1. INTRODUCTION

On the date of this document, board of directors of Mediaset España Comunicación, S.A. ("Mediaset España" or "Split-off Company") and of Grupo Audiovisual Mediaset España Comunicación, S.A. ("GA Mediaset" or the "Beneficiary Company) have drafted, approved and signed the split-off project of Mediaset España (as Split-off Company) in favour of GA Mediaset (as Beneficiary Company) (the "Split-off Project")¹. Under the Split-off Project, Mediaset will transfer in block and by universal succession all its equity, assets and liabilities to GE Mediaset in exchange for the assignment to Mediaset España of the shares of GA Mediaset that will be issued on the occasion of the capital increase that will occur in that company (the "Split-off").

The Split-off Project has been drafted and signed by the boards of directors of both companies, as contemplated by section 30.1 and following of Spanish Law 3/2009 of 3 April, on Structural Modifications of Commercial Companies ("Spanish Structural Modifications Act" or - *Ley de Modificaciones Estructurales*) and will made publicly available in accordance with applicable law and, in any case, on the corporate website of Mediaset España (<http://www.telecinco.es>).

In compliance with sections 33 and related provisions of the Structural Modifications Act, the undersigned, as members of the board of directors of Mediaset España (the "Board of Directors"), draft and approve, under the terms detailed below, the directors' report on the Split-off Project (the "Report"), in which, in accordance with those sections, they explain and justify in detail the legal and economic aspects of the Split-off Project and the implications of the Split-off for shareholders, creditors and workers.

This report is made up of three parts:

- (A) the first relates to the justification of the Split-off from a strategic point of view;
- (B) the second analyses the legal and economic aspects of the Split-off and outlines the information mentioned in the Split-off Project; and
- (C) the third and final part addresses the implications of the Split-off for shareholders, creditors and workers.

2. STRATEGIC JUSTIFICATION OF THE SPLIT-OFF

As stated in the Split-off Project, the Split-off forms part of a single operation of broader scope (the "Operation") which also contemplates, in this order, the following actions:

- (A) the assignment by Mediaset S.p.A. ('Mediaset'), a listed public limited company incorporated under Italian law (*società per azioni*) of substantially all of its business and all its interests in other entities, except, of its stake in Mediaset España to an Italian company wholly-owned by Mediaset (the "Mediaset Reorganisation"); and

¹ The Split-off Project has been approved and signed only by the undersigned directors of Mediaset España, while the proprietary and executive directors of Mediaset España have abstained from participating in the deliberations and voting related to the Split-off and the Operation.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

- (B) the cross-border merger by acquisition of Mediaset and Mediaset España by Mediaset Investment ("DutchCo"), a public limited company (*naamloze vennootschap*) incorporated under Dutch law. Mediaset and Mediaset España will cease to exist as separate legal entities, and DutchCo will acquire all the assets and assume all the liabilities and other legal relations of Mediaset and Mediaset España by way of universal succession (the "Merger"). The Merge has been the subject of the corresponding common cross-border merger project prepared today by the Board of Directors, simultaneously with the preparation of the Split-off Project by the Board of Directors and will be submitted for approval by the General Shareholders' Meeting of Mediaset España to which the Split-off will be submitted for approval.

Both the Split-off and the Mediaset Reorganisation are configured as a step prior to the Merger. The purpose of this step is to subsidiarise the business assets of Mediaset and Mediaset España before the Merger is performed, with the aim of rationalising the corporate structure of Mediaset and Mediaset España; i.e., allowing, after the Merger, continuity in the autonomous operation of the Spanish and Italian businesses, managed by a Spanish company and by an Italian company, respectively. In the Spanish case, this autonomy is desirable for the following reasons:

- (A) The Split-off will allow, once the Merger has been complete, for all of the regulated activity currently carried out by Mediaset España to continue being carried out by an autonomous Spanish company, thus maximising the local experience and knowledge of sales in the Spanish market, the regulatory framework, and the relationships between Spanish customers and suppliers that the Split-off Company has today. Similarly, the Split-off will allow the Mediaset Group's ability to attract and retain local talent in Spain to remain unaffected by the Merger.
- (B) It is anticipated that the subsidiarisation of Mediaset España's business will help to streamline decision-making and improve the Mediaset Group's efficiency in business management in Spain by optimising its responsiveness to changing market conditions and improving the positioning of Mediaset Group in Spain against potential competitors, which in turn will allow it to explore and exploit new business opportunities.
- (C) Given the advantages of the Split-off described above, it seems appropriate to execute it before the Merger. Otherwise, the subsidiarisation of Mediaset España's activities would have to be carried out later DutchCo, which would cause significant practical problems in running the business and managing the current assets of Mediaset España.

Under the Split-off, the Split-off Company will continue to own exclusively all the shares of the Beneficiary Company (including therefore the new shares issued by the Beneficiary Company as a result of the Spin-off), while the Beneficiary Company will acquire all the assets and assume all the liabilities and other legal relationships of the Split-off Company.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

3. LEGAL AND ECONOMIC ASPECTS OF THE SPLIT-OFF PROJECT

3.1 LEGAL STRUCTURE OF THE SPLIT-OFF

The legal structure chosen to carry out the operation referred to in this report is total and special split-off, as a modality of spin-off provided for in sections 68.1.3 and 71 of the Structural Modifications Act.

It is a total split-off to the extent that as a result of the Split-off, the Split-off Company will carry out a block transfer, by universal succession, of all its business assets in favour of the Beneficiary Company. This transfer will include both the assets and liabilities and other legal relationships of the Split-off Company, meaning that the Beneficiary Company will assume all the human, material and immaterial resources linked to the operation of the Split-off Company's business.

It is a special split-off because the Beneficiary Company is a direct and wholly owned subsidiary and the Split-off Company. Therefore, the Split-off will be carried out in accordance with the simplified procedure provided by section 49.1 —by referral of sections 52.1 and 73.1— of the Structural Modifications Act. Consequently, among the other simplifications provided in the Structural Modifications Act:

- (A) the director's reports on the Split-off Project are not necessary;
- (B) the independent expert's report is only required for the purpose and effects determined by section 67 of Spanish Legislative Royal Decree 1/2010 of 2 July, approving the Consolidated Text of the Corporate Enterprises Act ("Corporate Enterprises Act" or "LSC"); and

Notwithstanding the above, the Board of Directors has decided to issue this report on the Split-off Project on a voluntary basis and for purely internal purposes, without it being understood that the simplification provided for in section 49 of the Structural Modifications Act referred to in section 3.1(A) has been waived.

3.2 ANALYSIS OF THE LEGAL AND ECONOMIC ASPECTS OF THE SPLIT-OFF PROJECT

The Split-off project has been prepared in accordance with sections 74 et seq, in relation with section 71 of the Structural Modifications Act and, therefore, includes the information considered to be the minimum content under these rules, taking section 49 Structural Modifications Act into account.

In addition to the minimum mentions required by those rules of the Spanish Structural Modifications Act, the Split-off Project contemplates and develops other aspects whose inclusion has been considered appropriated by the governing bodies of the company involved in the Split-off.

An analysis of the content of the Split-off Project is shown below:

3.2.1 Identification of the companies participating in the Split-off.

In accordance with item 1 of section 31 of the Structural Modifications Act applicable to the split-off under section 71 of the Structural Modifications Act, section 1 of the Split-off Project identifies the companies participating in the Split-off by indicating their names, corporate form, registered offices, amount of share capital and their incorporation and registration data along with their corresponding Tax Identification Numbers.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

3.2.2 Procedure agreed to carry out the Split-off.

The preliminary section of the Split-off Project contains a brief description of the process of the Split-off procedure that specifies that it is carried out through the en bloc transfer by universal succession of all the assets and liabilities and other legal relationships of the Split-off Company in favour of the Beneficiary Company.

3.2.3 Share swap ratio, share swap procedure and date from which the Split-off Company is entitled to participate in the earnings of the Beneficiary Company.

As a special split-off subject to the simplified regime provided for in section 49.1 in conjunction with section 73 of the Structural Modifications Act, the share swap procedure is not applicable. This explains why the Split-off Project does not include the information relating to the share swap rate and procedure and the date from which the Split-off Company is entitled to participate in the earnings of the Beneficiary Company.

3.2.4 Split-off balances

Section 3 of the Split-off Project specifies that the split-off balances, for the purposes of section 36 of the Structural Modifications Act, will be as follows:

- (A) the balance of the Split-off Company at 31 December 2018, included in the audited financial statements of Mediaset España closed at 31 December 2018, as approved by the shareholders meeting of Mediaset España on 10 April 2019; and
- (B) the balance of the Beneficiary Company at 31 December 2018 corresponding to the financial statements of GA Mediaset closed at 31 December 2018, as approved by the sole shareholder of GA Mediaset on 7 June 2019.

3.2.5 Determination and valuation of the split-off equity

(A) Split-off Equity:

According to section 4.1 of the Split-off Project, the Split-off covers all the equity—assets and liabilities—of Mediaset España (the “Split-off Equity”). The Split-off Equity is without doubt an economic unit according to the meaning of section 71 of the Structural Modifications Act.

(B) Elements of the assets and liabilities of the Split-off Equity:

For the purposes of section 74.1 of the Structural Modifications Act, the elements that form the Split-off Equity, as we have stated, consist of all the assets and liabilities of Mediaset España, are those shown with their respective accounting values in the balance at 31 December 2018 included as Appendix 2 of the Split-off Project.

Furthermore, for the purposes of an even more detailed identification of the Split-off Equity, in section 4.3 of the Split-off Project it is stated that the Split-off Equity includes certain specific equity items.

(C) Valuation of the Split-off Equity:

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

For the purposes of section 31.9 Structural Modifications Act, section 4.4 of the Split-off Project states that the book value at 31 December 2018 of the assets and liabilities to be included in the Split-off Equity amounts to:

- Total assets: € 1,169,511,242.29
- Total liabilities: € 349,146,544.39

Therefore, the net value of the Split-off Equity amounts to EUR 820,364,697.90.

(D) Supervening valuation of the Split-off Equity

The exact composition of the assets and liabilities included in the Split-off Equity (which will in any case include all the assets and liabilities of the Split-off Company) and their valuations may undergo variations in the ordinary course of the business.

(E) Adjustment of the value of the Split-off Equity:

In accordance with section 67 of the Corporate Enterprises Act, the valuation of the Split-off Equity for the purposes of the Split-off cannot exceed the value of the non-monetary contribution as valued by the independent expert and contained in the report.

Any difference in valuation that emerges in the Split-off Equity up to the effective date of the Split-off will be adjusted against the equity of the Beneficiary Company in accordance with the applicable accounting standards, either by reducing the share premium if difference is negative, or by increasing the share premium if the difference is positive.

3.2.6 Current capital, capital increase of the Beneficiary Company and subscription of shares

As stated in section 5 of the Split-off Project, the share capital of the Beneficiary Company currently amounts to EUR 60,000 and is divided into 60,000 shares of the same class and series, of EUR 1 par value each, numbered 1 to 60,000, both inclusive, that were fully subscribed and paid up by the Split-off Project with the incorporation of the Beneficiary Company.

As a result of the Split-off Project, the capital of the Beneficiary Company will increase by EUR 190,000,000.00, by issuing 190,000,000 shares of the same class and series as those currently outstanding, of EUR 1 par value each, numbered 60,000 to 190,060,000, both inclusive.

The new shares (i) will be fully subscribed and paid by the Split-off Company on the effective date of the Split-off by the *en bloc* transfer to the Beneficiary Company of the equity elements of Mediaset España that make up the Split-off Equity; and (ii) will be issued with a total share premium of EUR 630,364,697.90, equal to the value of the Split-off Equity, reduced by the amount of the capital increase of the Beneficiary Company with a 3.31770893631579 share premium for each new share of the Beneficiary Company. The share premium will be also paid entirely as a result of assignment to the Beneficiary Company of the assets of Mediaset España that are split-off.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

3.2.7 Effective accounting date of the Split-off

Likewise, and in accordance with section 31.7 of the Structural Modifications Act, the Split-off Project, in section 8, establishes the date from which the Split-off will be understood to have been carried out or produced for accounting purposes.

3.2.8 Ancillary obligations and special rights

As stated in section 9 of the Split-off Project, for the purposes of sections 3 and 4 of section 31 of the Structural Modifications Act, neither Mediaset España nor GA Mediaset have shareholders obliged to perform ancillary obligations no holders of special rights or property titles other than shares, meaning that the Split-off will not produce any effects in this regard.

3.2.9 Advantages given to the directors or the independent experts

No class of advantages will be attributed to the Board members or the board of directors of GA Mediaset, nor in favour of the independent expert intervening in the split-off process (item 5 of section 31 of the Structural Modifications Act). Neither are special advantages attributed to the auditors.

3.2.10 Articles of Association

To comply with requirement contained in section 31.8 of the Structural Modifications Act, the Split-off Project expressly states in section 2 that GA Mediaset, in its capacity as Beneficiary Company will be governed after the Split-off by the Articles of Association attached as Appendix 1 to the Split-off Project.

3.2.11 Impact of the Split-off on employment and on corporate social responsibility and gender impact.

Section 10 of the Split-off Project includes the possible consequences of the Split-off on employment and its eventual gender impact in the management bodies of the companies involved and the impact, if any, on the social responsibility of the participating companies in the Split-off, highlighting that no impacts related to these matters are anticipated, to the extent the policies implemented in Mediaset España and in the Beneficiary Company are expected to be replicated. In this way, the Split-off Project complies with item 11, section 31 of the Structural Modifications Act.

Section 4 of this Report analyses the implications of the split-off for the shareholders, the creditors and the employees of the participating companies.

3.2.12 Special tax regime

Sections III and IV of the preliminary section and section 11 of the Split-off Project establish that the Split-off operation constitutes an operation to which the special tax regime is applicable under section 76.3 of Spanish Law 27/2014, of 27 November, of the Corporation Tax (Corporation Tax Act. *Ley de Impuesto sobre Sociedades*), since the split-off operation consists of a non-monetary contribution of a branch of activity to a pre-existing company — the Beneficiary Company — where, in exchange, the Split-off Company receives securities representing the share capital of the acquiring entity.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

Likewise, the Split-off Project considers that, if the circumstances to opt for the special tax regime for contributions of branches of activity under section 76.3 of the Corporation Tax Act are not met, the Split-off will have the tax consideration of a special non-monetary contribution under section 87 of the Corporation Tax Act.

In any case, section 11 of the Split-off Project expressly states that the Split-off will be notified to the tax authorities under section 89.1 of the Corporation Tax Act and 48 of the Corporation Tax Regulations approved by Spanish Royal Decree 634/2015 of 10 July.

3.2.13 Condition precedent

As stated in section 12 of the Split-off Project, the effectiveness of the Split-off is subject to the condition precedent of the Split-off Company obtaining the express or tacit authorisation of the SEAD in connection with the transfer to the Beneficiary Company of the following communication licenses in accordance with section 29 of Spanish Law 7/2010, of 31 March on General Audiovisual Communication:

- (i) License for the provision of audiovisual communication services awarded by Resolution of the Council of Ministers of 11 June 2010, by which the concession initially awarded by Resolution of the Council of Ministers of 25 August 1989 was transformed into a license.
- (ii) Multiple-channel state-wide digital coverage allocated under the Resolution of the Council of Ministers of 16 July 2010.
- (iii) Licenses corresponding to the Cuatro Multiplex (Cuatro and three more channels) transferred to Mediaset by virtue of the acquisition of the Sociedad General de Televisión Cuatro, S.A.U., in 2010.
- (iv) License for the exploitation, under the open broadcasting service of audiovisual television communication by terrestrial Hertzian waves with state-wide coverage, of a high definition television channel (HD), awarded under the Resolution of the Council of Ministers of 16 October 2015

3.3 DEVELOPMENT OF THE LEGAL SPLIT-OFF PROCEDURE

A brief reference to the main milestones that mark the development of the split-off process is shown below, with special mention of the legal rules that are relevant for this purpose.

3.3.1 Approval and signature of the Split-off Project

The Split-off Project that is the object of this Report, laying down the bases, structure and criteria for carrying out the operation, has been approved and signed by the Board of Directors on today's date, all in accordance with sections 30 and 74 of the Structural Modifications Act.

The insertion of the Split-off Project on the corporate website of Mediaset España (<http://www.televiccinco.es>), and the publication of the circumstances of that insertion in the Official Gazette of the Mercantile Registry, will be carried out prior to the call of the General Shareholders Meeting of the Split-off Company as provided in the Structural Modifications Act.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

3.3.2 Independent expert's report on the Split-off Project

In accordance with the Structural Modifications Act, section 67 of the Spanish Corporate Enterprises Act and sections 338 and 349 of the Regulations of the Mercantile Registry and related provisions, the Mercantile Registry of Madrid requested the management of Mediaset España and GA Mediaset to appoint an independent expert for the preparation of a single report on the valuation of the Split-off Equity to be received by the Beneficiary Company of Mediaset España as a consequence of the Split-off, for the purposes and effects determined in section 67 of the consolidated text of the Spanish Corporate Enterprises Act.

The appointment was made to the company Grant Thornton, which accepted the commission and issued the mandatory report on the Split-off Project on 7 June 2019, a copy of which is attached as Appendix to this Report.

