## **MFE-MEDIAFOREUROPE constitution: Amsterdam Court will rule on September 1**

At the end of today's appeal hearing on Vivendi's complaint, Amsterdam Court announced its decision for Tuesday, September 1st. Until said date, all of Mediaset's activities on the subject will remain suspended.

Despite this new slowdown due to a prejudicially hostile partner, Mediaset is confident that MFE-MEDIAFOREUROPE will be set up on time.
