authorised to issue Shares cannot be revoked.

6.4 The foregoing provisions of this Article 6 apply mutatis mutandis to the granting of rights to subscribe for Shares, but do not apply in respect of issuing shares to a party exercising a previously acquired right to subscribe for Shares.

6.5 The Company may not subscribe for shares in its own capital.

6.6 A share issuance is furthermore subject to the provisions of Section 2:96 and 2:96a of the Dutch Civil Code.

Article 7. Pre-emptive Rights.

7.1 Upon the issuance of Shares, each holder of Shares will have pre-emptive rights in proportion to the aggregate nominal value of his Shares.

7.2 In deviation of Article 7.1, holders of Shares do not have pre-emptive rights in respect of an issue of:

(a) Shares issued against a non-cash contribution; or

(b) Shares issued to employees of the Company or of a group company.

7.3 For each individual issuance of Shares, pre-emptive rights may be restricted or excluded by a resolution of the General Meeting. However, with respect to an issue of Shares pursuant to a resolution of the Board, the pre-emptive rights can be restricted or excluded pursuant to a resolution of the Board if and insofar as the Board is designated to do so by the General Meeting.

7.4 If a proposal is made to the General Meeting to restrict or exclude the pre-emptive rights, the reason for such proposal and the choice of the intended issue price must be set forth in the proposal in writing.

7.5 The foregoing provisions of this Article 7 apply mutatis mutandis to the granting of rights to subscribe for Shares, but do not apply in respect of issuing Shares to a party exercising a previously acquired right to subscribe for Shares.

Article 8. Payment on Shares.

8.1 Upon issuance of each Share, the full nominal value thereof must be paid-up, as well as the difference between the two amounts if the Share is subscribed for at a higher price, without prejudice to the provisions of Section 2:80 subsection 2 of the Dutch Civil Code.

8.2 Shares must be paid up in cash, except to the extent that payment by means of a contribution in another form has been agreed.

8.3 Payment in another currency than euro is only permitted with the Company's consent. Where such a payment is made, the payment obligation is satisfied for the amount in euro for which the paid amount can be freely exchanged. The date of the payment determines the exchange rate.

8.4 With respect to Shares issued, the Board may decide that the issuance takes place at the expense of the reserves of the Company.

8.5 The Board is authorised to enter into legal acts relating to non-cash contributions and the other legal acts referred to in Section 2:94 of the Dutch Civil Code without the prior approval of the General Meeting.

8.6 Payments for Shares and non-cash contributions are furthermore subject to the provisions of Sections 2:80, 2:80a, 2:80b and 2:94b of the Dutch Civil Code.

Article 9. Own Shares.

9.1 The acquisition by the Company of Shares which have not been fully paid up shall be null and void.

9.2 The Company may only acquire fully paid up Shares in its own capital for no consideration or if and to the extent that the General Meeting has authorised the Board for this purpose and all other relevant statutory requirements of Section 2:98 of the Dutch Civil Code are observed.

9.3 An authorisation as referred to in Article 9.2 remains valid for no longer than eighteen months. When granting such authorisation, the General Meeting shall determine the number of Shares that may be acquired, how they may be acquired and within which range the acquisition price must be. An authorisation shall not be required for the Company to acquire Shares in its own capital in order to transfer them to employees

of the Company or of a group company pursuant to an arrangement applicable to them, provided that these Shares are included on the price list of a stock exchange.

9.4 The Company may acquire shares in its own capital for cash consideration or for consideration satisfied in the form of assets. In the case of a consideration being satisfied in the form of assets, the value thereof, as determined by the Board, must be within the range stipulated by the General Meeting as referred to in Article 9.3.

9.5 Articles 9.1 through 9.3 do not apply to shares acquired by the Company by universal succession.

9.6 In this Article 9, references to shares include depository receipts for shares.

9.7 No voting rights may be exercised in the General Meeting with respect to any Share held by the Company or by a subsidiary *(dochtermaatschappij)*, or any Share for which the Company or a subsidiary *(dochtermaatschappij)* holds the depositary receipts. No payments will be made on Shares which the Company holds in its own share capital.

9.8 The Board is authorised to alienate Shares held by the Company or depositary receipts for Shares.

Article 10. Reduction of the Issued Capital.

10.1 The General Meeting can resolve to reduce the Company's issued share capital by cancelling Shares or by reducing the nominal value of Shares by virtue of an amendment to these Articles of Association. The resolution must designate the shares to which the resolution relates and it must provide for the implementation of the resolution.

10.2 A resolution to cancel shares may only relate to shares held by the Company itself or in respect of which the Company holds the depository receipts.

10.3 A resolution of the General Meeting to reduce the Company's issued share capital shall require a majority of at least two thirds of the votes cast if less than half of the issued share capital is represented at the General Meeting.

10.4 A reduction of the issued capital of the Company is furthermore subject to the provisions of Sections 2:99 and 2:100 of the Dutch Civil Code.

Article 11. Transfer of Shares.

11.1 The transfer of rights a Shareholder holds with regard to Shares included in the Book Entry System must take place in accordance with the provisions of the regulations applicable to the relevant Book Entry System.

11.2 The transfer of Shares not included in the Book Entry System requires a deed to that effect and unless the Company itself is a party to the transaction, acknowledgement of the transfer by the Company. The acknowledgement shall be set out in the deed or shall be made in such other manner as prescribed by law.

11.3 A transfer of Shares from the Book Entry System is subject to the restrictions of the provisions of the regulations applicable to the relevant Book Entry System and is further subject to approval of the Board.

Article 12. Usufruct in Shares and Pledging of Shares; Depositary Receipts for Shares.

12.1 The provisions of Articles 12.1 and 12.2 apply by analogy to the creation or transfer of a right of usufruct in Shares. Whether the voting rights attached to the Shares on which a right of usufruct is created, are vested in the Shareholder or the usufructuary, is determined in accordance with Section 2:88 of the Dutch Civil Code. Shareholders, with or without voting rights, and the usufructuary with voting rights hold Meeting Rights. An usufructuary without voting rights does not hold Meeting Rights.

12.2 The provisions of Articles 12.1 and 12.2 apply by analogy to the pledging of Shares. Shares may also be pledged as an undisclosed pledge: in such case, Section 3:239 of the Dutch Civil Code applies by analogy. No voting rights and/or Meeting Rights accrue to the pledgee of Shares.

12.3 Holders of depositary receipts for Shares are not entitled to Meeting Rights, unless the Company, explicitly granted these rights by a resolution to that effect of the Board.

CHAPTER 4. THE BOARD.

Article 13. Directors.

13.1 The Board consists of one or more Executive Directors and one or more Non-Executive Directors. Within the Board the majority of the members of the Board must be Non-Executive Directors.

13.2 The exact number of Directors, as well as the number of Executive Directors and Non-Executive Directors, is determined by the Board, taking into account Article 13.1.

13.3 The Board must prepare a document which indicates a profile for its size and composition, taking account of the nature and activities of the business. The profile will address (i) the desired expertise and background of the Board members, (ii) the desired diversity within the Board, (iii) the size of the Board and (iv) the independence of the Non-Executive Directors. The profile will be made generally available and will be posted on the Company's website.

13.4 The Board may appoint one of the Executive Directors as Chief Executive Officer. In addition, the Board may grant other titles to Directors.

13.5 Only individuals can be Non-Executive Directors.

13.6 The Company must have a policy with respect to the remuneration of the Board. This policy is determined by the General Meeting with a majority of more than half of the votes validly cast without any quorum being required; the Board will make a proposal to that end. The Executive Directors shall not participate in the discussion and decision-making process of the Board on this.

13.7 The authority to establish remuneration and other terms of service for Executive Directors is vested in the Board. The Executive Directors shall not participate in the discussion and decision-making process of the Board on this.

13.8 The authority to establish remuneration for Non-Executive Directors is vested in the General Meeting.

13.9 Directors are entitled to an indemnity from the Company and D&O insurance, in accordance with Article 23.

Article 14. Appointment and Removal.

14.1 Directors are appointed by the General Meeting. A Director shall be appointed either

as an Executive Director or as a Non-Executive Director. Each Director will be appointed for a term of not more than four (4) years. The term of office shall end not later than the closing of the annual General Meeting which is to be held in the fourth calendar year after the year of appointment, unless the director resigns or is removed earlier.

14.2 Shareholders and/or other persons holding Meeting Rights who, alone or jointly, represent at least three per cent (3%) of the issued share capital may recommend candidates to be appointed as a Non-Executive Director with respect to one-third of the total number of Non-Executive Directors. The Board will inform Shareholders and other persons holding Meeting Rights via a notice on the Company's website, when and why and in accordance with what profile a vacancy has to be filled in its midst. The Board will consider all candidates proposed by Shareholders when making a selection for one or more persons to be appointed by the General Meeting. In this respect the Board may elect two persons for one and the same vacant seat and allow the General Meeting to decide which person will be appointed.

14.3 A proposal to appoint a Director will state the candidate's age and the positions he holds or has held, insofar as these are relevant for the performance of the duties of a Director. The proposal must state the reasons on which it is based.

14.4 At the General Meeting of Shareholders only candidates whose names are stated on the agenda of the meeting can be voted on for appointment as Director. If no appointment is made of a candidate nominated by the Board, the Board has the right to nominate a new candidate at a next meeting.

14.5 Each Director may be removed by the General Meeting at any time.

14.6 Each Director may be suspended by the General Meeting at any time. An Executive Director may also be suspended by the Board. A suspension may be extended one or more times, but may not last longer than three months in aggregate. If, at the end of that period, no decision has been taken on termination of the suspension or on removal, the suspension shall end. A suspension can be ended by the General Meeting at any time.

14.7 On re-appointment of a Director the provisions of this Article 14 regarding appointment of a Director apply accordingly.

Article 15. Chairman.

15.1 The Board appoints a Non-Executive Director as Chairman of the Board for a term to be determined by the Board.

15.2 The Board may appoint one or more other Non-Executive Directors as Vice-Chairman of the Board for a term to be determined by the Board.

Article 16. Duties and Powers, Allocation of Duties.

16.1 The Board is entrusted with the management of the Company. In the exercise of their duties, the Directors must be guided by the interests of the Company and the business connected with it. Each Director is responsible for the general course of affairs.

16.2 The Executive Directors are charged with the daily management of the business related to the Company.

16.3 The Board shall draw up regulations governing the decision making procedure of the Board.

16.4 The Non-Executive Directors must supervise the performance of duties by the Executive Directors as well as the general course of affairs of the Company and the business connected with it. They will also be charged with the duties assigned to them pursuant these Articles of Association or by the Board.

16.5 The Board may assign duties and powers to individual Directors and/or committees that are composed of two or more Directors. This may also include a delegation of resolution-making power, provided this is laid down in writing. A Director to whom and a committee to which powers of the Board are delegated, must comply with the rules set in relation thereto by the Board.

Article 17. Representation.

17.1 The Board is authorised to represent the Company. The Chief Executive Officer and the Chairman are also authorised to represent the Company acting solely.

17.2 The Board may appoint officers with general or limited power of representation. Each of these officers may represent the Company subject to the limitations relating to his power. Their titles shall be determined by the Board.

Article 18. Meetings; Decision-making Process.

18.1 The Board meets as often as deemed desirable by the Chairman, the Chief Executive Officer or at least two (2) of the Directors, but at least four (4) times each financial year. The meeting is presided by the Chairman, or in his absence a Vice-Chairman, of the Board. Minutes of the proceedings at the meeting must be kept.

18.2 Except as provided otherwise in these articles of association Board resolutions are adopted by absolute majority of the votes cast. If there is a tie in voting, the Chairman has a decisive vote.

18.3 The Board may designate resolutions which also require the affirmative vote of a majority of the Non-Executive Directors or independent directors. These further resolutions must be clearly specified and laid down in the Company's board regulations.

18.4 Resolutions of the Board can be adopted either in or outside a meeting.

18.5 Decisions taken at a meeting of the Board shall only be valid if the majority of the Directors is present or represented at the meeting. However, the Board may designate types of resolutions which are subject to a deviating requirement. These types of resolutions and the nature of the deviation must be clearly specified and laid down in the Company's board regulations.

18.6 Meetings of the Board may be held by means of an assembly of the Directors in person in a formal meeting or by conference call, video conference or by any other means of communication, provided that all Directors participating in such meeting are able to communicate with each other simultaneously. Participation in a meeting held in any of the above ways shall constitute presence at such meeting.

18.7 For adoption of a resolution other than at a meeting, it is required that the proposal is submitted to all Directors, none of them has objected to the relevant manner of

adopting resolutions and the required majority of the Directors as determined pursuant to Article 18.5 or the board regulations has voted in favour of the resolution's thus adopted in writing. In the next meeting held after such consultation of Directors, the Chairman of that meeting shall inform about the results of the consultation.

18.8 Third parties may rely on a written declaration by the Chairman or a Vice-Chairman of the Board, or by the Company Secretary, concerning resolutions adopted by the Board or a committee thereof. Where it concerns a resolution adopted by a committee, third parties may also rely on a written declaration by the chairman of such committee.

18.9 The Board may establish additional rules regarding its working methods and decision-making process.

Article 19. Conflicts of Interests.

19.1 A Director having a conflict of interests as referred to in Article 19.2 or an interest which may have the appearance of such a conflict of interests (both a **(potential) conflict of interests**) must declare the nature and extent of that interest to the other Directors.

19.2 A Director may not participate in deliberating or decision-making within the Board, if with respect to the matter concerned he has a direct or indirect personal interest that conflicts with the interests of the Company and the business connected with it. This prohibition does not apply if the conflict of interests exists for all Directors.

19.3 A conflict of interests as referred to in Article 19.2 only exists if in the situation at hand the Director must be deemed to be unable to serve the interests of the Company and the business connected with it with the required level of integrity and objectivity. If a transaction is proposed in which apart from the Company also an affiliate of the Company has an interest, then the mere fact that a Director holds any office or other function with the affiliate concerned or another affiliate, whether or not it is remunerated, does not mean that a conflict of interests as referred to in Article 19.2 exists.

19.4 The Director who in connection with a (potential) conflict of interests renounces to exercise, or who pursuant to Article 19.2 may not exercise, certain duties and powers will insofar be regarded as a Director who is unable to perform his duties *(belet)*.

19.5 A (potential) conflict of interests does not affect the authority concerning representation of the Company set forth in Article 17.1.

Article 20. Vacancy or Inability to Act.

20.1 If a seat on the Board is vacant *(ontstentenis)* or a Director is unable to perform his duties *(belet)*, the remaining Directors or Director will be temporarily entrusted with the management of the Company.

20.2 If the seats of one or more Executive Directors are vacant or one or more Executive Directors are unable to perform his duties, the Board may temporarily entrust duties and powers of an Executive Director to another Executive Director (if any is remaining), a Non-Executive Director, former Directors or another person.

20.3 If within the space of one week the majority of the Directors cease to hold office, then all members of the Board will cease to hold office automatically and all seats of the Board will be considered vacant, with the proviso that each member of the Board (for the avoidance of doubt, this will include the majority of the Directors that ceased to hold office within the space of one week) will continue to act as a temporary stand-in of his or her vacant seat until a new Board is appointed. The Directors acting as a stand-in will be charged with convening a General Meeting of Shareholders as soon as practically possible for the purpose of appointing a new Board. The term of office as a stand-in of all Directors will expire at the end of the relevant meeting.

20.4 When determining to which extent Directors are present or represented, consent to a manner of adopting resolutions, or vote, stand-ins will be counted in and no account will be taken of vacant board seats for which no stand-in has been designated and Directors who are unable to perform their duties.

Article 21. Company Secretary.

21.1 The Board may appoint a Company Secretary and is authorised to replace him at any time.

21.2 The Company Secretary holds the duties and powers vested in him pursuant to these Articles of Association or a resolution of the Board.

21.3 In absence of the Company Secretary, his duties and powers are exercised by his deputy, if designated by the Board.

Article 22. Approval of Board Resolutions.

22.1 The Board requires the approval of the General Meeting for resolutions entailing a significant change in the identity or character of the Company or its business, in any case concerning:

(a) the transfer of (nearly) the entire business of the Company to a third party;

(b) entering into or terminating a long term cooperation between the Company or a subsidiary *(dochtermaatschappij)* and another legal entity or company or as a fully liable partner in a limited partnership or general partnership, if such cooperation or termination is of fundamental importance for the Company;

(c) acquiring or disposing of a participation in the capital of a company if the value of such participation is at least one third of the sum of the assets of the Company according to its balance sheet and explanatory notes or, if the Company prepares a consolidated balance sheet, its consolidated balance sheet and explanatory notes according to the last adopted annual accounts of the Company, by the Company or a subsidiary *(dochtermaatschappij)*.

22.2 The absence of approvals required pursuant to this Article 22 will not affect the authority of the Board or its members to represent the Company.

Article 23. Indemnity and Insurance.

23.1 To the extent permissible by law, the Company will indemnify and hold harmless each Director, both former members and members currently in office (each of them, for the purpose of this Article 23 only, an **Indemnified Person**), against any and all liabilities, claims, judgments, fines and penalties (**Claims**) incurred by the

Indemnified Person as a result of any expected, pending or completed action, investigation or other proceeding, whether civil, criminal or administrative (each, a **Legal Action**), of or initiated by any party other than the Company itself or a group company *(groepsmaatschappij)* thereof, in relation to any acts or omissions in or related to his capacity as an Indemnified Person. Claims will include derivative actions of or initiated by the Company or a group company *(groepsmaatschappij)* thereof against the Indemnified Person and (recourse) claims by the Company itself or a group company *(groepsmaatschappij)* thereof for payments of claims by third parties if the Indemnified Person will be held personally liable therefore.

23.2 The Indemnified Person will not be indemnified with respect to Claims in so far as they relate to the gaining in fact of personal profits, advantages or remuneration to which he was not legally entitled, or if the Indemnified Person has been adjudged to be liable for wilful misconduct *(opzet)* or intentional recklessness *(bewuste roekeloosheid)*.

23.3 The Company will provide for and bear the cost of adequate insurance covering Claims against sitting and former Directors (**D&O insurance**), unless such insurance cannot be obtained at reasonable terms.

23.4 Any expenses (including reasonable attorneys' fees and litigation costs) (collectively **Expenses**) incurred by the Indemnified Person in connection with any Legal Action will be settled or reimbursed by the Company, but only upon receipt of a written undertaking by that Indemnified Person that he will repay such Expenses if a competent court in an irrevocable judgment has determined that he is not entitled to be indemnified. Expenses will be deemed to include any tax liability which the Indemnified Person may be subject to as a result of his indemnification.

23.5 Also in case of a Legal Action against the Indemnified Person by the Company itself or its group companies *(groepsmaatschappijen)*, the Company will settle or reimburse to the Indemnified Person his reasonable attorneys' fees and litigation costs, but only upon receipt of a written undertaking by that Indemnified Person that he will repay such fees and costs if a competent court in an irrevocable judgment has resolved the Legal Action in favour of the Company or the relevant group company *(groepsmaatschappij)* rather than the Indemnified Person.

23.6 The Indemnified Person may not admit any personal financial liability vis-à-vis third parties, nor enter into any settlement agreement, without the Company's prior written authorisation. The Company and the Indemnified Person will use all reasonable endeavours to cooperate with a view to agreeing on the defence of any Claims, but in the event that the Company and the Indemnified Person fail to reach such agreement, the Indemnified Person will comply with all directions given by the Company in its sole discretion, in order to be entitled to the indemnity contemplated by this Article 23.

23.7 The indemnity contemplated by this Article 23 does not apply to the extent Claims and Expenses are reimbursed by insurers.

23.8 This Article 23 can be amended without the consent of the Indemnified Persons as such. However, the provisions set forth herein nevertheless continues to apply to Claims and/or Expenses incurred in relation to the acts or omissions by the Indemnified Person during the periods in which this clause was in effect.

CHAPTER 5. ANNUAL ACCOUNTS; PROFITS AND DISTRIBUTIONS.

Article 24. Financial Year and Annual Accounts.

24.1 The Company's financial year is the calendar year.

24.2 Annually, not later than four months after the end of the financial year, the Board must prepare annual accounts and deposit the same for inspection by the Shareholders and other persons holding Meeting Rights at the Company's office. Within the same period, the Board must also deposit the board report for inspection by the Shareholders and other persons holding Meeting Rights.

24.3 The annual accounts must be signed by the Directors. If the signature of one or more of them is missing, this will be stated and reasons for this omission will be given.

24.4 The Company must ensure that the annual accounts, the board report and the information to be added by virtue of the law are kept at its office as of the day on which notice of the annual General Meeting of Shareholders is given. Shareholders and other persons holding Meeting Rights may inspect the documents at that place and obtain a copy free of charge.

24.5 The annual accounts, the board report and the information to be added by virtue of the law are furthermore subject to the provisions of Book 2, Title 9, of the Dutch Civil Code.

24.6 The language of the annual accounts will be English.

Article 25. External Auditor.

25.1 The General Meeting of Shareholders will commission an organization in which certified public accountants cooperate, as referred to in Section 2:393 subsection 1 of the Dutch Civil Code (an **External Auditor**) to examine the annual accounts drawn up by the Board in accordance with the provisions of Section 2:393 subsection 3 of the Dutch Civil Code.

25.2 The External Auditor is entitled to inspect all of the Company's books and documents and is prohibited from divulging anything shown or communicated to it regarding the Company's affairs except insofar as required to fulfil its mandate. Its fee is chargeable to the Company.

25.3 The External Auditor will present a report on its examination to the Board. In this it will address at a minimum its findings concerning the reliability and continuity of the automated data processing system.

25.4 The External Auditor will report on the results of its examination, in an auditor's statement, regarding the accuracy of the annual accounts.

25.5 The annual accounts cannot be adopted if the General Meeting has not been able to review the auditor's statement from the External Auditor, which statement must have been added to the annual accounts, unless the information to be added to the annual accounts states a legal reason why the statement has not been provided.

Article 26. Adoption of the Annual Accounts and Release from Liability.

26.1 The General Meeting will adopt the annual accounts.

26.2 At the General Meeting of Shareholders at which it is resolved to adopt the annual accounts, it will be separately proposed that the Directors be released from liability for their respective duties, insofar as the exercise of such duties is reflected in the annual accounts and/or otherwise disclosed to the General Meeting prior to the adoption of the annual accounts.

Article 27. Profits and Distributions.

27.1 The Board may decide that the profits realised during a financial year will fully or partially be appropriated to increase and/or form reserves.

27.2 The profits remaining after application of Article 27.1 shall be put at the disposal of the General Meeting. The Board shall make a proposal for that purpose. A proposal to pay a dividend shall be dealt with as a separate agenda item at the General Meeting of Shareholders.

27.3 Distributions from the Company's distributable reserves are made pursuant to a resolution of the General Meeting at the proposal of the Board.

27.4 Provided it appears from an interim statement of assets signed by the Board that the requirement mentioned in Article 27.8 concerning the position of the Company's assets has been fulfilled, the Board may make one or more interim distributions to the holders of Shares.

27.5 The Board may decide that a distribution on Shares shall not take place as a cash payment but as a payment in Shares, or decide that holders of Shares shall have the option to receive a distribution as a cash payment and/or as a payment in Shares, out of the profit and/or at the expense of reserves, provided that the Board is designated as the competent body to issue Shares.

27.6 The Company's policy on reserves and dividends shall be determined and can be amended by the Board. The adoption and thereafter each amendment of the policy on reserves and dividends shall be discussed and accounted for at the General Meeting of Shareholders under a separate agenda item.

27.7 The Company may further have a policy with respect to profit participation for employees which policy will be established by the Board.

27.8 Distributions may be made only insofar as the Company's equity exceeds the amount of the paid in and called up part of the issued capital, increased by the reserves which must be kept by virtue of the law or these Articles of Association.

27.9 Any and all distributions on the Shares shall be made in such a way that on each Share an equal amount or value will be distributed.

Article 28. Payment of and Entitlement to Distributions.

28.1 Dividends and other distributions will be made payable pursuant to a resolution of the Board within four weeks after adoption, unless the Board sets another date for payment.

28.2 A claim of a Shareholder for payment of a distribution shall be barred after five years have elapsed after the day of payment.

CHAPTER 6. THE GENERAL MEETING.

Article 29. Annual and Extraordinary General Meetings of Shareholders.

29.1 Each year, though not later than in the month of June, a General Meeting of Shareholders will be held.

29.2 The agenda of such meeting will be prepared in accordance with the applicable provisions of the Dutch Civil Code and the Dutch Corporate Governance Code.

29.3 Other General Meetings of Shareholders will be held whenever the Board deems such to be necessary, without prejudice to the provisions of Sections 2:108a, 2:110, 2:111 and 2:112 of the Dutch Civil Code.

29.4 If the Company has instituted a works council pursuant to Dutch statutory provisions, then:

(a) a proposal to appoint, suspend or remove a Board member;

(b) a proposal to determine or modify the remuneration policy referred to in Article 13.6; or

(c) a proposal to approve a resolution as referred to in Article 22.1,

will not be submitted to the General Meeting until the works council has been given the opportunity to take a position with respect thereto, timely prior to the date notice of the relevant General Meeting of Shareholders is given. The chairperson of the works council, or a member of the works council appointed by him, will be given the opportunity to explain the position of the works council in the General Meeting of Shareholders. The absence of a position of the works council will not affect the validity of the resolution-making in the General Meeting.