3.3.3 Directors' report on the Split-off Project

Despite the exemption provided for in section 49.1.2. of the Structural Modifications Act, and without waiving its application, the Board of Directors has drafted this report on a voluntary basis and purely for internal effects, in they explain and justify in detail the legal and economic aspects of the Split-off Project and the implications of the Split-off for shareholders, creditors and workers of Mediaset España.

The Board of Directors has approved this report on today's date.

3.3.4 Announcement of the General Shareholders Meeting of Mediaset España

On today's date, the Board of Directors has resolved to call an Extraordinary General Meeting of Shareholders to be held at the registered office, located at Carretera de Fuencarral a Alcobendas, No. 4, on 4 September 2019, on first call.

The items of the agenda f that General Meeting include the deliberation and approval, as appropriate of the split-off agreement between Mediaset España and GA Mediaset and GA Mediaset in the terms provided in the Split-off Project.

In turn, in accordance with section 39 of the Structural Modifications Act, before the publication of the announcement of the General Meeting, the documents listed in section 39 and detailed in paragraph 3.4 of this Report will made available to the public both on the corporate website of Mediaset España (<http://www.teleset.es>) and at the registered office of Mediaset España.

3.3.5 Split-off resolutions and publication of announcements

In accordance with section 40 of the Structural Modifications Act, in conjunction with section 73 of that law, the Split-off will be resolved by the General Shareholder's Meeting of Mediaset España, in strict compliance with the Split-off Project.

Once the split-off resolution has been passed, as appropriate, its text will be published in the Official Gazette of the Mercantile Registry and in a broadly-circulated newspaper of the Community Madrid, all in compliance with the requirements of section 43 of the Structural Modifications Act.

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

These announcements will include: (i) the entitlement of the shareholders and creditors of Mediaset España and of GA Mediaset to obtain the full text of the resolution adopted and the split-off balances; and (ii) the right of opposition that may be exercised by the creditors of Mediaset España and of GA Mediaset.

In accordance with section 44 of the Structural Modifications Act, with the publication of the last of these announcements, the statutory term of one month will be opened so that the creditors and debenture holders of Mediaset España and of GA Mediaset may oppose the Split-off when their credits were constituted before the date of inclusion of the Split-off Project on the website of Mediaset España, in the case of creditors of the Split-off Company, and before the date of submission of the Split-off Project at the pertinent Mercantile Registry, in the case of creditors of the Beneficiary Company, always provided the credits had not expired at that time and until those credits are guaranteed, and always provided, in the case of the bondholders, the Split-off had not been approved by the corresponding bondholders' meeting. Any creditors whose credits are already sufficiently guaranteed will not be entitled to exercise their opposition.

3.3.6 Execution and registration of the split-off deed

Once the corresponding split-off resolutions have been adopted and the announcements referred to in section 43 of the Structural Modifications Act have been published and following the deadline laid down in section 44 of the Structural Modifications Act has elapsed without any creditor having exercised their right to opposition or, where applicable, once the credits of the creditors who had exercised that right have been settled or sufficiently guaranteed, and having complied with the corresponding condition precedent, the split-off deed will be executed.

3.4 INFORMATION ABOUT THE INTENDED SPLIT-OFF

With regard to Mediaset España, in accordance with section 39 and in relation to section 73, of the Structural Modifications Act, prior to the publication of the announcement of the General Meeting called to resolve on the split-off, the following documents on the split-off will be published on the website of Mediaset España (<http://www.telecinco.es>), with the possibility of downloading and printing them:

- (i) Split-off Project;
- (ii) This Report on the Split-off Project;
- (iii) The independent expert's report;
- (iv) The financial statements and management reports of Mediaset España and of GA Mediaset for the last three financial years, together with the corresponding auditor's reports. Mediaset España's balance sheet for the financial statements as of 31 December 2018 will be used as the split-off balance;
- (v) The financial statements and management reports GA Mediaset for the past two financial years (given that the company was formed on 11 January 2017). GA Mediaset's balance sheet for the financial statements closed at 31 December 2018 will be used as the split-off balance;
- (vi) The current Articles of Association of Mediaset España and of GA Mediaset;

This document is a non-binding and unofficial translation merely for informative purposes of the corresponding document prepared in a foreign language. In case of divergence, the version of the document prepared in its original language shall prevail.

- (vii) The new Articles of Association of the Beneficiary Company, contained in appendix 2 of the Split-off Project.
- (viii) The identity of the Board members and members of the Board of Directors of GA Mediaset and the date from which they hold or perform their respective positions, and the identity of those who will be appointed as directors as a consequence of the Split-off.

4. IMPLICATIONS OF THE SPLIT-OFF FOR SHAREHOLDERS, CREDITORS AND EMPLOYEES

4.1 IMPLICATIONS FOR SHAREHOLDERS

To the extent that, as a consequence of the Split-off all the shares of the Beneficiary Company —GA Mediaset— that are issued will be attributed to the Split-off Company itself, currently the sole shareholder of the Beneficiary Company —Mediaset Spain— and not to the shareholders of the Split-off Company, there will be no direct implications for these shareholders.

4.2 IMPLICATIONS FOR CREDITORS

The Split-off will imply the transfer in favour of GA Mediaset, on a universal basis and in a single act, of all the assets, rights and obligations that make up Mediaset España's equity. HENCE, the legal relationships of the Split-off Company , encompassing its obligations to creditors, will remain in force even though its owner will have changed to become GA Mediaset (except those in which the change of ownership entails their termination, that will cease to have effects). Consequently, the Beneficiary Company will become the debtor in the obligations Mediaset España had entered into with its creditors.

Finally, from the moment the last announcement of the split-off resolution is published, the creditors and debenture holders of the Split-off Company whose credits are not due and were constituted prior to the publication of the Split-off Project on Mediaset España's corporate website may, during the period of one month and until those credits are guaranteed, exercise their right to oppose the Split-off in the terms set forth in section 44 of the Structural Modifications Act. Any creditors whose credits are already sufficiently guaranteed will not be entitled to exercise their opposition.

4.3 IMPLICATIONS FOR EMPLOYEES

Following the Split-off, GA Mediaset will take responsibility for all the human and material resources that Mediaset España currently has, following the policies and procedures observed by that company in the field of personnel management. Consequently, and in accordance with section 44 of the Spanish Workers' Statute, regulating corporate takeover situations, Mediaset GA is subrogated to the labour rights and obligations of Mediaset España's employees.

According to the provision, both companies will respond jointly and severally in the statutory terms to the employment obligations pre-dating the Split-off and Social Security obligations, whether concerning contribution obligations or the payment of provisions previously generated.

Furthermore, under the split-off –which will be notified to the workers' legal representatives in accordance with the law, as well as informing the appropriate public bodies (in particular, the Social Security authorities)– the Beneficiary Company will assume and keep intact the organisation and the material

means of the Split-off Company, as well as the policies and procedures that observed up to that time in terms of personnel management. Therefore, no employment-related aspect will be qualitatively or quantitatively affected by the split-off

5. CONCLUSION

In light of the above, the Board members express their belief that the Split-off of Mediaset España in favour of GA Mediaset as referred to in the Project discussed in this Report is beneficial for Mediaset España and, therefore, for its shareholders.

This report has been prepared and approved in Madrid on 7 June 2019.

For the attention of the Board of Directors of Mediaset España Comunicación, S.A. ("Mediaset España", "MSE" or "Split-off Company") and the Board of Directors of the company Grupo Audiovisual Mediaset España Comunicación, S.A. ("GA Mediaset" or the "Beneficiary Company"), represented by Mr Paolo Vasile and Mr Massimo Musolino respectively, before the Mercantile Registry of Madrid, and on its instructions.

In accordance with our appointment as independent expert by Ms Carmen de Grado Sanz, Mercantile Registrar number XVII of Madrid and its province, to issue the independent expert report regarding the proposed split-off (the "Split-off") in accordance with Spanish Law 3/2009 of 3 April on structural modifications of commercial companies (*Ley de Modificaciones Estructurales*) and section 67 of Spanish Legislative Royal Decree 1/2010 of 2 July, approving the Consolidated Text of the Corporate Enterprises Act ("Corporate Enterprises Act"), and also in accordance with sections 133, 340 et seq of the Spanish Mercantile Registry Regulations, we issue this report (the "Report") on the valuation of all the equity (assets and liabilities) of Mediaset España (the "Split-off Equity") to the company GA Mediaset, in exchange for the assignment to Mediaset España of the shares of GA Mediaset that are issued on the occasion of the capital increase that will occur in that company.

In the split-off project regarding the Split-off ("Split-off Project"), it has been established that, in as far as the Beneficiary Company is a direct and wholly-owned subsidiary of the Split-off Company, the Split-off will be carried out in accordance with the simplified procedure foreseen in section 49.1 –by referral of sections 52.1 and 73.1– of the Structural Modifications of Commercial Companies Act, which waives the requirement to draft a directors' report on the Split-off Project, and that the independent expert report will only have the purpose and effects determined in section 67 of the consolidated text of the Corporate Enterprises Act.

1. Background

MSE is a public limited company, listed, incorporated under Spanish law, with registered office at Carretera de Fuencarral a Alcobendas 4, 28049, Madrid, Spain, registered in the Mercantile Registry of Madrid under volume 33,442, page 122, section 8, sheet M-93306 and with Spanish tax identification number A-79075438.

The corporate purpose is the indirect management of the Public Television Services. It currently operates seven television channels commercially (Telecinco, Factoría de Ficción, Boing, Cuatro, Divinity, Energy y BeMad).

The Company began trading on the stock exchange on 24 June 2004, listed on the Madrid, Barcelona, Bilbao and Valencia stock exchanges and becoming part of the IBEX-35 index on 3 January 2005.

For its part, GA Mediaset is a public limited company, listed, formed under Spanish law, with registered office at Carretera de Fuencarral a Alcobendas 4, 28049, Madrid (Spain), registered in the Mercantile Registry of Madrid under volume 35,520, page 100, section 368404, and with Spanish tax identification number A-87728689.

The boards of directors of Mediaset España and GA Mediaset have prepared the Split-off Project under which Mediaset España will transfer all its net equity, assets and liabilities to GA Mediaset in exchange for the allocation to Mediaset España of the new GA Mediaset shares to be issued through a capital increase. The Split-off will be governed by title III of the Structural Modifications of Commercial Companies Act.

The Split-off forms part of a single operation of broader scope ("the Operation") that also contemplates, in this order, the following actions:

- a) the assignment by Mediaset S.p.A ('Mediaset'), a listed public limited company incorporated under Italian law (*societa per azioni*) of substantially all of its business and all its interests in other entities, except, among others, of its stake in Mediaset España- to an Italian company 100%-owned by Mediaset (the "Mediaset Reorganisation");
- b) the cross-border merger by acquisition of Mediaset and Mediaset España by Mediaset Investment N.V ("DutchCo"), a public limited company (*naa za vennootschap*) governed by Dutch law. Mediaset and Mediaset España will cease to exist as separate legal entities, and DutchCo will acquire all the assets and assume all the liabilities and other legal relations of Mediaset and Mediaset España by way of universal succession ("the Merger").

Mediaset, Mediaset España and DutchCo belong to the Mediaset group. At the date of the Split-off Project, DutchCo is a direct and wholly-owned subsidiary of Mediaset and Mediaset España is a direct subsidiary of Mediaset, with Mediaset being, at the date of the Split-off Project, the owner of shares representing approximately 51.63% of the subscribed share capital of Mediaset España. GA Mediaset is direct and wholly owned subsidiary of Mediaset España.

In addition, the completion of the Split-off is conditional on obtaining the approval of the State Secretariat for Digital Advancement of the Ministry of Economics and Business (SEAD - *Secretaría de Estado para el Avance Digital*) in relation to the transfer of audiovisual communication licenses from the Split-off Company to the Beneficiary Company.

Both the Split-off and the Mediaset Reorganisation are configured as a step prior to the Merger. The purpose of this step is to subsidiarise the business assets of Mediaset España and Mediaset before the Merger is performed, with the aim of rationalising the corporate structure of Mediaset España and Mediaset, thus allowing, after the Merger, continuity in the autonomous operation of the Spanish and Italian businesses, managed by a Spanish company and by an Italian company, respectively.

In this context, Grant Thornton, S.L.P. ("Grant Thornton" or "GT") has been appointed to prepare the mandatory Independent Expert's Report for the purposes of section 67 of the Corporate Enterprises Act, once it has been established that, in as far as the Beneficiary Company is a direct and wholly-owned subsidiary of the Split-off Company, the Split-off will be carried out in accordance with the simplified procedure foreseen in section 49.1 –by referral of sections 52.1 and 73.1– of the Structural Modifications of Commercial Companies Act, which waives the requirement to draft a directors' report on the Split-off Project, and that the independent expert report will only have the purpose and effects determined in section 67 of the consolidated text of the Corporate Enterprises Act.

2. Description of the operation analysed

Valuation of the Split-off Equity

The purpose of the Split-off is to subsidiarise all the activities of Mediaset España. Therefore, the natural subject-matter of the Split-off is all the equity –assets and liabilities– of Mediaset España. The Split-off Equity (Appendix I) is an economic unit in the meaning of section 71 of the Structural Modifications of Commercial Companies Act.

In as far as the Beneficiary Company is a direct and wholly-owned subsidiary of the Split-off Company, the Split-off will be carried out in accordance with the simplified procedure foreseen in section 49.1 49.1 –by referral of sections 52.1 and 73.1– of the Structural Modifications of Commercial Companies Act, which waives the requirement to draft a directors' report on the Split-off Project, and that the independent expert report will only have the purpose and effects determined in section 67 of the consolidated text of the Corporate Enterprises Act:

In this sense, the split-off assets with registry entries have been attached in Appendix II of this report, having been obtained from the Split-off Project (Appendix III). As described in the Split-off Project, these split-off assets correspond to:

- Real Property (Appendix 3 of the Split-off Project)
- Trademarks and Trade Names (Appendix 4 of the Split-off Project)
- Domains (Appendix 5 of the Draft segregation)

In accordance with point 4 of the Split-off Project, the value assigned by the Directors of Mediaset España and GA Mediaset to the Split-off Equity has been established, for the purposes of section 31.9 of the Structural Modifications of Commercial Companies Act, by way of the net book value at 31 December 2018 and amounts to EUR 820,364,697.90.

Capital increase

According to the Split-off Project, the capital of the Beneficiary Company will increase by EUR 190,000,000.00, by issuing 190,000,000 shares of the same class and series as those currently outstanding, of EUR 1 par value each.

The new shares will be fully subscribed and paid by the Split-off Company on the effective date of the Split-off by way of *en bloc* transfer of the Split-off Equity to the Beneficiary Company.

The new shares will be issued with a total share premium of EUR 630,364,697.90, equal to the Net Book Value of the Split-off Equity indicated in the previous section, reduced by the amount of the capital increase of the Beneficiary Company with a 3.31770893631579 share premium for each new share of the Beneficiary Company. The share premium will be also paid entirely as a result of assignment to the Beneficiary Company of the assets of Mediaset España that are split-off.

Any difference in valuation that emerges in the Split-off Equity up to the effective date of the Split-off will be adjusted against the equity of the Beneficiary Company in accordance with the applicable accounting standards, either by reducing the share premium if difference is negative, or by increasing the share premium if the difference is positive.

3. Scope and procedures

Scope

The scope of our professional action, as set out in section 2 of our report, has been limited to section 67 of the Spanish Corporate Enterprises Act, and in accordance with sections 133, 338 et seq of the Mercantile Registry Regulations, as professionals responsible for drafting the report on the assessment of the Split-off Equity of Mediaset España as consideration for the GA Mediaset capital increase.

Grant Thornton will not be liable for any use of this Report outside the context mentioned above.

Work procedures carried out

Our work has been carried out by performing the procedures described below:

- Obtaining the following information:
 - Application document for the appointment of an independent expert presented at the Mercantile Registry of Madrid by Mediaset España and GA Mediaset in relation to the Operation.
 - Split-off Project prepared by the Boards of Directors of Mediaset España and GA Mediaset.
 - Financial projections of Mediaset España, validated by its Board of Directors.
 - Analysts' reports on Mediaset España.
 - Audited individual and consolidated financial statements of Mediaset España as of 31 December 2018, 2017 and 2016.
 - Interim condensed consolidated financial statements of Mediaset España as of June 2018 , reviewed by the auditor.
 - Publicly available information on listed media sector companies with characteristics similar to those of Mediaset España.
 - Minutes of the Board of Directors and Shareholders' Meeting of Mediaset España for FY 2018 and up to the date of this report.
 - Relevant facts notified to the CNMV during FY 2018 and 2019.
 - Other information considered relevant to the performance of our tasks.
- Review and contrast of the information mentioned in the preceding paragraph, taking into account the context and characteristics of our work.
- Review and overall contrast on whether the fair value of the contribution of Split-off equity corresponds at least to the amount of the capital increase proposed for GA Mediaset (including share premium), taking into account the context and characteristics of the Split-off. Some of the procedures have been carried out (non-exhaustive list):
 - Analysis on the most appropriate methodology for carrying out the valuation tasks of the Split-off Equity.
 - Review of the public financial forecasts contained in the analysts' reports on MSE to which we have had access, as well as the financial forecasts validated by the Board of Directors of Mediaset España.