29.5 For the purpose of Article 29.4, the term **works council** is deemed to also include the works council of the business of a subsidiary *(dochtermaatschappij)*, provided the majority of the employees of the Company and its subsidiaries *(dochtermaatschappijen)* are employed within the Netherlands. If there is more than one works council, these councils must exercise their powers jointly. If a central works council has been instituted for the business or businesses involved, the powers of the works council accrue to this central works council. The powers of the works council referred to in Article 29.4 only apply if and insofar as prescribed by Dutch company law.

Article 30. Notice and Agenda of Meetings.

30.2 Notice of the meeting must be given with due observance of the statutory notice period.

30.3 The notice of the meeting will include in the information as may be required by law.

30.4 Further communications which must be made to the General Meeting pursuant to the law or these Articles of Association can be made by including such communications either in the notice, or in a document which is deposited at the Company's office for inspection, provided a reference thereto is made in the notice itself.

30.5 Shareholders and/or other persons holding Meeting Rights, who, alone or jointly, meet the requirements set forth in Section 2:114a subsection 1 of the Dutch Civil Code will have the right to request the Board to place items on the agenda of the General Meeting of Shareholders, provided the reasons for the request must be stated therein and the request must be received by the chairman of the Board in writing at least sixty (60) days before the date of the General Meeting of Shareholders.

30.6 The notice will be given in the manner stated in Article 36.

Article 31. Venue of Meetings.

General Meetings of Shareholders can be held in Amsterdam or Haarlemmermeer (including Schiphol Airport), at the choice of those who call the meeting.

Article 32. Chairman of the Meeting.

32.1 The General Meetings of Shareholders will be presided over by the Chairman of the Board or his replacement. However, the Board may also appoint another chairman to preside over the meeting. The Chairman of the meeting will have all powers necessary to ensure the proper and orderly functioning of the General Meeting of Shareholders.

32.2 If the chairmanship of the meeting is not provided for in accordance with Article 32.1, the meeting will itself elect a chairman, provided that so long as such election has not taken place, the chairmanship will be held by a Board member designated for that purpose by the Directors present at the meeting.

Article 33. Minutes.

33.1 Minutes will be kept of the proceedings at the General Meeting of Shareholders by, or under supervision of, the Company Secretary, which will be adopted by the Chairman and the Corporate Secretary and will be signed by them as evidence thereof.

33.2 However, the Chairman may determine that notarial minutes will be prepared of the proceedings of the meeting. In that case the co-signature of the chairman will be sufficient.

Article 34. Rights at Meetings and Admittance.

34.1 Each Shareholder and each other person holding Meeting Rights is authorised to attend, to speak at, and to the extent applicable, to exercise his voting rights in the General Meeting of Shareholders. They may be represented by a proxy holder authorised in writing.

34.2 For each General Meeting of Shareholders a statutory record date will be applied, in order to determine in which persons voting rights and Meeting Rights are vested. The record date and the manner in which persons holding Meeting Rights can register and exercise their rights will be set out in the notice convening the meeting.

34.3 A person holding Meeting Rights or his proxy will only be admitted to the meeting if he has notified the Company of his intention to attend the meeting in writing at the address and by the date specified in the notice of meeting. The proxy is also required to produce written evidence of his mandate.

34.4 The Board is authorised to determine that the Meeting Rights and voting rights can be exercised by using an electronic means of communication. If so decided, it will be required that the each person holding Meeting Rights, or his proxy holder, can be

identified through the electronic means of communication, follow the discussions in the meeting and, to the extent applicable, exercise the voting right. The Board may also determine that the electronic means of communication used must allow each person holding Meeting Rights or his proxy holder to participate in the discussions.

34.5 The Board may determine further conditions to the use of electronic means of communication as referred to in Article 34.4, provided such conditions are reasonable and necessary for the identification of persons holding Meeting Rights and the reliability and safety of the communication. Such further conditions will be set out in the notice of the meeting. The foregoing does, however, not restrict the authority of the chairman of the meeting to take such action as he deems fit in the interest of the meeting being conducted in an orderly fashion. Any non or malfunctioning of the means of electronic communication used is at the risk of the persons holding Meeting Rights using the same.

34.6 The Company Secretary will arrange for the keeping of an attendance list in respect of each General Meeting of Shareholders. The attendance list will contain in respect of each person with voting rights present or represented: his name, the number of votes that can be exercised by him and, if applicable, the name of his representative. The attendance list will furthermore contain the aforementioned information in respect of persons with voting rights who participate in the meeting in accordance with Article 34.4 or which have cast their votes in the manner referred to in Article 35.3. The chairman of the meeting can decide that also the name and other information about other people present will be recorded in the attendance list. Article 35. Adoption of Resolutions and Voting Power.

35.1 Insofar as the law or the Articles of Association do not prescribe otherwise, all decisions by the General Meeting shall be taken by an absolute majority of the votes cast without a quorum being required. If there is a tie in voting, the proposal will thus be rejected.

35.2 Each Ordinary Share A confers the right to cast one (1) vote. Each Ordinary Share B confers the right to cast ten (10) votes.

35.3 The Board may determine that votes cast prior to the General Meeting of Shareholders by electronic means of communication or by mail, are equated with votes cast at the time of the General Meeting. Such votes may not be cast before the record date

referred to in Article 34.2. Without prejudice to the provisions of Article 34 the notice convening the General Meeting of Shareholders must state how Shareholders may exercise their rights prior to the meeting.

35.4 Blank and invalid votes will be regarded as not having been cast.

35.5 The chairman of the meeting will decide whether and to what extent votes are taken orally, in writing, electronically or by acclamation.

35.6 When determining how many votes are cast by Shareholders, how many Shareholders are present or represented, or what portion of the Company's issued capital is represented, no account will be taken of Shares for which no votes can be cast by law.

Article 36. Notices and Announcements.

36.1 All notices and announcements for the General Meeting of shareholders, all notifications concerning dividend and other payments and all other communications to shareholders and other persons holding Meeting Rights will be given in accordance with the requirements of law and the requirements of regulation applicable to the Company pursuant to the listing venue(s) of its Shares.

36.2 The Company is authorized to give notice of meetings to shareholders and other persons holding Meeting Rights, exclusively by announcement on the website of the Company and/or through other means of electronic public announcement, as the Company may deem fit.

CHAPTER 7. ALTERATION OF THE ARTICLES OF ASSOCIATION AND DISSOLUTION. DISPUTE RESOLUTION.

Article 37. Alteration of Articles of Association and Dissolution.

37.1 The General Meeting of Shareholders may pass a resolution to alter the Articles of Association or to dissolve the Company, with an absolute majority of the votes cast, without a quorum being required.

37.2 If a proposal to alter the Articles of Association or to dissolve the Company is made to the General Meeting, this shall always be stated in the notice for the General Meeting of shareholders, and if it concerns an alteration of the Articles of Association, a copy of the proposal, containing the proposed alteration verbatim, shall be deposited at the Company's offices for inspection and made available to shareholders and other persons who are entitled to attend free of charge until the end of the meeting.

Article 38. Liquidation.

38.1 In the event of the dissolution of the Company following a decision of the General Meeting, the Directors shall be charged with the liquidation of the Company's affairs.

38.2 During the liquidation, the provisions of the Articles of Association shall remain in force as far as possible.

38.3 The balance remaining after payment of the debts of the dissolved Company must be transferred to the Shareholders in proportion to the number of Shares held by each.

38.4 In all other respects, the liquidation shall be subject to the provisions of Title 1, Book 2 of the Dutch Civil Code.

Article 39. Dispute resolution.

39.1 To the extent permitted by law, the courts of the Netherlands have jurisdiction in all matters relating to the internal organisation of the Company, including disputes between the Company and its Shareholders and Directors as such.

39.2 The provisions of this Article 39 with respect to Shareholders and Directors also apply with respect to persons which hold or have held rights towards the Company to acquire Shares, former Shareholders, persons which hold or have held the right to attend the General Meeting of Shareholders other than as a Shareholder, former Directors and other persons holding or having held any position pursuant to an appointment or designation made in accordance with these Articles of Association.

Article 40. Public takeover bids.

40.1 Any person who, either on its own or together with other persons, wishes to make a public takeover bid for acquisition of Shares must include both classes of Ordinary Shares A and Ordinary Shares B in its offer. In addition, the Company commits itself not to not accept any takeover bid made only for the acquisition of one class of Shares.

40.2 If and for as long as any person is acting in violation of the obligation set out in Article 40.1, the voting rights and the right to participate in General Meetings attached to all the Shares held by such persons may be suspended by the Board.

9.4 La sociedad podrá adquirir acciones en su capital con pago en dinero o mediante compensación en forma de activos. Si la adquisición es según la modalidad de compensación en forma de activos, el valor de estos lo establecerá el órgano de administración manteniéndose dentro del rango de precios establecido por la junta general a que se refiere el apartado 9.3.

La cuestión de si el derecho a voto vinculado a las acciones objeto de usufructo le corresponde a su titular o al usufructuario se resolverá conforme a lo dispuesto en el artículo 2:88 del Código Civil de los Países Bajos. El derecho de asistencia le corresponde al titular de las acciones, independientemente de que tenga derecho a voto o no, y al usufructuario con derecho a voto, pero no al usufructuario sin derecho a voto.

12.2 Lo estipulado en los apartados 12.1 y 12.2 es también de aplicación *mutatis mutandis* a la constitución de un derecho de prenda sobre acciones. El derecho de prenda sobre acciones también se puede constituir como derecho de prenda sin desplazamiento, en cuyo caso será de aplicación (*mutatis mutandis*) el artículo 3:239 del Código Civil de los Países Bajos. En caso de constitución de un derecho de prenda sobre acciones no se podrá otorgar el derecho a voto ni/o el derecho de asistencia al acreedor pignoraticio.

Los administradores serán nombrados por un plazo de cuatro (4) años como máximo. Su mandato finalizará no antes del levantamiento de la sesión de la junta general anual que se celebre coincidiendo con el cuarto año natural de su mandato, salvo que este haya finalizado anteriormente por dimisión o por separación del cargo.

14.2 Los accionistas y/u otras personas con derecho de asistencia que, en solitario o conjuntamente, representen al menos el tres por ciento (3 %) del capital social suscrito podrán designar candidatos para su nombramiento como administradores no ejecutivos por un tercio del número total de administradores no ejecutivos. Cuando se tenga que cubrir una vacante en el seno del órgano de administración, este informará de ello a los accionistas y demás personas con derecho de asistencia en el sitio web de la sociedad, e informará también por qué razón se ha producido tal vacante y cuál es el perfil que desea. A la hora de seleccionar candidatos que presentar a la junta general para su nombramiento como miembros del órgano de administración, este tendrá en cuenta todos los candidatos propuestos por los accionistas. A ese respecto, el órgano de administración podrá presentar a la junta general a dos personas para cubrir la misma vacante dentro del órgano de administración, a fin de que aquella se decante por una de estas.

14.3 En la propuesta de nombramiento de administradores se indicará la edad de los candidatos, así como los cargos que desempeñen o que hayan desempeñado, en la medida que tal cosa sea relevante para el desempeño de la tarea de administrador. La propuesta estará debidamente fundamentada en razones.

14.4 En la junta general de accionistas destinada al nombramiento de administradores solamente se elegirá entre los candidatos cuyo nombre conste en el orden del día de la junta. Si no consta el nombre de un determinado candidato propuesto por el órgano de administración, este tendrá derecho a proponer un nuevo candidato en la siguiente junta general.

14.5 Los administradores podrán en todo momento ser separados de su cargo por la junta general.

14.6 Los administradores podrán en todo momento ser suspendidos por la junta general.
Los administradores ejecutivos pueden ser suspendidos también por el órgano de administración. La suspensión se podrá prorrogar una o varias veces, pero no podrá durar más de tres meses en total. La suspensión quedará extinguida si al vencimiento de ese plazo no se ha tomado ninguna decisión sobre el levantamiento de la suspensión o sobre la separación del cargo del administrador en cuestión. La junta general podrá levantar la suspensión en todo momento.

14.7 Lo estipulado en este artículo 14 relativo al nombramiento para el cargo de administrador será de aplicación *mutatis mutandis* a la renovación del cargo de administrador.

Artículo 15. Presidente.

15.1 El órgano de administración designará a un administrador no ejecutivo como presidente del órgano de administración y establecerá el tiempo de duración de su mandato.

15.2 El órgano de administración también podrá designar a uno o varios administradores no ejecutivos como vicepresidentes del órgano de administración y establecerá el tiempo de duración de su mandato.

Artículo 16. Tareas y facultades; reparto de tareas.

16.1 El órgano de administración es el órgano de la sociedad encargado de su administración. En el ejercicio de su tarea, los administradores atenderán al interés de la sociedad y al de la empresa vinculada a ella. Todos y cada uno de los administradores serán responsables de la marcha general de los asuntos de la sociedad.

16.2 Los administradores ejecutivos tienen encomendada la dirección ordinaria de la empresa vinculada a la sociedad.

16.3 El órgano de administración podrá establecer un reglamento del órgano de administración relativo a la toma de decisiones y al *modus operandi* del órgano de administración.

16.4 Los administradores no ejecutivos supervisarán la ejecución de la tarea de los administradores ejecutivos y la marcha normal de los asuntos de la sociedad y de la empresa vinculada a ella. También desempeñarán las tareas que se les encomienden en estos estatutos y que les encomiende el órgano de administración.

16.5 El órgano de administración podrá asignar tareas y facultades a administradores concretos y/o a comisiones formadas por dos o más administradores, lo cual también podrá significar la delegación de facultades del órgano de administración para la toma de decisiones, siempre que dicha delegación de facultades se fije por escrito. El administrador o la comisión a los que el órgano de administración haya asignado tareas y/o facultades del órgano de administración deberán observar las normas que imponga el órgano de administración al respecto.

Artículo 17. Representación.

17.1 El órgano de administración está facultado para representar a la sociedad. El Director Ejecutivo y el presidente del órgano de administración tienen, además, poder de representación independiente.

17.2 El órgano de administración podrá designar directivos con poder de representación general o restringido. Cada uno de ellos representará a la sociedad con observancia de los límites impuestos a su poder de representación. El rango de esos directivos lo fijará el órgano de administración.

Artículo 18. Reunión del órgano de administración; procedimiento de toma de decisiones.

18.1 El órgano de administración se reunirá siempre que lo consideren necesario su presidente, el Director Ejecutivo o al menos dos (2) administradores, pero, en todo caso, al menos cuatro (4) veces al año natural. Las reuniones del órgano de administración estarán presididas por su presidente o, en su ausencia, por su vicepresidente. Se levantará acta de los asuntos tratados en la reunión.

18.2 Todas las decisiones del órgano de administración se tomarán por mayoría absoluta de los votos emitidos en asamblea, salvo que en estos estatutos se establezca otra cosa. Si en una determinada votación se produce un empate de votos, decidirá el presidente.

18.3 El órgano de administración está facultado para decidir que determinadas decisiones requieran también la conformidad de la mayoría de los administradores no ejecutivos o administradores independientes. Esas decisiones deberán estar claramente descritas e incluirse en el reglamento del órgano de administración.

18.4 El órgano de administración podrá decidir, tanto en asamblea como fuera de ella.

18.5 El órgano de administración podrá tomar decisiones legales en asamblea solo si en esta están presentes o representados la mayoría de los administradores como mínimo. No obstante, el órgano de administración podrá decidir que a determinados tipos de decisiones se les aplique un reglamento diferente. El órgano de administración deberá describir claramente de qué tipo de decisiones se trata y en qué consiste su peculiaridad, y reflejar todo ello en el reglamento del órgano de administración.

18.6 Las reuniones del órgano de administración se podrán celebrar mediante la concurrencia de los administradores en un mismo lugar o por teléfono, por "videoconferencia" o por cualquier otro medio de comunicación con el que los administradores puedan comunicarse simultáneamente entre sí. La participación en una reunión celebrada de cualquiera de las formas antedichas se considerará como haber estado presente físicamente en la reunión.

18.7 Para tomar decisiones fuera de asamblea se deberá haber presentado la propuesta en cuestión a todos los administradores, ninguno de ellos deberá haberse opuesto a dicha modalidad de toma de decisiones y se deberá haber manifestado expresamente a favor de las decisiones tomadas por escrito de esa forma una determinada mayoría de administradores establecida conforme al apartado 18.5 o al reglamento del órgano de administración. El presidente de la reunión del órgano de administración siguiente a dicha consulta de los administradores comunicará la decisión de los

administradores.

18.8 La declaración por escrito del presidente del órgano de administración o de su vicepresidente, o la del secretario de la sociedad, sobre las decisiones del órgano de administración o de las comisiones bastará a ojos de terceros. Si se trata de una decisión de una comisión, también bastará a ojos de terceros una declaración del presidente de la comisión en cuestión.

18.9 El órgano de administración podrá fijar normas detalladas relativas al *modus operandi* y a la toma de decisiones del órgano de administración.

Artículo 19. Conflicto de intereses.

19.1 Si un determinado administrador tiene un conflicto de intereses a que se refiere el apartado 19.2 o si tiene intereses que pudieren crear la apariencia de tal conflicto de intereses (en ambos casos, un **conflicto de intereses (potencial)**) se lo comunicará a los demás administradores.

19.2 Si un determinado administrador tiene algún interés personal que, directa o indirectamente, sea contrario al interés de la sociedad y al de la empresa vinculada a ella, se abstendrá de participar en las deliberaciones y en la votación del órgano de administración que afecten a ese interés personal. Esta prohibición no será de aplicación si el conflicto de intereses afecta a todos los administradores.

19.3 Un conflicto de intereses como el descrito en el apartado 19.2 solo existirá si en una determinada situación al administrador en cuestión no se le puede considerar capaz de defender con la integridad y objetividad requeridas los intereses de la sociedad y los de la empresa vinculada a ella. En el caso de que se proponga una transacción en la que, además de la sociedad, también tenga interés una sociedad del grupo de la sociedad, el mero hecho de que un determinado administrador desempeñe cualquier tipo de cargo en la sociedad implicada o en cualquier otra sociedad del grupo, ya perciba por ello una remuneración o no, no significa necesariamente que haya un conflicto de intereses a que se refiere el apartado 19.2.

19.4 A aquel administrador que, a causa de un conflicto de intereses (potencial), no desempeñe las tareas o no ejerza las facultades que le correspondan como administrador se le considerará como un administrador con un impedimento.

19.5 Los conflictos de intereses (potenciales) no afectarán a la facultad de representación a que se refiere el apartado 17.1.

Artículo 20. Ausencia o impedimento.

20.1 En caso de ausencia o impedimento de un administrador, se encargarán temporalmente de la administración de la sociedad el administrador o los administradores que quede(n).

20.2 En caso de ausencia o impedimento de uno o varios administradores ejecutivos, el órgano de administración podrá encomendar temporalmente sus tareas y facultades a otro administrador ejecutivo (si es que queda alguno), a un administrador no ejecutivo, a antiguos administradores o a otra persona.

20.3 Si la mayoría de los administradores dejan de ejercer su cargo en el lapso de una semana, todos los administradores cesarán sus actividades de pleno derecho, considerándose en ese momento vacantes todos los puestos de administrador, bien entendido que todos los miembros del órgano de administración (para que no haya ningún malentendido: incluyendo dicha mayoría de administradores que hayan dejado de ejercer su cargo en el lapso de una semana) seguirán desempeñando su cargo vacante de forma interina hasta que se haya nombrado un nuevo administrador. En ese caso, los administradores, actuando como administradores interinos, se encargarán de convocar una junta general de accionistas tan pronto como sea posible, con el fin de nombrar un nuevo órgano de administración. El mandato de los administradores interinos vencerá al finalizar dicha junta.

20.4 A la hora de establecer en qué medida están presentes o representados los administradores, en qué medida están de acuerdo con una determinada modalidad de toma de decisiones o en qué medida emiten su voto, se tendrán en cuenta los administradores interinos y no se tendrán en cuenta las vacantes en el órgano de administración para las que no se haya designado un administrador interino ni a los administradores con impedimento.

Artículo 21. Secretario de la sociedad.

21.1 El órgano de administración designará un secretario de la sociedad [sic] y podrá sustituirle en todo momento.

21.2 El secretario de la sociedad desempeñará las tareas y tendrá las facultades que se le encomienden u

otorguen, respectivamente, en virtud de estos estatutos o de la correspondiente decisión del órgano de administración.

21.3 En caso de ausencia del secretario de la sociedad, de sus tareas y facultades se hará cargo su sustituto, si el órgano de administración ha designado uno.

Artículo 22. Visto bueno a las decisiones del órgano de administración.

22.1 El órgano de administración necesitará el visto bueno de la junta general para tomar decisiones que impliquen un cambio importante en la identidad o el carácter de la sociedad o de la empresa, entre los que se incluyen, en cualquier caso:

(a) el traspaso de la empresa o de prácticamente toda la empresa a terceros;

(b) la concertación o la rescisión de acuerdos de cooperación a largo plazo entre la sociedad o una sociedad filial y otras personas jurídicas o sociedades o en calidad de socio con responsabilidad total en sociedades en comandita o en sociedades colectivas, si esa cooperación o rescisión tiene importancia capital para la sociedad;

(c) la suscripción o la enajenación por parte de la sociedad, o de una sociedad filial suya, de una participación social en el capital de una sociedad por valor de, al menos, un tercio del importe del activo, bien según se desprenda del balance social con la memoria explicativa o bien —si la sociedad formula un balance social consolidado— según se desprenda del balance social consolidado junto con la memoria explicativa correspondiente a las últimas cuentas anuales aprobadas de la sociedad.

22.2 La falta del visto bueno a decisiones a que se refiere el artículo 22 no afectará a la facultad de representación del órgano de administración ni a la de sus miembros.

Artículo 23. Salvaguardia y seguro.

23.1 En la medida que lo permita la ley, la sociedad salvaguardará a todos y cada uno de los administradores en ejercicio y a todos y cada uno de los antiguos administradores (cada uno de ellos, exclusivamente a efectos de aplicación de este artículo 23, una **Persona Amparada**), y los exime de cualquier responsabilidad, reclamación, resolución, multa o reclamación de indemnización por daños y perjuicios (**Demandas**) a la que la Persona Amparada se haya tenido que enfrentar en el marco de cualquier actuación, investigación o cualesquiera otros procedimientos previsibles, en curso o finalizados, de carácter civil, penal o administrativo (cada uno de ellos, una **Actuación Jurisdiccional**), por parte de cualquier parte o emprendida por cualquier parte que no sea la sociedad o una sociedad del grupo, como consecuencia de cualquier acción u omisión en su calidad de Persona Amparada o en cualquier calidad conexa. Por Demandas se entienden también las acciones derivadas contra la Persona Amparada por parte de la sociedad o de una sociedad del grupo o entabladas por ellas, así como las acciones (de repetición) de la sociedad o de una sociedad del grupo con motivo de pagos reclamados por terceros, si la Persona Amparada es considerada responsable personalmente.

23.2 La Persona Amparada no gozará del derecho a salvaguardia contra aquellas Demandas que tengan relación con la obtención de beneficios, ventajas o remuneraciones personales a los que no tuviera derecho desde el punto de vista jurídico, o si ha quedado demostrada por sentencia pasada en autoridad de cosa juzgada la responsabilidad de la Persona Amparada por intencionalidad o imprudencia consciente.

23.3 Por lo demás, la sociedad contratará un seguro adecuado contra las Demandas que se puedan presentar contra los administradores en ejercicio o contra los antiguos administradores (**seguro de responsabilidad de los administradores**) y correrá con los costes de tal seguro, salvo que este no se pueda obtener con condiciones razonables.

23.4 Todos los costes (incluidos unos honorarios razonables de los abogados y las costas procesales) (conjuntamente, los **Costes**) en los que haya tenido que incurrir la Persona Amparada en relación con cualquier Acción Legal los pagará la sociedad o se los reembolsará a la Persona Amparada, pero solo tras la recepción de un compromiso por escrito de la Persona Amparada de que reembolsará dichos Costes si un tribunal competente establece mediante sentencia pasada en autoridad de cosa juzgada que no tiene derecho a tal compensación. Por Costes se entiende también el impuesto que se haya podido imponer a la Persona Amparada en virtud de la salvaguardia que se le haya otorgado.

23.5 También en caso de que la sociedad o una sociedad del grupo interpongan una Acción Legal contra

la Persona Amparada, la sociedad pagará unos honorarios razonables de los abogados y las costas procesales o se los reembolsará a la Persona Amparada, pero solo tras la recepción de un compromiso por escrito de la Persona Amparada de que reembolsará dichos honorarios y costas si un tribunal competente resuelve la Acción Legal en favor de la sociedad o de la sociedad del grupo en cuestión mediante sentencia pasada en autoridad de cosa juzgada.