- Preparation of a financial cash flow discount model based on those financial forecasts and other information relevant for the purposes of our tasks.
- Review of the historical evolution of the share price of MSE.
- Identification of the main difficulties of the valuation tasks.
- Assessment of the impact on fair value of the Split-off Equity, after the date of the auditor's report on the financial statements of Mediaset España. We have received confirmation from the Management about the absence of any significant events that may have affected the value of the Split-off Equity in the period between the date of the aforementioned financial statements and the date of the report.
- Obtaining the following formal confirmations:
 - Letter signed by persons with sufficient powers to represent MSE in which they state there is no new litigation or lawsuit that could determine the reasonableness of the value of the Split-off Equity.
 - Letter signed by persons with sufficient powers to represent MSE in which they confirm to us, among other matters, that the Split-off Project they have submitted and the assumptions used in their preparation represent their most informed opinion considering the present circumstances and anticipated future developments, that they have given us all the necessary information and everything we have requested to prepare our report and that there is no aspect that has not been notified to us that could have a significant effect on the results of our work.

4. Relevant aspects

The scope of our work has been based primarily on the analysis of the value assigned by MSE to the Split-off Equity under the Split-off in relation to the envisaged GA Mediaset capital increase, for the purposes of determining that the value of the Split-off Equity of Mediaset España corresponds at least to the nominal value plus the share premium of the shares to be issued by GA Mediaset as consideration for the capital increase.

The value estimates are based on commonly accepted valuation methods in the profession. Although we have performed our analyses in a reasonable manner, based on the information available and provided by the Management, we must point out that business valuations are not an exact science, but an exercise based on experience and using hypotheses that refer to the future and therefore, they contain a certain degree of subjectivity. In these circumstances, we cannot guarantee that third parties will be necessarily agree with our conclusions. The main difficulties encountered in the process of analysis and review of the value of Split-off Equity proposed in the Split-off Project are precisely those that refer to the future behaviour of economic variables and the logical uncertainty this implies.

Our work has been based on audited information and public information about MSE. In the performance of our tasks, we have assumed that this information is complete and accurate and reflects the Company's best estimates about its situation and prospects from an operational and financial standpoint. Our work is not an audit of financial statements, so it does not include the procedures required by the generally accepted professional standards for carrying out an accounts audit and therefore we do not express a professional opinion on the financial information included in this document.

The scope of our work has not included any independent verification, auditing, due diligence, review or evaluation of the accounting, tax, legal, labour or environmental situation of the Split-off Project, the Split-off Equity, either of MSE or GA Mediaset and, therefore, it does not constitute an audit opinion or any other opinion or confirmation as regards the financial statements of those companies.

Our work has been based, among others, on public sources of information. The contrast of this information with external evidence has not been part of our work. However, we have contrasted, when applicable, that the information obtained is consistent with other data submitted to us in the course of our tasks.

The scope of our work refers to the Split-off Equity described in this report. In this sense, we must point out that any significant change in the assets that make up the Split-off Equity could affect the conclusions of our work.

In the letter of statements, the company has confirmed that there have been no events after the date to which the initial financial information refers that could significantly affect the conclusions of that information and that we have not taken into account.

We have assumed that all authorisations and registrations that may be relevant in Spain and, as applicable, other jurisdictions, for the effectiveness of the Split-off and that significantly affect our analysis, will be obtained with no adverse effects.

We should stress that our work is independent in nature and therefore makes no recommendation to the management of MSE or GA Mediaset, to their shareholders or to third parties as to the position they should take in relation to the Split-off or other potential share transactions of the entities. Our work does not aim to analyse the suitability of the current or past business strategies of MSE nor the reasons for the Split-off in relation to other business strategies or transactions the entities may have opted for, nor does it aim to analyse the company's business decision to proceed with the proposed Split-off. Likewise, the scope of our work should not be considered, in the context of this transaction nor in any other context, as a fairness opinion nor an opinion on the current or future value of MSE.

This, however, in no way limits or detract from our work, function and role under section 67 of the Corporate Enterprises Act or the conclusions reached in this report.

5. Conclusions

According to the work performed, and taking into account the characteristics of the proposed Split-off operation, and the facts described in sections 2 and 3 above, and subject to the relevant aspects described in section 4 above, we consider that the value of segregated assets of Mediaset España corresponds at least to the nominal value plus the share premium of the shares to be issued by GA Mediaset as consideration for the capital increase.

This report has been prepared exclusively to comply with section 67 of the Capital Enterprises Act, and 133, 338 et seq of the Mercantile Registry Regulations, meaning that it is not intended to serve and should not be used for any other purpose.

Appendix III Split-off Project

PROYECTO DE SEGREGACIÓN REDACTADO POR LOS CONSEJOS DE ADMINISTRACIÓN DE:

(1)

Mediaset España Comunicación, S.A., una sociedad anónima cotizada constituida con arreglo a Derecho español, con domicilio social en Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (España), inscrita en el Registro Mercantil de Madrid al tomo 33.442, folio 122, sección 8, hoja M-93.306, y provista del número de identificación fiscal español A-79.075.438 (**Mediaset España** o la **Sociedad Segregada**).

(2)

Grupo Audiovisual Mediaset España Comunicación, S.A., una sociedad anónima constituida con arreglo a Derecho español, con domicilio social en Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (España), inscrita en el Registro Mercantil de Madrid al tomo 35.520, folio 100, hoja 638404, y provista del número de identificación fiscal español A-87728689 (**GA Mediaset** o la **Sociedad Beneficiaria**).

Expositivos:

(A) El presente proyecto de segregación (el **Proyecto de Segregación**) ha sido elaborado por el consejo de administración de Mediaset España y el consejo de administración de GA Mediaset con el fin de llevar a cabo una segregación en virtud de la cual Mediaset España traspasará el conjunto de su patrimonio, activo y pasivo, a GA Mediaset a cambio de la atribución a Mediaset España de las acciones de GA Mediaset que se emitirán con motivo del aumento de capital que se producirá en ésta (la **Segregación**). La Segregación se regirá por el título III de la Ley 3/2009, de 3 de abril, sobre modificaciones estructurales de sociedades mercantiles (la **LME**).

En virtud de la Segregación, la Sociedad Segregada continuará siendo titular exclusivamente de la totalidad de las acciones de la Sociedad Beneficiaria (incluidas por lo tanto las nuevas acciones que emita la Sociedad Beneficiaria con motivo de la Segregación), mientras que la Sociedad Beneficiaria adquirirá todos los activos y asumirá todos los pasivos y demás relaciones jurídicas de la Sociedad Segregada por sucesión a título universal.

(B) La Segregación forma parte de una única operación más amplia (la **Operación**) que también prevé, en este orden, las siguientes actuaciones:

(i) la transmisión por parte de Mediaset S.p.A. (**Mediaset**), una sociedad anónima cotizada constituida con arreglo a Derecho italiano (*società per azioni*), de sustancialmente todo su negocio y de todas sus participaciones en otras entidades —con excepción de su participación en Mediaset España— a una filial italiana íntegramente participada (la **Reorganización Mediaset**); y

SEGREGATION PLAN DRAWN UP BY THE BOARD OF DIRECTORS OF:

(1)

Mediaset España Comunicación, S.A., a public joint stock company (*sociedad anónima cotizada*) incorporated under the laws of Spain, having its official seat at Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (Spain), registered with the Commercial Register of Madrid (*Registro Mercantil de Madrid*) in volume 33.442, sheet 122, section 8, page M-93.306, and with Spanish tax identification number A-79.075.438 (**Mediaset España** or the **Segregating Company**).

(2)

Grupo Audiovisual Mediaset España Comunicación, S.A., a joint stock company (*sociedad anónima*) incorporated under the laws of Spain, having its official seat at Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (Spain), registered with the Commercial Register of Madrid (*Registro Mercantil de Madrid*) in volume 35,520, sheet 100, page 638404, and with Spanish tax identification number A-87728689 (**GA Mediaset** or the **Recipient Company**).

Recitals:

(A) The present segregation plan (the **Segregation Plan**) has been prepared by the board of directors of Mediaset España and the board of directors of GA Mediaset in order to execute a segregation whereby Mediaset España shall transfer all its assets and liabilities to GA Mediaset in exchange for the allocation to Mediaset España of the GA Mediaset shares that will be issued on the occasion of the share capital increase in GA Mediaset (the **Segregation**). The Segregation shall be governed by Title III of Spanish Law 3/2009 of 3 April on structural modifications to mercantile companies (the **LME**).

By virtue of the Segregation, the Segregating Company will continue exclusively holding all shares in the Recipient Company (including therefore those shares to be issued by the Recipient Company in the context of the Segregation), whereas the Recipient Company will acquire all assets and assume all liabilities and other legal relationships of the Segregating Company under universal title of succession.

(B) The Segregation is part of a single and broader transaction (the **Transaction**) which also envisages, in this order, the following actions:

(i) the transfer by Mediaset S.p.A. (**Mediaset**), a public joint stock company (*società per azioni*) incorporated under the laws of Italy, of substantially all of its business and shareholdings —except for its shareholding of Mediaset España— to an Italian wholly-owned direct subsidiary (the **Mediaset Reorganization**); and

- (ii) la fusión transfronteriza inversa por absorción de Mediaset y Mediaset España por parte de Mediaset Investment N.V. (**DutchCo**), una sociedad anónima (*naamloze vennootschap*) constituida con arreglo a Derecho neerlandés. Mediaset y Mediaset España dejarán de existir como personas jurídicas independientes, y DutchCo adquirirá todos los activos y asumirá todos los pasivos y demás relaciones jurídicas de Mediaset y Mediaset España por sucesión a título universal (la **Fusión**).
- (C) Mediaset, Mediaset España y DutchCo (conjuntamente, las **Sociedades o las Sociedades Participantes en la Operación**) pertenecen al grupo Mediaset. En particular, a la fecha de este Proyecto de Segregación (i) DutchCo es una filial directa e íntegramente participada de Mediaset, y (ii) Mediaset España es una filial directa de Mediaset, siendo esta última actualmente titular de acciones representativas aproximadamente del 51,63% del capital social suscrito de Mediaset España. Asimismo, GA Mediaset es una filial directa e íntegramente participada de Mediaset España.

Los consejos de administración de las Sociedades Participantes en la Operación han elaborado el proyecto común de fusión relativo a la Fusión (el **Proyecto Común de Fusión**); y el consejo de administración de Mediaset ha elaborado el proyecto de reorganización relativo a la Reorganización Mediaset (el **Proyecto de Reorganización Mediaset**).

Tal y como se desprende del Proyecto Común de Fusión, la consumación de la Fusión —y, por tanto, la Operación— está condicionada a la consumación, entre otros, de la Segregación y de la Reorganización Mediaset en los términos y condiciones previstos en este Proyecto de Segregación y en el Proyecto de Reorganización Mediaset, respectivamente.

Por su parte, tal y como se desarrolla en el apartado 12.1, la consumación de la Segregación está condicionada a la obtención de la autorización de la Secretaría de Estado para el Avance Digital del Ministerio de Economía y Empresa (la **SEAD**) en relación con la transmisión de las licencias de comunicación audiovisual de la Sociedad Segregada a la Sociedad Beneficiaria.

- (D) Tanto la Segregación como la Reorganización Mediaset se configuran como un paso previo a la Fusión. Este paso tiene por objeto filializar los patrimonios empresariales de Mediaset España y de Mediaset antes de la consumación de la Fusión, con la finalidad de racionalizar la estructura corporativa industrial de Mediaset España y Mediaset; esto es, de permitir la continuidad en la llevanza operativa autónoma de los negocios español e italiano por una sociedad española y una sociedad italiana, respectivamente. En el caso español, dicha autonomía es deseable por los siguientes motivos:

(ii) the cross-border reverse merger of Mediaset and Mediaset España with and into Mediaset Investment N.V. (**DutchCo**), a public company (*naamloze vennootschap*) incorporated under the laws of the Netherlands. Mediaset and Mediaset España will cease to exist as standalone entities, and DutchCo will acquire all assets and assume all liabilities and other legal relationships of Mediaset and Mediaset España under universal title of succession (the **Merger**).

- (C) Mediaset, Mediaset España y DutchCo (jointly referred to as the **Companies or the Companies Participating to the Transaction**) are part of the Mediaset group. In particular, as of the date of this Segregation Plan (i) DutchCo is a wholly-owned direct subsidiary of Mediaset and (ii) Mediaset España is a direct subsidiary of Mediaset, which currently owns shares accounting for approximately 51,63% of Mediaset España's issued share capital. In addition, GA Mediaset is a wholly-owned direct subsidiary of Mediaset España.

The boards of directors of the Companies Participating to the Transaction have prepared the common merger plan relating to the Merger (the **Common Merger Plan**); and the board of directors of Mediaset has prepared the reorganization plan relating to the Mediaset Reorganization (the **Mediaset Reorganization Plan**).

As is apparent from the Common Merger Plan, completion of the Merger—and, accordingly, the Transaction—is conditional upon the completion, among others, of the Segregation and the Mediaset Reorganization in the terms and conditions set out in this Segregation Plan and in the Mediaset Reorganization Plan, respectively.

In turn, as developed in Section 12.1, completion of the Segregation is conditional upon the obtaining of the authorization of the Spanish State Secretariat for the Digital Advance, part of the Ministry of Economy and Entrepreneurship (the **SEAD**) related to the transfer of the audiovisual media licenses by the Segregating Company to the Recipient Company.

- (D) Both the Segregation and the Mediaset Reorganization are configured as a previous step to the Merger. This step aims to subsidize the whole business of Mediaset España and Mediaset ahead of the completion of the Merger, so as to streamline the corporate industrial structure of Mediaset España and Mediaset; i.e. to allow for the continuity of the autonomous running of the Spanish and Italian businesses by a Spanish company and an Italian company, respectively. In the Spanish case, such autonomy is desirable for the following reasons:

- (i) La Segregación permitirá que, una vez se haya completado la Fusión, la totalidad de la actividad regulada que a día de hoy desempeña Mediaset España continúe realizándose por una sociedad española autónoma, maximizándose de este modo la experiencia local y el conocimiento de ventas del mercado español, el marco regulatorio y las relaciones entre clientes y proveedores españoles que a día de hoy tiene la Sociedad Segregada. Del mismo modo, la Segregación permitirá que la capacidad del Grupo Mediaset para atraer y retener talento local en España no se vea afectada por el hecho de la Fusión.
- (ii) Se prevé que la filialización de la actividad de Mediaset España contribuya a agilizar la toma de decisiones y a mejorar la eficiencia en la gestión del negocio en España por parte del Grupo Mediaset, optimizando su capacidad de respuesta a las cambiantes condiciones del mercado y favoreciendo la mejora del posicionamiento de Grupo Mediaset en España frente a potenciales competidores, lo que a su vez le permitirá explorar y aprovechar nuevas oportunidades de negocio.
- (iii) Habida cuenta de las ventajas de la Segregación anteriormente expuestas, parece oportuno ejecutarla antes de la Fusión. En otro caso, la filialización de la actividad de Mediaset España debería llevarla a cabo posteriormente DutchCo, lo que ocasionaría trastornos prácticos relevantes en la llevanza del negocio y la gestión del patrimonio actual de Mediaset España.
- (E) Este Proyecto de Segregación se pondrá a disposición del público de conformidad con la normativa aplicable. En todo caso, se pondrá a disposición en la página web corporativa de Mediaset España (www.telecinco.es), así como en el domicilio social de Mediaset España.
- Debido a la nacionalidad de las Sociedades Participantes en la Operación, el presente Proyecto de Segregación ha sido elaborado en español e inglés. En caso de discrepancias entre la versión española y la versión inglesa, prevalecerá la versión española.
- De conformidad con el artículo 31 de la LME, el presente Proyecto de Segregación contiene la siguiente información:
- PRELIMINAR: ESTRUCTURA DE LA SEGREGACIÓN**
- I. Tal y como ha quedado indicado en los expositivos, la Segregación se configurará como una segregación total, pues su objetivo es que la Sociedad Segregada transmita en bloque a favor de la Sociedad Beneficiaria todo su patrimonio empresarial. Así, dicha transmisión comprenderá tanto los activos como los pasivos y demás relaciones jurídicas de la Sociedad Segregada, por lo que la Sociedad Beneficiaria asumirá todos los medios humanos, materiales e inmateriales vinculados a la explotación del negocio de la Sociedad Segregada.
- (i) The Segregation will allow, once the Merger has been completed, that all of the regulated activity currently carried out by Mediaset España to continue to be handled by an autonomous Spanish company, thus maximising the local experience and knowledge of sales in the Spanish market, the regulatory framework and the relationships between Spanish customers and suppliers that Mediaset España currently has. Likewise, the Segregation will enable that the Mediaset Group's ability to capture and retain local talent in Spain will not be affected by the Merger.
- (ii) The subsidiarisation of Mediaset España's activity is expected to help speed up decision-making and improve efficiency in the Mediaset Group's management of the business in Spain, optimising its capacity to respond to changing market conditions and favouring the Mediaset Group's improved positioning in Spain vis-à-vis potential competitors, which in turn will enable it to explore and take advantage of new business opportunities.
- (iii) Given the advantages of the Segregation described above, it seems appropriate to carry it out before the Merger. In other case, the subsidiarisation of Mediaset España's activity should be executed later by DutchCo, which would cause significant practical upheavals in the running of the business and the management of Mediaset España's current assets and liabilities.
- (E) The present Segregation Plan will be made available to the public in accordance with applicable laws and regulations. In any case, it will be made available on the corporate website of Mediaset España (www.telecinco.es), as well as at the official seat of Mediaset España.
- In consideration of the nationality of the Companies Participating to the Transaction, the present Segregation Plan has been prepared in Spanish and English. In case of discrepancies between the Spanish and the English version, the Spanish text shall prevail.
- Pursuant to Article 31 of the LME, this Segregation Plan has the following contents:
- PRELIMINARY: STRUCTURE OF THE SEGREGATION**
- I. As indicated in the Recitals, the Segregation will be configured as a total segregation, since its purpose is for the Segregating Company to transfer all its business assets and liabilities to the Recipient Company. Thus, this transfer will include both the assets and liabilities and other legal relationships of the Segregating Company, so that the Recipient Company will assume all the human, material and immaterial resources related to the operation of the Segregating Company's business.

| <p>II. En la medida en que la Sociedad Beneficiaria es una filial directa e íntegramente participada de la Sociedad Segregada, la Segregación se articulará de acuerdo con el procedimiento simplificado previsto en el artículo 49.1 —por remisión de los artículos 52.1 y 73.1— de la LME, lo que permite que no se elabore informe de administradores sobre el Proyecto de Segregación, y que el informe de experto independiente únicamente tenga el objeto y los efectos que se determinan en el artículo 67 del texto refundido de la Ley de Sociedades de Capital (la LSC).</p> <p>III. Por último, a efectos fiscales, la Segregación constituirá una aportación no dineraria de rama de actividad de las previstas en el artículo 76.3 de la Ley 27/2014, de 27 de noviembre, del Impuesto sobre Sociedades (la LIS), ya que, la Sociedad Segregada aportará a otra ya existente —la Sociedad Beneficiaria— una o más ramas de actividad, recibiendo a cambio valores representativos del capital social de la entidad adquirente —la Sociedad Beneficiaria.</p> <p>IV. Subsidiariamente, de estimarse que no se dan los presupuestos de la aportación de rama de actividad conforme al artículo 76.3 de la LIS, la Segregación tendrá la consideración fiscal de aportación no dineraria especial del artículo 87 de la LIS.</p> | <p>II. Since the Recipient Company is a direct subsidiary of the Segregation Company, the Segregation will be implemented in accordance with the simplified procedure provided for in Article 49.1 of the LME —applicable pursuant to articles 52.1 and 73.1 of the LME—, according to which no directors' report on the Segregation is needed, and which allows that the independent expert's report is prepared only for the purpose determined in Article 67 of the revised text of the Spanish Law on Capital Companies (the LSC) and with the effects set out therein.</p> <p>III. Finally, for tax purposes, the Segregation will qualify as an in-kind contribution of a branch of activity as provided for in Article 76.3 of Law 27/2014, of 27 November, on the Corporate Income Tax (the LIS), since the Segregating Company will contribute to an existing company —the Recipient Company— one or more branches of activity, receiving in exchange securities representing the share capital of the acquiring company —the Recipient Company.</p> <p>IV. Alternatively, if it is considered that the requirements for the contribution of a branch of activity in the terms of Article 76.3 of the LIS are not met, the Segregation will be considered, for tax purposes, as a special in-kind contribution under Article 87 of the LIS.</p> |

2. ESTATUTOS SOCIALES DE LA SOCIEDAD BENEFICIARIA

Los Consejos de Administración han acordado proponer que la Sociedad Beneficiaria, una vez consumada la Segregación, se rija por los estatutos sociales que se adjuntan a este Proyecto de Segregación como anexo 1.

3. BALANCES DE SEGREGACIÓN

- 3.1. El balance de segregación de la Sociedad Segregada a efectos del artículo 36 de la LME es el balance de 31 de diciembre de 2018, incluido en los estados financieros anuales auditados de Mediaset España cerrados a 31 de diciembre de 2018, según han sido aprobados por la junta de accionistas de Mediaset España el 10 de abril de 2019.
- 3.2. El balance de segregación de la Sociedad Beneficiaria a efectos del artículo 36 de la LME es el balance a 31 de diciembre de 2018, correspondiente a las cuentas anuales de GA Mediaset cerradas a 31 de diciembre de 2018, según han sido aprobadas por el accionista único de GA Mediaset el 7 de junio de 2019.

1.2. Recipient Company:

- Name: Grupo Audiovisual Mediaset España Comunicación, S.A.
- Legal form: Public company (*sociedad anónima*) incorporated under the laws of Spain.
- Official seat: Carretera de Fuencarral a Alcobendas 4, 28049 Madrid (Spain).
- Share capital: Issued share capital of Euro 60,000, fully paid-in, divided into 60,000 shares, having each a nominal value of Euro 1.
- Incorporation: Incorporation for an indefinite period by means of the public deed granted on January 11, 2017 before Mr. Miguel Ruiz-Gallardón García de la Rasilla, notary public of Madrid, with number 77 of his public records.
- Register: Company registered with the Commercial Register of Madrid (*Registro Mercantil de Madrid*) in volume 35,520, sheet 100, page 638404.
- Tax ID: A-87728689.

2. ARTICLES OF ASSOCIATION OF THE RECIPIENT COMPANY

The Boards of Directors has resolved to propose that the Recipient Company be governed, once the Segregation is completed, by the articles of association enclosed to this Segregation Plan as annex 1.

3. SEGREGATION BALANCE SHEETS

- 3.1. The segregation balance sheet of the Segregating Company for purposes of Article 36 of the LME is the balance sheet of the Segregating Company as of December 31, 2018, included in the audited annual financial statements of Mediaset España as at 31 December 2018, as approved by the shareholders' meeting of Mediaset España on 10 April 2019.
- 3.2. The segregation balance sheet of the Recipient Company for purposes of Article 36 of the LME is the balance sheet as of December 31, 2018, corresponding to the annual accounts of GA Mediaset as at December 31, 2018, as approved by the sole shareholder of GA Mediaset on June 7, 2019.

4. DETERMINACIÓN Y VALORACIÓN DEL PATRIMONIO SEGREGADO

- 4.1. Por las razones expuestas en el expositivo (D), la finalidad de la Segregación es filializar toda la actividad de Mediaset España. Por consiguiente, constituye el objeto natural de la Segregación la totalidad del patrimonio —activos y pasivos— de Mediaset España (el **Patrimonio Segregado**). El Patrimonio Segregado constituye indudablemente por ello una unidad económica en el sentido del artículo 71 de la LME.
- 4.2. En particular, los elementos que actualmente integran la totalidad del activo y pasivo de Mediaset España y que, por tanto, constituyen el Patrimonio Segregado son los que figuran con sus respectivos valores contables, a los efectos de lo dispuesto en el artículo 74.1º de la LME, en el balance a 31 de diciembre de 2018 que se incluye como anexo 2.
- 4.3. A efectos de una identificación aún más detallada del Patrimonio Segregado, se deja constancia expresa de que forman parte del Patrimonio Segregado los siguientes elementos patrimoniales:
- (i) La propiedad y cualesquiera otros derechos reales de cualquier tipo sobre la totalidad de los bienes inmuebles titularidad de la Sociedad Segregada identificados en el anexo 3 del presente Proyecto de Segregación;
 - (ii) La titularidad y cualesquiera otros derechos sobre las marcas y nombres comerciales, así como los derechos, obligaciones, responsabilidades y contratos vinculados a dichas marcas y nombres comerciales, que se identifican en el anexo 4.
 - (iii) La titularidad y cualesquiera otros derechos sobre los dominios, así como los derechos, obligaciones, responsabilidades y contratos vinculados a dominios, que se identifican en el anexo 5.
- 4.4. Los órganos de administración comunicarán a las juntas generales de accionistas que haya de resolver sobre la Segregación las variaciones importantes del Patrimonio Segregado que, en su caso, se produzcan, de conformidad con lo dispuesto en el artículo 79 de la LME.
- 4.5. A los efectos de lo dispuesto en el artículo 31.9º de la LME, se precisa a continuación el valor contable conjunto a 31 de diciembre de 2018 de los elementos del activo y pasivo comprendidos en el Patrimonio Segregado:
- Total activo: 1.169.511.242,29 €
 - Total pasivo: 349.146.544,39 €

De lo anterior se desprende que el valor neto del Patrimonio Segregado, que es igual a la diferencia existente entre el activo y el pasivo, asciende a 820.364.697,90 €.

4. DETERMINATION AND VALUATION OF THE SEGREGATED ASSETS AND LIABILITIES

- 4.1. For the reasons set out in Recital (D), the purpose of the Segregation is to split off all the activities of Mediaset España into a subsidiary. Consequently, the natural object of the Segregation is all of Mediaset España's assets and liabilities (the **Segregated Business**). The Segregated Business constitutes therefore undoubtedly an economic unit within the meaning of Article 71 of the LME.
- 4.2. In particular, the elements that currently make up all of Mediaset España's assets and liabilities, and which therefore compose the Segregated Business, are those listed with their respective book values, for purposes of Article 74.1º of the LME, in the balance sheet as of December 31, 2018 included in annex 2 hereto.
- 4.3. For the purposes of an even more detailed identification of the Segregated Business, it is expressly stated that the following business assets comprise the Segregated Business:
- (i) The ownership and whatsoever rights of any kind over the full of the properties owned by the Segregated Company identified in annex 3 of this Segregation Plan;
 - (ii) The ownership and whatsoever rights over the trademarks and trade names, as well as the rights, obligations, liabilities and agreements related to such trademarks and trade names, which are identified in annex 4 of this Segregation Plan;
 - (iii) the ownership and whatsoever rights over the domains, as well as, rights, obligations, liabilities and agreements related to such domains, which are identified in annex 5.
- 4.4. The Board of Directors will inform the general shareholders' meetings that shall decide on the Segregation of any significant changes in the Segregated Business that may occur, in accordance with the provisions of Article 79 of the LME.
- 4.5. For the purposes of the provisions of Article 31.9º of the LME, the joint book value as of December 31, 2018 of the assets and liabilities included in the Segregated Business is specified below:
- Total assets: EUR 1,169,511,242.29
 - Total liabilities: EUR 349,146,544.39

Accordingly, the net value of the Segregated Business, which is equal to the difference between assets and liabilities, amounts to EUR 820,364,697.90.

4.6. Toda vez que la adquisición por parte de la Sociedad Beneficiaria del Patrimonio Segregado constituirá, desde la perspectiva de ésta, una aportación no dineraria a su favor, se hace constar que la valoración del Patrimonio Segregado expuesta en el párrafo 4.5 anterior será sometida a la verificación de un experto independiente designado por el Registro Mercantil de Madrid a los efectos del artículo 67 de la LSC.

5. CAPITAL ACTUAL Y AUMENTO DE CAPITAL DE LA SOCIEDAD BENEFICIARIA

- 5.1. El capital social de la Sociedad Beneficiaria asciende actualmente a 60.000 euros y está dividido en 60.000 acciones de una misma clase y serie, de 1 euro de valor nominal cada una, numeradas del 1 al 60.000, ambos inclusive, íntegramente suscritas y desembolsadas.
- 5.2. Con motivo de la Segregación, el capital de la Sociedad Beneficiaria aumentará en el importe de 190.000.000,00 euros, mediante la emisión de 190.000.000 acciones de la misma clase y serie que las actualmente en circulación, de 1 euros de valor nominal cada una, numeradas del 60.001 al 190.060.000, ambos inclusive.
- 5.3. Las nuevas acciones serán íntegramente suscritas y desembolsadas por la Sociedad Segregada en la fecha de efectividad de la Segregación mediante la transmisión en bloque a favor de la Sociedad Beneficiaria de los elementos patrimoniales de Mediaset España que integran el Patrimonio Segregado.
- 5.4. Las nuevas acciones se emitirán con una prima de emisión conjunta de 630.364.697,90 euros, equivalente al valor del Patrimonio Segregado indicado en el apartado 4.5 disminuido en el importe del aumento del capital social de la Sociedad Beneficiaria, correspondiendo 3.31770893631579 euros de prima de emisión a cada nueva acción de la Sociedad Beneficiaria. La prima de emisión será igualmente desembolsada por entero como consecuencia de la transmisión a la Sociedad Beneficiaria de los elementos patrimoniales de Mediaset España que se segregan.
- 5.5. Cualquier diferencia de valoración que se ponga de manifiesto en el Patrimonio Segregado hasta la fecha de efectos de la Segregación será ajustada contra el patrimonio neto de la Sociedad Beneficiaria de acuerdo con las normas contables aplicables, bien mediante la reducción de la prima de emisión si la diferencia es negativa, bien mediante el incremento de la prima de emisión si la diferencia es positiva.

6. CONSEJO DE ADMINISTRACIÓN DE LA SOCIEDAD BENEFICIARIA

Tras la consumación de la Segregación, está previsto que los miembros del Consejo de Administración de la Sociedad Beneficiaria sean los actuales miembros del Consejo de Administración de Mediaset España, es decir los siguientes (quienes ostentan su cargo en el Consejo de Administración de Mediaset España desde la fecha respectivamente indicada):

4.6. Given that the acquisition by the Recipient Company of the Segregated Business will constitute, from the Recipient Company's perspective, a contribution in kind in its favor, it is hereby stated that the valuation of the Segregated Business set out in paragraph 4.5 above will be subject to verification by an independent expert appointed by the Commercial Register of Madrid for the purposes of Article 67 of the LSC.

5. CURRENT SHARE CAPITAL AND CAPITAL INCREASE OF THE RECIPIENT COMPANY

- 5.1. The share capital of the Recipient Company currently amounts to Euro 60,000 and is divided into 60,000 shares belonging to a single class and series, with a nominal value each of Euro 1, numbered from 1 to 60,000, both inclusive, fully subscribed and paid in.
- 5.2. On the occasion of the Segregation, the share capital of the Recipient Company will be increased in the amount of Euro 190,000,000.00 by means of the issuance of 190,000,000 shares of the same class and series as those currently outstanding, with a nominal value of Euro 1 each, numbered from 60,001 to 190,060,000, both inclusive.
- 5.3. The new shares will be fully subscribed and paid in by the Segregating Company on the Segregation effective date by means of the transfer to the Recipient Company of the assets and liabilities that are comprised in the Segregated Business.
- 5.4. The new shares will be issued with a joint issue premium of Euro 630,364,697.90 equivalent to the value of the Segregated Business indicated in Section 4.5 reduced by the amount of the share capital increase of the Recipient Company, with Euro 3.31770893631579 of share premium corresponding to each new share of the Recipient Company. The share premium will also be paid in in full as a result of the transfer to the Recipient Company of the segregated assets and liabilities of Mediaset España.
- 5.5. Any valuation difference arising in the Segregated Business up to the date of effectiveness of the Segregation will be adjusted against the net equity of the Recipient Company in accordance with applicable accounting regulations, either by reducing the share premium if the difference is negative, or by increasing the share premium if the difference is positive.

6. BOARD OF DIRECTORS OF THE RECIPIENT COMPANY

Upon completion of the Segregation, the members of the Board of Directors of the Recipient Company are envisaged to be the current members of the Board of Directors of Mediaset España, namely the following (who hold office in the Board of Directors of Mediaset España since the dates respectively indicated):

<ul style="list-style-type: none"> - D. Alejandro Echevarría Busquet desde el 15 de mayo de 1996 - D. Fedele Confalonieri desde el 21 de diciembre de 2000 - D. 9. INCIDENCIA, EN SU CASO, SOBRE APORTACIONES DE INDUSTRIA, PRESTACIONES ACCESORIAS, SOBRE DERECHOS ESPECIALES Y SOBRE TÍTULOS DISTINTOS DE ACCIONES

Ni Mediaset España ni GA Mediaset tienen accionistas obligados a realizar prestaciones accesoriales ni titulares de derechos especiales o de títulos distintos de acciones, de modo que la Segregación no puede tener incidencia alguna sobre tales conceptos.

10. INCIDENCIA, EN SU CASO, SOBRE EL EMPLEO Y SOBRE LA RESPONSABILIDAD SOCIAL CORPORATIVA, E IMPACTO DE GÉNERO

10.1. De acuerdo con lo dispuesto en el artículo 44 del texto refundido del Estatuto de los Trabajadores, regulador del supuesto de sucesión de empresa, la Sociedad Beneficiaria de la Segregación se subrogará en los derechos y obligaciones laborales de los trabajadores de la Sociedad Segregada vinculados a la unidad económica constituida por el Patrimonio Segregado.

10.2. Conforme al mismo precepto, ambas sociedades responderán solidariamente, en los términos legalmente previstos, de las obligaciones laborales nacidas con anterioridad a la Segregación, así como de las obligaciones en materia de Seguridad Social, ya se trate de obligaciones de cotización o de prestaciones generadas con anterioridad.