23.6 La Persona Amparada no aceptará ninguna responsabilidad financiera personal ante terceros ni concertará ningún contrato de fijación al respecto sin la autorización previa y por escrito de la sociedad. La sociedad y la Persona Amparada se esforzarán en la medida de lo razonable por alcanzar un acuerdo de voluntades a la hora de plantear la defensa contra cualquier Demanda. Si, no obstante, la sociedad y la Persona Amparada no se ponen de acuerdo, para que la Persona Amparada se pueda acoger a la salvaguardia a que se refiere este artículo 23, deberá seguir todas las instrucciones que le dé la sociedad según esta considere.

23.7 La salvaguardia a que se refiere este artículo 23 no será de aplicación a las Demandas y Costes que estén cubiertos por las aseguradoras.

23.8 Este artículo 23 podrá ser modificado sin necesidad de conformidad de las Personas Amparadas como tales. No obstante, la salvaguardia prevista en este documento mantendrá su validez con respecto a Demandas y/o Costes derivados de la acción u omisión de la Persona Amparada durante el periodo en que esta estipulación haya estado vigente.

CAPÍTULO 5. CUENTAS ANUALES; BENEFICIOS Y PAGOS DE DIVIDENDOS.

Artículo 24. Ejercicio económico y cuentas anuales.

24.1 El ejercicio económico de la sociedad se corresponde con el año natural.

24.2 El órgano de administración formulará las cuentas anuales dentro del plazo de cuatro meses desde el vencimiento del ejercicio económico y las depositará en las oficinas de la sociedad para su consulta por parte de los accionistas y demás personas con derecho de asistencia. Dentro de ese mismo plazo el órgano de administración también deberá depositar el informe de gestión para su consulta por parte de los accionistas y demás personas con derecho de asistencia.

24.3 Las cuentas anuales llevarán la firma de los administradores. Si faltara la firma de alguno de ellos, se hará mención de ello, indicando las razones de tal circunstancia.

24.4 La sociedad se asegurará de que las cuentas anuales, el informe de gestión y los demás datos que haya que añadirse a esos documentos en virtud de la ley queden depositadas en sus oficinas desde la fecha de la convocatoria de la junta general anual de accionistas. Los accionistas y demás personas con derecho de asistencia podrán consultar dichos documentos en ese lugar y podrán solicitar una copia gratuita.

24.5 Por lo demás, a las cuentas anuales, al informe de gestión y a los demás datos que haya que añadirse en virtud de la ley son de aplicación las disposiciones del Tomo 2, Título 9, del Código Civil de los Países Bajos.

24.6 Las cuentas anuales se deberán redactar en inglés.

Artículo 25. Auditor externo.

25.1 La junta general de accionistas encargará a una organización de censores jurados de cuentas a que se refiere el artículo 2:393, apartado 1, del Código Civil de los Países Bajos (un **auditor externo**) que examine las cuentas anuales formuladas por el órgano de administración conforme a lo estipulado en el apartado 3 de dicho artículo 2:393.

25.2 El auditor externo está autorizado a consultar todos los libros y documentos de la sociedad, y tiene prohibido dar a conocer los asuntos de la sociedad que lleguen a su conocimiento o que se le comuniquen más allá de lo necesario para cumplir su tarea. Su remuneración correrá por cuenta de la sociedad.

25.3 El auditor externo presentará al órgano de administración un informe sobre la revisión llevada a cabo por él. En dicho informe incluirá como mínimo sus hallazgos sobre la fiabilidad y continuidad del tratamiento automatizado de datos.

25.4 El auditor externo reflejará el resultado de su revisión en una declaración relativa a la fidelidad de las cuentas anuales.

25.5 La junta general no podrá aprobar las cuentas anuales si no se ha podido notificar de la declaración del auditor externo que debería haberse adjuntado a dicha documentación, a no ser que junto con los demás datos adjuntos a las cuentas anuales se aporte un fundamento legal que justifique la

ausencia de dicha declaración.

Artículo 26. Aprobación de las cuentas anuales y descargo.

26.1 La junta general es el órgano encargado de aprobar las cuentas anuales.

26.2 En la junta general de accionistas destinada a decidir sobre la aprobación de las cuentas anuales se presentarán sendas propuestas de otorgamiento de descargo para cada uno de los administradores por la tarea llevada a cabo por ellos, en la medida que dicho ejercicio de tareas se desprenda de las cuentas anuales y/o de otro tipo de información que se haya proporcionado a la junta general por otros medios previamente a la aprobación de las cuentas anuales.

Artículo 27. Reservas, beneficios y pagos de dividendos.

27.1 El órgano de administración podrá decidir que los beneficios obtenidos en un determinado ejercicio económico se destinen total o parcialmente a reforzar o a formar reservas.

27.2 Los beneficios restantes tras la aplicación del apartado 27.1 quedarán a disposición de la junta general. El órgano de administración presentará una propuesta al respecto. La propuesta de pagos de dividendos se tramitará en la junta general de accionistas como un apartado del orden del día aparte.

27.3 Los pagos con cargo a las reservas de libre distribución de la sociedad se llevarán a cabo conforme a la correspondiente decisión de la junta general, a propuesta del órgano de administración.

27.4 El órgano de administración podrá hacer uno o más pagos anticipados de dividendos a los titulares de acciones, siempre que de la correspondiente declaración provisional de activos firmada por él se desprenda que se cumple con el requisito relativo a la situación patrimonial de la sociedad a que se refiere el apartado 27.8. La declaración provisional de activos no requiere examen del auditor externo.

27.5 El órgano de administración está facultado para decidir que un determinado reparto de dividendos no se realice en dinero sino en forma de acciones o para decidir que sean los titulares de acciones quienes decidan si un determinado reparto de dividendos se realiza en dinero y/o en forma de acciones, siendo cualquiera de las dos opciones con cargo al beneficio y/o con cargo a las reservas y siempre que el órgano de administración haya sido designado como órgano facultado para la emisión de acciones.

27.6 El órgano de administración es el órgano facultado para establecer y, en su caso, modificar la política relativa a las reservas y al reparto de dividendos de la sociedad. El establecimiento y cualquier modificación posterior de la política relativa a las reservas y al reparto de dividendo se tramitará y justificará en la junta general de accionistas como un apartado del orden del día aparte.

27.7 La sociedad también podrá tener una política de participación en beneficios para sus empleados, que será establecida por el órgano de administración.

27.8 Solo se podrán hacer repartos de dividendos si el patrimonio neto es superior a la porción desembolsada y reclamada del capital social, incrementada con las reservas que se deban mantener en virtud de la ley o de estos estatutos.

27.9 Todo reparto de dividendos se realizará de tal manera que se distribuya un mismo importe o valor por cada una de las acciones.

Artículo 28. Liquidación y derecho a pagos.

28.1 Los dividendos se liquidarán conforme a la correspondiente decisión del órgano de administración dentro del plazo de cuatro semanas desde su aprobación, salvo que el órgano de administración fije otra fecha.

28.2 Los créditos de los accionistas sobre dividendos prescriben con el paso de cinco años desde la fecha de su liquidación.

CAPÍTULO 6. JUNTA GENERAL.

Artículo 29. Juntas anuales y juntas generales extraordinarias de accionistas.

29.1 Todos los años se celebrará al menos una Junta General de Accionistas, en el mes de junio como muy tarde.

29.2 El orden del día de dicha junta se elaborará con observancia de las disposiciones al respecto del Código Civil de los Países Bajos y del Código de Gobierno Corporativo de los Países Bajos.

29.3 Por lo demás, se celebrarán otras juntas generales de accionistas tan a menudo como lo considere necesario el órgano de administración, sin perjuicio de lo dispuesto en los artículos 2:108a, 2:110, 2:111 y 2:112 del Código Civil de los Países Bajos.

Este documento es una traducción no vinculante, y a efectos meramente informativos, del correspondiente documento redactado en un idioma extranjero. En caso de discrepancia, la versión del documento en su idioma original prevalecerá.

29.4 Si, en cumplimiento de las disposiciones legales, la sociedad ha constituido un comité de empresa en los Países Bajos, no se someterán a la junta general ninguna de las decisiones que se enumeran a continuación antes de haber dado al comité de empresa la oportunidad de manifestar su opinión con suficiente tiempo de antelación a la fecha de celebración de la junta general en cuestión:

(a) las propuestas de nombramiento, suspensión o separación del cargo de administradores o de comisarios;

(b) las propuestas de establecimiento o de modificación de la política de remuneraciones a que se refiere el apartado 13.6; o

(c) las propuestas de visto bueno de las decisiones a que se refiere el apartado 22.1.

El punto de vista del comité de empresa lo podrá exponer en la junta general el presidente del comité de empresa o uno de sus miembros designado por este. La falta del punto de vista del comité de empresa no afectará a la decisión que se tome sobre la propuesta en cuestión.

29.5 A la hora de aplicar el apartado 29.4, por el concepto de **comité de empresa** se entenderá también el comité de empresa de la empresa de una sociedad filial, siempre que la mayoría de los empleados de la sociedad y de la sociedad filial trabajen en los Países Bajos. Si hay más de un comité de empresa, sus facultades las ejercerán conjuntamente. Si hay un comité de empresa central para la empresa o empresas en cuestión, las facultades del comité de empresa las ejercerá dicho comité de empresa central. Las facultades del comité de empresa indicadas en el apartado 29.4 solo serán de aplicación si están establecidas en el Código Civil de los Países Bajos.

Artículo 30. Convocatoria y orden del día de las juntas.

30.1 Las juntas generales de accionistas serán convocadas por el órgano de administración o por su presidente.

30.2 La convocatoria se realizará de acuerdo con el plazo de convocatoria legal.

30.3 En la convocatoria se incluirá la información prescrita legalmente.

30.4 Los comunicados que deba recibir a la junta general en virtud de la ley o de estos estatutos se podrán notificar mediante su inclusión en la convocatoria o mediante el depósito del correspondiente documento en las oficinas de la sociedad para su consulta, siempre que tal cosa se indique en la convocatoria.

30.5 Los accionistas y/u otras personas con derecho de asistencia que, en solitario o conjuntamente, cumplan los requisitos establecidos en el artículo 2:114a, apartado 1, del Código Civil de los Países Bajos tienen derecho a solicitar al órgano de administración que incluya asuntos en el orden del día de la junta general de accionistas, siempre que en él se indiquen las razones de tal solicitud y que esta se haya presentado por escrito ante el presidente del órgano de administración con al menos sesenta (60) días naturales de antelación a la celebración de la junta general de accionistas.

30.6 La convocatoria se realizará del modo indicado en el artículo 36.

Artículo 31. Lugar de celebración de las juntas.

Las juntas generales de accionistas se celebrarán en Ámsterdam o en Haarlemmermeer (incluido el aeropuerto de Schiphol), a elección de aquel que convoque la junta general.

Artículo 32. Presidente de la junta.

32.1 Las juntas generales de accionistas estarán presididas por el presidente del órgano de administración o por su sustituto, aunque este órgano puede designar a otra persona para ello. Al presidente de la junta le corresponden todas las facultades necesarias para velar por un funcionamiento adecuado y ordenado de la junta general de accionistas.

32.2 Si no se ha podido designar presidente de la junta conforme a lo establecido en el apartado 32.1, será la propia junta general la que designe a su presidente, bien entendido que mientras no se haya solventado esta formalidad, de la presidencia se encargará interinamente el administrador que designen los administradores presentes.

Artículo 33. Acta.

33.1 El secretario de la sociedad levantará acta de lo tratado en la junta general de accionistas, bien personalmente o bien mediante otra persona bajo su supervisión. Dicha acta será aprobada por el presidente y por el secretario de la sociedad, en fe de lo cual ambos estamparán su firma en ella.

33.2 El presidente de la junta podrá, no obstante, estipular que se levante acta notarial de los asuntos tratados, en cuyo caso bastará con su firma y la del notario.

Artículo 34. Derecho de asistencia y acceso.

Este documento es una traducción no vinculante, y a efectos meramente informativos, del correspondiente documento redactado en un idioma extranjero. En caso de discrepancia, la versión del documento en su idioma original prevalecerá.

34.1 Todos los accionistas y demás personas con derecho de asistencia tienen derecho a asistir a las juntas generales, a tomar la palabra en ellas y, si les corresponde el derecho a voto, a ejercer el derecho a voto. Dichas personas se podrán hacer representar en la junta por un apoderado con poder por escrito.

34.2 Todas las juntas generales de accionistas estarán sujetas a una fecha de registro, que se fijará conforme a lo dispuesto en la ley, con el fin de determinar a quién corresponden el derecho a voto y el derecho de asistencia vinculados a las acciones. En la convocatoria se indicará la fecha de registro y el modo en que las personas con derecho de asistencia se pueden registrar, así como el modo en que pueden ejercer sus derechos.

34.3 Las personas con derecho de asistencia —o su apoderado— solo podrán acceder a la junta si han notificado por escrito a la sociedad, en el lugar y dentro del plazo que se hayan indicado en la convocatoria, su intención de asistir a la junta. Además, los apoderados deberán presentar su poder por escrito.

34.4 El órgano de administración podrá decidir que el derecho de asistencia y el derecho a voto se puedan ejercer por medios de comunicación electrónicos. Para ello se requerirá, en todo caso, que la personas con derecho de asistencia —o su representante— puedan ser identificadas por el medio de comunicación electrónico, puedan informarse directamente de las deliberaciones de la junta y, si les corresponde el derecho a voto, puedan ejercer el derecho a voto. En ese marco, el órgano de administración podrá establecer que las personas con derecho de asistencia —o su representante— puedan participar en las deliberaciones de la junta con el medio de comunicación electrónico.

34.5 El órgano de administración podrá fijar condiciones más detalladas al uso del medio de comunicación electrónico a que se refiere el apartado 34.4, siempre que dichas condiciones sean razonables y necesarias para identificar a las personas con derecho de asistencia y para garantizar la confidencialidad y la seguridad de la comunicación. Dichas condiciones se indicarán en la convocatoria. Lo anterior se entiende sin perjuicio de la autoridad del presidente para tomar las medidas que considere oportunas en aras de la buena marcha de los asuntos en la junta. Las personas con derecho de asistencia que utilicen un medio de comunicación electrónico asumirán el riesgo de que este no funcione o de que no lo haga adecuadamente.

34.6 En cada junta general de accionistas se elaborará una lista de asistencia bajo la supervisión del secretario de la sociedad. En la lista de asistencia se anotarán los siguientes datos de cada persona con derecho a voto presente o representada en la junta: su nombre y el número de votos que puede emitir, así como el nombre de su representante, si ha lugar. En la lista de asistencia también se anotarán los datos arriba indicados de las personas con derecho a voto que participen en la junta en virtud del apartado 34.4 o que hayan emitido su voto del modo descrito en el apartado 35.3. El presidente de la junta podrá decidir que también se anoten en la lista de asistencia el nombre y demás datos de otras personas presentes en la junta. La sociedad podrá aplicar los procedimientos de identificación que considere razonablemente necesarios para comprobar la identidad de las personas con derecho de asistencia y, si ha lugar, la identidad y facultades de su representante.

34.7 Los administradores están autorizados a asistir en persona a la junta general de accionistas y a tomar la palabra en ella. En las juntas, los administradores tendrán, como tales, un papel asesor. También el auditor externo está autorizado a asistir a la junta general de accionistas y a tomar la palabra en ella.

34.8 El presidente de la junta decidirá sobre la admisión a la junta de otras personas que no sean las indicadas en el artículo 34, sin perjuicio de lo estipulado en el apartado 29.4.

Artículo 35. Votaciones y toma de decisiones.

35.1 Salvo en los casos en los que la ley o estos estatutos establezcan una mayoría superior o un determinado quorum, todas las decisiones en la junta general de accionistas se tomarán por mayoría absoluta de votos emitidos en la junta, independientemente del capital social presente o representado en la junta. En caso de empate de votos se considerará rechazada la propuesta en cuestión.

35.2 Cada acción ordinaria A da derecho a la emisión de un (1) voto. Cada acción ordinaria B da derecho a la emisión de diez (10) votos.

35.3 El órgano de administración podrá estipular que se pueda emitir voto antes de la celebración de la junta general de accionistas por un medio de comunicación electrónico o por carta. Esos votos se

4.1 Het maatschappelijk kapitaal van de vennootschap bedraagt achthonderdvierendertig miljoen tweehonderdnegenentwintigduizend achthonderdvierenzeventig euro en achtentachtig cent (EUR 834.229.874,88).

4.2 Het maatschappelijk kapitaal is verdeeld in de volgende soorten aandelen:

- twee miljard éénennegentig miljoen vijfhonderdvijfenvijftigduizend zeshonderdacht (2.091.555.608) gewone aandelen A, met een nominaal bedrag van zes eurocent (EUR 0.06) elk; en

4.3 Alle aandelen luiden op naam. Aandeelbewijzen worden niet uitgegeven.

4.4 Alle aandelen hebben dezelfde economische gerechtigdheid tot het eigen vermogen van de vennootschap, en elke uitkering op aandelen in welke vorm dan ook zal op basis van gelijkheid plaatsvinden.

Artikel 5. Register van aandeelhouders.

5.1 De vennootschap houdt een register van aandeelhouders. Het register kan uit verschillende delen bestaan, welke op onderscheidene plaatsen kunnen worden gehouden en elk van deze delen kan in meer dan één exemplaar en op meer dan één plaats worden gehouden, een en ander ter bepaling door het bestuur.

5.2 Houders van aandelen dienen hun naam en adres schriftelijk te melden aan de vennootschap indien en wanneer ze daartoe verplicht zijn op grond van (a) een verzoek van het bestuur en/of (b) op de vennootschap toepasselijke wettelijke voorschriften en regelgeving. De namen en adressen, en, voor zover van toepassing, de andere bijzonderheden als bedoeld in artikel 2:85 van het Burgerlijk Wetboek, worden opgenomen in het register van aandeelhouders. Het bestuur stelt eenieder die in het register is opgenomen op verzoek en kosteloos een uittreksel uit het register met betrekking tot zijn recht op aandelen ter beschikking.

5.3 Het register wordt regelmatig bijgehouden. De ondertekening van inschrijvingen en aantekeningen in het register van aandeelhouders worden door een uitvoerend bestuurder of de secretaris van de vennootschap gedaan.

5.4 Het bepaalde in artikel 2:85 van het Burgerlijk Wetboek is op het register van aandeelhouders van toepassing.

Artikel 6. Besluit tot uitgifte van aandelen; voorwaarden van uitgifte.

6.1 Uitgifte van aandelen geschiedt krachtens besluit van de algemene vergadering. Deze bevoegdheid betreft alle niet uitgegeven aandelen in het maatschappelijk kapitaal van de vennootschap zoals deze van tijd tot tijd luidt, behoudens voor zover de bevoegdheid tot uitgifte van aandelen overeenkomstig het bepaalde in artikel 6.2 aan het bestuur toekomt.

6.2 Uitgifte van aandelen geschiedt krachtens besluit van het bestuur, indien en voor zover het bestuur daartoe door de algemene vergadering is aangewezen. Deze aanwijzing kan telkens voor niet langer dan vijf jaren geschieden en telkens voor niet langer dan vijf jaren worden verlengd. Bij de aanwijzing moet worden bepaald hoeveel aandelen krachtens besluit van het bestuur mogen worden uitgegeven.

6.3 Tenzij bij de aanwijzing anders is bepaald kan een besluit van de algemene vergadering tot aanwijzing van het bestuur als tot uitgifte van aandelen bevoegd vennootschapsorgaan niet worden herroepen.

6.4 Het hiervoor in dit artikel 6 bepaalde is van overeenkomstige toepassing op het verlenen van rechten tot het nemen van aandelen maar is niet van toepassing op het

uitgeven van aandelen aan een persoon die een voordien reeds verkregen recht tot het nemen van aandelen uitoefent.

6.5 De vennootschap mag geen eigen aandelen nemen.

6.6 Op een uitgifte van aandelen zijn voorts de artikelen 2:96 en 2:96a van het Burgerlijk Wetboek van toepassing.

Artikel 7. Voorkeursrechten.

7.1 Iedere houder van aandelen heeft bij de uitgifte van aandelen een voorkeursrecht naar evenredigheid van het gezamenlijke nominale bedrag van zijn aandelen.

7.2 In afwijking van artikel 7.1 hebben houders van aandelen geen voorkeursrecht met betrekking tot een uitgifte van:

(a) aandelen tegen inbreng anders dan in geld; of

(b) aandelen aan werknemers van de vennootschap of van een groepsmaatschappij.

7.3 Het voorkeursrecht kan, telkens voor een enkele uitgifte, worden beperkt of uitgesloten bij besluit van de algemene vergadering. Echter, ten aanzien van een uitgifte van aandelen waartoe het bestuur heeft besloten, kan het voorkeursrecht worden beperkt of uitgesloten bij besluit van het bestuur, indien en voor zover het bestuur daartoe door de algemene vergadering is aangewezen.

7.4 Indien aan de algemene vergadering een voorstel tot beperking of uitsluiting van het voorkeursrecht wordt gedaan, moeten in het voorstel de redenen voor het voorstel en de keuze van de voorgenomen uitgifteprijs schriftelijk worden toegelicht.

7.5 Het hiervoor in dit artikel 7 bepaalde is van overeenkomstige toepassing op het verlenen van rechten tot het nemen van aandelen maar is niet van toepassing op het uitgeven van aandelen aan een persoon die een voordien reeds verkregen recht tot het nemen van aandelen uitoefent.

Artikel 8. Storting op aandelen.

8.1 Bij het nemen van elk aandeel moet daarop het gehele nominale bedrag worden gestort, alsmede, indien het aandeel voor een hoger bedrag wordt genomen, het verschil tussen die bedragen, onverminderd het bepaalde in artikel 2:80 lid 2 van het Burgerlijk Wetboek.

8.2 Storting op een aandeel moet in geld geschieden voor zover niet een andere inbreng is overeengekomen.

8.3 Betaling in een valuta die geen eenheid van de euro is, is uitsluitend toegestaan met toestemming van de vennootschap. Voor zover een dergelijke storting plaatsvindt, is aan de stortingsplicht voldaan voor het bedrag in euro's waartegen het gestorte bedrag vrijelijk kan worden gewisseld. Bepalend is de wisselkoers op de dag van de storting.

8.4 Indien het Bestuur daartoe besluit, kunnen aandelen worden uitgegeven ten laste van reserves van de vennootschap.

8.5 Het bestuur is bevoegd tot het aangaan van rechtshandelingen betreffende inbreng op aandelen anders dan in geld, en van de andere rechtshandelingen genoemd in artikel 2:94 van het Burgerlijk Wetboek, zonder voorafgaande goedkeuring van de algemene vergadering.

8.6 Op storting op aandelen en inbreng anders dan in geld zijn voorts de artikelen 2:80, 2:80a, 2:80b en 2:94b van het Burgerlijk Wetboek van toepassing.

Artikel 9. Eigen aandelen.

9.1 Verkrijging door de vennootschap van niet-volgestorte aandelen in haar kapitaal is nietig.

9.2 De vennootschap mag uitsluitend volgestorte aandelen in haar kapitaal verkrijgen om niet of indien en voor zover de algemene vergadering het bestuur heeft gemachtigd en alle overige toepasselijke wettelijke vereisten van artikel 2:98 van het Burgerlijk Wetboek worden nageleefd.

9.3 Een machtiging als bedoeld in artikel 9.2 geldt voor ten hoogste achttien maanden. In de machtiging bepaalt de algemene vergadering hoeveel aandelen mogen worden verkregen, hoe zij mogen worden verkregen en tussen welke grenzen de prijs moet liggen. De machtiging is niet vereist voor zover de vennootschap aandelen verkrijgt om, krachtens een voor hen geldende regeling, over te dragen aan werknemers in dienst van de vennootschap of van een groepsmaatschappij, mits deze aandelen zijn opgenomen in de prijscourant van een beurs.

9.4 De vennootschap mag aandelen in haar kapitaal verkrijgen tegen betaling in geld of tegen een vergoeding in de vorm van activa. In geval van voldoening van een vergoeding in de vorm van activa dient de waarde daarvan, zoals vastgesteld door het bestuur, binnen de bandbreedte te blijven die is vastgesteld door de algemene vergadering zoals bedoeld in artikel 9.3.

9.5 Artikelleden 9.1 tot en met 9.3 zijn niet van toepassing op aandelen die de vennootschap onder algemene titel verkrijgt.

9.6 In dit artikel 9 wordt onder aandelen tevens begrepen certificaten van aandelen.

9.7 Voor een aandeel dat toebehoort aan de vennootschap of aan een dochtermaatschappij kan geen stem worden uitgebracht; evenmin voor een aandeel waarvan één van hen de certificaten houdt. Op aandelen die de vennootschap in haar eigen kapitaal houdt, vindt generlei uitkering plaats.

9.8 De vennootschap is bevoegd door de vennootschap gehouden eigen aandelen of certificaten daarvan te vervreemden.

Artikel 10. Vermindering van het geplaatste kapitaal.

10.1 De algemene vergadering kan besluiten tot vermindering van het geplaatste kapitaal van de vennootschap door intrekking van aandelen, of door het nominale bedrag van aandelen bij statutenwijziging te verminderen. In een dergelijk besluit moeten de aandelen waarop het besluit betrekking heeft worden aangewezen en moet de uitvoering van het besluit zijn geregeld.

10.2 Een besluit tot intrekking kan slechts betreffen aandelen die de vennootschap zelf houdt of waarvan zij de certificaten houdt.

10.3 Voor een besluit tot kapitaalvermindering is een meerderheid van ten minste twee derden van de uitgebrachte stemmen vereist, indien minder dan de helft van het geplaatste kapitaal in de algemene vergadering is vertegenwoordigd.

10.4 Op een vermindering van het geplaatste kapitaal van de vennootschap zijn voorts van toepassing de bepalingen van de artikelen 2:99 en 2:100 van het Burgerlijk Wetboek.

Artikel 11. Levering van aandelen.

11.1 De levering van rechten die een aandeelhouder heeft met betrekking tot aandelen die zijn opgenomen in het giraal systeem, geschiedt overeenkomstig het bepaalde in de regelgeving die van toepassing is op het relevante giraal systeem.

11.2 Voor de levering van aandelen die niet zijn opgenomen in het giraal systeem zijn vereist een daartoe bestemde akte alsmede, behoudens in het geval dat de vennootschap zelf bij die rechtshandeling partij is, schriftelijke erkenning van de levering door de vennootschap. De erkenning geschiedt in de akte of vindt plaats op zodanige andere wijze als voorschreven door de wet.

11.3 Voor een levering waarbij in het giraal systeem opgenomen aandelen buiten dat systeem worden gebracht, gelden beperkingen op grond van de regelgeving die van toepassing op het relevante giraal systeem en is tevens de toestemming van het bestuur vereist.

Artikel 12. Vruchtgebruik, pandrecht en certificaten van aandelen.

12.1 Het bepaalde in de artikelen 12.1 en 12.2 is van overeenkomstige toepassing op de vestiging of levering van een vruchtgebruik op aandelen. Of het stemrecht verbonden aan aandelen waarop een vruchtgebruik rust, toekomt aan de aandeelhouder danwel de vruchtgebruiker, wordt bepaald overeenkomstig het bepaalde in artikel 2:88 van het Burgerlijk Wetboek. Vergaderrechten komen toe aan de aandeelhouder, met of zonder stemrecht, en aan de vruchtgebruiker met stemrecht, maar niet aan de vruchtgebruiker zonder stemrecht.

12.2 Het bepaalde in de artikelen 12.1 en 12.2 is eveneens van overeenkomstige toepassing op de vestiging van een pandrecht op aandelen. Een pandrecht op aandelen kan ook worden gevestigd als een stil pandrecht; alsdan is artikel 3:239 van het Burgerlijk Wetboek van (overeenkomstige) toepassing. Bij de vestiging van een pandrecht op een aandeel kunnen stemrecht en/of vergaderrechten niet aan de pandhouder worden toegekend.

12.3 Aan houders van certificaten van aandelen komen geen vergaderrechten toe, tenzij deze uitdrukkelijk door de vennootschap aan hen zijn toegekend, ingevolge een daartoe strekkend besluit van het bestuur.

HOOFDSTUK 4. HET BESTUUR.

Artikel 13. Bestuurders.

13.1 Het bestuur bestaat uit een of meer uitvoerend bestuurders en een of meer niet-uitvoerend bestuurders. Binnen het bestuur dient de meerderheid van de leden van het bestuur niet-uitvoerend bestuurder te zijn.

13.2 Het precieze aantal bestuurders, alsmede het aantal uitvoerend bestuurders en niet-uitvoerend bestuurders, wordt vastgesteld door het bestuur met inachtneming van artikel 13.1.

13.3 Het bestuur stelt een profielschets voor zijn omvang en samenstelling op, rekening houdend met de aard en de activiteiten van de met de vennootschap verbonden

onderneming. In de profielschets wordt ingegaan op (i) de gewenste deskundigheid en achtergrond van de leden van het bestuur, (ii) de gewenste diversiteit binnen het bestuur, (iii) de omvang van het bestuur en (iv) de onafhankelijkheid van de niet-uitvoerend bestuurders. De profielschets wordt algemeen beschikbaar gesteld en op de website van de vennootschap geplaatst.

13.4 Het bestuur kan één van de uitvoerend bestuurders tot *Chief Executive Officer* benoemen. Daarnaast kan het bestuur andere titels toekennen aan bestuurders.

13.5 Slechts natuurlijke personen kunnen niet-uitvoerend bestuurder zijn.

13.6 De vennootschap heeft een beleid voor de bezoldiging van het bestuur. Dit beleid wordt vastgesteld door de algemene vergadering bij volstrekte meerderheid van de rechtsgeldig uitgebrachte stemmen zonder dat een quorum is vereist; het bestuur doet daartoe een voorstel. De uitvoerend bestuurders nemen niet deel aan de beraadslaging en de besluitvorming van het bestuur omtrent dit voorstel.

13.7 De bevoegdheid tot vaststelling van een bezoldiging en verdere arbeidsvoorwaarden voor uitvoerend bestuurders komt toe aan het bestuur. De uitvoerend bestuurders nemen niet deel aan de beraadslaging en de besluitvorming van het bestuur daaromtrent.

13.8 De bevoegdheid tot vaststelling van de bezoldiging van niet-uitvoerend bestuurders komt toe aan de algemene vergadering.

13.9 Bestuurders hebben recht op een vrijwaring van de vennootschap en een bestuurdersaansprakelijkheidsverzekering, overeenkomstig artikel 23.

Artikel 14. Benoeming, schorsing en ontslag van bestuurders.

14.1 Bestuurders worden benoemd door de algemene vergadering. Een bestuurder wordt benoemd als uitvoerend bestuurder dan wel als niet-uitvoerend bestuurder. Een bestuurder wordt benoemd voor een termijn van maximaal vier (4) jaar. De zittingstermijn eindigt niet later dan na afloop van de jaarlijkse algemene vergadering die wordt gehouden in het vierde kalenderjaar na het jaar van benoeming, tenzij de bestuurder eerder aftreedt of wordt ontslagen.

14.2 Aandeelhouders en/of andere personen met vergaderrechten die alleen of gezamenlijk ten minste drie procent (3%) van het geplaatste aandelenkapitaal vertegenwoordigen, kunnen kandidaten nomineren voor benoeming tot niet-uitvoerend bestuurder ten aanzien van een derde van het totale aantal niet-uitvoerend bestuurders. Het bestuur informeert aandeelhouders en andere personen met vergaderrechten via een bericht op de website van de vennootschap wanneer, en ten gevolge waarvan en overeenkomstig welk profiel in zijn midden een vacature moet worden vervuld. Het bestuur neemt alle kandidaten die door aandeelhouders worden voorgedragen in overweging bij selecteren van een of meer personen die worden voorgedragen voor benoeming door de algemene vergadering. In dit verband kan het bestuur twee personen voor één en dezelfde vacante zetel kiezen en de algemene vergadering laten beslissen welke persoon zal worden benoemd.

14.3 Een voorstel tot benoeming van een bestuurder vermeldt de leeftijd van de kandidaat en de functies die hij bekleedt of heeft bekleed, voor zover die van belang zijn voor de vervulling van de taak van bestuurder. Het voorstel wordt met redenen omkleed.

14.4 In de algemene vergadering van aandeelhouders kan slechts over de benoeming van een bestuurder gestemd worden met betrekking tot kandidaten van wie de namen op de agenda van de vergadering zijn vermeld. Indien een door het bestuur voorgedragen kandidaat niet wordt benoemd, heeft het bestuur het recht in een volgende vergadering een nieuwe kandidaat voor te dragen.

14.5 Iedere bestuurder kan te allen tijde door de algemene vergadering worden ontslagen.

14.6 Iedere bestuurder kan te allen tijde door de algemene vergadering worden geschorst. Een uitvoerend bestuurder kan ook worden geschorst door het bestuur. Een schorsing kan één of meer malen worden verlengd, maar kan in totaal niet langer duren dan drie maanden. Is na verloop van die tijd geen beslissing genomen omtrent de opheffing van de schorsing of ontslag, dan eindigt de schorsing. Een schorsing kan te allen tijde door de algemene vergadering worden opgeheven.

14.7 Op de herbenoeming van een bestuurder is het bepaalde in dit artikel 14 omtrent benoeming van een bestuurder van overeenkomstige toepassing.

Artikel 15. Voorzitter.

15.1 Het bestuur wijst een niet-uitvoerend bestuurder aan als voorzitter van het bestuur voor een door het bestuur te bepalen termijn.

15.2 Het bestuur kan een of meer andere niet-uitvoerend bestuurders tot vice-voorzitter van het bestuur benoemen voor een door het bestuur te bepalen termijn.

Artikel 16. Taken en bevoegdheden; taakverdeling.

16.1 Het bestuur is belast met het besturen van de vennootschap. Bij de vervulling van hun taak richten de bestuurders zich naar het belang van de vennootschap en de met haar verbonden onderneming. Elke bestuurder draagt verantwoordelijkheid voor de algemene gang van zaken.

16.2 De uitvoerend bestuurders zijn belast met de dagelijkse leiding over de met de vennootschap verbonden onderneming.

16.3 Het bestuur zal een bestuursreglement vaststellen omtrent de besluitvorming en werkwijze van het bestuur.

16.4 De niet-uitvoerend bestuurders houden toezicht op de taakuitoefening door de uitvoerend bestuurders en op de algemene gang van zaken in de vennootschap en de met haar verbonden onderneming. Zij vervullen voorts de taken die in deze statuten en door het bestuur aan hen worden opgedragen.

16.5 Het bestuur kan taken en bevoegdheden toedelen aan individuele bestuurders en/of aan commissies bestaande uit twee of meer bestuurders. Dit kan mede inhouden het delegeren van de bevoegdheid van het bestuur tot het nemen van besluiten, mits dit schriftelijk wordt vastgelegd. Een bestuurder of commissie waaraan taken en/of bevoegdheden van het bestuur zijn toegedeeld, is gebonden aan de ter zake door het bestuur te stellen regels.

Artikel 17. Vertegenwoordiging.

17.1 Het bestuur is bevoegd de vennootschap te vertegenwoordigen. Een zelfstandig vertegenwoordigingsbevoegdheid komt mede toe aan de *Chief Executive Officer* en de voorzitter van het bestuur.

17.2 Het bestuur kan functionarissen met algemene of beperkte vertegenwoordigingsbevoegdheid aanstellen. Ieder van hen vertegenwoordigt de vennootschap met inachtneming van de begrenzing aan zijn bevoegdheid gesteld. De titulatuur van deze functionarissen wordt door het bestuur bepaald.

Artikel 18. Vergaderingen; besluitvormingsproces.

18.1 Het bestuur vergadert zo vaak als door de voorzitter van het bestuur, de *Chief Executive Officer* of ten minste twee (2) bestuurders wenselijk wordt geoordeeld, maar in ieder geval ten minste vier (4) keer per kalenderjaar. De voorzitter van het bestuur, of bij diens afwezigheid een vice-voorzitter, zit de vergadering voor. Van het verhandelde worden notulen gehouden.

18.2 Tenzij deze statuten anders bepalen, worden alle besluiten van het bestuur genomen bij volstrekte meerderheid van de ter vergadering uitgebrachte stemmen. Indien de stemmen staken, beslist de voorzitter.

18.3 Het bestuur is bevoegd bepaalde besluiten aan te wijzen waarvoor tevens instemming van de meerderheid van de niet-uitvoerende bestuurders of onafhankelijke bestuurders vereist is. Deze besluiten dienen duidelijk te worden omschreven en in het bestuursreglement te worden opgenomen.

18.4 Besluiten van het bestuur kunnen zowel in een vergadering als daarbuiten worden genomen.

18.5 Het bestuur kan in een vergadering alleen geldige besluiten nemen, indien ten minste de meerderheid van de bestuurders ter vergadering aanwezig of vertegenwoordigd is. Echter, het bestuur is bevoegd typen besluiten aan te wijzen waarvoor een afwijkende regeling geldt. Deze typen besluiten en de aard van de afwijking dienen duidelijk te worden omschreven en in het bestuursreglement te worden opgenomen.

18.6 Vergaderingen van het bestuur kunnen worden gehouden door het bijeenkomen van bestuurders of door middel van telefoongesprekken, "video conference" of via andere communicatiemiddelen, waarbij alle deelnemende bestuurders in staat zijn gelijktijdig met elkaar te communiceren. Deelname aan een op deze wijze gehouden vergadering geldt als het ter vergadering aanwezig zijn.

18.7 Voor besluitvorming buiten vergadering is vereist dat het voorstel aan alle bestuurders is voorgelegd, geen van de bestuurders zich tegen deze wijze van besluitvorming heeft verzet en een overeenkomstig artikel 18.5 of het bestuursreglement bepaalde meerderheid van de bestuurders uitdrukkelijk heeft verklaard in te stemmen met de aldus schriftelijk aanvaarde besluiten. In de eerstvolgende vergadering van het bestuur gehouden nadat de bestuurders op deze wijze zijn geraadpleegd, deelt de voorzitter van die vergadering het resultaat van die raadpleging mede.

18.8 Derden mogen afgaan op een schriftelijke verklaring van de voorzitter van het bestuur of vice-voorzitter, of van de secretaris van de vennootschap omtrent besluiten die door

het bestuur of een commissie zijn genomen. Betreft het een door een commissie genomen besluit, dan mogen derden tevens afgaan op een schriftelijke verklaring van de voorzitter van de desbetreffende commissie.

18.9 Het bestuur kan nadere regels vaststellen omtrent de werkwijze en besluitvorming in het bestuur.

Artikel 19. Tegenstrijdige belangen.

19.1 Een bestuurder met een tegenstrijdig belang als bedoeld in artikel 19.2 of met een belang dat de schijn van een dergelijk tegenstrijdig belang kan hebben (beide een (**potentieel**) **tegenstrijdig belang**) stelt zijn medebestuurders hiervan in kennis.

19.2 Een bestuurder neemt niet deel aan de beraadslaging en besluitvorming binnen het bestuur, indien hij daarbij een direct of indirect persoonlijk belang heeft dat tegenstrijdig is met het belang van de vennootschap en de met haar verbonden onderneming. Dit verbod geldt niet indien het tegenstrijdig belang zich voordoet ten aanzien van alle bestuurders.

19.3 Van een tegenstrijdig belang als bedoeld in artikel 19.2 is slechts sprake, indien de bestuurder in de gegeven situatie niet in staat moet worden geacht het belang van de vennootschap en de met haar verbonden onderneming met de vereiste integriteit en objectiviteit te behartigen. Wordt een transactie voorgesteld waarbij naast de vennootschap ook een groepsmaatschappij van de vennootschap een belang heeft, dan betekent het enkele feit dat een bestuurder enige functie bekleedt bij de betrokken of een andere groepsmaatschappij, en daarvoor al dan niet een vergoeding ontvangt, nog niet dat sprake is van een tegenstrijdig belang als bedoeld in artikel 19.2.

19.4 De bestuurder die in verband met een (potentieel) tegenstrijdig belang niet de taken en bevoegdheden uitoefent die hem anders als bestuurder zouden toekomen, wordt in zoverre aangemerkt als een bestuurder die belet heeft.

19.5 Een (potentieel) tegenstrijdig belang tast de vertegenwoordigingsbevoegdheid als bedoeld in artikel 17.1 niet aan.

Artikel 20. Ontstentenis of belet.

20.1 In geval van ontstentenis of belet van een bestuurder, zijn de overblijvende bestuurders of is de overblijvende bestuurder tijdelijk met het besturen van de vennootschap belast.

20.2 In geval van ontstentenis of belet van een of meer uitvoerend bestuurders, kan het bestuur tijdelijk taken en bevoegdheden van een uitvoerend bestuurder toedelen aan een andere uitvoerend bestuurder (indien er nog een uitvoerend bestuurder over is), een niet-uitvoerend bestuurder, voormalige bestuurders of een andere persoon.

20.3 Indien binnen een tijdsbestek van een week de meerderheid van de bestuurders ophoudt zijn functie uit te oefenen, dan houden alle bestuurders van rechtswege op hun functie uit te oefenen en worden alle bestuurszetels als vacant beschouwd, met dien verstande dat ieder lid van het bestuur (ter voorkoming van enige misverstand, met inbegrip van de meerderheid van bestuurders die binnen een tijdsbestek van een week opgehouden zijn hun functie te vervullen) zal blijven optreden als tijdelijk waarnemer van zijn of haar vacante zetel totdat een nieuw bestuur is benoemd. De

bestuurders handelend als tijdelijk waarnemers worden belast met het zo spoedig als praktisch mogelijk bijeenroepen van een algemene vergadering van aandeelhouders met als doel de benoeming van een nieuw bestuur. De zittingsduur van de bestuurders als plaatsvervanger eindigt aan het einde van de desbetreffende vergadering.

20.4 Bij de vaststelling in hoeverre bestuurders aanwezig of vertegenwoordigd zijn, instemmen met een wijze van besluitvorming, of stemmen, worden tijdelijk waarnemers meegerekend en wordt geen rekening gehouden met vacante bestuurszetels waarvoor geen tijdelijke waarnemer is benoemd en bestuurders die belet hebben.

Artikel 21. Secretaris van de vennootschap.

21.1 Het bestuur benoemt een secretaris van de vennootschap benoemen en is te allen tijde bevoegd deze te vervangen.

21.2 De secretaris van de vennootschap heeft de taken en bevoegdheden die bij deze statuten en bij besluit van het bestuur aan hem zijn opgedragen.

21.3 Bij afwezigheid van de secretaris van de vennootschap worden diens taken en bevoegdheden waargenomen door zijn plaatsvervanger, indien aangewezen door het bestuur.

Artikel 22. Goedkeuring van besluiten van het bestuur.

22.1 Het bestuur behoeft de goedkeuring van de algemene vergadering voor besluiten omtrent een belangrijke verandering van de identiteit of het karakter van de vennootschap of de onderneming, waaronder in ieder geval:

(a) overdracht van de onderneming of vrijwel de gehele onderneming aan een derde;

(b) het aangaan of verbreken van duurzame samenwerking van de vennootschap of een dochtermaatschappij met een andere rechtspersoon of vennootschap dan wel als volledig aansprakelijke vennote in een commanditaire vennootschap of vennootschap onder firma, indien deze samenwerking of verbreking van ingrijpende betekenis is voor de vennootschap;

(c) het nemen of afstoten van een deelneming in het kapitaal van een vennootschap ter waarde van ten minste één derde van het bedrag van de activa volgens de balans met toelichting of, indien de vennootschap een geconsolideerde balans opstelt, volgens de geconsolideerde balans met toelichting volgens de laatst vastgestelde jaarrekening van de vennootschap, door haar of een dochtermaatschappij.

22.2 Het ontbreken van een goedkeuring met betrekking tot een besluit als bedoeld in artikel 22 tast de vertegenwoordigingsbevoegdheid van het bestuur of de leden van het bestuur niet aan.

Artikel 23. Vrijwaring en verzekering.

23.1 Voor zover rechtens toelaatbaar vrijwaart de vennootschap iedere zittende en voormalige bestuurder (ieder van hen, alleen voor de toepassing van dit artikel 23, een **Gevrijwaarde Persoon**), en stelt deze schadeloos, voor elke aansprakelijkheid en alle claims, uitspraken, boetes en schade (**Claims**) die de Gevrijwaarde Persoon heeft

moeten dragen in verband met een te verwachten, lopende of beëindigde actie, onderzoek of andere procedure van civielrechtelijke, strafrechtelijke of administratiefrechtelijke aard (elk, een **Juridische Actie**), van of geïnitieerd door enige partij, niet zijnde de vennootschap of een groepsmaatschappij daarvan, als gevolg van enig doen of nalaten in zijn hoedanigheid van Gevrijwaarde Persoon of een daaraan gerelateerde hoedanigheid. Onder Claims worden mede verstaan afgeleide acties tegen de Gevrijwaarde Persoon van of geïnitieerd door de vennootschap of een groepsmaatschappij daarvan alsmede (regres)vorderingen van de vennootschap of een groepsmaatschappij daarvan ter zake van betalingen op grond van claims van derden, indien de Gevrijwaarde Persoon daarvoor persoonlijk aansprakelijk wordt gehouden.

23.2 De Gevrijwaarde Persoon wordt niet gevrijwaard voor Claims voor zover deze betrekking hebben op het behalen van persoonlijke winst, voordeel of beloning waartoe hij juridisch niet was gerechtigd, of als de aansprakelijkheid van de Gevrijwaarde Persoon wegens opzet of bewuste roekeloosheid bij in kracht van gewijsde gegaan vonnis is vastgesteld.

23.3 De vennootschap zorgt voorts voor een adequate verzekering tegen Claims tegen zittende en voormalige bestuurders (**bca-verzekering**) en draagt daarvan de kosten, tenzij zodanige verzekering niet op redelijke voorwaarden kan worden verkregen.

23.4 Alle kosten (redelijke advocatenhonoraria en proceskosten inbegrepen) (tezamen **Kosten**) die de Gevrijwaarde Persoon heeft moeten dragen in verband met een Juridische Actie zullen door de vennootschap worden voldaan of vergoed, maar slechts na ontvangst van een schriftelijke toezegging van de Gevrijwaarde Persoon dat hij zodanige Kosten zal terugbetalen als een bevoegde rechter bij in kracht van gewijsde gegaan vonnis heeft vastgesteld dat hij niet gerechtigd is om aldus schadeloos gesteld te worden. Onder Kosten wordt mede verstaan de door de Gevrijwaarde Persoon eventueel verschuldigde belasting op grond van de aan hem gegeven vrijwaring.

23.5 Ook ingeval van een Juridische Actie tegen de Gevrijwaarde Persoon die aanhangig is gemaakt door de vennootschap of een groepsmaatschappij zal de vennootschap redelijke advocatenhonoraria en proceskosten voldoen of aan de Gevrijwaarde Persoon vergoeden, maar slechts na ontvangst van een schriftelijke toezegging van de Gevrijwaarde Persoon dat hij zodanige honoraria en kosten zal terugbetalen als een bevoegde rechter bij in kracht van gewijsde gegaan vonnis de Juridische Actie heeft beslist in het voordeel van de vennootschap of de desbetreffende groepsmaatschappij.

23.6 De Gevrijwaarde Persoon zal geen persoonlijke financiële aansprakelijkheid jegens derden aanvaarden en geen vaststellingsovereenkomst in dat opzicht aangaan, zonder voorafgaande schriftelijke toestemming van de vennootschap. De vennootschap en de Gevrijwaarde Persoon zullen zich in redelijkheid inspannen om samen te werken teneinde overeenstemming te bereiken over de wijze van verdediging ter zake van enige Claim. Indien echter de vennootschap en de Gevrijwaarde Persoon geen overeenstemming bereiken zal de Gevrijwaarde Persoon, om aanspraak te kunnen

maken op de vrijwaring als bedoeld in dit artikel 23, alle door de vennootschap naar eigen inzicht gegeven instructies opvolgen.

23.7 De vrijwaring als bedoeld in dit artikel 23 geldt niet voor Claims en Kosten voor zover deze door verzekeraars worden vergoed.

24.8 Dit artikel 23 kan worden gewijzigd zonder instemming van de Gevrijwaarde Personen als zodanig. Echter, de hierin gegeven vrijwaring zal niettemin haar gelding behouden ten aanzien van Claims en/of Kosten die zijn ontstaan uit handelingen of nalatigheid van de Gevrijwaarde Persoon in de periode waarin deze bepaling van kracht was.

HOOFDSTUK 5. JAARREKENING; WINST EN UITKERINGEN.

Artikel 24. Boekjaar en jaarrekening.

24.1 Het boekjaar van de vennootschap valt samen met het kalenderjaar.

24.2 Jaarlijks binnen vier maanden na afloop van het boekjaar maakt het bestuur een jaarrekening op en legt deze voor de aandeelhouders en andere personen met vergaderrechten ter inzage ten kantore van de vennootschap. Binnen deze termijn dient het bestuur ook het bestuursverslag ter inzage voor de aandeelhouders en andere personen met vergaderrechten te leggen.

24.3 De jaarrekening wordt ondertekend door de bestuurders. Ontbreekt de ondertekening van één of meer van hen, dan wordt daarvan onder opgave van reden melding gemaakt.

24.4 De vennootschap zorgt dat de opgemaakte jaarrekening, het bestuursverslag en de krachtens de wet toe te voegen gegevens vanaf de datum van oproeping voor de jaarlijkse algemene vergadering van aandeelhouders te haren kantore aanwezig zijn. Aandeelhouders en andere personen met vergaderrechten kunnen de stukken aldaar inzien en er kosteloos een afschrift van verkrijgen.

24.5 Op de jaarrekening, het bestuursverslag en de krachtens de wet toe te voegen gegevens zijn voorts van toepassing de bepalingen van Boek 2, Titel 9, van het Burgerlijk Wetboek.