10.3. Por lo demás, en virtud de la Segregación —que se notificará a los representantes legales de los trabajadores con arreglo a lo previsto legalmente, así como a los organismos públicos a los que resulte procedente (en particular, la Tesorería General de la Seguridad Social)— la Sociedad Beneficiaria asumirá y mantendrá íntegra la organización y los medios materiales de la Sociedad Segregada, así como las políticas y procedimientos que ésta ha venido observando en materia de gestión de personal. Por consiguiente, ningún aspecto relacionado con el empleo se verá cualitativa o cuantitativamente afectado por la Segregación.

10.4. Del mismo modo, no está previsto que, con ocasión de la Segregación, se produzcan cambios en el órgano de administración desde el punto de vista de su distribución por géneros. De igual manera, la Segregación no modificará la política que ha venido gobernando esta materia en la Sociedad Segregada; política que se replicará en la Sociedad Beneficiaria.

9. IMPACT, IF ANY, ON INDUSTRY CONTRIBUTIONS, ANCILLARY SERVICES, ON SPECIAL RIGHTS AND ON SECURITIES OTHER THAN SHARES

Neither Mediaset España nor GA Mediaset have shareholders obliged to perform ancillary services and there are no holders of special rights or of securities other than shares, so that the Segregation cannot have any impact on these items.

10. IMPACT, IF ANY, ON EMPLOYMENT AND ON CORPORATE SOCIAL RESPONSIBILITY, AND GENDER IMPACT

10.1. In accordance with the provisions of Article 44 of the revised text of the Workers' Statute, which regulates company succession, the Recipient Company of the Segregation will be subrogated to the labor rights and obligations of those employees of the Segregating Company linked to the economic unit constituted by the Segregated Business.

10.2. Pursuant to the same provision, both companies will be jointly and severally liable, under applicable legal terms, for the labor obligations arising prior to the Segregation, as well as for the obligations relating to Social Security, regardless whether these are contribution obligations or previously generated benefits.

10.3. By virtue of the Segregation —which will be notified to the legal representatives of the employees in accordance with applicable legal provisions, as well as to the relevant public authorities (particularly, the General Treasury of the Social Security)— the Recipient Company will assume and maintain in full the organization and material resources of the Segregating Company, as well as the policies and procedures it has been observing with regard to personnel management. Therefore, no aspect related to employment will be qualitatively or quantitatively affected by the Segregation.

10.4. Similarly, it is not foreseen that, on the occasion of the Segregation, there will be any changes in the management body from the point of view of its gender distribution. Also, the Segregation will not modify the policy that has been governing this matter in the Segregating Company; a policy that will be replicated in the Recipient Company.

10.5. Por cuanto se refiere a la incidencia de la Segregación en la responsabilidad social de la empresa, el artículo 6.4.(xviii)(f) del reglamento del Consejo de Administración de la Sociedad Segregada prevé que corresponde a éste la aprobación y supervisión de la política de la Sociedad Segregada en esta materia. La referida política, cuya última versión data de 26 de octubre de 2016, prevé su aplicación “en todas las sociedades que integran el Grupo Mediaset España, independientemente de la actividad o el país donde estén establecidas”. Esta aplicación a empresas participadas, entre otras, también se predica del Código Ético de la Sociedad Segregada, cuya última actualización fue aprobada por su Consejo de Administración el 21 de diciembre de 2016. Por consiguiente, una vez verificada la Segregación, la Sociedad Beneficiaria, en tanto que sociedad íntegramente participada por la Sociedad Segregada, continuará observando los compromisos que le incumben como sociedad del Grupo Mediaset España, y asumirá y mantendrá íntegra la actual política de Mediaset España en materia de responsabilidad social corporativa, incluso después de la extinción de Mediaset España con motivo de la efectividad de la Operación.

11. RÉGIMEN FISCAL

11.1. Tal y como se ha indicado en el párrafo III de la sección preliminar, la Segregación constituye una operación a la que resulta aplicable el régimen fiscal especial de fusiones, escisiones, aportaciones de activos, canje de valores y cambio de domicilio social de una sociedad europea o una sociedad cooperativa europea de un estado miembro a otro de la Unión Europea, previsto en el capítulo VII del título VII de la LIS, sin que se vaya a renunciar a su aplicación.

En todo caso, la Segregación será objeto de comunicación a la administración tributaria de conformidad con lo establecido en los artículos 89.1 de la LIS y 48 del Reglamento del Impuesto sobre Sociedades aprobado por el Real Decreto 634/2015 de 10 de julio..

11.2. Asimismo, de conformidad con el contenido del artículo 7.1º de la Ley 37/1992, de 28 de diciembre, del Impuesto sobre el Valor Añadido, se deja constancia de que la presente Segregación no está sujeta al impuesto sobre el valor añadido, por suponer la transmisión de un conjunto de elementos corporales e incorporales que, formando parte del patrimonio empresarial de la Sociedad Segregada, constituyen una unidad económica autónoma en la Sociedad Segregada capaz de desarrollar una actividad empresarial por sus propios medios.

12. CONDICIÓN SUSPENSIVA

12.1. La eficacia de la Segregación queda supeditada al cumplimiento de la condición suspensiva consistente en la obtención por la Sociedad Segregada de la autorización expresa o tácita de la SEAD en relación con la transmisión a la Sociedad Beneficiaria de las siguientes licencias de comunicación audiovisual, de conformidad con lo previsto en el artículo 29 de la Ley 7/2010, de 31 de marzo, General de Comunicación Audiovisual:

10.5. With regard to the impact of the Segregation on corporate social responsibility, Article 6.4.(xviii)(f) of the regulations of the Board of Directors of the Segregating Company provides that the Board of Directors shall approve and supervise the policy of the Segregating Company in this matter. This policy, the latest version of which dates from 26 October 2016, provides for its application “in all the companies within the Mediaset España Group, regardless of their activity or country of establishment”. This application to participated companies, among others, is also foreseen in the Code of Ethics of the Segregating Company, the last update of which was approved by its Board of Directors on December 21, 2016. Consequently, once the Segregation has been verified, the Recipient Company, as a company wholly owned by the Segregating Company, will continue to comply with its commitments as a Mediaset España Group company and will assume and maintain Mediaset España's current policy on corporate social responsibility in full, even after the extinction of Mediaset España on the occasion of the effectiveness of the Transaction.

11. TAX REGIME

11.1. As indicated in Paragraph III of the preliminary section, the Segregation qualifies for the special tax regime for mergers, divisions, transfers of assets, exchange of securities and change of registered office of a European company or a European cooperative society from one member state of the European Union to another, as provided for in Chapter VII of Title VII of the LIS, and the application of this regime is not going to be waived-up.

In any case, the Segregation will be notified to the tax authorities in accordance with the provisions of Articles 89.1 of the LIS and 48 of the Corporate Income Tax Regulation, Royal Decree 634/2015, 10 July-

11.2. Likewise, in accordance with the provisions of Article 7.1º of Law 37/1992, of 28 December, on Value Added Tax, it is hereby stated that the Segregation will not be subject to value added tax, since it involves the transfer of a set of tangible and intangible elements which are part of the Segregating Company's assets as an autonomous economic unit capable, in the Segregating Company, of carrying out a business activity by its own means.

12. CONDITION PRECEDENT

12.1. The effectiveness of the Segregation is subject to the satisfaction of the condition precedent consisting of the obtaining by the Segregating Company of the authorization of the SEAD in relation to the transfer to the Recipient Company of the following audiovisual communication licenses, in accordance with the provisions of Article 29 of Law 7/2010, of 31 March, on General Audiovisual Communication:

**ARTICLES OF ASSOCIATION OF GRUPO AUDIOVISUAL MEDIASET ESPAÑA
COMUNICACIÓN, S.A., SOCIEDAD ANÓNIMA**

TITLE ONE

GENERAL PROVISIONS

ARTICLE 1. NAME

The Company is called “**Grupo Audiovisual Mediaset España Comunicación, S.A.**” (the “**Company**”), and is governed by these Articles of Association and by the provisions applicable at any given time.

ARTICLE 2. Corporate purpose

1. The company's purpose is:
 - (a) The provision of radio and television audiovisual communication services, whether on request or not, paid or not, mobile or not, regardless of the territorial scope of coverage and the means of transmission, in accordance with the Spanish Law 7/2010 on General Audiovisual Communication (*Ley 7/2010, General de Comunicación Audiovisual*).
 - (b) The management and operation of radio, television or any other means of communication in any of its forms of provision, distribution or broadcasting, whether by terrestrial, satellite, cable or Internet, analogue or digital.
 - (c) The creation, acquisition, production, co-production, editing, filming or recording, reproduction, broadcasting, dissemination, distribution, marketing and exploitation in any form of any works or recordings, whether sound, audiovisual, written or computer works, as well as the rights relating to such works.
 - (d) The organisation and production of cultural, sport, musical or any other type of event, as well as the acquisition and exploitation in any form of any kind of rights inherent to the cultural, sport, musical or any type of event.
 - (e) The creation, acquisition, marketing and exploitation in any form, directly or indirectly, of trademarks, patents and any other type of industrial, intellectual or

- image property rights, as well as of any objects, models or methods capable of serving as a support for the exploitation of the foregoing rights.
- (f) The realisation and execution of advertising projects and the tasks related to the contracting, intermediation, and dissemination of advertising messages in any of their possible modalities, through any means of dissemination or social communication.
 - (g) The performance of activities related, directly or indirectly, to marketing, merchandising and any other commercial activities.
 - (h) The provision of advisory services, consultancy, research, management, administration, installation, agency, representation, market research related to the above activities, as well as the purchase, sale and exploitation of movable and immovable property.
2. The activities making up the corporate purpose described in section one above may also be carried out indirectly, through participation in entities or companies with an identical or similar purpose.

ARTICLE 3. TERM of the Company and start of operations

The Company is incorporated for an indefinite term.

ARTICLE 4. Registered office

- 1. The Company has its registered office at Carretera de Fuencarral a Alcobendas, 4, 28050 Madrid.
- 2. The Board is also competent to decide on or to agree on the creation, elimination or transfer of branches and offices both within the national territory and abroad.

TITLE TWO

SHARE CAPITAL AND SHARES

ARTICLE 5. Share capital

- 1. The share capital amounts to ONE HUNDRED AND NINETY MILLION SIXTY THOUSAND EUROS (€190,060,000).

2. The share capital is divided into ONE HUNDRED NINETY MILLION SIXTY THOUSAND (190,060,000) ordinary, cumulative and indivisible shares of 1 euro nominal value each, numbered consecutively from one to one hundred and ninety million and sixty thousand (190,060,000), both inclusive.
3. All shares have been fully paid up.

ARTICLE 6. Representation of shares

The shares will be represented by registered titles, which may be single or multiple.

ARTICLE 7. Shareholder rights

1. A share confers on its legitimate holder the status of shareholder and confers at least the following rights, the scope of which is defined by law and the Articles of Association:
 - (a) A share in the distribution of the corporate earnings and in the assets resulting from the liquidation.
 - (b) Pre-emptive subscription right on the issue of new shares or debentures convertible into shares.
 - (c) The right to attend and vote at General Meetings.
 - (d) The right to challenge company agreements.
 - (e) The right to information.
2. Shareholders will exercise their rights and perform their duties towards the Company in accordance with the requirements of good faith and respecting the corporate interest.

ARTICLE 8. Multiple ownership

1. The shares are indivisible. Joint owners of a share must designate a single person for the exercise of shareholder rights, and will be jointly and severally liable to the Company for any obligations that may derive from shareholder status.
2. In the case of usufruct, pledge and other limited rights on the shares, the exercise of shareholder rights will correspond respectively to the bare owner, the pledged debtor and to the holder of direct title.

3. The rules contained in the above paragraphs only apply to the Company. For internal relations, any agreements reached by the parties will be applicable.

ARTICLE 9. TRANSFER OF SHARES

1. The shares and the economic rights deriving therefrom, including pre-emptive rights, may be transferred by any means permitted by law, subject, where appropriate, to the requirements established by the sector legislation in force.
2. Transfers of new shares may not take effect until the capital increase has been entered in the Mercantile Registry.

ARTICLE 10. Outstanding payouts

1. Where there are partially paid-up shares, the shareholder must pay them up in the manner and within the period determined by the board of directors.
2. The Board must agree to pay the part of the unpaid capital within a maximum period of five years from the date of incorporation of the Company or the agreement to increase the share capital.
3. A shareholder who is in arrears in the payment of outstanding payouts may not exercise their right to vote. The amount of their shares will be deducted from the share capital to calculate the quorum. Nor will such shareholder be entitled to receive dividends or to pre-emptive subscription for new shares or convertible bonds.

Once the amount of the outstanding payouts together with the interest owed has been paid, the shareholder may claim payment of the outstanding payouts not fallen due, but may not claim pre-emptive subscription, if the period for exercising it has already elapsed.

ARTICLE 11. CAPITAL INCREASE

1. The share capital may be increased by resolution of the General Meeting with the requirements established by law and in accordance with the different modalities authorised by the law. The capital increase may be executed via the issue of new shares or an increase in the nominal value of outstanding shares and, in both cases, the equivalent value may consist of monetary or non-monetary contributions to the

Company's assets, including the offsetting of loans, or the transformation of available profits or reserves into share capital. The capital increase may be carried out partly from new contributions and partly from reserves.

2. When the capital increase has not been fully subscribed within the period indicated for this purpose, the capital will be increased by the amount effectively subscribed, unless the agreement expressly provides otherwise.

ARTICLE 12. AUTHORISED capital

1. The General Meeting, subject to the requirements established for the modification of the Articles of Association and within the limits and conditions established in the Law, may delegate to the board of directors the power to undertake one or more times the capital increase up to the maximum permitted by the law at the time and in the amount decided by the board of directors.
2. The General Meeting may also delegate to the board of directors the power to execute the resolution already passed to increase the share capital, within the periods provided for by law, indicating the date or dates on which it must take effect and fixing its conditions in all matters not provided for by the General Meeting. The Board may make use of all or part of the delegation, or even refrain from executing it in consideration of conditions in the market, of the Company itself or of any fact or event of special significance that justifies such decision in its opinion. It will report it to the first General Meeting held after the term granted for its execution has expired.

ARTICLE 13. Pre-emptive rights and their disapplication

1. In share capital increases with the issue of new shares, whether ordinary or privileged, former shareholders and holders of convertible debentures may exercise, within the period granted to them for this purpose by the Company's board of directors and that may not be less than one month following notice of the shareholders or the publication of the announcement of the subscription offer for the new issuance in the Official Gazette of the Mercantile Register, the right to subscribe a number of shares that is proportional to the face value of the shares that they hold or that would correspond to holders of convertible debentures were they to exercise the conversion right at that time.

2. Pre-emptive rights will be transferable under the same conditions as the shares from which they derive.
3. The General Shareholders Meeting may decide to exclude, in whole or in part, the pre-emptive right owing to the requirements of the corporate interest in situations and under the conditions provided for by law.

In particular, it may be understood that there are sufficient reasons of corporate interest to justify the disapplication of the pre-emptive right of purchase when this is necessary to facilitate (i) the acquisition of assets -including holdings in other companies- suitable for the development of the corporate purpose; (ii) the incorporation of an industrial or technological partner; and (iii) in general, the carrying out of a transaction that is in the interest of the Company.

ARTICLE 14. Capital reduction

1. A reduction in capital may be carried out by reducing the nominal value of the shares, cancelling them or grouping them for exchange. In all cases, its purpose may be the repayment of contributions, the cancellation of the obligation to make outstanding contributions, the creation or increase of reserves, the re-establishment of the balance between capital and the Company's assets that has diminished as a result of losses, or several of the aforementioned purposes simultaneously.
2. In the case of a reduction in capital through the repayment of contributions, payment to shareholders may be made, in whole or in part, in kind, provided that the conditions laid down in Article 61.5 of the Articles of Association are met.

ARTICLE 15. COMPULSORY REDEMPTION

The General Meeting may resolve, in accordance with the applicable regulations, to reduce the share capital in order to redeem a specific group of shares, provided that such group is defined on the basis of substantive, uniform and non-discriminatory criteria. In such a case, the measure must be approved by the General Meeting by the majority of both the shares of the shareholders belonging to the affected group and the shares of the other shareholders remaining in the Company.

TITLE THREE
DEBENTURES AND OTHER SECURITIES

ARTICLE 16. ISSUANCE OF DEBENTURES

1. The Board will be competent to decide on the issue and admission to trading of simple debentures, as well as to agree on the granting of guarantees for the issue of debentures.
2. The General Shareholders Meeting will be competent to decide on the issuance of debentures convertible into shares or debentures entitling holders to a share in the Company's profits.
3. The General Meeting may also authorise the board of directors to determine the time at which the agreed instruments are to be issued, and to establish any other conditions not provided for in the General Meeting's resolution.

ARTICLE 17. Convertible and exchangeable debentures

1. Convertible and/or exchangeable debentures may be issued with a fixed (determined or determinable) exchange ratio or with a variable exchange ratio. The issue agreement will determine whether the power of conversion or exchange corresponds to the holder or to the Company or, if applicable, whether the conversion will necessarily take place at a given time.
2. The pre-emptive right of purchase for convertible debentures may be cancelled in accordance with the law and in accordance with the Articles of Association applicable to the cancellation of the pre-emptive right of purchase for shares.

ARTICLE 18. Other securities

1. The Company may issue promissory notes, warrants or marketable securities other than those provided for in the preceding articles.

The General Meeting may also authorise the board of directors to determine the time at which the agreed instruments are to be issued, and to establish any other conditions not provided for in the General Meeting's resolution.

2. The Company may also provide a guarantee for issues of securities made by its subsidiaries.

TITLE FOUR

GOVERNANCE AND MANAGEMENT OF THE COMPANY

Chapter One

Company bodies

ARTICLE 19. POWERS

1. The governing bodies of the Company are the General Shareholders Meeting, the board of directors and the delegated bodies created within the latter.
2. The General Meeting has the power to decide on all matters attributed to it by law or by these Articles of Association. In particular, and by way of illustration only, it will decide on the following matters:
 - (a) Approval of the directors' report and financial statements, the distribution of profit/loss and the approval of corporate governance.
 - (b) Appointment, re-election, ratification and dismissal of directors, appointment and dismissal of liquidators, and, where necessary, auditors, and the initiation of company actions in relation to the liability of any of these persons.
 - (c) Authorisation of transactions outside the corporate purpose.
 - (d) Amendment of the Articles of Association.
 - (e) Increasing or decreasing the share capital.
 - (f) The disapplication or limitation of the pre-emptive right of purchase.
 - (g) Approval of acquisition, disposal or transfer of essential assets to another company.

Such assets or activities are presumed to have an essential nature when the amount of the transaction exceeds twenty five percent (25%) of the value of the assets listed in the last approved balance sheet.

- (h) The transformation, merger, de-merger or wholesale transfer of assets and liabilities and the transfer of its registered office abroad.
 - (i) Approval of the dissolution of the Company.
 - (j) Approval of the final liquidation balance sheet as well as the transactions whose effect is equivalent to that of the liquidation of the Company.
 - (k) Approval of the establishment of remuneration systems for directors and senior executives of the Company consisting of the delivery of shares or stock options, or remuneration linked to the value of the shares.
 - (l) Approval of the issuance of debentures and other marketable securities.
 - (m) Authorising the derivative acquisition of treasury shares.
 - (n) Any other matters determined by the law or the Articles of Association.
3. Any authorities that are not legally or statutorily attributed to the General Meeting are held by the board of directors.

ARTICLE 20. Principles of action

1. All the Company's bodies must safeguard the corporate interest, which is the common interest of the shareholders.
2. The Company's bodies will observe the principle of equal treatment in relation to shareholders.

Chapter Two

General meetings

ARTICLE 21. Regulation of the General Meeting

1. The General Meeting is the sovereign body of the Company and its resolutions are binding on all shareholders, including absentees, dissenters and those who abstain from voting. The rights of objection to which they are entitled remain unaffected.
2. The General Meeting is governed by these Articles of Association and the law.

3. The General Meeting, regularly constituted, represents the universality of the shareholders and will decide by simple majority on matters within its competence, unless the Law or these Articles of Association establish a larger majority.
4. In all matters relating to information, participation and the exercise of voting rights at the General Meeting, the Company guarantees, at all times, equal treatment for all shareholders in the same position.

ARTICLE 22. CLASSES OF General Meeting

1. General meetings may be ordinary or extraordinary.
2. The ordinary General Meeting will necessarily meet within the first six months of each financial year in order to, if appropriate, approve the performance of company management, the financial statements of the previous financial year and resolve on the application of the profit or loss, as well as to approve, if appropriate, the consolidated financial statements and may also deliberate and resolve on any other matter within its competence, provided that it is on the agenda of the call or that it is legally appropriate and the General Meeting has been convened with the attendance of the required capital.
3. The ordinary General Meeting will be valid even when called or held outside the established deadline.
4. Any General Meeting other than the one envisaged in the preceding paragraph will be deemed an extraordinary General Meeting.

ARTICLE 23. CALLING OF GENERAL MEETING

1. General Meetings must be formally convened by the board of directors and, where appropriate, by the Company liquidators.
2. The Board may call a General Meeting whenever it deems it appropriate for the Company's interests and will be bound to do so in the following cases: (i) in the case envisaged in section two of the foregoing article in relation to the ordinary General Meeting; (ii) when requested by shareholders representing at least five per cent (5%) of the share capital; and (iii) in any case, on the dates or during the periods determined by law or by these Articles of Association.

In the event that shareholders representing at least five percent (5%) of the share capital request the call to the meeting, the meeting must be called to be held within two months following the date on which the board of directors was requested via notary to call the meeting. The agenda will include the items which constituted the object of the request.

3. The announcement of the call will be made on the Company's website, if it has been created, at least one month prior to the date set for the meeting, except in cases in which the Law establishes a different period of prior notice.
4. The announcement will state the name of the Company, the date and time of the meeting on first call, the agenda setting out the matters to be dealt with, the position of the person or persons making the call, the place and manner in which the full text of the documents and proposed resolutions to be made available or submitted for the approval of the General Meeting may be obtained immediately and free-of-charge, including, where appropriate, the address of the Company's website where the information will be available.
5. If appropriate, it may also include the date upon which the General Meeting will be held on second call. A period of at least 24 hours must transpire between the first and second meeting.

ARTICLE 24. Place and time of meeting

1. The General Meeting will be held at the location indicated in the notice, within the municipal district in which the Company has its registered offices (principal place). If no other venue is specified in the call, it will be understood that the meeting will be held at the Company's registered office.
2. The General Meeting, provided that there is good cause for doing so, may agree to its own extension for one or more consecutive days at the proposal of the board of directors or a number of shareholders representing at least one quarter of the share capital present at the meeting. Regardless of the number of sessions held, the General Meeting will be treated as single meeting and a single set of minutes will be drawn up for all of the sessions.

ARTICLE 25. QOURUM

1. An ordinary or extraordinary General Meeting will have achieved quorum, in its first call, when the shareholders present or represented hold at least 25% of the subscribed capital with voting rights. On second call a General Meeting will be deemed as quorate regardless of the amount of share capital in attendance.
2. If the meeting is called to deliberate on amendments of the Articles of Association, including a capital increase and reduction, the issue of debentures, the disapplication or limitation of the pre-emptive right to acquire new shares, as well as the transformation, merger, spin-off or global assignment of assets and liabilities, and the transfer of the registered office abroad, attendance will be necessary, on first call, for shareholders present or represented who hold at least 50% of the subscribed voting capital. The second call only requires that shareholders with 25% of the capital be present or represented.
3. If, in order to validly adopt a resolution on one or more of the items on the agenda of the General Meeting, it is necessary, in accordance with applicable legislation, for a specific quorum to be present and that quorum is not achieved, the General Meeting will confine itself to deliberating and deciding on items on the agenda which do not require the attendance of that percentage of the share capital or of such shareholders.

ARTICLE 26. Universal meeting

1. The General Meeting will be validly convened to address any matter without the need for prior notice whenever all the share capital is present or represented and those attending unanimously agree to hold the meeting.
2. The meeting with the presence or representation of all shareholders may be held at any venue in Spain or abroad.

ARTICLE 27. Attendance rights

1. Shareholders owning any number of shares may attend the General Meeting and take part with speaking and voting rights.

2. In order to attend the meeting, the shareholder must have the ownership of the shares entered in the ledger of registered shares five days prior to the date on which the meeting is to be held. Compliance with this requirement will be evidenced by means of a public document establishing its regular acquisition or by any other means that allows, in accordance with current legislation, sufficient proof of registration.
3. Members of the board of directors should attend the General Meetings.
4. The Chair of the General Meeting may authorise the attendance of any other person as he or she deems fit. However, the General Meeting may revoke this authorisation.

ARTICLE 28. Representation at the General Meeting

1. All shareholders with a right to attendance may be represented at the General Meeting by a proxy, who does not need to be a shareholder. The proxy must be appointed in writing specifically for each meeting.
2. The proxy may be revoked at any time. Personal attendance at the General Meeting of the represented shareholder will have the value of revocation of the proxy granted.
3. The Chair and Secretary of the board of directors and the persons to whom any of them delegates will have the broadest powers to verify the identity of the shareholders and their proxies, check the ownership and legitimacy of their rights and accept the validity of the attendance, delegation and remote voting card or a document or means that accredits the attendance or representation.

ARTICLE 29. Presiding board of the General Meeting

1. The Presiding Board of the General Shareholders Meeting will be made up as a minimum requirement by the Chair and the Secretary of the General Meeting. Members of the Company board of directors may also form part of this Board. Without prejudice to other powers assigned to it by these Articles of Association, the Presiding Board will assist the Chair of the meeting, at his or her request, in the performance of his or her duties.
2. The board will be Chaired by the Chair of the board of directors and, in the event of a vacancy, absence or inability of the Chair, by the Vice-Chair of the board, if appointed.

3. If neither is present, the role of Chair for the meeting will be filled by the oldest Board member, or, in the absence thereof, a shareholder chosen by the attendees.
4. The Chair of the General Meeting will be assisted by the Secretary. The Secretary of the board of directors will be the Secretary of the General Meeting and, in the event of a vacancy, absence or inability of the board of directors, the deputy Secretary. In the absence of a Secretary and Deputy Secretary of the board of directors, the Secretary of the meeting will be the youngest director present and, failing that, the shareholder chosen by the attendees.

ARTICLE 30. List of attendees

1. Before beginning with the items on the agenda, the list of attendees will be taken, stating the nature or representation of each one and the number of shares held or represented thereby. At the end of the list, the number of shareholders present or represented will be determined.
2. If the list of attendees is not available at the start of the General Meeting minutes, it will be attached to this as an appendix signed by the Secretary, with the approval of the Chair. The list of attendees may also be established as a file or included in a computer medium. In these cases, the minutes will record the medium used and the identification signed by the Secretary of the general shareholders meeting with the Chair's approval will be printed on the sealed cover of the file or the medium.
3. Notwithstanding the provisions of the previous section, in the event of a universal meeting, the list of attendees will be recorded in the minutes, followed by the signature of each of them, following the date and place and the agenda.

ARTICLE 31. Deliberation of the General Meeting

1. Once the list of attendees has been drawn up, the Chair, if appropriate, will declare the General Meeting validly constituted and will determine whether it may be included in the consideration of all the items on the agenda or whether, on the contrary, it should be limited to one of them.

2. The Chairs shall submit the items on the agenda for deliberation and will direct the discussions so that the meeting may proceed in an orderly manner. To this end, the Chair will have the appropriate authority to impose order and discipline, including the power to order the expulsion of anyone who disturbs the normal conduct of the meeting and even to order a momentary interruption of the session. The Chair may also give the floor to shareholders who so request, withdraw or refuse to give the floor, close debates when deeming that the matter has been sufficiently discussed, is not included on the agenda or hinders the conduct of the meeting, reject proposals made by shareholders and adopt measures of order such as setting turns or putting an end to debate. Even if the Chair is in attendance at the meeting, the discussion may be led by the deputy Chairs or the Secretary or the Board member the Chair sees fit.
3. Shareholders may request information under the terms set forth in the following article.
4. Any shareholder may also take part, at least once, in the deliberation of the items on the agenda.
5. Once the matter has been sufficiently discussed, the Chair will put it to the vote.

ARTICLE 32. Right to information

1. From the communication or publication of the notice of call to the General Meeting and up to the seventh day prior to the meeting, shareholders may request from the directors any information or explanations they deem necessary or formulate in writing, including the request by correspondence or any other means of remote communication, the questions they deem appropriate regarding the matters included in the agenda.
2. During the General Meeting, shareholders may verbally request such information or explanations as they deem appropriate regarding the items on the agenda. If the shareholder's right cannot be satisfied at that time, the directors will be obliged to provide the information requested in writing within seven days following the end of the meeting.
3. The Board will be obliged to provide the information requested in accordance with the preceding paragraphs in the manner and within the periods established by law, unless such information is unnecessary for the protection of shareholders' rights, or there are

objective reasons to consider that it could be used for non-company purposes or its dissemination could harm the Company or related companies. These exceptions will not apply when the request is supported by shareholders holding at least 25% of the share capital.

4. The notice of the General Meeting, when so required by law, will provide the appropriate indications with respect to the right to examine at the registered office and the means by which any shareholder may obtain from the Company, immediately and free-of-charge, the information and documents that must be made available or submitted for the approval of the General Meeting and, where appropriate, the report or reports legally required.

ARTICLE 33. Voting

1. Each one of the items on the agenda will be put to vote individually. However, if circumstances should counsel and within the limits of the law, the Chair of the meeting may rule that the proposals corresponding to several points on the agenda be voted on together, in which case the result of the vote will be considered extended individually to each proposal if none of those present were to indicate a wish to alter their vote in relation to any particular item. Otherwise, the minutes will reflect the change in vote expressed by each of the attendees and the result of the vote corresponding to each proposal as a result thereof.

In any case, even if they appear under the same item on the agenda, the appointment, ratification, re-election or removal of each director must be voted on separately; and in the modification of the Articles of Association, that of each article or group of articles that have their own autonomy.

2. The Chair will establish the voting system he or she considers most appropriate and direct the corresponding process. Specifically, the Chair may rule that the vote will take place by a show of hands, and if there is no opposition may consider the resolution as passed.
3. Shareholders or their representatives may vote on items on the agenda by postal or electronic correspondence.

4. A shareholder may not exercise the voting rights corresponding to their shares when a resolution is to be passed the purpose of which is:
 - (a) to release that shareholder from an obligation or to grant him/her a right;
 - (b) to provide that shareholder with any kind of financial assistance, including guarantees; or
 - (c) release the shareholder from obligations arising from the duty of loyalty.

The shares of a shareholder affected by any of these conflicts of interest will be deducted from the capital for the purposes of calculating the majority vote required in each case.

In cases of conflict of interest other than those outlined in this section, the shareholders will not be deprived of the right to vote.

However, when the vote or the shareholder/s involved in a contract is decisive for the adoption of the resolution, the Company and, as appropriate, the shareholder/s affected by the conflict will bear the burden of proving, in the event of a challenge to such resolution, that the decision is in the best interest of the Company.

The shareholder/s presenting the challenge must prove the conflict of interest. Exceptions to this rule include decisions relating to the appointment, removal, revocation and demands for liability of the directors and any others of a similar meaning in which the conflict of interest relates solely to the position held by the shareholder in the Company. In such cases, parties challenging the decision must prove damage to the Company interest.

ARTICLE 34. Passing of resolutions

1. The General Meeting, ordinary or extraordinary, will adopt its resolutions with the majorities required under the applicable regulations. Every share with a voting right, present or represented in the General Meeting, will entitle its holder to one vote.
2. The majority required to approve a resolution will require the favourable vote of the simple majority of the shares with voting rights present or represented at the General Meeting, it being understood that a resolution is passed when it obtains more votes in

favour than against the capital present or represented. Cases in which the law or these Articles of Association stipulate a larger majority are excluded.

In particular, when shareholders representing 25% or more of the subscribed capital with voting rights but less than 50% attend the second call, the resolutions referred to in Article 25.2above may only be passed with the favourable vote of two thirds of the capital present or represented at the meeting. When shareholders representing more than 50% are in attendance, it will suffice for the resolution to be passed by an absolute majority of the present or future capital represented.

3. Once a matter has been put to the vote, the Chair will announce the result, if applicable declaring the resolution to have been validly passed.

ARTICLE 35. General meeting minutes

1. The Secretary of the meeting will record the minutes of the meeting, and once approved they will be recorded in the book of proceedings.
2. The minutes may be approved by the General Meeting itself at the end of the meeting or, otherwise, within fifteen days, by the Chair of the meeting and two auditing shareholders, one on behalf of the majority and the other of the minority.

The minutes approved in either of these two forms will be enforceable from the date of their approval and will be signed by the Secretary and approved by the Chair.

3. In the event that the presence of a Notary has been required in order to draw up the minutes of the meeting, the notarial minutes will not be submitted for approval, and the agreements contained therein may be executed as from the date of their closing.
4. Any certificates issued in relation to the minutes approved are to be signed by the Secretary or by the Deputy Secretary of the board of directors with the approval of the Chair or, as appropriate, by the deputy Chair.
5. All shareholders may exercise the right to record a summary of their speech in the minutes.

Chapter Three

Board of directors

ARTICLE 36. BOARD OF DIRECTORS REGULATION

1. The Company will be governed by a board of directors.
2. The board of directors will be governed by the applicable provisions of the law and by these Articles of Association. The board will implement and supplement such provisions by means of the appropriate board of directors regulation.
3. The valid approval and amendment of the board of directors regulation will require a resolution passed by a two-thirds majority of the directors present or represented.

ARTICLE 37. Powers of administration and supervision

1. Except in matters reserved to the competence of the General Meeting by law or the Articles of Association, the board of directors is competent to adopt resolutions on all types of matters, as the supreme decision-making body of the Company.
2. Without prejudice to the fact that the board of directors has the broadest powers to manage, direct, represent and administer the Company, the board of directors will essentially focus its activity on the definition and supervision of the general management strategies and guidelines to be followed by the Company and its Group, as well as on the dissemination, coordination and monitoring of the general implementation of the management strategies, policies and guidelines of the Company and its Group with the general objective of creating shareholder value, entrusting as a general rule the direction and management of the Company's ordinary business to the delegated bodies and the management team.
3. In any event, decisions relating to the following matters will be reserved to the exclusive competence of the full board of directors and may not be delegated:
 - (a) Authorisation or release from obligations arising from the duty of loyalty in section 230 of the Spanish Corporate Enterprises Act.
 - (b) Its own organisation and functioning.
 - (c) The preparation of the financial statements, the directors' report and the proposal for the application of the profit/loss, as well as the accounts and the directors' report.