24.6 De taal van de jaarrekening is Engels.

Artikel 25. Externe accountant.

25.1 De algemene vergadering van aandeelhouders verleent aan een organisatie, waarin registeraccountants samenwerken als bedoeld in artikel 2:393 lid 1 van het Burgerlijk Wetboek (een **externe accountant**) opdracht om de door het bestuur opgemaakte jaarrekening te onderzoeken overeenkomstig het bepaalde in artikel 2:393 lid 3 van het Burgerlijk Wetboek.

25.2 De externe accountant is gerechtigd tot inzage van alle boeken en bescheiden van de vennootschap en het is hem verboden hetgeen hem over de zaken van de vennootschap blijkt of medegedeeld wordt verder bekend te maken dan zijn opdracht met zich brengt. Zijn bezoldiging komt ten laste van de vennootschap.

25.3 De externe accountant brengt omtrent zijn onderzoek verslag uit aan het bestuur. Hij maakt daarbij ten minste melding van zijn bevindingen met betrekking tot de betrouwbaarheid en continuïteit van de geautomatiseerde gegevensverwerking.

25.4 De externe accountant geeft de uitslag van zijn onderzoek weer in een verklaring omtrent de getrouwheid van de jaarrekening.

25.5 De jaarrekening kan niet worden vastgesteld, indien de algemene vergadering geen kennis heeft kunnen nemen van de verklaring van de externe accountant, die aan de jaarrekening moest zijn toegevoegd, tenzij onder de overige gegevens bij de jaarrekening een wettige grond wordt medegedeeld waarom de verklaring ontbreekt.

Artikel 26. Vaststelling van de jaarrekening en kwijting.

26.1 De algemene vergadering stelt de jaarrekening vast.

26.2 In de algemene vergadering van aandeelhouders waarin tot vaststelling van de jaarrekening wordt besloten, worden afzonderlijk aan de orde gesteld voorstellen tot het verlenen van kwijting aan de bestuurders voor de uitoefening van hun taak, voor zover van die taakuitoefening blijkt uit de jaarrekening en/of uit informatie die anderszins voorafgaand aan de vaststelling van de jaarrekening aan de algemene vergadering is verstrekt.

Artikel 27. Reserves, winst en uitkeringen.

27.1 Het bestuur kan besluiten de in een boekjaar behaalde winst geheel of ten dele te bestemmen voor versterking of vorming van reserves.

27.2 De winst die overblijft na toepassing van artikel 27.1 staat ter beschikking van de algemene vergadering. Het bestuur doet daartoe een voorstel. Het voorstel tot uitkering van dividend wordt als apart agendapunt op de algemene vergadering van aandeelhouders behandeld.

27.3 Uitkeringen ten laste van de vrij uitkeerbare reserves van de vennootschap worden gedaan door een besluit van de algemene vergadering zulks op voorstel van het bestuur.

27.4 Mits uit een door het bestuur ondertekende tussentijdse vermogensopstelling blijkt dat aan het in artikel 27.8 bedoelde vereiste betreffende de vermogenstoestand van de vennootschap is voldaan, kan het bestuur aan de houders van aandelen één of meer tussentijdse uitkeringen doen. De tussentijdse vermogensopstelling behoeft niet te worden onderzocht door de externe accountant.

27.5 Het bestuur is bevoegd om te bepalen dat een uitkering op aandelen niet in geld maar in de vorm van aandelen zal worden gedaan of te bepalen dat houders van aandelen de keuze wordt gelaten om de uitkering in geld en/of in de vorm van aandelen te nemen, een en ander uit de winst en/of uit een reserve en een en ander voor zover het bestuur is aangewezen als bevoegde orgaan tot uitgifte van aandelen.

27.6 Het reserverings- en dividendbeleid van de vennootschap wordt vastgesteld en kan worden gewijzigd door het bestuur. De vaststelling en nadien elke wijziging van het reserverings- en dividendbeleid wordt als apart agendapunt op de algemene vergadering van aandeelhouders behandeld en verantwoord.

27.7 De vennootschap kan tevens een beleid hebben voor deelneming in de winst van haar werknemers, welk beleid wordt vastgesteld door het bestuur.

27.8 Uitkeringen kunnen slechts worden gedaan voor zover het eigen vermogen groter is dan het bedrag van het gestorte en opgevraagde deel van het kapitaal vermeerderd met de reserves die krachtens de wet of deze statuten moeten worden aangehouden.

27.9 Elke uitkering op aandelen zal zodanig worden gedaan dat op ieder aandeel een gelijk bedrag of waarde wordt uitgekeerd.

Artikel 28. Betaalbaarstelling van en gerechtigdheid tot uitkeringen.

28.1 Dividenden en andere uitkeringen worden betaalbaar gesteld ingevolge een besluit van het bestuur binnen vier weken na vaststelling, tenzij het bestuur een andere datum bepaalt.

28.2 De vordering tot uitkering van dividend van een aandeelhouder verjaart door een tijdsverloop van vijf jaren na de dag van betaalbaarstelling.

HOOFDSTUK 6. DE ALGEMENE VERGADERING.

Artikel 29. Jaarlijkse en buitengewone algemene vergaderingen van aandeelhouders.

29.1 Jaarlijks wordt uiterlijk in de maand juni een Algemene Vergadering van Aandeelhouders gehouden.

29.2 De agenda van die vergadering wordt opgemaakt met inachtneming van de relevante bepalingen van het Burgerlijk Wetboek en van de Nederlandse Corporate Governance Code.

29.3 Andere algemene vergaderingen van aandeelhouders worden voorts gehouden zo dikwijls het bestuur zulks noodzakelijk acht, onverminderd het bepaalde in de artikelen 2:108a, 2:110, 2:111 en 2:112 van het Burgerlijk Wetboek.

29.4 Indien de vennootschap krachtens wettelijke bepalingen een Nederlandse ondernemingsraad heeft ingesteld, wordt

(a) een voorstel tot benoeming, schorsing of ontslag van een bestuurder of een commissaris;

(b) een voorstel tot vaststelling of wijziging van het beloningsbeleid als bedoeld in artikel 13.6; of

(c) een voorstel tot goedkeuring van een besluit als bedoeld in artikel 22.1,

niet aan de algemene vergadering aangeboden dan nadat de ondernemingsraad tijdig voor de datum van oproeping van de desbetreffende algemene vergadering in de gelegenheid is gesteld hierover een standpunt te bepalen. De voorzitter of een door hem aangewezen lid van de ondernemingsraad kan het standpunt van de ondernemingsraad in de algemene vergadering toelichten. Het ontbreken van zodanig standpunt tast de besluitvorming over het voorstel niet aan.

29.5 Voor de toepassing van artikel 29.4 wordt onder **ondernemingsraad** mede verstaan de ondernemingsraad van de onderneming van een dochtermaatschappij, mits de werknemers in dienst van de vennootschap en de dochtermaatschappijen in meerderheid binnen Nederland werkzaam zijn. Is er meer dan één ondernemingsraad dan wordt de bevoegdheid van deze raden gezamenlijk uitgeoefend. Is voor de betrokken onderneming of ondernemingen een centrale ondernemingsraad ingesteld, dan komt de bevoegdheid toe aan de centrale ondernemingsraad. De in artikel 29.4

vermelde bevoegdheden van de ondernemingsraad gelden slechts indien en voor zover voorgeschreven door het Burgerlijk Wetboek.

Artikel 30. Oproeping en agenda van vergaderingen.

30.1 Algemene vergaderingen van aandeelhouders worden bijeengeroepen door het bestuur of de voorzitter van het bestuur.

30.2 De oproeping geschiedt met inachtneming van de wettelijke oproepingstermijn.

30.3 Bij de oproeping worden de door de wet voorgeschreven informatie vermeld.

30.4 Mededelingen welke krachtens de wet of deze statuten aan de algemene vergadering moeten worden gericht, kunnen geschieden door opneming hetzij in de oproeping hetzij in een stuk dat ter kennisneming ten kantore van de vennootschap is neergelegd, mits daarvan in de oproeping melding wordt gemaakt.

30.5 Aandeelhouders en/of andere personen met vergaderrechten die alleen of gezamenlijk voldoen aan de vereisten uiteengezet in artikel 2:114a lid 1 van het Burgerlijk Wetboek, hebben het recht om aan het bestuur het verzoek te doen om onderwerpen op de agenda van de algemene vergadering van aandeelhouders te plaatsen, mits de redenen voor het verzoek daarin zijn vermeld en het verzoek ten minste zestig (60) kalenderdagen voor de datum van de algemene vergadering van aandeelhouders bij de voorzitter van het bestuur schriftelijk is ingediend.

30.6 De oproeping geschiedt op de wijze vermeld in artikel 36.

Artikel 31. Plaats van vergaderingen.

Algemene vergaderingen van aandeelhouders worden gehouden te Amsterdam of Haarlemmermeer (daaronder begrepen luchthaven Schiphol), ter keuze van degene die de vergadering bijeenroept.

Artikel 32. Voorzitter van de vergadering.

32.1 De algemene vergaderingen van aandeelhouders worden voorgezeten door de voorzitter van het bestuur of diens vervanger. Het bestuur mag echter een andere persoon aanwijzen als voorzitter van de vergadering. Aan de voorzitter van de vergadering komen alle bevoegdheden toe die nodig zijn om de algemene vergadering van aandeelhouders goed en ordelijk te laten functioneren.

32.2 Indien niet volgens artikel 32.1 in het voorzitterschap van een vergadering is voorzien, voorziet de vergadering zelf in het voorzitterschap, met dien verstande dat, zolang die voorziening niet heeft plaatsgehad, het voorzitterschap wordt waargenomen door een bestuurder, daartoe door de aanwezige bestuurders aangewezen.

Artikel 33. Notulen.

33.1 Van het verhandelde in de algemene vergadering van aandeelhouders worden door of onder de zorg van de secretaris van de vennootschap notulen gehouden, welke door de voorzitter van de vergadering en de secretaris van de vennootschap worden vastgesteld en ten blijke daarvan door hen ondertekend.

33.2 De voorzitter van de vergadering kan echter bepalen dat van het verhandelde een notarieel proces-verbaal van vergadering wordt opgemaakt. Alsdan is de medeondertekening daarvan door de voorzitter voldoende.

Artikel 34. Vergaderrechten en toegang.

34.1 Iedere aandeelhouder en iedere andere persoon met vergaderrechten is bevoegd de algemene vergaderingen van aandeelhouders bij te wonen, daarin het woord te voeren en, voor zover het hem toekomt, het stemrecht uit te oefenen. Zij kunnen zich ter vergadering doen vertegenwoordigen door een schriftelijk gevolmachtigde.

34.2 Voor iedere algemene vergadering van aandeelhouders geldt een volgens de wet vast te stellen registratiedatum teneinde vast te stellen aan wie de aan aandelen verbonden stem- en vergaderrechten toekomen. De registratiedatum en de wijze waarop personen met vergaderrechten zich kunnen laten registreren en de wijze waarop zij hun rechten kunnen uitoefenen wordt bij de oproeping vermeld.

34.3 Een persoon met vergaderrechten, of diens gevolmachtigde, wordt alleen tot de vergadering toegelaten indien hij de vennootschap schriftelijk van zijn voornemen om de vergadering bij te wonen heeft kennis gegeven, zulks op de plaats die en uiterlijk op het tijdstip dat in de oproeping is vermeld. De gevolmachtigde dient tevens zijn schriftelijke volmacht te tonen.

34.4 Het bestuur kan bepalen dat de stemrechten en het vergaderrecht kunnen worden uitgeoefend door middel van een elektronisch communicatiemiddel. Hiervoor is in ieder geval vereist dat iedere persoon met vergaderrechten, of zijn vertegenwoordiger, via het elektronisch communicatiemiddel kan worden geïdentificeerd, rechtstreeks kan kennisnemen van de verhandelingen ter vergadering en, voor zover dat hem toekomt, het stemrecht kan uitoefenen. Het bestuur kan daarbij bepalen dat bovendien is vereist dat iedere persoon met vergaderrechten, of zijn vertegenwoordiger, via het elektronisch communicatiemiddel kan deelnemen aan de beraadslaging.

34.5 Het bestuur kan nadere voorwaarden stellen aan het gebruik van het elektronische communicatiemiddel als bedoeld in artikel 34.4, mits deze voorwaarden redelijk en noodzakelijk zijn voor de identificatie van personen met vergaderrechten en de betrouwbaarheid en veiligheid van de communicatie. Deze voorwaarden worden bij de oproeping bekend gemaakt. Het voorgaande laat onverlet de bevoegdheid van de voorzitter om in het belang van een goede vergaderorde die maatregelen te treffen die hem goeddunken. Een eventueel niet of gebrekkig functioneren van de gebruikte elektronische communicatiemiddelen komt voor risico van de personen met vergaderrechten die ervan gebruikmaken.

34.6 Onder de zorg van de secretaris van de vennootschap wordt met betrekking tot elke algemene vergadering van aandeelhouders een presentielijst opgemaakt. In de presentielijst worden van elke aanwezige of vertegenwoordigde stemgerechtigde opgenomen: diens naam en het aantal stemmen dat door hem kan worden uitgebracht alsmede, indien van toepassing, de naam van diens vertegenwoordiger. Tevens worden in de presentielijst opgenomen de hiervoor bedoelde gegevens van stemgerechtigde personen die ingevolge artikel 34.4 deelnemen aan de vergadering of hun stem hebben uitgebracht op de wijze zoals bedoeld in artikel 35.3. De voorzitter van de vergadering kan bepalen dat ook de naam en andere gegevens van andere aanwezigen in de presentielijst worden opgenomen. De vennootschap is bevoegd zodanige verificatieprocedures in te stellen als zij redelijkerwijs nodig zal oordelen

om de identiteit van personen met vergaderrechten en, waar van toepassing, de identiteit en bevoegdheid van vertegenwoordigers te kunnen vaststellen.

34.7 De bestuurders zijn bevoegd in persoon de algemene vergadering van aandeelhouders bij te wonen en daarin het woord te voeren. Zij hebben als zodanig in de vergadering een raadgevende stem. Voorts is de externe accountant van de vennootschap bevoegd de algemene vergaderingen van aandeelhouders bij te wonen en daarin het woord te voeren.

34.8 Over de toelating tot de vergadering van anderen dan de hiervoor in dit artikel 34 bedoelde personen beslist de voorzitter van de vergadering, onverminderd het bepaalde in artikel 29.4.

Artikel 35. Stemmingen en besluitvorming.

35.1 Alle besluiten in de algemene vergadering van aandeelhouders worden, behalve in de gevallen waarin de wet of deze statuten een grotere meerderheid of een quorum voorschrijven, genomen bij volstrekte meerderheid van de ter vergadering uitgebrachte stemmen ongeacht het ter vergadering aanwezige of vertegenwoordigde aandelenkapitaal. Staken de stemmen, dan is het voorstel verworpen.

35.2 Elk gewoon aandeel A geeft recht op het uitbrengen van één (1) stem. Elk gewoon aandeel B geeft recht op het uitbrengen van tien (10) stemmen.

35.3 Het bestuur kan bepalen dat stemmen voorafgaand aan de algemene vergadering van aandeelhouders via een elektronisch communicatiemiddel of bij brief kunnen worden uitgebracht. Deze stemmen worden alsdan gelijk gesteld met stemmen die ten tijde van de vergadering worden uitgebracht. Deze stemmen kunnen echter niet eerder worden uitgebracht dan na de bij de oproeping te bepalen registratiedatum als bedoeld in artikel 34.2. Onverminderd het overigens in artikel 34 bepaalde wordt bij de oproeping vermeld op welke wijze en onder welke voorwaarden de stemgerechtigden hun rechten voorafgaand aan de vergadering kunnen uitoefenen.

35.4 Blanco en ongeldige stemmen worden als niet uitgebracht beschouwd.

35.5 De voorzitter van de vergadering bepaalt of en in hoeverre de stemming mondeling, schriftelijk, elektronisch of bij acclamatie geschiedt.

35.6 Bij de vaststelling in hoeverre aandeelhouders stemmen, aanwezig of vertegenwoordigd zijn, of in hoeverre het geplaatste kapitaal van de vennootschap vertegenwoordigd is, wordt geen rekening gehouden met aandelen waarvan op grond van de wet is bepaald dat daarvoor geen stemrecht kan worden uitgebracht.

Artikel 36. Oproepingen en kennisgevingen.

36.1 Alle oproepingen en mededelingen voor de algemene vergaderingen van aandeelhouders, alle bekendmakingen omtrent dividend en andere uitkeringen en alle andere kennisgevingen aan aandeelhouders en andere personen met vergaderrecht geschieden overeenkomstig de voorschriften van de wet en de regelgeving die op de vennootschap van toepassing zijn uit hoofde van de notering van aandelen aan de relevante effectenbeurzen.

36.2 De vennootschap kan bepalen dat aandeelhouders en andere personen met vergaderrechten uitsluitend worden opgeroepen via de website van de Vennootschap

en/of via een langs andere elektronische weg openbaar gemaakte aankondiging, zoals de vennootschap goeddunkt.

HOOFDSTUK 7. STATUTENWIJZIGING EN ONTBINDING. BESLECHTING VAN GESCHILLEN.

Artikel 37. Statutenwijziging en ontbinding.

37.1 De algemene vergadering kan een besluit tot wijziging van de statuten of ontbinding nemen met een meerderheid van de uitgebrachte stemmen vereist zonder dat een quorum vereist is.

37.2 Wanneer aan de algemene vergadering een voorstel tot statutenwijziging of tot ontbinding der vennootschap wordt gedaan, moet zulks steeds bij de oproeping tot de algemene vergadering van aandeelhouders worden vermeld, en moet, indien het een statutenwijziging betreft, tegelijkertijd een afschrift van het voorstel, waarin de voorgedragen wijziging woordelijk is opgenomen, ten kantore van de vennootschap ter inzage worden neergelegd en gratis verkrijgbaar worden gesteld voor aandeelhouders en andere personen met vergaderrechten tot de afloop der vergadering.

Artikel 38. Vereffening.

38.1 In geval van ontbinding van de vennootschap krachtens besluit van de algemene vergadering zijn de bestuurders belast met de vereffening van de zaken van de vennootschap.

38.2 Gedurende de vereffening blijven de bepalingen van deze statuten zoveel mogelijk van kracht.

38.3 Hetgeen na voldoening van de schulden van de ontbonden vennootschap is overgebleven, wordt overgedragen aan de aandeelhouders, naar evenredigheid van ieders aantal aandelen.

5.1 The Company must keep a Register of Shareholders. The register may consist of various parts which may be kept in different places and each may be kept in more than one copy and in more than one place as determined by the Board.

5.2 Holders of Shares are obliged to furnish their names and addresses to the Company in writing if and when so required pursuant to (a) a request of the Board and/or (b) the requirements of law and of regulation applicable to the Company. 5.4 Article 2:85 of the Dutch Civil Code applies to the register of Shareholders.

Article 6. Resolution to Issue; Conditions of Issuance.

6.1 Shares may be issued pursuant to a resolution of the General Meeting. This competence concerns all non-issued Shares of the Company's authorised capital from time to time, except insofar as the competence to issue Shares is vested in the Board in accordance with this Article 6.2.

6.2 Shares may be issued pursuant to a resolution of the Board, if and insofar as the Board is designated to do so by the General Meeting. Such designation can be made each time for a maximum period of five years and can be extended each time for a maximum period of five years. A designation must determine the number of Shares which may be issued pursuant to a resolution of the Board.

6.3 Unless stipulated differently when granting the authorisation, a resolution of the General Meeting to designate the Board as a body of the Company authorised to issue Shares cannot be revoked.

6.4 The foregoing provisions of this Article 6 apply mutatis mutandis to the granting of rights to subscribe for Shares, but do not apply in respect of issuing shares to a party exercising a previously acquired right to subscribe for Shares.

6.5 The Company may not subscribe for shares in its own capital.

6.6 A share issuance is furthermore subject to the provisions of Section 2:96 and 2:96a of the Dutch Civil Code.

Article 7. Pre-emptive Rights.

7.2 In deviation of Article 7.1, holders of Shares do not have pre-emptive rights in respect of an issue of:

(a) Shares issued against a non-cash contribution; or

(b) Shares issued to employees of the Company or of a group company.

7.3 For each individual issuance of Shares, pre-emptive rights may be restricted or excluded by a resolution of the General Meeting. However, with respect to an issue of Shares pursuant to a resolution of the Board, the pre-emptive rights can be restricted or excluded pursuant to a resolution of the Board if and insofar as the Board is designated to do so by the General Meeting.

7.4 If a proposal is made to the General Meeting to restrict or exclude the pre-emptive rights, the reason for such proposal and the choice of the intended issue price must be set forth in the proposal in writing.

7.5 The foregoing provisions of this Article 7 apply mutatis mutandis to the granting of rights to subscribe for Shares, but do not apply in respect of issuing Shares to a party exercising a previously acquired right to subscribe for Shares.

Article 8. Payment on Shares.

8.1 Upon issuance of each Share, the full nominal value thereof must be paid-up, as well as the difference between the two amounts if the Share is subscribed for at a higher price, without prejudice to the provisions of Section 2:80 subsection 2 of the Dutch Civil Code.

8.2 Shares must be paid up in cash, except to the extent that payment by means of a contribution in another form has been agreed.

8.3 Payment in another currency than euro is only permitted with the Company's consent. Where such a payment is made, the payment obligation is satisfied for the amount in euro for which the paid amount can be freely exchanged. The date of the payment determines the exchange rate.

8.4 With respect to Shares issued, the Board may decide that the issuance takes place at the expense of the reserves of the Company.

8.5 The Board is authorised to enter into legal acts relating to non-cash contributions and the other legal acts referred to in Section 2:94 of the Dutch Civil Code without the prior approval of the General Meeting.

Article 9. Own Shares.

9.1 The acquisition by the Company of Shares which have not been fully paid up shall be null and void.

9.2 The Company may only acquire fully paid up Shares in its own capital for no consideration or if and to the extent that the General Meeting has authorised the Board for this purpose and all other relevant statutory requirements of Section 2:98 of the Dutch Civil Code are observed.

9.3 An authorisation as referred to in Article 9.2 remains valid for no longer than eighteen months. When granting such authorisation, the General Meeting shall determine the number of Shares that may be acquired, how they may be acquired and within which range the acquisition price must be. An authorisation shall not be required for the Company to acquire Shares in its own capital in order to transfer them to employees

of the Company or of a group company pursuant to an arrangement applicable to them, provided that these Shares are included on the price list of a stock exchange.

9.4 The Company may acquire shares in its own capital for cash consideration or for consideration satisfied in the form of assets. In the case of a consideration being satisfied in the form of assets, the value thereof, as determined by the Board, must be within the range stipulated by the General Meeting as referred to in Article 9.3.

9.5 Articles 9.1 through 9.3 do not apply to shares acquired by the Company by universal succession.

9.6 In this Article 9, references to shares include depository receipts for shares.

9.7 No voting rights may be exercised in the General Meeting with respect to any Share held by the Company or by a subsidiary *(dochtermaatschappij)*, or any Share for which the Company or a subsidiary *(dochtermaatschappij)* holds the depositary receipts. No payments will be made on Shares which the Company holds in its own share capital.

9.8 The Board is authorised to alienate Shares held by the Company or depositary receipts for Shares.

Article 10. Reduction of the Issued Capital.

10.1 The General Meeting can resolve to reduce the Company's issued share capital by cancelling Shares or by reducing the nominal value of Shares by virtue of an amendment to these Articles of Association. The resolution must designate the shares to which the resolution relates and it must provide for the implementation of the resolution.

10.2 A resolution to cancel shares may only relate to shares held by the Company itself or in respect of which the Company holds the depository receipts.

10.3 A resolution of the General Meeting to reduce the Company's issued share capital shall require a majority of at least two thirds of the votes cast if less than half of the issued share capital is represented at the General Meeting.

10.4 A reduction of the issued capital of the Company is furthermore subject to the provisions of Sections 2:99 and 2:100 of the Dutch Civil Code.

Article 11. Transfer of Shares.

11.1 The transfer of rights a Shareholder holds with regard to Shares included in the Book Entry System must take place in accordance with the provisions of the regulations applicable to the relevant Book Entry System.

11.2 The transfer of Shares not included in the Book Entry System requires a deed to that effect and unless the Company itself is a party to the transaction, acknowledgement of the transfer by the Company. The acknowledgement shall be set out in the deed or shall be made in such other manner as prescribed by law.

11.3 A transfer of Shares from the Book Entry System is subject to the restrictions of the provisions of the regulations applicable to the relevant Book Entry System and is further subject to approval of the Board.

Article 12. Usufruct in Shares and Pledging of Shares; Depositary Receipts for Shares.

12.1 The provisions of Articles 12.1 and 12.2 apply by analogy to the creation or transfer of a right of usufruct in Shares. Whether the voting rights attached to the Shares on which a right of usufruct is created, are vested in the Shareholder or the usufructuary, is determined in accordance with Section 2:88 of the Dutch Civil Code. Shareholders, with or without voting rights, and the usufructuary with voting rights hold Meeting Rights. An usufructuary without voting rights does not hold Meeting Rights.

12.2 The provisions of Articles 12.1 and 12.2 apply by analogy to the pledging of Shares. Shares may also be pledged as an undisclosed pledge: in such case, Section 3:239 of the Dutch Civil Code applies by analogy. No voting rights and/or Meeting Rights accrue to the pledgee of Shares.

12.3 Holders of depositary receipts for Shares are not entitled to Meeting Rights, unless the Company, explicitly granted these rights by a resolution to that effect of the Board.

CHAPTER 4. THE BOARD.

Article 13. Directors.

13.1 The Board consists of one or more Executive Directors and one or more Non-Executive Directors. Within the Board the majority of the members of the Board must be Non-Executive Directors.

13.2 The exact number of Directors, as well as the number of Executive Directors and Non-Executive Directors, is determined by the Board, taking into account Article 13.1.

13.3 The Board must prepare a document which indicates a profile for its size and composition, taking account of the nature and activities of the business. The profile will address (i) the desired expertise and background of the Board members, (ii) the desired diversity within the Board, (iii) the size of the Board and (iv) the independence of the Non-Executive Directors. The profile will be made generally available and will be posted on the Company's website.

13.4 The Board may appoint one of the Executive Directors as Chief Executive Officer. In addition, the Board may grant other titles to Directors.

13.5 Only individuals can be Non-Executive Directors.

13.6 The Company must have a policy with respect to the remuneration of the Board. This policy is determined by the General Meeting with a majority of more than half of the votes validly cast without any quorum being required; the Board will make a proposal to that end. The Executive Directors shall not participate in the discussion and decision-making process of the Board on this.

13.7 The authority to establish remuneration and other terms of service for Executive Directors is vested in the Board. The Executive Directors shall not participate in the discussion and decision-making process of the Board on this.

13.8 The authority to establish remuneration for Non-Executive Directors is vested in the General Meeting.

13.9 Directors are entitled to an indemnity from the Company and D&O insurance, in accordance with Article 23.

Article 14. Appointment and Removal.

14.1 Directors are appointed by the General Meeting. A Director shall be appointed either

as an Executive Director or as a Non-Executive Director. Each Director will be appointed for a term of not more than four (4) years. The term of office shall end not later than the closing of the annual General Meeting which is to be held in the fourth calendar year after the year of appointment, unless the director resigns or is removed earlier.

14.2 Shareholders and/or other persons holding Meeting Rights who, alone or jointly, represent at least three per cent (3%) of the issued share capital may recommend candidates to be appointed as a Non-Executive Director with respect to one-third of the total number of Non-Executive Directors. The Board will inform Shareholders and other persons holding Meeting Rights via a notice on the Company's website, when and why and in accordance with what profile a vacancy has to be filled in its midst. The Board will consider all candidates proposed by Shareholders when making a selection for one or more persons to be appointed by the General Meeting. In this respect the Board may elect two persons for one and the same vacant seat and allow the General Meeting to decide which person will be appointed.

14.3 A proposal to appoint a Director will state the candidate's age and the positions he holds or has held, insofar as these are relevant for the performance of the duties of a Director. The proposal must state the reasons on which it is based.

14.4 At the General Meeting of Shareholders only candidates whose names are stated on the agenda of the meeting can be voted on for appointment as Director. If no appointment is made of a candidate nominated by the Board, the Board has the right to nominate a new candidate at a next meeting.

14.5 Each Director may be removed by the General Meeting at any time.

14.6 Each Director may be suspended by the General Meeting at any time. An Executive Director may also be suspended by the Board. A suspension may be extended one or more times, but may not last longer than three months in aggregate. If, at the end of that period, no decision has been taken on termination of the suspension or on removal, the suspension shall end. A suspension can be ended by the General Meeting at any time.

14.7 On re-appointment of a Director the provisions of this Article 14 regarding appointment of a Director apply accordingly.

Article 15. Chairman.

15.1 The Board appoints a Non-Executive Director as Chairman of the Board for a term to be determined by the Board.

15.2 The Board may appoint one or more other Non-Executive Directors as Vice-Chairman of the Board for a term to be determined by the Board.

Article 16. Duties and Powers, Allocation of Duties.

16.1 The Board is entrusted with the management of the Company. In the exercise of their duties, the Directors must be guided by the interests of the Company and the business connected with it. Each Director is responsible for the general course of affairs.

16.2 The Executive Directors are charged with the daily management of the business related to the Company.

16.3 The Board shall draw up regulations governing the decision making procedure of the Board.

16.4 The Non-Executive Directors must supervise the performance of duties by the Executive Directors as well as the general course of affairs of the Company and the business connected with it. They will also be charged with the duties assigned to them pursuant these Articles of Association or by the Board.

16.5 The Board may assign duties and powers to individual Directors and/or committees that are composed of two or more Directors. This may also include a delegation of resolution-making power, provided this is laid down in writing. A Director to whom and a committee to which powers of the Board are delegated, must comply with the rules set in relation thereto by the Board.

Article 17. Representation.

17.1 The Board is authorised to represent the Company. The Chief Executive Officer and the Chairman are also authorised to represent the Company acting solely.

17.2 The Board may appoint officers with general or limited power of representation. Each of these officers may represent the Company subject to the limitations relating to his power. Their titles shall be determined by the Board.

Article 18. Meetings; Decision-making Process.

18.1 The Board meets as often as deemed desirable by the Chairman, the Chief Executive Officer or at least two (2) of the Directors, but at least four (4) times each financial year. The meeting is presided by the Chairman, or in his absence a Vice-Chairman, of the Board. Minutes of the proceedings at the meeting must be kept.

18.2 Except as provided otherwise in these articles of association Board resolutions are adopted by absolute majority of the votes cast. If there is a tie in voting, the Chairman has a decisive vote.

18.3 The Board may designate resolutions which also require the affirmative vote of a majority of the Non-Executive Directors or independent directors. These further resolutions must be clearly specified and laid down in the Company's board regulations.

18.4 Resolutions of the Board can be adopted either in or outside a meeting.

18.5 Decisions taken at a meeting of the Board shall only be valid if the majority of the Directors is present or represented at the meeting. However, the Board may designate types of resolutions which are subject to a deviating requirement. These types of resolutions and the nature of the deviation must be clearly specified and laid down in the Company's board regulations.

18.6 Meetings of the Board may be held by means of an assembly of the Directors in person in a formal meeting or by conference call, video conference or by any other means of communication, provided that all Directors participating in such meeting are able to communicate with each other simultaneously. Participation in a meeting held in any of the above ways shall constitute presence at such meeting.

18.7 For adoption of a resolution other than at a meeting, it is required that the proposal is submitted to all Directors, none of them has objected to the relevant manner of

adopting resolutions and the required majority of the Directors as determined pursuant to Article 18.5 or the board regulations has voted in favour of the resolution's thus adopted in writing. In the next meeting held after such consultation of Directors, the Chairman of that meeting shall inform about the results of the consultation.

18.8 Third parties may rely on a written declaration by the Chairman or a Vice-Chairman of the Board, or by the Company Secretary, concerning resolutions adopted by the Board or a committee thereof. Where it concerns a resolution adopted by a committee, third parties may also rely on a written declaration by the chairman of such committee.

18.9 The Board may establish additional rules regarding its working methods and decision-making process.

Article 19. Conflicts of Interests.

19.1 A Director having a conflict of interests as referred to in Article 19.2 or an interest which may have the appearance of such a conflict of interests (both a (**potential**) **conflict of interests**) must declare the nature and extent of that interest to the other Directors.

19.2 A Director may not participate in deliberating or decision-making within the Board, if with respect to the matter concerned he has a direct or indirect personal interest that conflicts with the interests of the Company and the business connected with it. This prohibition does not apply if the conflict of interests exists for all Directors.

19.3 A conflict of interests as referred to in Article 19.2 only exists if in the situation at hand the Director must be deemed to be unable to serve the interests of the Company and the business connected with it with the required level of integrity and objectivity. If a transaction is proposed in which apart from the Company also an affiliate of the Company has an interest, then the mere fact that a Director holds any office or other function with the affiliate concerned or another affiliate, whether or not it is remunerated, does not mean that a conflict of interests as referred to in Article 19.2 exists.

19.4 The Director who in connection with a (potential) conflict of interests renounces to exercise, or who pursuant to Article 19.2 may not exercise, certain duties and powers will insofar be regarded as a Director who is unable to perform his duties *(belet)*.

19.5 A (potential) conflict of interests does not affect the authority concerning representation of the Company set forth in Article 17.1.

Article 20. Vacancy or Inability to Act.

20.1 If a seat on the Board is vacant *(ontstentenis)* or a Director is unable to perform his duties *(belet)*, the remaining Directors or Director will be temporarily entrusted with the management of the Company.

20.2 If the seats of one or more Executive Directors are vacant or one or more Executive Directors are unable to perform his duties, the Board may temporarily entrust duties and powers of an Executive Director to another Executive Director (if any is remaining), a Non-Executive Director, former Directors or another person.

20.3 If within the space of one week the majority of the Directors cease to hold office, then all members of the Board will cease to hold office automatically and all seats of the Board will be considered vacant, with the proviso that each member of the Board (for the avoidance of doubt, this will include the majority of the Directors that ceased to hold office within the space of one week) will continue to act as a temporary stand-in of his or her vacant seat until a new Board is appointed. The Directors acting as a stand-in will be charged with convening a General Meeting of Shareholders as soon as practically possible for the purpose of appointing a new Board. The term of office as a stand-in of all Directors will expire at the end of the relevant meeting.

20.4 When determining to which extent Directors are present or represented, consent to a manner of adopting resolutions, or vote, stand-ins will be counted in and no account will be taken of vacant board seats for which no stand-in has been designated and Directors who are unable to perform their duties.

Article 21. Company Secretary.

21.1 The Board may appoint a Company Secretary and is authorised to replace him at any time.

21.2 The Company Secretary holds the duties and powers vested in him pursuant to these Articles of Association or a resolution of the Board.

21.3 In absence of the Company Secretary, his duties and powers are exercised by his deputy, if designated by the Board.

Article 22. Approval of Board Resolutions.

22.1 The Board requires the approval of the General Meeting for resolutions entailing a significant change in the identity or character of the Company or its business, in any case concerning:

(a) the transfer of (nearly) the entire business of the Company to a third party;

(b) entering into or terminating a long term cooperation between the Company or a subsidiary *(dochtermaatschappij)* and another legal entity or company or as a fully liable partner in a limited partnership or general partnership, if such cooperation or termination is of fundamental importance for the Company;

(c) acquiring or disposing of a participation in the capital of a company if the value of such participation is at least one third of the sum of the assets of the Company according to its balance sheet and explanatory notes or, if the Company prepares a consolidated balance sheet, its consolidated balance sheet and explanatory notes according to the last adopted annual accounts of the Company, by the Company or a subsidiary *(dochtermaatschappij)*.

22.2 The absence of approvals required pursuant to this Article 22 will not affect the authority of the Board or its members to represent the Company.

Article 23. Indemnity and Insurance.

23.1 To the extent permissible by law, the Company will indemnify and hold harmless each Director, both former members and members currently in office (each of them, for the purpose of this Article 23 only, an **Indemnified Person**), against any and all liabilities, claims, judgments, fines and penalties (**Claims**) incurred by the

Indemnified Person as a result of any expected, pending or completed action, investigation or other proceeding, whether civil, criminal or administrative (each, a **Legal Action**), of or initiated by any party other than the Company itself or a group company *(groepsmaatschappij)* thereof, in relation to any acts or omissions in or related to his capacity as an Indemnified Person. Claims will include derivative actions of or initiated by the Company or a group company *(groepsmaatschappij)* thereof against the Indemnified Person and (recourse) claims by the Company itself or a group company *(groepsmaatschappij)* thereof for payments of claims by third parties if the Indemnified Person will be held personally liable therefore.

23.2 The Indemnified Person will not be indemnified with respect to Claims in so far as they relate to the gaining in fact of personal profits, advantages or remuneration to which he was not legally entitled, or if the Indemnified Person has been adjudged to be liable for wilful misconduct *(opzet)* or intentional recklessness *(bewuste roekeloosheid)*.

23.3 The Company will provide for and bear the cost of adequate insurance covering Claims against sitting and former Directors (**D&O insurance**), unless such insurance cannot be obtained at reasonable terms.

23.4 Any expenses (including reasonable attorneys' fees and litigation costs) (collectively **Expenses**) incurred by the Indemnified Person in connection with any Legal Action will be settled or reimbursed by the Company, but only upon receipt of a written undertaking by that Indemnified Person that he will repay such Expenses if a competent court in an irrevocable judgment has determined that he is not entitled to be indemnified. Expenses will be deemed to include any tax liability which the Indemnified Person may be subject to as a result of his indemnification.

23.5 Also in case of a Legal Action against the Indemnified Person by the Company itself or its group companies *(groepsmaatschappijen)*, the Company will settle or reimburse to the Indemnified Person his reasonable attorneys' fees and litigation costs, but only upon receipt of a written undertaking by that Indemnified Person that he will repay such fees and costs if a competent court in an irrevocable judgment has resolved the Legal Action in favour of the Company or the relevant group company *(groepsmaatschappij)* rather than the Indemnified Person.

Within the same period, the Board must also deposit the board report for inspection by the Shareholders and other persons holding Meeting Rights.

24.3 The annual accounts must be signed by the Directors. If the signature of one or more of them is missing, this will be stated and reasons for this omission will be given.

24.4 The Company must ensure that the annual accounts, the board report and the information to be added by virtue of the law are kept at its office as of the day on which notice of the annual General Meeting of Shareholders is given. Shareholders and other persons holding Meeting Rights may inspect the documents at that place and obtain a copy free of charge.

Article 26. Adoption of the Annual Accounts and Release from Liability.

26.1 The General Meeting will adopt the annual accounts.

26.2 At the General Meeting of Shareholders at which it is resolved to adopt the annual accounts, it will be separately proposed that the Directors be released from liability for their respective duties, insofar as the exercise of such duties is reflected in the annual accounts and/or otherwise disclosed to the General Meeting prior to the adoption of the annual accounts.

Article 27. Profits and Distributions.

27.1 The Board may decide that the profits realised during a financial year will fully or partially be appropriated to increase and/or form reserves.

27.2 The profits remaining after application of Article 27.1 shall be put at the disposal of the General Meeting. The Board shall make a proposal for that purpose. A proposal to pay a dividend shall be dealt with as a separate agenda item at the General Meeting of Shareholders.

27.3 Distributions from the Company's distributable reserves are made pursuant to a resolution of the General Meeting at the proposal of the Board.

27.4 Provided it appears from an interim statement of assets signed by the Board that the requirement mentioned in Article 27.8 concerning the position of the Company's assets has been fulfilled, the Board may make one or more interim distributions to the holders of Shares.

27.5 The Board may decide that a distribution on Shares shall not take place as a cash payment but as a payment in Shares, or decide that holders of Shares shall have the option to receive a distribution as a cash payment and/or as a payment in Shares, out of the profit and/or at the expense of reserves, provided that the Board is designated as the competent body to issue Shares.

27.6 The Company's policy on reserves and dividends shall be determined and can be amended by the Board. The adoption and thereafter each amendment of the policy on reserves and dividends shall be discussed and accounted for at the General Meeting of Shareholders under a separate agenda item.

27.7 The Company may further have a policy with respect to profit participation for employees which policy will be established by the Board.

27.8 Distributions may be made only insofar as the Company's equity exceeds the amount of the paid in and called up part of the issued capital, increased by the reserves which must be kept by virtue of the law or these Articles of Association.

27.9 Any and all distributions on the Shares shall be made in such a way that on each Share an equal amount or value will be distributed.

Article 28. Payment of and Entitlement to Distributions.

28.1 Dividends and other distributions will be made payable pursuant to a resolution of the Board within four weeks after adoption, unless the Board sets another date for payment.

28.2 A claim of a Shareholder for payment of a distribution shall be barred after five years have elapsed after the day of payment.

CHAPTER 6. THE GENERAL MEETING.

Article 29. Annual and Extraordinary General Meetings of Shareholders.

29.1 Each year, though not later than in the month of June, a General Meeting of Shareholders will be held.

29.2 The agenda of such meeting will be prepared in accordance with the applicable provisions of the Dutch Civil Code and the Dutch Corporate Governance Code.

29.3 Other General Meetings of Shareholders will be held whenever the Board deems such to be necessary, without prejudice to the provisions of Sections 2:108a, 2:110, 2:111 and 2:112 of the Dutch Civil Code.

(c) a proposal to approve a resolution as referred to in Article 22.1,

will not be submitted to the General Meeting until the works council has been given the opportunity to take a position with respect thereto, timely prior to the date notice of the relevant General Meeting of Shareholders is given. The chairperson of the works council, or a member of the works council appointed by him, will be given the opportunity to explain the position of the works council in the General Meeting of Shareholders. The absence of a position of the works council will not affect the validity of the resolution-making in the General Meeting.

29.5 For the purpose of Article 29.4, the term **works council** is deemed to also include the works council of the business of a subsidiary *(dochtermaatschappij)*, provided the majority of the employees of the Company and its subsidiaries *(dochtermaatschappijen)* are employed within the Netherlands. If there is more than one works council, these councils must exercise their powers jointly. If a central works council has been instituted for the business or businesses involved, the powers of the works council accrue to this central works council. The powers of the works council referred to in Article 29.4 only apply if and insofar as prescribed by Dutch company law.

Article 30. Notice and Agenda of Meetings.

30.1 Notice of General Meetings of Shareholders will be given by the Board or its Chairman.

30.2 Notice of the meeting must be given with due observance of the statutory notice period.

30.3 The notice of the meeting will include in the information as may be required by law.

30.4 Further communications which must be made to the General Meeting pursuant to the law or these Articles of Association can be made by including such communications either in the notice, or in a document which is deposited at the Company's office for inspection, provided a reference thereto is made in the notice itself.

30.5 Shareholders and/or other persons holding Meeting Rights, who, alone or jointly, meet the requirements set forth in Section 2:114a subsection 1 of the Dutch Civil Code will have the right to request the Board to place items on the agenda of the General Meeting of Shareholders, provided the reasons for the request must be stated therein and the request must be received by the chairman of the Board in writing at least sixty (60) days before the date of the General Meeting of Shareholders.

30.6 The notice will be given in the manner stated in Article 36.

Article 31. Venue of Meetings.

General Meetings of Shareholders can be held in Amsterdam or Haarlemmermeer (including Schiphol Airport), at the choice of those who call the meeting.

Article 32. Chairman of the Meeting.

32.1 The General Meetings of Shareholders will be presided over by the Chairman of the Board or his replacement. However, the Board may also appoint another chairman to preside over the meeting. The Chairman of the meeting will have all powers necessary to ensure the proper and orderly functioning of the General Meeting of Shareholders.

32.2 If the chairmanship of the meeting is not provided for in accordance with Article 32.1, the meeting will itself elect a chairman, provided that so long as such election has not taken place, the chairmanship will be held by a Board member designated for that purpose by the Directors present at the meeting.

Article 33. Minutes.

33.1 Minutes will be kept of the proceedings at the General Meeting of Shareholders by, or under supervision of, the Company Secretary, which will be adopted by the Chairman and the Corporate Secretary and will be signed by them as evidence thereof.

33.2 However, the Chairman may determine that notarial minutes will be prepared of the proceedings of the meeting. In that case the co-signature of the chairman will be sufficient.

Article 34. Rights at Meetings and Admittance.

34.1 Each Shareholder and each other person holding Meeting Rights is authorised to attend, to speak at, and to the extent applicable, to exercise his voting rights in the General Meeting of Shareholders. They may be represented by a proxy holder authorised in writing.

34.2 For each General Meeting of Shareholders a statutory record date will be applied, in order to determine in which persons voting rights and Meeting Rights are vested. The record date and the manner in which persons holding Meeting Rights can register and exercise their rights will be set out in the notice convening the meeting.

34.3 A person holding Meeting Rights or his proxy will only be admitted to the meeting if he has notified the Company of his intention to attend the meeting in writing at the address and by the date specified in the notice of meeting. The proxy is also required to produce written evidence of his mandate.

34.4 The Board is authorised to determine that the Meeting Rights and voting rights can be exercised by using an electronic means of communication. If so decided, it will be required that the each person holding Meeting Rights, or his proxy holder, can be

identified through the electronic means of communication, follow the discussions in the meeting and, to the extent applicable, exercise the voting right. The Board may also determine that the electronic means of communication used must allow each person holding Meeting Rights or his proxy holder to participate in the discussions.

34.5 The Board may determine further conditions to the use of electronic means of communication as referred to in Article 34.4, provided such conditions are reasonable and necessary for the identification of persons holding Meeting Rights and the reliability and safety of the communication. Such further conditions will be set out in the notice of the meeting. The foregoing does, however, not restrict the authority of the chairman of the meeting to take such action as he deems fit in the interest of the meeting being conducted in an orderly fashion. Any non or malfunctioning of the means of electronic communication used is at the risk of the persons holding Meeting Rights using the same.

34.6 The Company Secretary will arrange for the keeping of an attendance list in respect of each General Meeting of Shareholders. The attendance list will contain in respect of each person with voting rights present or represented: his name, the number of votes that can be exercised by him and, if applicable, the name of his representative. The attendance list will furthermore contain the aforementioned information in respect of persons with voting rights who participate in the meeting in accordance with Article 34.4 or which have cast their votes in the manner referred to in Article 35.3. The chairman of the meeting can decide that also the name and other information about other people present will be recorded in the attendance list. The Company is authorised to apply such verification procedures as it reasonably deems necessary to establish the identity of the persons holding Meeting Rights and, where applicable, the identity and authority of representatives.

34.7 The Directors will have the right to attend the General Meeting of Shareholders in person and to address the meeting. They will have the right to give advice in the meeting. Also, the external auditor of the Company is authorised to attend and address the General Meetings of Shareholders.

34.8 The chairman of the meeting will decide upon the admittance to the meeting of persons other than those aforementioned in this Article 34, without prejudice to the provisions of Article 29.4.

Article 35. Adoption of Resolutions and Voting Power.

35.1 Insofar as the law or the Articles of Association do not prescribe otherwise, all decisions by the General Meeting shall be taken by an absolute majority of the votes cast without a quorum being required. If there is a tie in voting, the proposal will thus be rejected.

35.2 Each Ordinary Share A confers the right to cast one (1) vote. Each Ordinary Share B confers the right to cast ten (10) votes.

35.3 The Board may determine that votes cast prior to the General Meeting of Shareholders by electronic means of communication or by mail, are equated with votes cast at the time of the General Meeting. Such votes may not be cast before the record date

referred to in Article 34.2. Without prejudice to the provisions of Article 34 the notice convening the General Meeting of Shareholders must state how Shareholders may exercise their rights prior to the meeting.

35.4 Blank and invalid votes will be regarded as not having been cast.

35.5 The chairman of the meeting will decide whether and to what extent votes are taken orally, in writing, electronically or by acclamation.

35.6 When determining how many votes are cast by Shareholders, how many Shareholders are present or represented, or what portion of the Company's issued capital is represented, no account will be taken of Shares for which no votes can be cast by law.

Article 36. Notices and Announcements.

36.1 All notices and announcements for the General Meeting of shareholders, all notifications concerning dividend and other payments and all other communications to shareholders and other persons holding Meeting Rights will be given in accordance with the requirements of law and the requirements of regulation applicable to the Company pursuant to the listing venue(s) of its Shares.

36.2 The Company is authorized to give notice of meetings to shareholders and other persons holding Meeting Rights, exclusively by announcement on the website of the Company and/or through other means of electronic public announcement, as the Company may deem fit.

CHAPTER 7. ALTERATION OF THE ARTICLES OF ASSOCIATION AND DISSOLUTION. DISPUTE RESOLUTION.

Article 37. Alteration of Articles of Association and Dissolution.

37.1 The General Meeting of Shareholders may pass a resolution to alter the Articles of Association or to dissolve the Company, with an absolute majority of the votes cast, without a quorum being required.

37.2 If a proposal to alter the Articles of Association or to dissolve the Company is made to the General Meeting, this shall always be stated in the notice for the General Meeting of shareholders, and if it concerns an alteration of the Articles of Association, a copy of the proposal, containing the proposed alteration verbatim, shall be deposited at the Company’s offices for inspection and made available to shareholders and other persons who are entitled to attend free of charge until the end of the meeting.

Article 38. Liquidation.

38.1 In the event of the dissolution of the Company following a decision of the General Meeting, the Directors shall be charged with the liquidation of the Company’s affairs.

38.2 During the liquidation, the provisions of the Articles of Association shall remain in force as far as possible.

38.3 The balance remaining after payment of the debts of the dissolved Company must be transferred to the Shareholders in proportion to the number of Shares held by each.

38.4 In all other respects, the liquidation shall be subject to the provisions of Title 1, Book 2 of the Dutch Civil Code.

Article 39. Dispute resolution.

39.1 To the extent permitted by law, the courts of the Netherlands have jurisdiction in all matters relating to the internal organisation of the Company, including disputes between the Company and its Shareholders and Directors as such.