- (d) The drawing up of the financial statements and submission thereof to the General Meeting.
- (e) The formulation of any kind of report required by law from the governing body provided the operation referred to in the report may not be delegated.
- (f) The appointment of directors by co-option.
- (g) The appointment and dismissal of the Company's managing directors, as well as the establishment of the terms of their contract.
- (h) Appointment and renewal of the internal posts of the board of directors and, where appropriate, of the members of the committees.
- (i) The establishment, in accordance with these Articles of Association, of the remuneration of the Board members, on the proposal, where appropriate, of the appointments and remuneration committee.
- (j) Payment of interim dividends.
- (k) Approval and amendment of the board of directors regulations governing its internal organisation and functioning.
- (l) The exercise of the powers delegated by the General Meeting when the power of substitution is not envisaged and to exercise any functions that the General Meeting has entrusted to it, unless it has been expressly authorised by the General Meeting to sub-delegate them.
- (m) The approval, subject to a report, where appropriate, by the appointments and remuneration committee, of any transactions the Company or Group companies enter into with directors, under the terms established by the applicable regulations in this respect, or with shareholders who hold, individually or in concert with others, a significant stake including shareholders represented on the board of directors of the Company or of other companies that form part of the Group or with persons related thereto. The directors affected or representing or related to the affected shareholders must refrain from participating in the deliberation and

voting on the resolution in question, except for transactions established by law at any given time.

The following transactions will not require approval by the board of directors, following a report, as the case may be, from the appointments and remuneration committee to be carried out by the Company, if they simultaneously meet the following three conditions: (i) they are made pursuant to contracts the terms and conditions of which are standardised and applied en masse to a large number of customers, (ii) they are carried out at generally established prices or tariffs by whoever acts as the supplier of the good or service in question, and (iii) their amount does not exceed one per cent of the Company's annual revenues.

- (n) The approval of investments or transactions that, by virtue of their amount or special characteristics, are considered as strategic or pose a special tax risk, unless their approval is the prerogative of the General Meeting;
- (o) The execution of any contract or establishment of any legal relationship between the Company and a third party whose value exceeds 80,000,000 euros, unless its approval is the prerogative of the General Meeting.
- (p) The determination of the Company's policies and strategies, and specifically:
 - i. Approval of the annual budgets and, where appropriate, the strategic plan.
 - ii. Approval and supervision of the management objectives and dividend policy.
 - iii. Approval of the investment and financing policy.
 - iv. Defining the corporate structure of the group of companies of which the Company is the parent.
 - v. Approval and supervision of the Corporate Governance policy of the Company and the Group.
 - vi. Approval and supervision of the Corporate Social Responsibility Policy.
 - vii. Approval of the directors' remuneration policy for submission to the General Meeting.

- viii. Approval of the Company's treasury shares policy.
- (q) Determination of the Company's tax strategy.
 - (r) Evaluation of the performance of the directors with executive functions in the Company.
 - (s) Monitoring of the effective operation of the committees formed and the actions of the delegate bodies and the executives appointed.
 - (t) Approval and monitoring, subject to a report, where appropriate, to the audit and compliance committee, of the risk control and management policy, including tax risks, as well as the supervision of internal information and control systems. The appointment and removal of managers who directly report to the board or of any of its members, as well as the establishment of the basic terms of their contracts, including their remuneration.
 - (u) The convening of the general shareholders meeting and the preparation of the agenda and the proposed resolutions.
 - (v) Approval of the creation or acquisition of ownership interests in special purpose vehicles or entities resident in jurisdictions considered to be tax havens, and any other transactions or operations of a comparable nature whose complexity might impair the transparency of the Group.
 - (w) The powers delegated by the General Meeting to the board of directors, unless expressly authorised by the General Meeting to sub-delegate them.
4. The Board must perform an annual assessment of its functioning and that of its committees and, based on its findings, propose an action plan to correct any shortcomings found. The result of the assessment will be indicated in the meeting minutes or attached thereto as an appendix.

ARTICLE 38. Powers of representation

1. The company is represented, in and out of court, by the board of directors acting in concert.

2. The Secretary of the board has the necessary powers of representation to formalise resolutions of the General Meeting and board of directors as public deeds and request their registration.
3. The powers of representation of the delegated bodies will be governed by the terms of the delegation resolution. In the absence of any indication to the contrary, it will be understood as jointly and severally conferred on the managing directors, if any, and, if there is a multi-person delegated body, on the Chair of the executive committee.

ARTICLE 39. Quantitative composition of the board of directors

1. The Board will be composed of a minimum of eleven members and a maximum of nineteen members.
2. The General Meeting will be responsible for establishing the number of board members. To this end, it will act directly by establishing the number by express agreement, or indirectly by covering vacancies or appointing new directors, within the minimum and maximum limits established in the previous paragraph.

ARTICLE 40. Qualitative composition of the board of directors

1. Directors will be classified as executive or non-executive, with a distinction being made between proprietary, independent or other external directors, all in accordance with the law and the board of directors regulation.
2. The General Meeting will ensure that, in the composition of the board of directors, the number of external or non-executive directors constitutes a majority over the number of executive directors.
3. The General Meeting will also address the inclusion within the group of external directors of both the holders or representatives of the holders of significant stable shareholdings in the capital of the Company or who have been appointed owing to their status as shareholders of the Company (proprietary directors) and persons who, appointed in accordance with their personal and professional qualifications, can carry out their duties without being conditioned by relations with the Company or its Group, significant shareholders or its executives (independent directors).

4. The provisions of the previous sections do not affect the sovereignty of the General Meeting or diminish the effectiveness of the proportional system, which will be mandatory in the event of a grouping of shares pursuant to the law. However, it is binding on the board of directors which, in the exercise of its powers of proposal to the board and co-option for the filling of vacancies, may not deviate from these guidelines.

ARTICLE 41. Appointment of directors

1. Directors will be appointed by resolution of the General Meeting, and without prejudice to the appointment of directors by means of the proportional system adopted with the requirements established in the applicable regulations.
2. The post of director may be resigned, revoked and re-elected one or more times. The appointment of directors will take effect from the moment of their acceptance.
3. If vacancies occur during the term for which the directors are appointed, the board may appoint individuals, who must necessarily be shareholders, to occupy them until the first General Meeting is held.
4. Directors may not be appointed in the event of any incompatibility or prohibition provided for by law or in these Articles of Association or in the board of directors regulation.

ARTICLE 42. BOARD OF DIRECTOR POSTS

1. The Board, after reporting, where appropriate, to the appointments and remuneration committee, will elect a Chair and, optionally, a Vice-Chair. The vice-president will replace the president in case of vacancy, absence or incapacity.
2. The Chair of the board of directors, as the chief executive responsible for the efficient functioning of the board, will convene and preside over the meetings of the board of directors, setting the agenda, exercise the high institutional representation of the Company and will be responsible for the efficient functioning of the board of directors, ensuring, with the collaboration of the Secretary, that directors have sufficient advance notice and the necessary information to deliberate on the items on the agenda, directing discussions and deliberations and stimulating debate and the active participation of

directors during board meetings and safeguarding their free taking of a position and expression of opinion.

3. In addition, the Chair of the board of directors will organise and coordinate, where appropriate, with the Chair of the board committees, the functioning and periodic evaluation of the board of directors and, if any, its committees.
4. Likewise, the board of directors will appoint, following a report, where appropriate, from the appointments and remuneration committee, a Secretary and, at its own discretion, a Vice-Secretary. In order to be appointed, it is not necessary to be a director, in which case they will have speaking but not voting rights in meetings of the board of directors.

The removal of the Secretary and, where applicable, of the Deputy Secretary or deputy secretaries will require a prior report from the appointments and remuneration committee, if any.

The Secretary will assist the Chair in his duties and will provide for the proper functioning of the board, in particular by providing the directors with the necessary advice and information, preserving the board of directors' documentation, recording in the minutes books the meetings and certifying their content and the resolutions passed; and assisting the Chair so that the directors receive the relevant information for the performance of their duties with sufficient notice and in the appropriate format.

The Secretary will ensure that the board's actions are formally and materially legal, ensuring that they comply with the applicable regulations and conform with these Articles of Association and other regulations, and ensure that its procedures and the Company's rules of governance are observed.

5. The Chair, Vice-Chair and, if applicable, the Secretary and Vice-Secretary or Vice-Secretaries of the board of directors, who are re-elected Board members by resolution of the General Meeting, will continue to hold the posts they previously held within the board of directors, without the need for a new election, and without prejudice to the power of revocation of the board of directors with respect to the posts.

ARTICLE 43. CONVENING BOARD MEETINGS

1. A meeting of the board will be convened by the Chair either on his own initiative, when s/he deems it appropriate, or at the request of at least three directors. Directors making up at least one third of the Board members may convene a meeting, while indicating the agenda, to be held in the city where the Company has its registered office, if, after having made a request to the Chair, the meeting has not been convened within one month for no justified cause.
2. The calling of ordinary meetings will be made personally to each of the directors by letter, fax, telegram or electronic mail or by any other means by which it may be received, and will be authorised with the signature of the Secretary or Deputy Secretary by order of the Chair. The call will be made at least five days in advance. However, in extraordinary circumstances, a board meeting may be convened immediately by telephone or any other means.
3. The call should always include the agenda for the meeting, and should be accompanied by the relevant information, duly prepared and summarised.
4. Nevertheless, the meeting of the board will be considered validly constituted without the need for a call if all of its members are present and represented and they unanimously agree to hold the meeting and agree on the items of the agenda.

ARTICLE 44. Meetings of the board of directors

1. The Board will meet at least once a quarter and on as many occasions as the Chair deems appropriate for the proper functioning of the body. The Chair's obligation to call the meeting envisaged above is not affected.
2. The board meeting may be held in several rooms or places simultaneously, provided that the recognition and identification of the attendees, permanent communication between the attendees regardless of where they are, as well as the speaking and casting of the vote are ensured by audiovisual means or telephone, all in real time and, therefore, ensuring the unity of the event. In such a case, the system for connection will be set out in the call to meeting, as well as the locations where the necessary technical means will be available for members to attend and participate in the meeting. Those attending at

any of the venues will be considered, for all purposes relating to the board of directors, as attendees of one same meeting. Resolutions will be considered to be passed at the venue where the office of the Chair is located.

3. The board will meet at the registered office or at the venue or venues indicated in Spain or abroad by the Chair. As an exception, if no director opposes it, the board meeting may be held without a meeting in writing. In this case, directors may send by email to the Secretary of the board of directors, or whomever acts as such, their votes and any comments they wish to include in the minutes. A record of the resolutions passed by this procedure will be made in the minutes issued in accordance with applicable law.
4. The Chair may invite any individuals to meetings of the board of directors or to give items on the agenda if they are capable of improving the information provided to the directors.

ARTICLE 45. FUNCTIONING OF MEETINGS

1. A Board meeting will be validly constituted when the majority plus one of directors attend the meeting in person or duly represented.
2. Directors must personally attend the meetings held. However, directors who are unable to attend the meeting may be represented on the board by another director. The representation will be conferred in writing and specially for each meeting and will be communicated to the president or the Secretary by any means that allows its reception. Non-executive directors may only be represented by another non-executive director.
3. Directors may take part in the deliberations of the board by speaking and making such proposals as they deem appropriate on the different items on the agenda.

ARTICLE 46. BOARD RESOLUTIONS

1. Resolutions will be passed by an absolute majority of the directors personally present or represented at the meeting.
2. Except in cases where the law or the Articles of Association provide for a larger majority. In this regard, the favourable vote of at least two thirds of the members of the board will be required for the permanent delegation of any board power to an executive

committee or to one or more managing directors, the appointment of the directors who are to occupy such positions or the approval of contracts between directors with executive functions and the Company. Likewise, the favourable vote of two thirds of the Board members present or represented at the meeting will be required to amend the board of directors regulation.

ARTICLE 47. Minutes of Board meetings

1. Board resolutions will be recorded in minutes, which will be entered or transcribed in the board minutes book. The minutes will be approved by the board of directors at the end of the meeting or at the next meeting. The minutes may also be approved by the Chair and two directors appointed for that purpose at the corresponding meeting.
2. Once the minutes are approved, they will be signed by the Secretary of the board or of the meeting, and approved by whomsoever has acted as Chair. In the event that any of the people mentioned are unavailable for any reason, they will be replaced by the people established by the law or the Articles of Association.
3. Board resolutions will be certified by Secretary or Vice-Secretary of the board with the approval of the Chair or Vice-Chair, as the case may be.

Chapter Four

Delegated bodies and internal committees

ARTICLE 48. Delegated bodies and internal committees of the board

1. The Board may set up an executive committee within it and appoint one or more managing directors and select the persons to be appointed to these posts.
2. Likewise, the board may appoint other committees to which it entrusts powers in specific matters or areas, including audit and compliance, appointment and remuneration, with the powers established by law and in these Articles of Association, and such other committees or commissions as may be necessary or deemed appropriate for the best performance of their functions, and appoint their members and establish the functions assumed by each of them.

ARTICLE 49. Executive committee

1. An executive committee may be set up within the board of directors, which, unless the board decides otherwise, will hold all the powers of the board, except those that cannot be delegated by law or by the Articles of Association.
2. The executive committee will be made up of the directors appointed by the board itself with the favourable vote of two thirds of its members, pursuant to a proposal from the appointments and remuneration committee, and will be renewed in the time, form and number decided by the board of directors.
3. The executive committee will be made up of a minimum of four and a maximum of eight members, and the board of directors will establish the number of members within the limits, as well as the designation thereof. In any case, the Chair of the board of directors, who will Chair its meetings, the Vice-Chair, if appointed, and, if applicable, the managing director(s), will be Board members. The Secretary of the board of directors will act as Secretary of the executive committee and, in their absence, the Vice-Secretary, and, in the absence of both, the member of the committee designated by the same from among those attending the meeting in question.
4. The executive committee will meet at least four times a year and as many other times as the Chair deems appropriate, who may also suspend some or all of the ordinary meetings whenever s/he deems it appropriate. The executive committee will deal with all matters within the competence of the board of directors which, in the opinion of the committee itself, must be resolved without further delay, except for those which cannot be delegated by law, these Articles of Association and the board of directors regulation. The resolutions passed by the executive committee will be reported to the board of directors at the next meeting.
5. The provisions of the Articles of Association and of the board of directors regulation relating to the operation of the board will apply to the executive committee, insofar as they are not incompatible with its specific nature.

ARTICLE 50. AUDIT AND COMPLIANCE COMMITTEE

1. The Board may set up an audit and compliance committee made up of a minimum of three and a maximum of seven directors, the board of directors being responsible for establishing the number of members within the aforementioned limits, as well as the appointment thereof, pursuant to a proposal, if any, from the appointments and remuneration committee, all of which are non-executive, two of whom at least must be independent directors and one of these independent directors will be appointed taking into account their knowledge and experience in accounting, auditing or both.
2. The Chair of the audit and compliance committee will be appointed by the board of directors from among its independent members and will be replaced every four (4) years, and may be re-elected once the term of one (1) year has elapsed since their removal.

The audit and compliance committee will also appoint a Secretary, who need not be a member of the committee.

3. The audit and compliance committee will have at least the following competences:
 - (a) Submitting to the board of directors proposals for the selection, appointment, reappointment and removal of the external auditor, and the engagement conditions.
 - (b) Regularly obtaining from the external auditor information on the audit plan and its execution, in addition to preserving its independence in the exercise of its duties.
 - (c) Overseeing the effectiveness of the Company's internal control, internal audit and, if applicable, risk management systems, including tax-related systems, and discuss with the auditors any significant weaknesses in the internal control system identified during the performance of the audit.
 - (d) Prior to the issuance of the external auditor's report, the committee will annually issue a report expressing an opinion on the independence of the auditor. In any case, this report must contain the assessment of each and every one of the

additional services mentioned in letter j above, taken individually and as a whole, other than legal audit services, and in connection with the rules on independence or with the regulations governing audits.

- (e) Reviewing the Company's accounts, overseeing compliance with legal requirements and the correct application of accounting principles applicable in Spain and International Accounting Standards (IAS), and issue opinions on management proposals to modify accounting principles and criteria.
- (f) Evaluating the results of each audit and the management team's responses to its recommendations, and mediate and act as arbitrator in the event of discrepancies between management and the auditor regarding the principles and criteria applicable when preparing the financial statements.
- (g) Overseeing the process of drawing up and submitting the required financial information, supervising the internal audit services and reviewing the appointment and replacement of the persons in charge of them.
- (h) Overseeing compliance with the audit contract and ensure that the auditor's opinion on the financial statements and the main content of the auditor's report are written clearly and accurately.
- (i) Carrying out follow-up and reporting, in advance, to the board of directors on all the matters established by law, the Articles of Association, and in the board of directors regulation, and in particular on:
 - 1st the financial information that the Company must make public on a regular basis and
 - 2nd the creation or acquisition of stakes in special-purpose vehicles or companies with registered office in countries or territories regarded as tax havens.
- (j) Establishing the appropriate relationships with the auditor for the purpose of receiving information on any matter that may endanger their independence, to be examined by the Committee, and any other matter relating to the process of

auditing the accounts, in addition to any other communication laid down in legislation regarding auditing accounts and auditing standards. In any event, it should annually receive from the external auditor a declaration of the latter's independence from the Company or entities directly or indirectly related to the Company, as well as information on additional services of any kind provided and the fees received from such entities by the external auditor or by persons or institutions related thereto, pursuant to the regulations governing auditing.