39.2 The provisions of this Article 39 with respect to Shareholders and Directors also apply with respect to persons which hold or have held rights towards the Company to acquire Shares, former Shareholders, persons which hold or have held the right to attend the General Meeting of Shareholders other than as a Shareholder, former Directors and other persons holding or having held any position pursuant to an appointment or designation made in accordance with these Articles of Association.

Article 40. Public takeover bids.

40.1 Any person who, either on its own or together with other persons, wishes to make a public takeover bid for acquisition of Shares must include both classes of Ordinary Shares A and Ordinary Shares B in its offer. In addition, the Company commits itself not to not accept any takeover bid made only for the acquisition of one class of Shares.

40.2 If and for as long as any person is acting in violation of the obligation set out in Article 40.1, the voting rights and the right to participate in General Meetings attached to all the Shares held by such persons may be suspended by the Board.

8.3 El pago en una moneda diferente al euro solo se permitirá previa autorización de la sociedad. En ese caso se cumplirá con la obligación de desembolso si el pago en dicha moneda equivale al importe en euros que se obtendría en el mercado cambiario libre. Será determinante el tipo de cambio vigente en la fecha del desembolso.

8.4 Si el órgano de administración lo decide, se podrán emitir acciones con cargo a las reservas de la sociedad.

8.5 El órgano de administración está facultado para realizar actos jurídicos relativos a la suscripción de acciones de otra forma que no sea en dinero y para realizar los demás actos jurídicos mencionados en el artículo 2:94 del Código Civil de los Países Bajos sin necesidad de autorización previa de la junta general.

8.6 Por lo demás, al desembolso de acciones y a la aportación de otra forma que no sea en dinero son de aplicación los artículos 2:80a, 2:80b y 2:94b del Código Civil de los Países Bajos.

Artículo 9. Acciones propias.

9.1 La adquisición por parte de la sociedad de acciones en su capital no totalmente desembolsadas se considerará nula.

9.2 La sociedad podrá adquirir acciones en su capital totalmente desembolsadas solo si es a título gratuito o si la junta general ha autorizado al órgano de administración y se han cumplido todos los demás requisitos legales de aplicación establecidos en el artículo 2:98 del Código Civil de los Países Bajos.

9.3 La autorización a que se refiere el apartado 9.2 será válida durante dieciocho meses como máximo. En la autorización, la junta general deberá indicar cuántas acciones se pueden adquirir, con qué modalidad se pueden adquirir y dentro de qué rango de precios. Dicha autorización no será necesaria si la sociedad adquiere acciones para transferírselas a los empleados de la sociedad o de una sociedad del grupo —en virtud de un determinado régimen de aplicación a ellos—, siempre y cuando dichas acciones estén incluidas en el índice bursátil de la Bolsa.

9.4 La sociedad podrá adquirir acciones en su capital con pago en dinero o mediante compensación en forma de activos. Si la adquisición es según la modalidad de compensación en forma de activos, el valor de estos lo establecerá el órgano de administración manteniéndose dentro del rango de precios establecido por la junta general a que se refiere el apartado 9.3.

9.5 Los apartados 9.1 a 9.3 no serán de aplicación a las acciones que la sociedad adquiera a título universal.

9.6 En este artículo 9, por el concepto de «acciones» se entenderán también los certificados de acciones.

9.7 Por las acciones que pertenezcan a la sociedad o a una filial suya no se podrá emitir voto; tampoco por acciones de cuyos certificados de acciones sea titular cualquiera de ellas. Por las acciones que la sociedad tenga en su propio capital no se realizará reparto de dividendos.

9.8 La sociedad estará facultada para enajenar acciones propias de las que sea titular y certificados de dichas acciones.

Artículo 10. Reducción del capital social suscrito.

10.1 La junta general podrá decidir la reducción del capital social suscrito de la sociedad mediante la

cancelación de acciones o mediante la reducción de su valor nominal, conforme a la correspondiente modificación de los estatutos. En tal decisión se deberá indicar qué acciones se verán afectadas por ella y se deberá estipular el modo de ejecución de la decisión.

10.2 Cualquier decisión de cancelación de acciones solo podrá afectar a las acciones cuya titularidad sea de la sociedad o de las cuales esta tenga sus correspondientes certificados.

10.3 La decisión de la junta general de reducción de capital requerirá una mayoría de al menos dos tercios de los votos emitidos si en la junta general en la que se tome dicha decisión está representada menos de la mitad del capital social suscrito.

10.4 Por lo demás, a la reducción de capital social de la sociedad son de aplicación las disposiciones de los artículos 2:99 y 2:100 del Código Civil de los Países Bajos.

Artículo 11. Transmisión de acciones.

11.1 La transmisión de los derechos que un determinado accionista tenga sobre acciones anotadas en el sistema de anotación en cuenta se realizará conforme a lo estipulado en el reglamento de aplicación al sistema de anotación en cuenta en cuestión.

11.2 Para la transmisión de acciones no incluidas en el sistema de anotación en cuenta se requerirá una escritura a ese fin; asimismo se requerirá el reconocimiento por escrito de la transmisión por parte de la sociedad, salvo que esta sea parte en el acto jurídico en cuestión. Dicho reconocimiento se manifestará en la propia escritura antedicha o de cualquier otro modo prescrito por la ley.

11.3 Para la transmisión de acciones inscritas en el sistema de anotación en cuenta, como resultado de la cual esas acciones salgan de dicho sistema, existen restricciones en virtud de la reglamentación de aplicación al sistema de anotación en cuenta en cuestión; además se requerirá la autorización del órgano de administración.

Artículo 12. Derecho de usufructo, derecho de prenda y certificados de acciones.

12.1 Lo estipulado en los apartados 12.1 y 12.2 es de aplicación *mutatis mutandis* a la constitución y transmisión de derechos de usufructo sobre acciones. La cuestión de si el derecho a voto vinculado a las acciones objeto de usufructo le corresponde a su titular o al usufructuario se resolverá conforme a lo dispuesto en el artículo 2:88 del Código Civil de los Países Bajos. El derecho de asistencia le corresponde al titular de las acciones, independientemente de que tenga derecho a voto o no, y al usufructuario con derecho a voto, pero no al usufructuario sin derecho a voto.

12.2 Lo estipulado en los apartados 12.1 y 12.2 es también de aplicación *mutatis mutandis* a la constitución de un derecho de prenda sobre acciones. El derecho de prenda sobre acciones también se puede constituir como derecho de prenda sin desplazamiento, en cuyo caso será de aplicación (*mutatis mutandis*) el artículo 3:239 del Código Civil de los Países Bajos. En caso de constitución de un derecho de prenda sobre acciones no se podrá otorgar el derecho a voto ni/o el derecho de asistencia al acreedor pignoraticio.

12.3 A los titulares de certificados de acciones no les corresponde el derecho de asistencia, salvo que la sociedad se lo otorgue expresamente por decisión del órgano de administración.

CAPÍTULO 4. ÓRGANO DE ADMINISTRACIÓN.

Artículo 13. Administradores.

13.1 El órgano de administración consta de uno o varios administradores ejecutivos y de uno o varios administradores no ejecutivos. Entre los miembros del órgano de administración deberán ser mayoría los administradores no ejecutivos.

13.2 El número exacto de administradores, así como el número de administradores ejecutivos y de administradores no ejecutivos lo establecerá el órgano de administración con observancia del apartado 13.1.

13.3 El órgano de administración diseñará un perfil relativo a sus dimensiones y composición teniendo en cuenta la naturaleza y las actividades de la empresa vinculada a la sociedad. En el perfil se contemplará (i) la competencia profesional y el currículo que deban tener los miembros del órgano de administración, (ii) la diversidad que se desea dentro del órgano de administración, (iii) las dimensiones del órgano de administración y (iv) la independencia de los administradores no ejecutivos. El perfil se subirá al sitio web de la sociedad para su consulta pública.

13.4 El órgano de administración podrá nombrar Director General (*Chief Executive Officer*) a uno (1) de los administradores ejecutivos. Además, el órgano de administración puede otorgar otros cargos a los administradores.

Este documento es una traducción no vinculante, y a efectos meramente informativos, del correspondiente documento redactado en un idioma extranjero. En caso de discrepancia, la versión del documento en su idioma original prevalecerá.

13.5 El cargo de administrador no ejecutivo solamente lo podrán ejercer personas físicas.

13.6 La sociedad tendrá una determinada política en materia de remuneración del órgano de administración. Dicha política le corresponde aprobarla a la junta general por mayoría absoluta de votos emitidos legalmente, sin necesidad de un determinado quorum y a propuesta del órgano de administración. Los administradores ejecutivos no participarán en las deliberaciones ni en la votación sobre dicha propuesta del órgano de administración.

13.7 La facultad para fijar la remuneración y demás condiciones laborales de los administradores ejecutivos le corresponde al órgano de administración. Los administradores ejecutivos no participarán en las deliberaciones ni en la votación sobre dicha decisión del órgano de administración.

13.8 La facultad para fijar la remuneración de los administradores no ejecutivos le corresponde a la junta general.

13.9 Los administradores tienen derecho a salvaguardia por parte de la sociedad y a un seguro de responsabilidad de los administradores, conforme al artículo 23.

Artículo 14. Nombramiento, suspensión y separación del cargo de los administradores.

14.1 Los administradores son designados por la junta general. Los administradores serán, bien administradores ejecutivos o bien administradores no ejecutivos. Los administradores serán nombrados por un plazo de cuatro (4) años como máximo. Su mandato finalizará no antes del levantamiento de la sesión de la junta general anual que se celebre coincidiendo con el cuarto año natural de su mandato, salvo que este haya finalizado anteriormente por dimisión o por separación del cargo.

14.2 Los accionistas y/u otras personas con derecho de asistencia que, en solitario o conjuntamente, representen al menos el tres por ciento (3 %) del capital social suscrito podrán designar candidatos para su nombramiento como administradores no ejecutivos por un tercio del número total de administradores no ejecutivos. Cuando se tenga que cubrir una vacante en el seno del órgano de administración, este informará de ello a los accionistas y demás personas con derecho de asistencia en el sitio web de la sociedad, e informará también por qué razón se ha producido tal vacante y cuál es el perfil que desea. A la hora de seleccionar candidatos que presentar a la junta general para su nombramiento como miembros del órgano de administración, este tendrá en cuenta todos los candidatos propuestos por los accionistas. A ese respecto, el órgano de administración podrá presentar a la junta general a dos personas para cubrir la misma vacante dentro del órgano de administración, a fin de que aquella se decante por una de estas.

14.3 En la propuesta de nombramiento de administradores se indicará la edad de los candidatos, así como los cargos que desempeñen o que hayan desempeñado, en la medida que tal cosa sea relevante para el desempeño de la tarea de administrador. La propuesta estará debidamente fundamentada en razones.

14.4 En la junta general de accionistas destinada al nombramiento de administradores solamente se elegirá entre los candidatos cuyo nombre conste en el orden del día de la junta. Si no consta el nombre de un determinado candidato propuesto por el órgano de administración, este tendrá derecho a proponer un nuevo candidato en la siguiente junta general.

14.5 Los administradores podrán en todo momento ser separados de su cargo por la junta general.

14.6 Los administradores podrán en todo momento ser suspendidos por la junta general.
Los administradores ejecutivos pueden ser suspendidos también por el órgano de administración. La suspensión se podrá prorrogar una o varias veces, pero no podrá durar más de tres meses en total. La suspensión quedará extinguida si al vencimiento de ese plazo no se ha tomado ninguna decisión sobre el levantamiento de la suspensión o sobre la separación del cargo del administrador en cuestión. La junta general podrá levantar la suspensión en todo momento.

14.7 Lo estipulado en este artículo 14 relativo al nombramiento para el cargo de administrador será de aplicación *mutatis mutandis* a la renovación del cargo de administrador.

Artículo 15. Presidente.

15.1 El órgano de administración designará a un administrador no ejecutivo como presidente del órgano de administración y establecerá el tiempo de duración de su mandato.

15.2 El órgano de administración también podrá designar a uno o varios administradores no ejecutivos como vicepresidentes del órgano de administración y establecerá el tiempo de duración de su

mandato.

Artículo 16. Tareas y facultades; reparto de tareas.

16.1 El órgano de administración es el órgano de la sociedad encargado de su administración. En el ejercicio de su tarea, los administradores atenderán al interés de la sociedad y al de la empresa vinculada a ella. Todos y cada uno de los administradores serán responsables de la marcha general de los asuntos de la sociedad.

16.2 Los administradores ejecutivos tienen encomendada la dirección ordinaria de la empresa vinculada a la sociedad.

16.3 El órgano de administración podrá establecer un reglamento del órgano de administración relativo a la toma de decisiones y al *modus operandi* del órgano de administración.

16.4 Los administradores no ejecutivos supervisarán la ejecución de la tarea de los administradores ejecutivos y la marcha normal de los asuntos de la sociedad y de la empresa vinculada a ella. También desempeñarán las tareas que se les encomienden en estos estatutos y que les encomiende el órgano de administración.

16.5 El órgano de administración podrá asignar tareas y facultades a administradores concretos y/o a comisiones formadas por dos o más administradores, lo cual también podrá significar la delegación de facultades del órgano de administración para la toma de decisiones, siempre que dicha delegación de facultades se fije por escrito. El administrador o la comisión a los que el órgano de administración haya asignado tareas y/o facultades del órgano de administración deberán observar las normas que imponga el órgano de administración al respecto.

Artículo 17. Representación.

17.1 El órgano de administración está facultado para representar a la sociedad. El Director Ejecutivo y el presidente del órgano de administración tienen, además, poder de representación independiente.

17.2 El órgano de administración podrá designar directivos con poder de representación general o restringido. Cada uno de ellos representará a la sociedad con observancia de los límites impuestos a su poder de representación. El rango de esos directivos lo fijará el órgano de administración.

Artículo 18. Reunión del órgano de administración; procedimiento de toma de decisiones.

18.1 El órgano de administración se reunirá siempre que lo consideren necesario su presidente, el Director Ejecutivo o al menos dos (2) administradores, pero, en todo caso, al menos cuatro (4) veces al año natural. Las reuniones del órgano de administración estarán presididas por su presidente o, en su ausencia, por su vicepresidente. Se levantará acta de los asuntos tratados en la reunión.

18.2 Todas las decisiones del órgano de administración se tomarán por mayoría absoluta de los votos emitidos en asamblea, salvo que en estos estatutos se establezca otra cosa. Si en una determinada votación se produce un empate de votos, decidirá el presidente.

18.3 El órgano de administración está facultado para decidir que determinadas decisiones requieran también la conformidad de la mayoría de los administradores no ejecutivos o administradores independientes. Esas decisiones deberán estar claramente descritas e incluirse en el reglamento del órgano de administración.

18.4 El órgano de administración podrá decidir, tanto en asamblea como fuera de ella.

18.5 El órgano de administración podrá tomar decisiones legales en asamblea solo si en esta están presentes o representados la mayoría de los administradores como mínimo. No obstante, el órgano de administración podrá decidir que a determinados tipos de decisiones se les aplique un reglamento diferente. El órgano de administración deberá describir claramente de qué tipo de decisiones se trata y en qué consiste su peculiaridad, y reflejar todo ello en el reglamento del órgano de administración.

18.6 Las reuniones del órgano de administración se podrán celebrar mediante la concurrencia de los administradores en un mismo lugar o por teléfono, por "videoconferencia" o por cualquier otro medio de comunicación con el que los administradores puedan comunicarse simultáneamente entre sí. La participación en una reunión celebrada de cualquiera de las formas antedichas se considerará como haber estado presente físicamente en la reunión.

18.7 Para tomar decisiones fuera de asamblea se deberá haber presentado la propuesta en cuestión a todos los administradores, ninguno de ellos deberá haberse opuesto a dicha modalidad de toma de decisiones y se deberá haber manifestado expresamente a favor de las decisiones tomadas por escrito de esa forma una determinada mayoría de administradores establecida conforme al apartado 18.5 o al reglamento del órgano de administración. El presidente de la reunión del órgano de

administración siguiente a dicha consulta de los administradores comunicará la decisión de los administradores.

18.8 La declaración por escrito del presidente del órgano de administración o de su vicepresidente, o la del secretario de la sociedad, sobre las decisiones del órgano de administración o de las comisiones bastará a ojos de terceros. Si se trata de una decisión de una comisión, también bastará a ojos de terceros una declaración del presidente de la comisión en cuestión.

18.9 El órgano de administración podrá fijar normas detalladas relativas al *modus operandi* y a la toma de decisiones del órgano de administración.

Artículo 19. Conflicto de intereses.

19.1 Si un determinado administrador tiene un conflicto de intereses a que se refiere el apartado 19.2 o si tiene intereses que pudieren crear la apariencia de tal conflicto de intereses (en ambos casos, un **conflicto de intereses (potencial)**) se lo comunicará a los demás administradores.

19.2 Si un determinado administrador tiene algún interés personal que, directa o indirectamente, sea contrario al interés de la sociedad y al de la empresa vinculada a ella, se abstendrá de participar en las deliberaciones y en la votación del órgano de administración que afecten a ese interés personal. Esta prohibición no será de aplicación si el conflicto de intereses afecta a todos los administradores.

19.3 Un conflicto de intereses como el descrito en el apartado 19.2 solo existirá si en una determinada situación al administrador en cuestión no se le puede considerar capaz de defender con la integridad y objetividad requeridas los intereses de la sociedad y los de la empresa vinculada a ella. En el caso de que se proponga una transacción en la que, además de la sociedad, también tenga interés una sociedad del grupo de la sociedad, el mero hecho de que un determinado administrador desempeñe cualquier tipo de cargo en la sociedad implicada o en cualquier otra sociedad del grupo, ya perciba por ello una remuneración o no, no significa necesariamente que haya un conflicto de intereses a que se refiere el apartado 19.2.

19.4 A aquel administrador que, a causa de un conflicto de intereses (potencial), no desempeñe las tareas o no ejerza las facultades que le correspondan como administrador se le considerará como un administrador con un impedimento.

19.5 Los conflictos de intereses (potenciales) no afectarán a la facultad de representación a que se refiere el apartado 17.1.

Artículo 20. Ausencia o impedimento.

20.1 En caso de ausencia o impedimento de un administrador, se encargarán temporalmente de la administración de la sociedad el administrador o los administradores que quede(n).

20.2 En caso de ausencia o impedimento de uno o varios administradores ejecutivos, el órgano de administración podrá encomendar temporalmente sus tareas y facultades a otro administrador ejecutivo (si es que queda alguno), a un administrador no ejecutivo, a antiguos administradores o a otra persona.

20.3 Si la mayoría de los administradores dejan de ejercer su cargo en el lapso de una semana, todos los administradores cesarán sus actividades de pleno derecho, considerándose en ese momento vacantes todos los puestos de administrador, bien entendido que todos los miembros del órgano de administración (para que no haya ningún malentendido: incluyendo dicha mayoría de administradores que hayan dejado de ejercer su cargo en el lapso de una semana) seguirán desempeñando su cargo vacante de forma interina hasta que se haya nombrado un nuevo administrador. En ese caso, los administradores, actuando como administradores interinos, se encargarán de convocar una junta general de accionistas tan pronto como sea posible, con el fin de nombrar un nuevo órgano de administración. El mandato de los administradores interinos vencerá al finalizar dicha junta.

20.4 A la hora de establecer en qué medida están presentes o representados los administradores, en qué medida están de acuerdo con una determinada modalidad de toma de decisiones o en qué medida emiten su voto, se tendrán en cuenta los administradores interinos y no se tendrán en cuenta las vacantes en el órgano de administración para las que no se haya designado un administrador interino ni a los administradores con impedimento.

Artículo 21. Secretario de la sociedad.

21.1 El órgano de administración designará un secretario de la sociedad [sic] y podrá sustituirle en todo momento.

21.2 El secretario de la sociedad desempeñará las tareas y tendrá las facultades que se le encomienden u otorguen, respectivamente, en virtud de estos estatutos o de la correspondiente decisión del órgano de administración.

21.3 En caso de ausencia del secretario de la sociedad, de sus tareas y facultades se hará cargo su sustituto, si el órgano de administración ha designado uno.

Artículo 22. Visto bueno a las decisiones del órgano de administración.

22.1 El órgano de administración necesitará el visto bueno de la junta general para tomar decisiones que impliquen un cambio importante en la identidad o el carácter de la sociedad o de la empresa, entre los que se incluyen, en cualquier caso:

(a) el traspaso de la empresa o de prácticamente toda la empresa a terceros;

(b) la concertación o la rescisión de acuerdos de cooperación a largo plazo entre la sociedad o una sociedad filial y otras personas jurídicas o sociedades o en calidad de socio con responsabilidad total en sociedades en comandita o en sociedades colectivas, si esa cooperación o rescisión tiene importancia capital para la sociedad;

(c) la suscripción o la enajenación por parte de la sociedad, o de una sociedad filial suya, de una participación social en el capital de una sociedad por valor de, al menos, un tercio del importe del activo, bien según se desprenda del balance social con la memoria explicativa o bien —si la sociedad formula un balance social consolidado— según se desprenda del balance social consolidado junto con la memoria explicativa correspondiente a las últimas cuentas anuales aprobadas de la sociedad.

22.2 La falta del visto bueno a decisiones a que se refiere el artículo 22 no afectará a la facultad de representación del órgano de administración ni a la de sus miembros.

Artículo 23. Salvaguardia y seguro.

23.1 En la medida que lo permita la ley, la sociedad salvaguardará a todos y cada uno de los administradores en ejercicio y a todos y cada uno de los antiguos administradores (cada uno de ellos, exclusivamente a efectos de aplicación de este artículo 23, una **Persona Amparada**), y los exime de cualquier responsabilidad, reclamación, resolución, multa o reclamación de indemnización por daños y perjuicios (**Demandas**) a la que la Persona Amparada se haya tenido que enfrentar en el marco de cualquier actuación, investigación o cualesquiera otros procedimientos previsibles, en curso o finalizados, de carácter civil, penal o administrativo (cada uno de ellos, una **Actuación Jurisdiccional**), por parte de cualquier parte o emprendida por cualquier parte que no sea la sociedad o una sociedad del grupo, como consecuencia de cualquier acción u omisión en su calidad de Persona Amparada o en cualquier calidad conexa. Por Demandas se entienden también las acciones derivadas contra la Persona Amparada por parte de la sociedad o de una sociedad del grupo o entabladas por ellas, así como las acciones (de repetición) de la sociedad o de una sociedad del grupo con motivo de pagos reclamados por terceros, si la Persona Amparada es considerada responsable personalmente.

23.2 La Persona Amparada no gozará del derecho a salvaguardia contra aquellas Demandas que tengan relación con la obtención de beneficios, ventajas o remuneraciones personales a los que no tuviera derecho desde el punto de vista jurídico, o si ha quedado demostrada por sentencia pasada en autoridad de cosa juzgada la responsabilidad de la Persona Amparada por intencionalidad o imprudencia consciente.

23.3 Por lo demás, la sociedad contratará un seguro adecuado contra las Demandas que se puedan presentar contra los administradores en ejercicio o contra los antiguos administradores (**seguro de responsabilidad de los administradores**) y correrá con los costes de tal seguro, salvo que este no se pueda obtener con condiciones razonables.

23.4 Todos los costes (incluidos unos honorarios razonables de los abogados y las costas procesales) (conjuntamente, los **Costes**) en los que haya tenido que incurrir la Persona Amparada en relación con cualquier Acción Legal los pagará la sociedad o se los reembolsará a la Persona Amparada, pero solo tras la recepción de un compromiso por escrito de la Persona Amparada de que reembolsará dichos Costes si un tribunal competente establece mediante sentencia pasada en autoridad de cosa juzgada que no tiene derecho a tal compensación. Por Costes se entiende también el impuesto que se haya podido imponer a la Persona Amparada en virtud de la salvaguardia que se le haya otorgado.

Este documento es una traducción no vinculante, y a efectos meramente informativos, del correspondiente documento redactado en un idioma extranjero. En caso de discrepancia, la versión del documento en su idioma original prevalecerá.

23.5 También en caso de que la sociedad o una sociedad del grupo interpongan una Acción Legal contra la Persona Amparada, la sociedad pagará unos honorarios razonables de los abogados y las costas procesales o se los reembolsará a la Persona Amparada, pero solo tras la recepción de un compromiso por escrito de la Persona Amparada de que reembolsará dichos honorarios y costas si un tribunal competente resuelve la Acción Legal en favor de la sociedad o de la sociedad del grupo en cuestión mediante sentencia pasada en autoridad de cosa juzgada.

23.6 La Persona Amparada no aceptará ninguna responsabilidad financiera personal ante terceros ni concertará ningún contrato de fijación al respecto sin la autorización previa y por escrito de la sociedad. La sociedad y la Persona Amparada se esforzarán en la medida de lo razonable por alcanzar un acuerdo de voluntades a la hora de plantear la defensa contra cualquier Demanda. Si, no obstante, la sociedad y la Persona Amparada no se ponen de acuerdo, para que la Persona Amparada se pueda acoger a la salvaguardia a que se refiere este artículo 23, deberá seguir todas las instrucciones que le dé la sociedad según esta considere.

23.7 La salvaguardia a que se refiere este artículo 23 no será de aplicación a las Demandas y Costes que estén cubiertos por las aseguradoras.

23.8 Este artículo 23 podrá ser modificado sin necesidad de conformidad de las Personas Amparadas como tales. No obstante, la salvaguardia prevista en este documento mantendrá su validez con respecto a Demandas y/o Costes derivados de la acción u omisión de la Persona Amparada durante el periodo en que esta estipulación haya estado vigente.

CAPÍTULO 5. CUENTAS ANUALES; BENEFICIOS Y PAGOS DE DIVIDENDOS.

Artículo 24. Ejercicio económico y cuentas anuales.

24.1 El ejercicio económico de la sociedad se corresponde con el año natural.

24.2 El órgano de administración formulará las cuentas anuales dentro del plazo de cuatro meses desde el vencimiento del ejercicio económico y las depositará en las oficinas de la sociedad para su consulta por parte de los accionistas y demás personas con derecho de asistencia. Dentro de ese mismo plazo el órgano de administración también deberá depositar el informe de gestión para su consulta por parte de los accionistas y demás personas con derecho de asistencia.

24.3 Las cuentas anuales llevarán la firma de los administradores. Si faltara la firma de alguno de ellos, se hará mención de ello, indicando las razones de tal circunstancia.

24.4 La sociedad se asegurará de que las cuentas anuales, el informe de gestión y los demás datos que haya que añadirse a esos documentos en virtud de la ley queden depositadas en sus oficinas desde la fecha de la convocatoria de la junta general anual de accionistas. Los accionistas y demás personas con derecho de asistencia podrán consultar dichos documentos en ese lugar y podrán solicitar una copia gratuita.

24.5 Por lo demás, a las cuentas anuales, al informe de gestión y a los demás datos que haya que añadirse en virtud de la ley son de aplicación las disposiciones del Tomo 2, Título 9, del Código Civil de los Países Bajos.

24.6 Las cuentas anuales se deberán redactar en inglés.

Artículo 25. Auditor externo.

25.1 La junta general de accionistas encargará a una organización de censores jurados de cuentas a que se refiere el artículo 2:393, apartado 1, del Código Civil de los Países Bajos (un **auditor externo**) que examine las cuentas anuales formuladas por el órgano de administración conforme a lo estipulado en el apartado 3 de dicho artículo 2:393.

25.2 El auditor externo está autorizado a consultar todos los libros y documentos de la sociedad, y tiene prohibido dar a conocer los asuntos de la sociedad que lleguen a su conocimiento o que se le comuniquen más allá de lo necesario para cumplir su tarea. Su remuneración correrá por cuenta de la sociedad.

25.3 El auditor externo presentará al órgano de administración un informe sobre la revisión llevada a cabo por él. En dicho informe incluirá como mínimo sus hallazgos sobre la fiabilidad y continuidad del tratamiento automatizado de datos.

25.4 El auditor externo reflejará el resultado de su revisión en una declaración relativa a la fidelidad de las cuentas anuales.

25.5 La junta general no podrá aprobar las cuentas anuales si no se ha podido notificar de la declaración del auditor externo que debería haberse adjuntado a dicha documentación, a no ser que junto con

los demás datos adjuntos a las cuentas anuales se aporte un fundamento legal que justifique la ausencia de dicha declaración.

Artículo 26. Aprobación de las cuentas anuales y descargo.

26.1 La junta general es el órgano encargado de aprobar las cuentas anuales.

26.2 En la junta general de accionistas destinada a decidir sobre la aprobación de las cuentas anuales se presentarán sendas propuestas de otorgamiento de descargo para cada uno de los administradores por la tarea llevada a cabo por ellos, en la medida que dicho ejercicio de tareas se desprenda de las cuentas anuales y/o de otro tipo de información que se haya proporcionado a la junta general por otros medios previamente a la aprobación de las cuentas anuales.

Artículo 27. Reservas, beneficios y pagos de dividendos.

27.1 El órgano de administración podrá decidir que los beneficios obtenidos en un determinado ejercicio económico se destinen total o parcialmente a reforzar o a formar reservas.

27.2 Los beneficios restantes tras la aplicación del apartado 27.1 quedarán a disposición de la junta general. El órgano de administración presentará una propuesta al respecto. La propuesta de pagos de dividendos se tramitará en la junta general de accionistas como un apartado del orden del día aparte.

27.3 Los pagos con cargo a las reservas de libre distribución de la sociedad se llevarán a cabo conforme a la correspondiente decisión de la junta general, a propuesta del órgano de administración.

27.4 El órgano de administración podrá hacer uno o más pagos anticipados de dividendos a los titulares de acciones, siempre que de la correspondiente declaración provisional de activos firmada por él se desprenda que se cumple con el requisito relativo a la situación patrimonial de la sociedad a que se refiere el apartado 27.8. La declaración provisional de activos no requiere examen del auditor externo.

27.5 El órgano de administración está facultado para decidir que un determinado reparto de dividendos no se realice en dinero sino en forma de acciones o para decidir que sean los titulares de acciones quienes decidan si un determinado reparto de dividendos se realiza en dinero y/o en forma de acciones, siendo cualquiera de las dos opciones con cargo al beneficio y/o con cargo a las reservas y siempre que el órgano de administración haya sido designado como órgano facultado para la emisión de acciones.

27.6 El órgano de administración es el órgano facultado para establecer y, en su caso, modificar la política relativa a las reservas y al reparto de dividendos de la sociedad. El establecimiento y cualquier modificación posterior de la política relativa a las reservas y al reparto de dividendo se tramitará y justificará en la junta general de accionistas como un apartado del orden del día aparte.

27.7 La sociedad también podrá tener una política de participación en beneficios para sus empleados, que será establecida por el órgano de administración.

27.8 Solo se podrán hacer repartos de dividendos si el patrimonio neto es superior a la porción desembolsada y reclamada del capital social, incrementada con las reservas que se deban mantener en virtud de la ley o de estos estatutos.

27.9 Todo reparto de dividendos se realizará de tal manera que se distribuya un mismo importe o valor por cada una de las acciones.

Artículo 28. Liquidación y derecho a pagos.

28.1 Los dividendos se liquidarán conforme a la correspondiente decisión del órgano de administración dentro del plazo de cuatro semanas desde su aprobación, salvo que el órgano de administración fije otra fecha.

28.2 Los créditos de los accionistas sobre dividendos prescriben con el paso de cinco años desde la fecha de su liquidación.

CAPÍTULO 6. JUNTA GENERAL.

Artículo 29. Juntas anuales y juntas generales extraordinarias de accionistas.

29.1 Todos los años se celebrará al menos una Junta General de Accionistas, en el mes de junio como muy tarde.

29.2 El orden del día de dicha junta se elaborará con observancia de las disposiciones al respecto del Código Civil de los Países Bajos y del Código de Gobierno Corporativo de los Países Bajos.

29.3 Por lo demás, se celebrarán otras juntas generales de accionistas tan a menudo como lo considere necesario el órgano de administración, sin perjuicio de lo dispuesto en los artículos 2:108a, 2:110,

Este documento es una traducción no vinculante, y a efectos meramente informativos, del correspondiente documento redactado en un idioma extranjero. En caso de discrepancia, la versión del documento en su idioma original prevalecerá.

2:111 y 2:112 del Código Civil de los Países Bajos.

29.4 Si, en cumplimiento de las disposiciones legales, la sociedad ha constituido un comité de empresa en los Países Bajos, no se someterán a la junta general ninguna de las decisiones que se enumeran a continuación antes de haber dado al comité de empresa la oportunidad de manifestar su opinión con suficiente tiempo de antelación a la fecha de celebración de la junta general en cuestión:

(a) las propuestas de nombramiento, suspensión o separación del cargo de administradores o de comisarios;

(b) las propuestas de establecimiento o de modificación de la política de remuneraciones a que se refiere el apartado 13.6; o

(c) las propuestas de visto bueno de las decisiones a que se refiere el apartado 22.1.

El punto de vista del comité de empresa lo podrá exponer en la junta general el presidente del comité de empresa o uno de sus miembros designado por este. La falta del punto de vista del comité de empresa no afectará a la decisión que se tome sobre la propuesta en cuestión.

29.5 A la hora de aplicar el apartado 29.4, por el concepto de **comité de empresa** se entenderá también el comité de empresa de la empresa de una sociedad filial, siempre que la mayoría de los empleados de la sociedad y de la sociedad filial trabajen en los Países Bajos. Si hay más de un comité de empresa, sus facultades las ejercerán conjuntamente. Si hay un comité de empresa central para la empresa o empresas en cuestión, las facultades del comité de empresa las ejercerá dicho comité de empresa central. Las facultades del comité de empresa indicadas en el apartado 29.4 solo serán de aplicación si están establecidas en el Código Civil de los Países Bajos.

30.5 Los accionistas y/u otras personas con derecho de asistencia que, en solitario o conjuntamente, cumplan los requisitos establecidos en el artículo 2:114a, apartado 1, del Código Civil de los Países Bajos tienen derecho a solicitar al órgano de administración que incluya asuntos en el orden del día de la junta general de accionistas, siempre que en él se indiquen las razones de tal solicitud y que esta se haya presentado por escrito ante el presidente del órgano de administración con al menos sesenta (60) días naturales de antelación a la celebración de la junta general de accionistas.

30.6 La convocatoria se realizará del modo indicado en el artículo 36.

Artículo 31. Lugar de celebración de las juntas.

Las juntas generales de accionistas se celebrarán en Ámsterdam o en Haarlemmermeer (incluido el aeropuerto de Schiphol), a elección de aquel que convoque la junta general.

Artículo 32. Presidente de la junta.

32.1 Las juntas generales de accionistas estarán presididas por el presidente del órgano de administración o por su sustituto, aunque este órgano puede designar a otra persona para ello. Al presidente de la junta le corresponden todas las facultades necesarias para velar por un funcionamiento adecuado y ordenado de la junta general de accionistas.

32.2 Si no se ha podido designar presidente de la junta conforme a lo establecido en el apartado 32.1, será la propia junta general la que designe a su presidente, bien entendido que mientras no se haya solventado esta formalidad, de la presidencia se encargará interinamente el administrador que designen los administradores presentes.

Artículo 33. Acta.

33.1 El secretario de la sociedad levantará acta de lo tratado en la junta general de accionistas, bien personalmente o bien mediante otra persona bajo su supervisión. Dicha acta será aprobada por el presidente y por el secretario de la sociedad, en fe de lo cual ambos estamparán su firma en ella.

Artículo 34. Derecho de asistencia y acceso.

34.1 Todos los accionistas y demás personas con derecho de asistencia tienen derecho a asistir a las juntas generales, a tomar la palabra en ellas y, si les corresponde el derecho a voto, a ejercer el derecho a voto. Dichas personas se podrán hacer representar en la junta por un apoderado con poder por escrito.

34.2 Todas las juntas generales de accionistas estarán sujetas a una fecha de registro, que se fijará conforme a lo dispuesto en la ley, con el fin de determinar a quién corresponden el derecho a voto y el derecho de asistencia vinculados a las acciones. En la convocatoria se indicará la fecha de registro y el modo en que las personas con derecho de asistencia se pueden registrar, así como el modo en que pueden ejercer sus derechos.

34.3 Las personas con derecho de asistencia —o su apoderado— solo podrán acceder a la junta si han notificado por escrito a la sociedad, en el lugar y dentro del plazo que se hayan indicado en la convocatoria, su intención de asistir a la junta. Además, los apoderados deberán presentar su poder por escrito.

34.4 El órgano de administración podrá decidir que el derecho de asistencia y el derecho a voto se puedan ejercer por medios de comunicación electrónicos. 34.5 El órgano de administración podrá fijar condiciones más detalladas al uso del medio de comunicación electrónico a que se refiere el apartado 34.4, siempre que dichas condiciones sean razonables y necesarias para identificar a las personas con derecho de asistencia y para garantizar la confidencialidad y la seguridad de la comunicación. Dichas condiciones se indicarán en la convocatoria. Lo anterior se entiende sin perjuicio de la autoridad del presidente para tomar las medidas que considere oportunas en aras de la buena marcha de los asuntos en la junta. Las personas con derecho de asistencia que utilicen un medio de comunicación electrónico asumirán el riesgo de que este no funcione o de que no lo haga adecuadamente.

34.6 En cada junta general de accionistas se elaborará una lista de asistencia bajo la supervisión del secretario de la sociedad. En la lista de asistencia se anotarán los siguientes datos de cada persona con derecho a voto presente o representada en la junta: su nombre y el número de votos que puede emitir, así como el nombre de su representante, si ha lugar. En la lista de asistencia también se anotarán los datos arriba indicados de las personas con derecho a voto que participen en la junta en virtud del apartado 34.4 o que hayan emitido su voto del modo descrito en el apartado 35.3. El presidente de la junta podrá decidir que también se anoten en la lista de asistencia el nombre y demás datos de otras personas presentes en la junta. La sociedad podrá aplicar los procedimientos de identificación que considere razonablemente necesarios para comprobar la identidad de las personas con derecho de asistencia y, si ha lugar, la identidad y facultades de su representante.

En caso de empate de votos se considerará rechazada la propuesta en cuestión.

35.2 Cada acción ordinaria A da derecho a la emisión de un (1) voto. Cada acción ordinaria B da derecho a la emisión de diez (10) votos.

No obstante, esos votos no se podrán emitir antes de la fecha de registro a que se refiere el apartado 34.2, la cual se indicará en la convocatoria. En la convocatoria se indicarán la modalidad y las condiciones con las que las personas con derecho a voto pueden ejercer sus derechos con anterioridad a la celebración de la junta, sin perjuicio de lo estipulado en el artículo 34.

35.4 Los votos en blanco y los votos nulos se considerarán como votos no emitidos.

35.5 El presidente de la junta determinará si la votación se realiza de forma oral, escrita, electrónica o por aclamación, y en qué medida.

35.6 A la hora de establecer en qué medida los accionistas votan, están presentes o representados o en qué medida está representado el capital social suscrito de la sociedad no se tendrán en cuenta las acciones por las que en virtud de la ley no se pueda emitir voto.

Artículo 36. Convocatorias y notificaciones.

36.1 Todas las convocatorias y comunicaciones dirigidas a la junta general de accionistas, todos los comunicados relativos a dividendos y demás pagos y todas las notificaciones dirigidas a los accionistas y demás personas con derecho de asistencia se realizarán conforme a las disposiciones contenidas en la ley y en los reglamentos que sean de aplicación a la sociedad en virtud de la cotización de acciones en las bolsas de valores que correspondan.

36.2 La sociedad podrá determinar que los accionistas y demás personas con derecho de asistencia sean convocados exclusivamente en el sitio web de la sociedad y/o mediante cualquier otro anuncio publicado en los medios electrónicos que la sociedad considere oportunos.

Artículo 37. Modificación de los estatutos y disolución.

37.1 La junta general de accionistas podrá decidir la modificación de los estatutos o la disolución de la sociedad con la mayoría requerida, sin necesidad de alcanzar un determinado quorum.

37.2 Si se propone a la junta general la modificación de los estatutos o la disolución de la sociedad, la propuesta en cuestión se deberá incluir en la convocatoria de la junta general de accionistas y, si se trata de la modificación de los estatutos, se deberá depositar simultáneamente en las oficinas de la sociedad, hasta la conclusión de la junta, una copia de la propuesta en la que se expondrá literalmente la modificación que se propone, para su consulta por parte de los accionistas y demás personas con derecho de asistencia, los cuales podrán solicitar una copia gratuita de dicho documento.

Artículo 38. Liquidación.

38.1 En caso de disolución de la sociedad en virtud de una decisión de la junta general, los administradores se harán cargo de la liquidación del patrimonio de la sociedad.

38.2 Durante el proceso de liquidación se mantendrá en vigor en la medida de lo posible lo dispuesto en los presentes estatutos.

38.3 Aquello que quede después de saldar las deudas de la sociedad disuelta se entregará a los accionistas proporcionalmente al número de acciones de cada uno de ellos.

38.4 A la liquidación también serán de aplicación las disposiciones del Título 1, Tomo 2, del Código Civil de los Países Bajos.

Artículo 39. Resolución de discrepancias.

39.1 En la medida que la ley lo permita, los tribunales de los Países Bajos serán los órganos con competencia para conocer de cualquier discrepancia relativa a la organización interna de la sociedad que pueda surgir entre la sociedad y sus accionistas y administradores en calidad de tales.

39.2 Lo estipulado en este artículo 39 con respecto a los accionistas y administradores será también de aplicación a las personas que tengan o hayan tenido derechos de suscripción de acciones de la sociedad, a los antiguos accionistas, a las personas que tengan o hayan tenido derecho de asistencia en otra calidad que no sea la de accionista, a los antiguos administradores y a otras personas que desempeñen o hayan desempeñado algún cargo en virtud de su nombramiento o designación de conformidad con estos estatutos.

INDEPENDENT AUDITOR'S REPORT PURSUANT TO SECTION 2:328 SUBSECTION 1 OF THE DUTCH CIVIL CODE

To: the managements of the companies mentioned below

Ref: 1177 / 2055

Our opinion

We have read the proposal for legal merger dated January 30, 2023, and relating to a cross-border legal merger of the following legal companies:

1 MFE-MEDIAFOREUROPE N.V., a public company (*naamloze vennootschap*) existing under the laws of the Netherlands, with its corporate seat in Amsterdam (the Netherlands) and its registered office and principal place of business at Viale Europa 46, 20093 Cologno Monzese (Italy), registered with the Dutch Commercial Register (*Kamer van Koophandel*) under number 83956859 (hereinafter, "MFE" or the "Absorbing Company"), and

2 Mediaset España Comunicación, S.A., a public limited company (*sociedad anónima*) incorporated under the laws of Spain, with its registered office at Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (Spain), registered with the Commercial Registry of Madrid (*Registro Mercantil de Madrid*) under volume 33,442, sheet 122, section 8, page M-93,306, and with Spanish tax identification number A-79075438 (hereinafter, "MES" or the "Absorbed Company" and together with the Absorbing Company, the "Merging Companies").

We have audited the shareholders' equity of the Absorbed Company as included in the proposal for legal merger.

In our opinion:

1 having considered the documents attached to the proposal for legal merger, the proposed share exchange ratio as referred to in Section 2:326 of the Dutch Civil Code, is reasonable; and

2 the shareholders' equity of the Absorbed Company, as at the date of its interim financial statements as referred to in Section 2:313 subsection 2 of the Dutch Civil Code, dated on the 30th of September 2022, on the basis of valuation methods generally accepted in the Netherlands, was at least equal to the nominal paid-up amount on the aggregate number of shares to be acquired by its shareholders under the legal merger increased with the cash payments to which they are entitled according to the proposed share exchange ratio and furthermore increased by the aggregate amount of the compensation which shareholders may claim pursuant to Section 2:330a of the Dutch Civil Code.

3 the shareholders' equity of the Absorbed Company, as at the date of its interim financial statements as referred to in Section 2:313 subsection 2 of the Dutch Civil Code, dated on the 30th of September 2022, on the basis of valuation methods generally accepted in the Netherlands, was at least equal to the nominal paid-up amount on the aggregate number of shares to be acquired by its shareholders under the legal merger increased with the cash payments to which they are entitled according to the proposed share exchange ratio and furthermore increased by the aggregate amount of the compensation which its shareholders may claim pursuant to Section 2:330a of the Dutch Civil Code and the aggregate amount of the cash payments to which its shareholders may become entitled pursuant to their withdrawal rights as referred to in the aforementioned the proposal for legal merger.

We draw attention to articles 3.1 and 3.2 of the merger proposal in which is stated that in relation to the proposed legal merger, no shareholder of MES will be entitled to any cash payments according to the exchange ratio. We also draw attention to article 4.5 of the merger proposal in which is stated that Section 2:330a of the Dutch Civil Code does not apply.

Basis for our opinion

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our responsibilities for the audit of the proposed share exchange ratio and the shareholders' equity of the Absorbed Company's section of our report.

We are independent of MFE-MEDIAFOREUROPE N.V. and Mediaset España Communicatión S.A. in accordance with the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore, we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Restriction on use

This auditor's report is solely issued in connection with the aforementioned proposal for legal merger and therefore cannot be used for other purposes.

Responsibilities of managements for the proposal for legal merger

Managements are responsible for the preparation of the proposal for legal merger in accordance with Part 7 of Book 2 of the Dutch Civil Code. Furthermore, management of each of the aforementioned companies is responsible for such internal control as management determines is necessary to enable the preparation of the proposal for legal

merger that is free from material misstatement, whether due to error or fraud.

As part of the preparation of the proposal for legal merger, managements are responsible for assessing the company's ability to continue as a going concern. Based on the applicable financial reporting framework, managements should prepare the proposal for legal merger using the going concern basis of accounting unless managements either intend to liquidate the company, to cease operations, or have no realistic alternative but to do so.

Managements should disclose events and circumstances that may cast significant doubt on the company's ability to continue as a going concern in the proposal for legal merger.

Our responsibilities for the audit of the proposed share exchange ratio and the shareholders' equity of the Absorbed Company

Our objective is to plan and perform the audit engagement in a manner that allows us to obtain sufficient appropriate audit evidence for our opinion. Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this proposal for legal merger. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

We have exercised professional judgement and have maintained professional scepticism throughout the audit, in accordance with Dutch Standards on Auditing, ethical requirements and independence requirements.

Our audit included among others:

- identifying and assessing the risks of material misstatement of the proposed share exchange ratio and the shareholders' equity of the Absorbed Company, whether due to error or fraud, designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control,
- evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by managements;
- concluding on the appropriateness of managements' use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the proposal for legal merger or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a company to cease to continue as a going concern;

- evaluating the overall presentation, structure and content of the proposal for legal merger, including the disclosures; and
- evaluating whether the proposal for legal merger represent the underlying transactions and events free from material misstatement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant findings in internal control that we identify during our audit.

We have examined the statements with respect to the share exchange ratio ('statements') included in the notes to the proposal for legal merger dated January 30, 2023, of the following companies:

1 MFE-MEDIAFOREUROPE N.V., a public company (*naamloze vennootschap*) existing under the laws of the Netherlands, with its corporate seat in Amsterdam (the Netherlands) and its registered office and principal place of business at Viale Europa 46, 20093 Cologno Monzese (Italy), registered with the Dutch Commercial Register (*Kamer van Koophandel*) under number 83956859 (hereinafter, "MFE" or the "Absorbing Company"), and

2 Mediaset España Comunicación, S.A., a public limited company (*sociedad anónima*) incorporated under the laws of Spain, with its registered office at Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (Spain), registered with the Commercial Registry of Madrid (*Registro Mercantil de Madrid*) under volume 33,442, sheet 122, section 8, page M-93,306, and with Spanish tax identification number A-79075438 (hereinafter, "MES" or the "Absorbed Company" and together with the Absorbing Company, the "Merging Companies").

In our opinion, the statements with respect to the share exchange ratio, included in the notes to the proposal for legal merger, in all material respects, meet the requirements of Section 2:327 of the Dutch Civil Code.

Basis for our opinion

We performed our examination in accordance with Dutch law, including the Dutch standard 3000A, 'Assurance-opdrachten anders dan het controleren of beoordelen van historische financiële informatie (attest-opdrachten)' (Assurance engagements other than audits or reviews of historical financial information (attestation engagements)). This engagement is aimed to obtain reasonable assurance. Our responsibilities in this regard are further described in the 'Our responsibilities for the examination of the statements' section of our report.

We are independent of MFE-MEDIAFOREUROPE N.V. and Mediaset España Communicatión S.A. in accordance with the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the

Netherlands. Furthermore we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

We believe that the assurance evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Restriction on use and distribution

Our assurance report is exclusively intended for the managements of the above mentioned companies and the persons as referred to in Section 2:314 subsection 2 of the Dutch Civil Code. It is solely issued in connection with the aforementioned proposal for legal merger and therefore cannot be used for other purposes.

Responsibilities of managements for the statements

The companies' managements are responsible for the preparation of the statements in accordance with Section 2:237 of the Dutch Civil Code.

Furthermore, management of each of the aforementioned companies is responsible for such internal control as management determines is necessary to enable the preparation of the statements that are free from material misstatement, whether due to fraud or error.

Our responsibilities for the examination of the statements

Our objective is to plan and perform the examination in a manner that allows us to obtain sufficient and appropriate assurance evidence for our opinion.

Our examination has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our examination.

We apply the 'Nadere voorschriften kwaliteitssystemen' (NVKS, regulations for quality management systems) and accordingly maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our examination included among others:

- identifying and assessing the risks of material misstatement of the statements, whether due to fraud or error, designing and performing assurance procedures responsive to those risks, and obtaining assurance evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtaining an understanding of internal control relevant to the examination in order to design assurance procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's (companies') internal control;

- performing substantive procedures to audit (1) the existence and valuation of the assets, and (2) the accuracy and completeness of the direct and indirect (contingent) liabilities of the Merging Companies.