- (k) Reporting to the General Shareholders Meeting on any issues arising in relation to those matters that fall within the competence of the committee.
- (l) Reviewing compliance with actions and measures resulting from reports or inspection actions of supervisory and control authorities.
- (m) Being aware of and, where appropriate, to respond to initiatives, suggestions or complaints raised by shareholders regarding the scope of the committee's functions and that are submitted to it by the board of directors of the Company.
- (n) Reporting on proposed amendments to the board of directors regulation prior to their approval by the board of directors.
- (o) Supervising the establishment and functioning of the whistle-blower's channel.
- (p) Any others attributed to it by these Articles of Association or the board of directors regulation.

The provisions of letters a), b), d) and j) of this section will be without prejudice to the regulations governing auditing.

4. The committee will meet at least once per quarter and as often as appropriate, following a call by the Chair, by his own decision or at the request of three of its members, of the executive committee, if any, or of the board of directors.
5. The audit and compliance committee will be validly constituted with direct attendance or by means of representation of at least half plus one of its members and will adopt its resolutions by a majority of the attendees. In the event of a tie, the Chair will have the casting vote.

6. The audit and compliance committee will submit for the approval of the board of directors a Report on its activities during the financial year, which will serve to as a basis for the annual evaluation of the board of directors.
7. The Board may implement and complete the above rules in its regulations, in accordance with the law and the Articles of Association.

ARTICLE 51. APPOINTMENTS AND REMUNERATIONS COMMITTEE

1. The Board may set up an appointments and remuneration committee made up of three and a maximum of five directors, the board of directors being responsible for establishing the number of members within the aforementioned limits, as well as the appointment thereof, following a proposal by the committee. All members of the committee must be non-executive directors, two of whom at least must be independent directors.
2. The Chair of the appointments and remuneration committee will be appointed by the board of directors from among its independent members.
The appointments and remuneration committee will also appoint a Secretary, who need not be a member of the committee.
3. The appointments and remuneration committee, without prejudice to the other functions assigned to it by law, the Articles of Association or, in accordance therewith, the board of directors regulation, will have at least the following powers:
 - (a) Assessing the competences, knowledge, and experience required for the board of directors. To this end, protecting the integrity of the process of selecting directors and senior executives, defining the functions and aptitudes required of the candidates to fill each vacancy, ensuring that the candidates are suited to them and, in particular, making proposals to the board for the appointment and removal of directors, either by co-option or by proposal of the board to the General Shareholders Meeting, evaluating the time and dedication necessary for them to carry out their duties effectively, as well as proposing to the board the members who should be a member of each of the committees.

- (b) Establishing a target for representation of the less well-represented sex in the board of directors and prepare guidelines to achieve that target.
- (c) Submitting to the board of directors proposals for appointment of independent directors for their designation by co-option or for submission to the General Shareholders Meeting, as well as the proposals for re-election or removal of these directors by the General Shareholders Meeting.
- (d) Reporting on the proposals for appointment of the remaining directors for appointment by co-option or for submission to the General Shareholders Meeting, as well as proposals for re-election or removal by the General Shareholders Meeting.
- (e) Reporting about proposals for appointments and removal of senior managers and propose the basic terms of their contracts.
- (f) Reporting on the appointment of the Chair and Vice-Chair of the board of directors; and to report on the appointment and removal of the Secretary and, where appropriate, the Vice-Secretary of the board of directors.
- (g) Examining and organising the succession plan for the Chair of the board of directors and chief executive of the Company and, where appropriate, making proposals to the board of directors to ensure the succession occurs in an orderly and planned manner.
- (h) Proposing to the board the remuneration policy for directors and general managers or those who perform their senior management functions under the direct authority of the board, of the executive committee, if any, or, where appropriate, of managing directors, as well as the individual remuneration and other contractual conditions of the executive directors.
- (i) Ensuring that directors comply with the obligations and duties established in the board of directors regulation.
- (j) Reporting to the board of directors in advance of transactions with related parties.

- (k) Any others attributed to it by these Articles of Association or the board of directors regulation.
4. The powers of the appointments and remuneration committee are solely advisory and proposal-based.
 5. The committee will meet as often as is appropriate, at the call of the Chair, by his own decision or in response to the request of three of its members, of the executive committee, if any, or of the board of directors. In any case, it will meet twice a year to prepare the information on directors' remuneration that the board of directors must approve and include in its annual public documentation.
 6. The appointments and remuneration committee will be validly constituted with the direct attendance or by means of representation of at least half plus one of its members; and will adopt its resolutions by majority of the attendees. In the event of a tie, the Chair will have the casting vote.
 7. The Board may implement and complete the above rules in its regulations, in accordance with the law and the Articles of Association.

Chapter Five

Director's charter

ARTICLE 52. General obligations of a director

1. The function of the director is to guide and control the management of the Company in order to maximise its value for the benefit of shareholders.
2. In the performance of his/her duties, the director must act with the diligence of an orderly businessperson, taking into account the nature of the office and the functions attributed to him/her. In particular, the director is bound: (i) to demand the adequate and necessary information on the Company's progress in order to adequately prepare the meetings of the board and of the delegated bodies to which it belongs and to adequately fulfil their obligations; (ii) to attend the meetings of the bodies of which they form part and to take part in the debates; (iii) to carry out the tasks entrusted by the board of directors or the delegated bodies, provided that it is reasonably understood to be within

the sphere of the director's dedication; (iv) to denounce and report any irregularity in the management of the Company of which they may have been aware and to monitor risk situations; (v) urge, as the case may be, persons with the capacity to call meetings to call an extraordinary meeting of the board or to include in the agenda of the first meeting to be held such matters as it deems appropriate; (vi) oppose resolutions contrary to the law, the Articles of Association or the interests of the Company, and request that their position be recorded in the minutes when deemed most appropriate for the protection of the interests of the Company; (vii) inform the board of directors of the criminal cases in which they appear as defendants and the conduct thereof; and (viii) inform the appointments and remuneration committee, if any, of their other professional occupations and especially of their participation in other boards of directors.

3. A director must also perform their duties with the loyalty of a faithful representative, working in good faith and in the best interest of the Company. The duty of loyalty bounds a director to put the interests of the Company before his/her own, and specifically, to observe the rules contained in the applicable regulations and in the board of directors regulation.
4. The board regulation will develop the specific obligations of directors deriving from the duties of their office, paying special attention to situations of conflict of interest.

ARTICLE 53. Powers of information and inspection

1. Directors are vested with the broadest powers to obtain information on any aspect of the Company, to examine its books, registers, documents and other records of corporate operations, to inspect all its facilities and to communicate with the Company's senior management, having the duty to demand and the right to obtain from the Company the adequate and necessary information that be useful in fulfilling their obligations.
2. The exercise of the powers of information will be channelled through the Chair or the Secretary of the board of directors.

ARTICLE 54. Term of office of director

1. Directors will hold office for a period of four years and may be re-elected one or more times for periods of equal duration. Once the term has expired, the appointment will

expire once the next General Meeting has been held or the legal term for calling the ordinary General Meeting has expired.

2. Independent directors may hold office for a maximum term of twelve years and may not be re-elected after that term, except, where appropriate, for a favourable reasoned report from the appointments and remuneration committee.

ARTICLE 55. Resignation and cessation of directors

1. Directors will cease to hold office when so decided by the General Meeting, when they notify the Company of their resignation and when the period for which they were appointed has elapsed. In the latter case, the cessation will be effective when the first General Meeting following the expiry of the period has been held or, if none has been held until then, when the legal period for holding the meeting that must resolve on the approval of the financial statements of the previous year has elapsed.
2. Directors must place their offices at the disposal the board of directors and, at the board's discretion, formalise the resignation in the following cases: (a) when they reach the age of eighty; (b) when they cease to hold the executive positions in the Company with which their appointment as director was associated; (c) when, due to unforeseen circumstances, they are subject to any of the applicable cases of incompatibility or prohibition; (d) when they are seriously reprimanded by, as the case may be, the appointments and remuneration committee for having breached their obligations as directors; (e) when their continuity on the board may jeopardise, for any reason and directly, indirectly or through persons linked to it, the loyal and diligent exercise of their functions in accordance with the Company's interest or negatively affect the Company's credit and reputation; or (f) when the reasons for which they were appointed no longer exist.
3. When a director voluntarily leaves office before the end of his term of office, s/he must send all the Board members a letter explaining the reasons for the departure.

ARTICLE 56. Directors' remuneration

1. Directors, in their capacity as Board members, will be entitled to receive remuneration from the Company consisting of a fixed annual amount and attendance fees. The

maximum amounts to be paid by the Company to the directors will be that set by the General Meeting. This amount, if not modified by the General Meeting, will increase annually according to the Consumer Price Index. The Board will be responsible for setting the exact amount to be paid within this limit and its distribution among the different directors.

2. In addition, directors who have executive functions within the Company will be entitled to receive, for this item, remuneration for the performance of such duties consisting of: (i) a fixed portion, appropriate to the services and responsibilities assumed; (ii) a variable portion, correlated with some indicator of the performance of the director or of the Company; (iii) a welfare portion, which will include the appropriate pension and insurance systems; (iv) compensation in the event of severance or any other form of termination of the legal relationship with the Company not due to non-compliance attributable to the director; and (v) compensation arising from the establishment of a post-contractual non-competition agreement; all within the framework of the provisions of the law.

The Board will be responsible for determination of the amount of the remuneration items comprising the fixed portion, the methods for configuring the indicators for calculating the variable portion (which in no case may consist of a share in the Company's profits) and the welfare provisions, as well as any compensation for termination of the legal relationship or compensation in the event of a non-competition agreement, in accordance with the directors' remuneration policy approved by the General Meeting, pursuant to a report, where appropriate, from the appointments and remuneration committee, and without exceeding the maximum amount approved by the General Meeting.

The remuneration attributed to the executive directors for the performance of the duties will be included in a contract to be concluded between each executive director and the Company, which must be previously approved by the board of directors with the favourable vote of two thirds of its members, and must be included as an annex to the minutes of the meeting. The director concerned must refrain from attending the deliberation and from taking part in the vote.

3. The board will ensure that remuneration takes into consideration the duties, responsibilities and degree of commitment involved in the role that each director is called upon to play, membership, where appropriate, of board committees and other circumstances that it deems relevant. Accordingly, when the Chair of the Company does not have executive functions, s/he may receive a complementary remuneration, which may be approved by the board of directors in view of the special dedication required by his/her position.
4. The remuneration for the year agreed under this article will be included in the Report to be submitted for the approval of the ordinary General Shareholders Meeting under the terms established by law or regulation.
5. The remuneration of all directors (both executive and external) may also include, in addition to the amounts determined in accordance with the foregoing sections, the delivery of shares or share options or remuneration linked to the value of the shares.

The General Shareholders Meeting will have power to decide whether the remuneration is supplemented by the delivery of shares in the Company or its parent company, share options or remuneration linked to the value of the shares. The agreement must include the maximum number of shares that may be allocated to this remuneration system each year, the exercise price or the system for calculating the exercise price of the stock options, the value of the shares, which may be taken as a reference, and the duration of the plan.

6. The Company is authorised to take out civil liability insurance for its directors.
7. Directors' remuneration will be commensurate with their dedication to the Company and will be in reasonable proportion to the importance of the Company, its current economic situation and the market standards of comparable companies. The remuneration system should be aimed at promoting the Company's profitability and sustainability in the long term and incorporate the necessary safeguards to avoid taking excessive risks or rewarding unfavourable results.

TITLE FIVE

TELEMATIC COMMUNICATIONS

ARTICLE 57. Telematic communications

Subject to the Law, all shareholders and directors, by the very fact of acquiring such status, accept that communications between them and with the Company may be made by telematic means and are obliged to notify the Company of an email address and any subsequent modifications if they occur.

TITLE SIX

FINANCIAL YEAR AND FINANCIAL STATEMENTS

ARTICLE 58. Financial year

The financial year will commence on 1 January and end on 31 December.

ARTICLE 59. PREPARATION OF FINANCIAL STATEMENTS

1. Within the legal period, the board of directors will draw up the annual accounts, directors' report, if required; the proposal for the application of results as well as, where appropriate, the financial statements and directors' report.

The financial statements and directors' report must be signed by all the directors. If the signature of any of them is missing, it will be indicated in each of the documents in which it is missing, and the cause specified.

2. The documents referred to in the previous paragraph, accompanied by the auditors' report, will be submitted for approval to the General Meeting. Once the General Meeting has been called, any shareholder may obtain from the Company, without delay and free-of-charge, the documents that will have to be submitted to the shareholders for their approval, as well as the auditors' report.

ARTICLE 60. VERIFICATION OF FINANCIAL STATEMENTS

1. The financial statements, and, as the case may be, the directors' report of the Company, as well as the consolidated financial statements and directors' report, must be reviewed by the auditor in the cases and under the terms established by law.

2. The auditor will be appointed by the General Meeting before the end of the financial year to be audited, for an initial period of time which may not be less than three years nor more than nine years from the date on which the first financial year to be audited begins, without prejudice to the regulations governing the activity of audits with respect to the possibility of an extension.
3. If there is an audit and compliance committee, it must authorise any contracts between the Company and the auditor that are outside the auditing activity.
4. The Board will include in the annual report information on services other than the auditing of accounts provided to the Company by the auditor or by any firm with which the auditor has a significant relationship, and the overall fees paid for such services.

ARTICLE 61. APPROVAL OF FINANCIAL STATEMENTS AND DISTRIBUTION OF PROFIT/LOSS

1. The financial statements will be submitted to the approval of the general shareholders meeting.
2. Once the financial statements have been approved, the General Meeting will resolve on the allocation of the profit/loss for the year.
3. Dividends may only be distributed against the profit for the year, or unrestricted reserves, if the reserves required by law and the Articles of Association have been satisfied and if the net book value after the distribution does not fall below the total share capital. If losses exist from prior years that make the Company net worth lower than the share capital figure, any profit must be allocated to offsetting such losses. For these purposes, profit allocated directly to equity may not be distributed either directly or indirectly.
4. If the General Meeting resolves to distribute dividends, it will determine the time and form of payment. The determination of these matters may be delegated to the board of directors, as well as any other that may be necessary or convenient for the effectiveness of the agreement.
5. The board may resolve that the dividend be paid in full or in part in kind provided that:

- (a) the goods or rights being distributed are like-for-like, and
- (b) they are not distributed at a lower value than they given in the Company's balance sheet.

In the event of a capital reduction due to the repayment of contributions, payment to shareholders may be made, in whole or in part, in kind provided that the assets or rights awarded to them meet the same conditions.

6. Dividends will be distributed to shareholders in proportion to the share capital they have paid out.

ARTICLE 62. FILING OF THE APPROVED FINANCIAL STATEMENTS

Within one month following the approval of the financial statements, the board of directors will deposit the annual accounts and directors' report, as well as the consolidated financial statements and directors' report, together with, where appropriate, the corresponding auditors' reports, the certification of the resolutions of the General Shareholders Meeting approving the statements, duly signed, and application of the result, as well as, where appropriate, the other mandatory documentation, pursuant to the terms and within the periods established by law.

TITLE SEVEN

DISSOLUTION AND LIQUIDATION OF THE COMPANY

ARTICLE 63. DISSOLUTION OF THE COMPANY

The Company will be dissolved in the cases and with the requirements established in the Law.

ARTICLE 64. Liquidation

Once the Company has been dissolved, all the Board members with a current appointment and registered in the Mercantile Registry will be converted into liquidators, who will act as a collegiate body, and the legal and statutory provisions relating to the operation of the board of directors will apply. This is unless the General Meeting appoints other liquidators in the resolution for dissolution.

ARTICLE 65. Surviving assets and liabilities

1. Once the entries relating to the Company have been cancelled, if corporate assets remain, the liquidators must award the former shareholders the additional quota corresponding to them after converting the assets into cash when necessary. Once six months have elapsed since the liquidators were required to comply with the preceding paragraph, without the former shareholders having been awarded the additional quota, or in the event of the absence of the liquidators, any concerned party may request the First Instance Judge of the last registered office to appoint a person to replace them in the performance of their duties.
2. The former shareholders will be jointly and severally liable for unpaid corporate debts up to the limit of what they have received as a liquidation fee, without prejudice to the liability of the liquidators in the event of fraud or negligence.
3. In order to comply with formal requirements relating to legal acts prior to the cancellation of the Company's entries, or when necessary, the former liquidators may formalise legal acts in the name of the Company extinguished after its removal from registration. In the absence of liquidators, any concerned party may request the formalisation by the Judge of First Instance with jurisdiction in the Company's domicile.

TITLE EIGHT

JURISDICTION

ARTICLE 66. Jurisdiction

Any disputes that may arise between the Company and its directors or shareholders will be submitted to the Courts of Justice of the city of Madrid, with waiver of any other jurisdiction.
